- Item 1. Enter the name of the work site/establishment covered by this form. Remember that your main establishment is also considered a work site if workers with disabilities are employed there at special minimum wages. The work site/establishment covered by this form must also appear in either Item 2 or Item 6 of the WH-226.
- Item 2. Enter the address of the work site covered by this form. This same address must appear in Item 2 or Item 6 of the WH-226. Remember that a separate WH-226A must be submitted for *each* work site/establishment.
- **Item 3.** Indicate the type of work site covered by this data sheet.
 - ME: Your Main Establishment. The establishment named in Item 2 of the WH-226.
 - **BR:** Branch Establishment. A *branch establishment* is an establishment or facility operated by the enterprise, that is physically separate from the main establishment, where workers with disabilities are employed at special minimum wages.
 - SE: Supported Employment site, including Enclaves. A supported employment work site is a location, outside of the work center or rehabilitation center, often on the premises of an enterprise separate form the work center or rehabilitation center, where workers with disabilities paid special minimum wages are placed in employment settings along with work center staff (job coaches). An enclave is a supported employment work site where a group of workers with disabilities is working and supervised by staff from the work center.
 - **SWEP: School Work Experience Program site**. A *school work experience program (SWEP) site* is a workplace in the community in which a school system has placed a student(s) with disabilities to work in a job(s) at special minimum wages.

- Item 5. Indicate whether workers with disabilities perform work subject to the Service Contract Act (SCA) at this work site.
- **Item 6.** Individually list by name all those workers whose disabilities impaired their productive capacity for the work performed during your *most recently completed fiscal quarter* and who earned less than the statutory minimum wage or SCA wage determination rate.

- Item 9. For workers paid hourly wage rates, list the rate or rates paid at the end of the fiscal quarter.

For workers paid by piece rates, list the average earnings per hour. Average earnings are computed by dividing the total earnings of the individual worker by the number of hours worked during that fiscal quarter.
