## NOTICE OF COMMISSION MEETINGS

Following is a schedule of Commission meetings which will be conducted under provisions of the Government in the Sunshine Act. In general, the Commission expects to follow a schedule of holding closed meetings on Tuesdays, and open meetings on Thursday morning. Meetings on Wednesday, and if necessary on Thursday afternoons, will be either open or closed according to the requirements of agenda items under consideration.

Visitors are welcome at all open meetings, insofar as space is available.

Meetings will be held in the Commission Meeting Room, Room 1C30, at the Commission's headquarters building, 450 Fifth Street, NW, Washington, DC. Persons wishing to photograph or videotape Commission meetings must obtain permission in advance from the Secretary of the Commission. Persons wishing to tape record a Commission meeting should notify the Secretary's office 48 hours in advance of the meeting.

### OPEN MEETING - THURSDAY, SEPTEMBER 22, 1988 - 10:00 a.m.

The subject matter of the September 22 open meeting will be:

(1) Consideration of whether to publish a report discussing various of its actions relating to improvements that could be made in the municipal securities markets. The report would also discuss the regulatory background of municipal securities and recent efforts made by various groups to improve investor protection in the municipal securities area. FOR FURTHER INFORMATION, PLEASE CONTACT Douglas E. Crow at (202) 272-2434.

(2) Consideration of whether to publish a release proposing for comment a rule that would require municipal underwriters participating in offerings exceeding \$10 million to: obtain and review copies of nearly final official statements prior to bidding for or purchasing an offering; contract with the issuers or their agents to obtain final official statements in sufficient quantities to make them available in accordance with rules established by the Municipal Securities Rulemaking Board (MSRB); and make available copies of preliminary and final official statements to investors and other interested persons on request. The release also would emphasize the responsibility of municipal underwriters to have a reasonable basis for believing in the accuracy of key representations concerning the securities that they underwrite, and would request comment on proposals by the MSRB and other industry groups to create a central repository for municipal official statements. FOR FURTHER INFORMATION, PLEASE CONTACT Edward L. Pittman at (202) 272-2848.

AT TIMES CHANGES IN COMMISSION PRIORITIES REQUIRE ALTERATIONS IN THE SCHEDULING OF MEETING ITEMS. FOR FURTHER INFORMATION AND TO ASCERTAIN WHAT, IF ANY, MATTERS HAVE BEEN ADDED, DELETED OR POSTPONED, PLEASE CONTACT: Karen Burgess at (202) 272-2000

## ADMINISTRATIVE PROCEEDINGS

---

### PROCEEDINGS INSTITUTED AND SANCTIONS IMPOSED AGAINST CAREY FUND MANAGEMENT INC.

The Commission instituted public administrative proceedings against Carey Fund Management Inc., a registered investment adviser, for allegedly aiding and abetting violations of Section 12(b) and Rule 12b-1 of the Investment Company Act of 1940.

The Order Instituting Proceedings alleges that Carey's advisory client, the Corporate Preferred Fund Inc. (Fund), adopted a distribution plan under Rule 12b-1 (12b-1 plan) which limited the Fund's annual distribution expenditures to .4% of its assets. However, the Order alleges that the 12b-1 plan failed to disclose that annual distribution expenses incurred on behalf of the Fund which exceeded .4% ceiling would be carried forward for eventual payment by the Fund in future years. The Order further alleges that non-distribution expenses were charged to the Fund under its 12b-1 plan.

Simultaneously, the Commission accepted Carey's Offer of Settlement wherein it consented, without admitting or denying the allegations or findings, to a censure and an Order to, among other things, implement oversight, review, and reporting procedures for the Rule 12b-1 plans of its advisory clients. Carey also undertook to reimburse the Fund over \$4,700 in non-distribution expenses which were nevertheless charged as 12b-1 expenses and have the Fund's distributor forego over \$400,000 in carry-forward expenses. (Rel. IA-1141)

### PROCEEDINGS INSTITUTED AND SANCTIONS IMPOSED AGAINST CONTINENTAL EQUITIES CORPORATION

The Commission instituted public administrative proceedings against Continental Equities Corporation, a registered broker-dealer, for failing to reasonably supervise its employees in order to prevent violations of certain recordkeeping provisions of the Investment Company Act of 1940 and the Securities Exchange Act of 1934. The Order Instituting Proceedings finds that Continental acts as the distributor for a group of affiliated mutual funds (Funds) under distribution plans adopted by the Funds in accordance with Section 12(b) and Rule 12b-1 of the Investment Company Act (Rule 12b-1 plans). The Order further alleges that inadequate oversight by Continental of the recordation of expenses it incurred under the 12b-1 plans resulted in inaccurate reports to the Funds' Trustees of the types and amounts of expenses incurred under their 12b-1 plans.

Simultaneously, the Commission accepted Continental's Offer of Settlement wherein it consented, without admitting or denying the allegations or findings, to an Order censuring it and ordering it to comply with its undertakings to create and implement extensive oversight, review, and reporting procedures of 12b-1 expenses it incurs, and to re-allocate approximately \$41,000 in non-distribution expenses previously charged as 12b-1 expenses. (Rel. 34-26091)
