

#### ADMINISTRATIVE CONFERENCE OF THE UNITED STATES

#### Freedom of Information Act Annual Report Fiscal Year 2011

#### I. Basic Information

The Administrative Conference of the United States is a small agency staffed by approximately 15 full-time persons. Therefore, <u>all of the agency's FOIA requests are processed at the agency level</u>. This report represents information for the agency overall and does not include any separate component office information.

### II. How to Make a FOIA Request

- A. The preferred method for making a formal FOIA request is to submit an online request at <a href="http://www.acus.gov/foia/request/">http://www.acus.gov/foia/request/</a>. The Conference's FOIA regulations outline additional ways in which to submit a FOIA request. Those methods include submitting a written request to the agency either by mail or by fax. In addition, the Conference's *Freedom of Information Reference Guide* contains further instructions on how to make a request. Both the FOIA regulations and the guide are located on the agency's website, <a href="https://www.acus.gov/foia">www.acus.gov/foia</a>.
- B. Agency response-time ranges:

The median response time for processing **initial requests** in FY '11 was one working day. For **appeals**, the median processing time was zero working days because there were no appeals.

C. Brief description of why **some** requests are not granted:

FOIA requests presented to ACUS may not be granted when the information meets the criteria or standards that preclude disclosure under one or more of the FOIA exemptions, or when no responsive records exist or are not in the possession of this agency. In addition, since the agency did not begin operations until the summer of 2010, the agency did not exist for the period in which some records may be requested.

#### III. Definitions of Terms and Acronyms Used in this Report

A. ACUS or "The Conference"—Administrative Conference of the United States

#### B. Basic Terms:

- 1. FOIA/PA request -- Freedom of Information Act/Privacy Act request. A FOIA request is **generally** a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning the requester; such requests are also treated as FOIA requests. (All requests for access to records, regardless of which law is cited by the requester, are included in this report.)
- 2. Initial Request -- a request to a federal agency for access to records under the FOIA.
- 3. Appeal -- a request to a federal agency asking that it review at a higher administrative level a full or partial denial of access to records under the FOIA, or any other FOIA determination such as a denial of a fee waiver or an assessment.
- 4. Processed Request or Appeal -- a request or appeal for which an agency has taken a final action in all respects on the request or the appeal.
- 5. Multi-track processing -- a system in which simple requests requiring relatively minimal review are processed on one track, and more voluminous and complex requests are processed on one or more other tracks. Requests in each track are processed on a first-in/first out basis. A requester who has an urgent need for records may request expedited processing.
- 6. Expedited processing -- an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records, which warrants prioritization of his or her request over other prior requests.

- 7. Simple request -- a FOIA request that an agency using multi-track processing assigns to its fastest (non-expedited) track based on the volume and/or simplicity of records requested.
- 8. Complex request -- a FOIA request that an agency using multi-track processing assigns to a slower track based on the volume and/or complexity of records requested.
- 9. Grant -- an agency decision to disclose in full all records in response to a FOIA request.
- 10. Partial grant -- an agency decision to disclose a record in part in response to a FOIA request; or a decision to disclose some records in full, but to withhold others in whole or in part.
- 11. Denial -- an agency decision not to release any records in response to a FOIA request because the agency determines that all the information in the requested records is exempt under one or more exemptions, or for some procedural reason (such as because no record is located in response to a FOIA request).
- 12. Time limits -- the time period for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfected" FOIA request).
- 13. "Perfected" request -- a FOIA request for records which adequately describes the records sought, which has been received by the FOIA office of the agency or agency component in possession of the records, and for which there remains no question about the payment of applicable fees.
- 14. Exemption 3 statute -- a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).
- 15. Median number -- the middle, not average, number. For example, among 3, 7, and 14, the median number is 7.
- 16. Average number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
