**II. MAKING A FOIA REQUEST**

1. FOIA requests should be sent to: Mary L. Johnson, Chief FOIA Officer, National Mediation Board, 1301 K Street, N.W., Suite 250E, Washington, DC 20005. The telephone number is (202) 692-5040. The formal rules for the making of FOIA requests to the National Mediation Board are set forth in Chapter 10, Volume 29, of the Code of Federal Regulations.

2. Some requests are not granted based upon the exemptions from disclosure under the FOIA. In some other instances, the record sought does not exist; the request was withdrawn; or the document sought is not an agency record. The following is an overview of certain general categories of agency records to which the FOIA exemptions apply.

- a. Exemption 5 exempts inter-agency or intra-agency memoranda or letters that would not be available by law to a party other than an agency in litigation with the agency. Records withheld under this exemption are those that reflect the agency's predecisional, deliberative process. Attorney-client privileged communications also are covered by this exemption. (5 U.S.C. § 552(b)(5)). Records withheld under this exemption in FY 2009 include the following: delegations signed by the General Counsel and confidential showing of interest reports from investigators.

- b. Exemption 6 exempts information involving matters of personal privacy. (5 U.S.C. § 552(b)(6)). Records withheld under this exemption in FY 2009 include the following: employee names, identification numbers, and social security numbers; personal information regarding employee status changes; and employee home addresses.

### III. ACRONYMS, DEFINITIONS, AND EXEMPTIONS

1. Agency-specific acronyms or terms used in this Report.
  1. NMB - National Mediation Board
  2. FOIA - Freedom of Information Act
  3. FY – Fiscal Year
2. Definitions of terms used in this Report:
  - a. **Administrative Appeal** - a request to a Federal agency asking that it review at a higher administrative level a FOIA determination made by the agency at the initial request level.
  - b. **Average Number** - Average number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
  - c. **Backlog** – the number of requests or administrative appeals that are pending at an agency at the end of the fiscal year that are beyond the statutory time period for a response.
  - d. **Component** – for agencies that process requests on a decentralized basis, a “component” is an entity, also sometimes referred to as an Office, Division, Bureau, Center, or Directorate, within the agency that processes FOIA requests. The FOIA now requires that agencies include in their Annual FOIA Report data for both the agency overall and for each principal component of the agency.
  - e. **Consultation** – the procedure whereby the agency responding to a FOIA request first forwards a record to another agency for its review because that other agency has an interest in the document. Once the agency in receipt of the consultation finishes its review of the record, it responds back to the agency that forwarded it. That agency, in turn, will then respond to the FOIA requester.
  - f. **Exemption 3 Statute** – a federal statute that exempts information from disclosure and which the agency relies on to withhold information under subsection (b)(3) of the FOIA.

- g. **FOIA Request** – a FOIA request is generally a request to a federal agency for access to records concerning another person (i.e., a third-party” request), or concerning an organization, or a particular topic of interest. FOIA requests also include requests made by requesters seeking records concerning themselves (i.e., “first-party” requests) when those requesters are not subject to the Privacy Act, such as non-U.S. citizens. Moreover, because all first-party requesters should be afforded the benefit of both the access provisions of the FOIA as well as those of the Privacy Act, FOIA requests also include any first-party requests where an agency determines that it must search beyond its Privacy Act “systems of records” or where a Privacy Act exemption applies, and the agency looks to FOIA to afford the greatest possible access. All requests which require the agency to utilize the FOIA in responding to the requester are included in this Report.

Additionally, a FOIA request includes records referred to the agency for processing and direct response to the requester. It does not, however, include records for which the agency has received a consultation from another agency. (Consultations are reported separately in Section XII of this Report.)

- h. **Full Grant** – an agency decision to disclose all records in full in response to a FOIA request.
- i. **Full Denial** – an agency decision not to release any records in response to a FOIA request because the records are exempt in their entireties under one or more of the FOIA exemptions, or because of a procedural reason, such as when no records could be located.
- j. **Median Number** - the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
- k. **Multi Track Processing** - a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests granted expedited processing are placed in yet another track. Requests in each track are processed on a first-in/first-out basis.
  - i. **Expedited Processing** – an agency will process a FOIA request on an expedited basis when a requester satisfies the requirements for expedited

processing as set forth in the statute and in agency regulations.

- ii. **Simple Request** - a FOIA request that an agency using multi-track processing places in its fastest (non expedited) track based on the low volume and/or simplicity of the records requested.
- iii. **Complex Request** – a FOIA request that an agency using multi-track processing places in a slower track based on the high volume and/or complexity of the records requested.

l. **Partial Grant/Partial Denial** – in response to a FOIA request, an agency decision to disclose portions of the records and to withhold other portions that are exempt under the FOIA, or to otherwise deny a portion of the request for procedural reason.

m. **Pending Request or Pending Administrative Appeal** – a request or administrative appeal for which an agency has not taken final action in all respects.

n. **Perfected Request** – a request for record which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any) and procedures to be followed.

o. **Processed Request or Processed Administrative Appeal** – a request or administrative appeal for which an agency has taken final action in all respects.

p. **Range in Number of Days** – the lowest and highest number of days to process requests or administrative appeals.

q. **Time Limits** – the time period in the statute for an agency to respond to a FOIA request (ordinarily twenty working days from receipt of a perfected FOIA request).

3. Concise descriptions of the nine FOIA exemptions.

a. **Exemption 1:** classified national defense and foreign relations information.

- c. **Exemption 3:** information that is prohibited from disclosure by another federal law.

- f. **Exemption 6:** information involving matters of personal privacy.
