## ADMINISTRATIVE PROCEEDINGS

---

### HAMMON CAPITAL MANAGEMENT; GABE HAMMON CITED

The Commission announced the institution of administrative proceedings pursuant to the Investment Advisers Act of 1940 against Hammon Capital Management Corporation (HCM), and its president Gabe Hammon (Hammon). These proceedings have been instituted to determine whether HCM has wilfully violated and Hammon has wilfully aided and abetted violations of Section 204 of the Advisers Act and Rule 204-1 thereunder. The Commission's Order alleges that HCM and Hammon have not filed Forms ADV or ADV-S on a timely basis, and that they have not complied with a previous Commission order dated April 30, 1983, which required them to retain an accounting firm for 18 months to maintain the required records and a duplicate set of HCM's client records. The Order also required HCM and Hammon to retain a second accounting firm to conduct four surprise audits of those records. A hearing will be scheduled by further order to take evidence on the staff's allegations and to afford HCM and Hammon an opportunity to present any defenses thereto for the purpose of determining whether any action of a remedial nature should be ordered by the Commission. (Rel. IA-849)

## CIVIL PROCEEDINGS

### COMPLAINT NAMES SHERWOOD GRANT PETERSON, OTHERS

The Chicago Regional Office announced that on April 1 a complaint was filed in the U.S. District Court for the Northern District of Illinois, Eastern Division, seeking to enjoin Sherwood Grant Peterson, individually and doing business as Financial Planning Services, of Sandwich, Illinois; Western Movies, Inc. located in Sandwich, Illinois; First National Media Corp. and Alan Dorne of North Miami Beach, Florida, from further violations of certain registration and antifraud provisions of the securities laws. The complaint alleges that Peterson, Western Movies, First National Media and Dorne defrauded the public in connection with the offer and sale of investment contracts in movies coupled with syndication agreements. The defendants' misconduct included misrepresenting and omitting material fact concerning rates of return; expertise and business connections of First National Media and Dorne; the marketing status of the movies; the risks involved; the technical difficulties encountered in putting the films in a marketable format; and the delivery of quarterly reports and payments to investors.

The complaint further alleges that Peterson violated the antifraud provisions in the offer and sale of working interests in oil wells. In connection with these securities, Peterson made untrue statements of material facts and omitted to state material facts concerning the anticipated returns investors would receive and the experience and past drilling history of the driller. The case has been assigned to The Honorable James B. Moran. (SEC v. Sherwood Grant Peterson, individually and d/b/a Financial Planning Services, et al., 83 C 2325, N.D. Illinois). (LR-9960)
