FOR RELEASE October 6, 1971

DECISIONS IN ADMINISTRATIVE PROCEEDINGS

SUTZ & ROSS, INC. REVOKED, BARRY SUTZ BARRED. The SEC has revoked the broker-dealer registration of Sutz & Ross, Inc., North Valley Stream, New York, and barred Barry Sutz, its president, from association with any broker, dealer, investment company or registered investment adviser. The sanctions were based on findings that during the period April-December 1969 the firm, aided and abetted by Sutz violated various provisions of the Securities Exchange Act. It was found, among other things, that the firm had engaged in business while insolvent and in violation of the Commission's net capital requirements, that it had failed promptly to deliver securities and monies to customers, that it had converted monies paid by customers for the purchase of securities, and that it had violated record-keeping, reporting and filing requirements.

Respondents, without admitting or denying any allegations, consented to the findings and to the revocation and bar. (Rel. 34-9354)

DATE OF GOLD SUSPENSION CHANGED. The SEC announced the issuance of an order changing the commencement date of the 15-day suspension from association with a broker-dealer, heretofore imposed on Abe Gold, a registered representative of Eaton Securities Co., Inc., of New York, from September 20, 1971, to August 30, 1971.
