The Commission also will consider proposing further amendments to Form S-8 designed to deter abuse of that form to register securities for capital-raising or promotional purposes. For further information, please contact Anne Krauskopf at (202) 942-2900.
- 3) Consideration of whether to repropose amendments to Rule 15c2-11 under the Securities Exchange Act of 1934. ENFORCEMENT PROCEEDINGS

RANDY DEPOISTER BARRED FROM THE SECURITIES INDUSTRY

Randy Depoister has been barred from working in the securities industry. This sanction was imposed in an administrative proceeding before an administrative law judge.

Depoister, of Chicago, Illinois, had served a prison term following his 1995 conviction for mail fraud, wire fraud, money laundering and causing the interstate transportation of property obtained by fraud. He had also been enjoined from violating the antifraud and other provisions of the federal securities laws. The criminal and civil proceedings were based on Depoister's offer and sale of unsecured promissory notes in Jarco, Inc. (Jarco) to eighteen investors. He had knowingly misrepresented and omitted to state material facts regarding the returns, duration, risks, safety and true nature of the investment, his own investment in Jarco and his conversion of \$90,200 raised from investors for his own use.

Depoister declined to defend the proceeding, stating he had decided not to oppose being barred. Accordingly, the law judge declared him in default, and based on his criminal conviction and civil injunction, barred him from the securities industry. The law judge stated that his misconduct by its nature flows across various security professions, was clearly egregious, and requires a comprehensive response to protect the public. CEASE AND DESIST ORDER ENTERED AGAINST STEPHEN MCERLAIN

On February 11, the Commission issued an Order pursuant to Section 21C of the Securities Exchange Act of 1934 (Exchange Act) against Stephen J. McErlain (McErlain), requiring him to cease and desist from committing or causing any violations of, or future violations of, the beneficial ownership reporting provisions, Section 16(a) of the Exchange Act and Rules 16a-2 and 16a-3 thereunder. McErlain was a Vice President of Unidigital, Inc. (Unidigital) from its inception until June 1, 1996, and served as a director of Unidigital until July 15, 1996, and is a beneficial owner of more than ten percent of the equity securities of Unidigital. The shares of Unidigital are listed on the NASDAQ National Market System (NASDAQ).

McErlain, without admitting or denying the allegations in the Commission's Order, consented to the entry of the Order finding that: (1) he failed to timely file a Form 5, resulting in a delinquency of more than one year and two months, and for periods ranging from two weeks to seven months, McErlain was delinquent in filing five Forms 4. The value of McErlain's stock transactions reported in late Form 4 filings for Unidigital is approximately \$587,730. (Rel. 34-41042; File No. 3-9827)

COMMISSION ORDERS MICRO COMPONENT TECHNOLOGY, INC. AND FOUR FORMER EMPLOYEES TO CEASE AND DESIST FROM VIOLATING THE FEDERAL SECURITIES LAWS AND BARS THE COMPANY'S FORMER CHIEF FINANCIAL OFFICER FROM APPEARING OR PRACTICING BEFORE THE COMMISSION FOR THREE YEARS

On February 11, the Commission instituted a settled administrative proceeding against Micro Component Technology, Inc. (MCT), а Minnesota corporation that designs, manufactures, markets and services automatic test equipment for the semiconductor industry, and four former officers or employees of the company, for engaging in improper revenue recognition and other improper accounting practices. According to the Commission's order, these improper accounting practices resulted in the issuance of materially overstated financial results contained in MCT's 1993 Registration Statement and its first and second quarterly reports for its 1994 The improper accounting practices included: fiscal year. the recording of sales revenue, when, in fact, MCT products were shipped with rights of return or other terms that did not permit revenue recognition; the recording of revenue upon shipment of MCT's product without customer authorization; and the failure to record and improper recording of certain expenses.

NEWS DIGEST, February 12, 1999

The Commission's order finds that MCT's improper recording of certain sales and expenses caused the company to materially overstate its revenue and net income. In connection with the company's initial public offering in 1993, MCT filed a registration statement that materially overstated MCT's net income for its fiscal year by ninety-eight percent. In addition, MCT materially overstated its net income in its first two quarterly reports filed for fiscal 1994. In those quarterly reports, MCT reported net income of \$75,000 and \$686,000, respectively, when it should have reported losses of approximately \$2 million for each quarter.

According to the order, Duane Wille (Wille), MCT's former chief financial officer, violated the antifraud provisions of the federal securities laws by reviewing and signing certain financial statements at a time when he knew, or was reckless in not knowing, that those financial statements were materially misstated. The order specifically finds that Wille knew that MCT had entered into certain sales contracts which contained rights of return or other terms that precluded the recording of revenue under generally accepted accounting principles. Wille nevertheless improperly permitted the recording of that revenue. In addition, the order finds that in two instances, Wille directed the improper recording of a material amount of expenses.

The order also finds that Steve Turner (Turner), MCT's former Vice President of Sales and Marketing, violated the antifraud provisions of the federal securities laws by creating two sham transactions in which Turner falsely claimed that potential customers had agreed to purchase MCT product. In one such sham transaction, Turner directed that an MCT tester be sent to MCT's sales office in San Jose without customer authorization. In another sham transaction, Turner falsely claimed that another customer had agreed to purchase a demonstration unit located in the sales office. Turner also negotiated three other material transactions that contained rights of return or other terms that Turner knew, or was reckless in not knowing, would preclude the recording of revenue.

The order finds that Jeff Stewart (Stewart), MCT's former Controller, prepared MCT's quarterly financial statements for the second quarter of MCT's 1994 fiscal year and knew, or should have known, that these statements were materially overstated. Earlier in the quarter, Stewart had, at the direction of Wille, recorded a material expense in a manner that he knew was improper. Stewart had also discovered that MCT recorded a material sales transaction that contained a right of return, a term which he knew precluded the recording of revenue.

The order finds that Daniel J. Hill (Hill), MCT's former President, CEO and Chairman, was on notice that MCT's internal controls were inadequate and had instructed Wille to review and improve the company's internal controls. By November 1993, Hill knew that Wille had taken no action. Further, Hill was told by MCT's auditors that Wille lacked sufficient technical expertise with respect to knowing whether something should be recorded. Despite these red flags, Hill failed to remove Wille from his accounting responsibilities and failed to take corrective steps. Wille continued to oversee the drafting of MCT's quarterly financial statements for the second quarter of MCT's 1994 fiscal year.

Without admitting or denying the findings of the Commission, each of the respondents has consented to the entry of the Commission's Order. The order directs that MCT cease and desist from committing violations of Sections 13(a) and 13(b)(2)(A) and (B) of the Securities Exchange Act of 1934 (Exchange Act) and Rules 13a-13 and 12b-20 thereunder. The order directs that Wille and Turner each cease and desist from committing violations of 17(a) of the Securities Act of 1933 and Sections 10(b) and 13(b)(5) of the Exchange Act and Rules 10b-5 and 13b2-1 thereunder. The order further directs that Wille and Turner disgorge \$20,000 each, representing executive bonuses awarded to each in connection with the successful completion of MCT's IPO. In addition, the order bars Wille from appearing or practicing before the Commission for three The order directs that Stewart cease and desist from years. committing violations of Exchange Act Rule 13b2-1 and causing violations of Sections 13(a) and 13(b)(2)(A) and (B) of the Exchange Act and Rules 13a-13 and 12b-20 thereunder. Finally, the order directs Hill to cease and desist from causing violations of Section 13(b)(2)(A) and (B) of the Exchange Act. (Rels. 33-7639; 34-41043; AAE Rel. 1109; File No. 3-9828)
