### **RETAIL CONSIGNEES FOR FSIS RECALL 049-2011**

FSIS has reason to believe that the following retail location(s) received approximately 197 pounds of imported, ready-to-eat, smoked duck breast products that may be contaminated with *Salmonella* from Palmex, Inc., a Champlain, N.Y. establishment. This list may not include all retail locations that have received the recalled product or may include retail locations that did not actually receive the recalled product. Therefore, it is important that you use the product-specific identification information, available at [http://www.fsis.usda.gov/News & Events/Recall\\_049\\_2011\\_Release/index.asp](http://www.fsis.usda.gov/News_&_Events/Recall_049_2011_Release/index.asp), in addition to this list of retail stores, to check meat or poultry products in your possession to see if they have been recalled.
