

CONTRACTOR NON-DISCLOSURE AGREEMENT (NDA)

Each contractor/subcontractor who may have access to non-public information under their contract must sign the form: **Commitment to Protect Non-Public Information – Contractor Agreement**.¹ The **Agreement** is on the next page.

Please be aware that separate **Agreements** are required for each contract.

For NIH contractors registered in the NIH Enterprise Directory (NED) system:

- The NDA is now included in the full and refresher version of the NIH Security Awareness courses.
- The NDA is also available for direct electronic acceptance from the menu within the Security and Privacy Awareness Training system.
- **Note:** NIH contractors who will not be receiving an Active Directory (network) account can also use the NDA form on the next page.

For NIH contractors who are NOT registered in the NED system:

- The NDA form on the following page shall be used.
- The printed copy of the form must be signed and submitted to your Project Officer prior to performing any work on the contract. Other copies are retained and/or submitted as stated in the **Agreement**.

Note: Contractors are no longer required to upload a copy of their **Agreement** into the Security Awareness Tracking System.

COMMITMENT TO PROTECT NON-PUBLIC INFORMATION

CONTRACTOR AGREEMENT

Access to non-public information may be required in the performance of my official duties, while working under the following contract or subcontract with the National Institutes of Health (NIH): Contract Number _____ between

_____ and my employer _____
(NIH I/C Name or Component) (Contractor's Company)

Should I have access to non-public information, I agree that I shall not release, publish, or disclose such information to unauthorized persons. I shall protect such information and will employ all reasonable efforts to maintain the confidentiality of such information. These efforts shall be no less than the degree of care employed by NIH to preserve and safeguard sensitive information.

I agree that I shall immediately notify the NIH IT Service Desk of any suspected or confirmed unauthorized disclosure and/or misuse of sensitive information.
