ADMINISTRATIVE PROCEEDINGS

BONNEVILLE REGISTRAR AND TRANSFER AND MATTHEW R. WHITE SANCTIONED

The Commission instituted public administrative proceedings under the Securities Exchange Act of 1934 against Bonneville Registrar and Transfer, a registered transfer agent, and its managing general partner, Matthew R. White, both of Salt Lake City, Utah. Bonneville and White, without admitting or denying the findings or factual allegations of the Order, consented to the Order. The Commission found that Bonneville, among other things, (1) violated the transfer agent reporting requirements by making misrepresentations and failing to disclose material information in its transfer agent registration form; (2) failed to timely file required annual reports; (3) failed to report the inability to turnaround routine items within the required time period; and (4) failed to make and maintain certain required books and records. The Commission also found that White failed to properly supervise the employees of Bonneville.

The Order censures Bonneville and directs it to, among other things, comply with its undertakings to (1) file current amendments to Forms TA-1 and TA-2; (2) have an independent accountant conduct an annual evaluation and adopt recommendations to correct deficiencies; and (3) make and maintain required books and records. The Order also censures White and directs him to comply with his undertaking to assist Bonneville in adopting formal supervisory procedures to avoid similar violations in the future. (Rel. 34-27288)

The National Association of Securities Dealers filed the following proposed rule changes which have become effective under Section 19(b)(3)(A) of the Securities Exchange Act of 1934: (SR-NASD-89-39) revising the fee for ITS/CAES to assess the same charge for ITS/CAES commitments entered by market maker participants as currently is applied to a member that receives commitments through ITS.
