1. CertAlert 12-02, NOTAM Transition, stated that Lockheed Martin's e-NOTAM Portal would change to eNOTAM II (ENII) on May 1, 2012. The FAA is delaying this transition to October 23, 2012. Please modify CertAlert 12-02, NOTAM Transition, with the following:

Strike through the May 1, 2012 date and write in "October 23, 2012" in paragraphs 1B, 1C, 1D and paragraph 2.

2. No other changes are required. Maintain this CertAlert change with the original dated 04/02/2012.

A handwritten signature in blue ink that reads "Brian Rushforth".
