Preface

This publication is intended as a guide to U.S. Customs and Border Protection (CBP) procedures and regulations for vessels entering the United States. The information contained herein is accurate as of the publication date. This guide is not presented as a comprehensive reflection of all laws and regulations concerning entry to the United States. Rather, it seeks to identify those issues most significant to the shipping industry and to present them in a succinct and logical manner. The objective is to provide information concerning laws and regulations to be used as a resource by the shipping industry to promote the efficient processing of required forms, ensure the proper documentation and processing of crew and passengers, and reduce shipping companies' fines liability.

CBP publishes a companion guide entitled *Carrier Information Guide* (May 2011). It details passenger requirements for entry to the United States. The reader is urged to consider the Carrier Information Guide a companion publication to this guide. Additional information on this subject can be found in the Travel Information Manual (International Air Transport Association, Netherlands, published monthly), the United States Immigration and Nationality Act of 1952, as amended, and Title 8, Code of Federal Regulations.

For specific questions or clarification concerning requirements for entry to the United States, the reader is encouraged to contact the U.S. Department of State representative at the nearest embassy or consulate, the nearest CBP office or port of entry, or the Regional Carrier Liaison Groups (RCLG).

The RCLG is available 24 hours a day, 7 days a week, to assist carriers with questions regarding U.S. entry and departure related matters. This service is available to all carriers destined to the United States.

All crew members must be presented for inspection upon arrival of the vessel. Crew members working on board cruise vessels may only be subject to an "in-person muster" of the crew every 90 days after the initial inspection, provided that the crew member is not in the United States for more than an aggregate of 29 days between inspections. All crew members arriving in the United States must be in possession of documents as follows:

- 1. U.S. citizens on board U.S.-flagged commercial vessels:
 - a. Merchant Mariner Z-Card*
 *Coast Guard regulations require that U.S. citizen crew of U.S.-flagged vessels must be in possession of Merchant Mariner Card (Z-Card).
 - b. Proof of U.S. citizenship
- 2. U.S. citizens aboard foreign-flagged vessels arriving from the Western Hemisphere:
 - a. WHTI compliant documents
- 3. U.S. citizens aboard foreign flagged vessels arriving from the Eastern Hemisphere:
 - a. U.S. passport
- 4. Residents of the United States arriving on board any vessel from any port or place outside the United States must be in possession of one of the following documents:
 - a. DHS Form I-551 (Permanent Resident Card)
 - b. CIS Form I-327 (Re-entry Permit)
 - c. ADIT Stamp
 - d. CIS Form I-571 (Refugee Travel Document)
 - e. CIS Form I-512 (Advance Authorization for Parole)
 - f. CIS Form I-688 (Temporary Resident Card)
- 5. Nonimmigrant Crew All nonimmigrant crew members arriving aboard any vessel from any foreign port must be in possession of the following to be eligible for conditional landing permits:
 - a. Passport or Seaman's Book
 - b. Visa with D classification
 - c. Exceptions
 - » Exempt passport and D visa (Citizens of Canada or Bermuda arriving from the Western Hemisphere).
 - » Exempt D visa only (Citizens of Canada or Bermuda arriving from the Eastern Hemisphere).

Nonimmigrant crew members may not be employed aboard any U.S.-based fishing vessel in a D classification. Any such crew members will be detained on board the vessel. Please see the Carrier Information Guide, Part I for WHTI compliant documents.

Visa Requirements for Crew Members

All nonimmigrant crew members (with certain exceptions as noted) must be in possession of a passport or seaman's book and crew visa, known as a D visa, when arriving in the United States on board any vessel. There are specific classes of visas issued to facilitate crew members' transit to and/or arrival on a vessel. These classes of visas are:

D Visa - Issued to an individual crew member. It permits the crew member to request conditional landing privileges upon arrival in the United States on board the vessel. It also permits the master or agent to request a discharge and repatriation of the crew member. Crew members granted conditional landing privileges are authorized to remain in the United States only as long as the vessel remains in the United States, not to exceed 29 days.

C1 Visa - Permits the bearer to arrive in the United States and request direct and immediate transit through the United States. In the case of nonimmigrant crew members, it permits them to arrive in the United States (typically as an airline passenger) to request direct and immediate transit to their vessel. C1 visas do not permit the crew member to apply for conditional landing privileges.

C1/D Visa - Dual-purpose visa permits the bearer to arrive in the United States in either the C1 or D classification.

Crew with no Visa - Nonimmigrant crew who arrive without a D visa are ineligible for conditional landing status. In the case of crew members without valid D visas, the inspecting CBP officer shall order them detained or removed at carrier expense on CBP Form I-259.

DHS Form I-193 (Application for Waiver of Passport and/or Visa) - In extenuating circumstances, crew members without valid D visas and/or passports may have the opportunity to present application for waiver of visa requirements upon payment of the associated fee. The CBP officer will adjudicate the application in a manner consistent with the circumstances.

The master is responsible for the safekeeping of travel documentation of all nonimmigrant crew. Crew members in possession of a D, C1, or C1/D visa are ineligible to adjust or change their status to another visa classification such as tourist, student, temporary worker, etc., or to extend their stay beyond the initial period of admission.

CBP Form I-408 should list each crew member being discharged from the vessel in the United States along with the appropriate biographical information. In addition it shall include the following notations:

- First port of arrival in the United States;
- Date of arrival in the United States;
- · Date of discharge; and

Crew members traveling on the same itineraries may be listed on the same CBP Form I-408.

Parole

Crew members may be paroled at the port of entry, at the discretion of a CBP officer, in emergent circumstances. At the request of the CBP officer, the crew member must be presented for processing of port of entry paroles. The most common types of port of entry paroles are:

Medical Parole

Crew members may be paroled for medical treatment. In such cases the following forms and conditions are required:

- 1. CBP Form I-94 (Arrival/Departure Record) Lines 1 through 17 completed.
- 2. CBP Form I-259 (Notice to Detain, Remove, or Present Alien).
- 3. CBP Form I-510 (Guarantee of Payment).
- 4. Appropriate fee paid.
- 5. Evidence of medical condition. The owner, agent, or master will provide an explanation of medical conditions and approximate length of time for treatment. The submission of a physician's letter stipulating such may be required.
- 6. Termination of parole. The owner, agent, or master is responsible to notify CBP of the termination of a crew member's medical treatment and his/her departure from the United States.

Parole to Depart Foreign under Safeguard

Upon request of the owner, agent, or master to discharge a crew member, a CBP officer may, at his/her discretion, order a nonimmigrant crew member to be removed from the United States under safeguard. Typical circumstances warranting parole for removal under safeguard are:

- 1. Crew member's employment was terminated prior to end of contract.
- 2. Crew member has resigned prior to end of contract.
- 3. Crew member has prior violations under the Immigration and Nationality Act (INA).
- 4. Crew member has committed a criminal or violent act.
- 5. Crew member is ineligible for conditional landing rights.
- 6. CBP officer believes that crew member is at risk to abscond/desert.

In such cases the following forms are required:

- 1. CBP Form I-94 (Arrival/Departure Record) Lines 1 through 7 completed;
- 2. CBP Form I-259 (Notice to Detain, Remove, or Present Alien); and
- 3. Documentary evidence of arrangements for departure from the United States.

In the event a crew member has been ordered to depart the United States under safeguard, the owner, agent, or master is responsible to ensure the crew member's departure under the terms and conditions prescribed on CBP Form I-259 at the carrier's expense.

In the event a crew member has been ordered to depart the United States under safeguard, the CBP officer will serve the owner, agent, or master with CBP Form I-259.

90-Day Crew Inspections

Cruise ships with itineraries originating in the United States and terminating in the United States are eligible to be processed under the 90 day Crew Exception. Under this policy, cruise vessel crew need only be presented for an in-person inspection upon initial arrival. Subsequent arrivals within the next 90 days may not be required as long as the crew member has not been in the United States for more than an aggregate of 29 days. This does not exempt crew members who have engaged on the vessel after the initial inspection, nor does it relieve the owner, master, or agent from complying with regulations relating to the discharge or parole of crew members. CBP retains the authority to conduct a full or partial inspection at any time without notice.

Detention of Crew

All persons employed in any capacity on board any vessel in the United States shall be detained on board the vessel at the port of arrival by the master or agent of such vessel until admitted or otherwise permitted to land by a CBP officer.

When a nonimmigrant crew member is refused a conditional landing permit for any reason, CBP Form I-95 presented by him/her at time of application for conditional landing status shall be endorsed "Permission to land temporarily at all U.S. ports is refused." **The CBP Form I-95 with travel documents will be surrendered to the master or agent of the vessel**. CBP Form I-259 (Notice to Detain, Remove, or Present Alien) bearing the names of each detained crew member shall be served upon the agent or master.

Deserters/Absconded Crew Members

A deserter is a crew member who has been granted D-1 or D-2 status and a conditional landing permit but does not depart when required. An absconder is a crew member that has been refused a landing permit and is ordered detained on board but departs the vessel without permission.

The owner, agent or master is required to report **immediately**, by telephone, the desertion or absconding of a nonimmigrant crew member to the CBP office at the location of the incident. In addition, the following forms and documents are required:

- 1. Completed CBP Form I-409 (Report for Deserting Crewman);
- 2. A letter from the owner, agent, or master providing details of the incident;
- 3. The passport or travel document of the deserting/absconded crew member; and
- 4. Abscondee/deserter will be listed on the CBP Form I-418 traveling manifest to indicate they are no longer on the vessel.

Mustering

CBP officers may re-board a vessel to insure that detained crew members have remained on board or that all crew members are present for a ship's departure. A CBP officer may revoke a crew member's conditional landing permit at any time subsequent to the initial inspection.

Voluntary Departure

Crew members on vessels arriving in the United States are granted landing privileges up to the 29 day statutory limit. Changes of status or extensions of status are not allowed under the "D" classification.

In case of emergency, or operational mishap, a vessel may need to remain beyond the 29 days in the United States. In such instances, the master or agent may request Voluntary Departure by presenting a copy of the CBP Form I-418 and CBP Forms I-95 for all crew.

In instances where the vessel will remain beyond 29 days in the United States, the master or agent of the vessel must present a copy of the CBP Form I-418 and CBP Forms I-95 for all crew members. The CBP officer will prepare a CBP Form I-259 and serve the original to the master of the vessel. The CBP officer must then endorse CBP Form I-95 with the voluntary departure period.

It is very important to note that sailing to international or foreign waters without calling at a foreign port does not constitute departure from the United States.

A master who wishes to request Voluntary Departure must do so in writing. The master must present the following:

- CBP Form I-418 listing the crew on board;
- A letter from the company or vessel stating reasons necessary for stay in the United States over 29 days and proposed departure information; and
- CBP Forms I-95 issued to all crew members at time of arrival.

If no one will depart the vessel, the CBP Form I-259 must be completed to detain the crew on board.

Passengers

All passengers arriving to the United States on board any vessel (commercial or private) must comply with standard document requirements based on their nationality, immigration status and point of embarkation.

In addition to those holding tickets for passage, the following persons are also considered passengers on commercial vessels:

Guest/Family Members

Un-ticketed persons granted permission to travel on board the vessel by the owner, agent or master are considered passengers.

For example, a child of a crew member, guest of owner, or other individuals commonly referred to as supernumeraries.

Contract Workers

Persons who work on board the vessel, but do not meet the definition of crew because the work they perform while on board the vessel is not required for the normal operation of the vessel are considered passengers.

These workers are typically on board to fulfill a contractual or service agreement.

Examples of contract workers are: guarantee/warranty engineers, carpenters, painters, or certain classes of entertainers in possession of nonimmigrant work visas. Work (other than service of a guarantee/warranty nature) cannot be performed by contract workers while the vessel is in dry dock.

Castaways

Persons in distress or rescued at sea will be presented as passengers. There will be no fines, liability to the owner, agent or master for transporting improperly documented passengers under these circumstances.

Smuggled Persons

Any person provided passage for the purpose of entering the United States in violation of immigration laws is a smuggled person and would be considered a passenger.

Important Notes on Transporting Passengers

- 1. Provision of the visa waiver program apply only to passengers making an initial entry to the United States on a transportation line that has signed an agreement with CBP to transport passengers under this program and who meet its requirements.
- 2. Persons admitted to the United States under the VWP within the previous 90 days and who have traveled only to Canada, Mexico and or adjacent islands, may be transported to the United States on a non signatory carrier without penalty.
- 3. **Electronic System for Travel Authorization (ESTA)** ESTA is a web-based system for the collection of information on the VWP nationals prior to boarding U.S.-bound air or sea carriers. Registration in ESTA is mandatory for citizens of all 36 countries. Please visit http://esta.cbp.dhs.gov for more information about ESTA.

Great Lakes

The following exceptions apply to vessels of United States, Canadian or British registry engaged solely in traffic on the Great Lakes or the St. Lawrence River and connecting waterways.

Arrival Manifests

Arrival and departure manifests shall not be required unless: 1) Nonimmigrant crew members will perform longshore work in the United States; and 2) The vessel employs crew members of other than U.S., Canadian, or British citizenship. In such cases, after submission of a manifest on the first voyage of a calendar year, a manifest shall not be required on subsequent arrivals unless a nonimmigrant crew member other than Canadian or British citizenship is engaged or there is a change in performance of longshore work.

Crew Inspection

U.S. vessels and tugboats - An immigration examination shall not be required of any crew member aboard a U.S.-registered vessel who has been examined and admitted by an immigration officer as a crew member of the same vessel or any other vessel of the same company during the current calendar year.

Canadian or British vessels or tugboats - A nonimmigrant crew member need not be presented for inspection if said crew member:

- 1. Serves aboard a Great Lakes vessel of Canadian or British registry or aboard a tugboat of Canadian or British registry arriving at a U.S. port-of-entry from Canada.
- 2. Seeks admission for a period of 29 days or fewer.
- 3. Has, during the current calendar year, been inspected and admitted by a CBP officer as a member of the crew of the same vessel or tugboat, or of any other vessel or tugboat of the same company.
- 4. Is either a British or Canadian citizen or is in possession of a valid CBP Form I-95 previously issued to him or her as a member of the crew of the same vessel or tugboat, or of any other vessel or tugboat of the same company.
- 5. Does not require landing privileges in the United States beyond the time the vessel or tugboat will be in port.
- 6. Will depart to Canada with the vessel or tugboat.

Ferry Operations

CBP considers ferries to fall in two categories:

- 1. Ferries that primarily transport passengers and/or vehicles providing a continuation of the highway from one side of the water to the other and which is offered as a service normally attributed to a bridge or tunnel. CBP considers these ferry operations an extension of land border inspections, and the signatory carrier requirements are not applicable.
- 2. Ferries that go beyond a quick trip normally attributed to a bridge or tunnel extending the highway from one side of the water to the other and are more like vessel operations. These ferry crossing are typically several hours in duration and CBP considers them seaport inspections. Accordingly, these ferry companies must be signature to the VWP to transport eligible passengers making an initial entry to the United States.

Pre-Inspections

Cruise ship passengers may be pre-inspected by CBP officers in Vancouver, British Columbia, Canada, prior to their departure to the United States. In such cases, passengers arriving in the United States on board such vessels do not need to be presented for immigration inspection. During cruise ship pre-inspection all passengers must be presented in person with appropriate travel documents and CBP Forms I-94/I-94W if applicable.

There are various circumstances determining whether ship's crews will be pre-inspected. Please consult Vancouver CBP management for additional information. If crew is pre-inspected, the following forms and conditions are required:

- 1. A list of crew disembarking in Canada.
- 2. CBP Form I-418 (Arrival Crew List) listing all crew members departing for the United States. This is considered an Arrival Manifest. The heading of CBP Form I-418 should note Vancouver as both the Arrival Port and the Last Foreign Port along with the appropriate date.
- 3. CBP Form I-418 (Departure Crew List) listing of all crew members departing for Vancouver from the last U.S. port. This is considered a Departure Manifest. The heading of CBP Form I-418 should note Vancouver as the first port on which carrier arrived in United States this trip along with the appropriate date.
- 4. CBP Form I-418 listing crew members who joined or departed the vessel in the last U.S. port.
- 5. Any additional forms processed at the last U.S. port.
- 6. Notification to CBP of any deserters, abscondees, stowaways, or problems with crew members.

Closed Loop Cruises

The processing of travelers on closed-loop, U.S.-based ships returning from contiguous territory or adjacent islands may be facilitated through expedited USC processing if all closed loop conditions are satisfied.

Closed-loop cruises are defined as cruises with itineraries that both originate and terminate in the United States. For example, if a ship leaves from Fort Lauderdale, stops at an adjacent island, and returns to Fort Lauderdale, this is a closed-loop cruise. Cruises that begin in a foreign country, or embark new passengers in a foreign port of call, are not inspected as a "closed-loop" arrival and will be processed as a foreign arrival.

Private Vessels

All persons on board private vessels are subject to the associated documentary conditions for arrival into the United States. Provisions of the VWP do **not** apply to persons entering the United States on board private vessels on initial entry.

Persons operating, piloting, working, or otherwise employed on board private vessels, not regularly engaged in commercial carriage of goods and passengers may be considered crew members. Such persons may be admitted or otherwise permitted to land while in possession of visas either the D (crew) category or the B (business) category.

The provisions in this guide relating to the presentation of arrival and departure manifest shall not apply to a private vessel not engaged directly or indirectly in the carriage of persons or cargo for hire.

The information contained in this guide does not exempt persons arriving on private vessels from the requirements of inspection by a CBP officer upon arrival in the United States. All persons arriving in the United States by sea must be inspected by a CBP officer at a designated port of entry.

Stowaways

Notification

The owner, agent, or master of a vessel must immediately report to CBP the actual or suspected presence of stowaways and are responsible for the detention of stowaways.

Detention of Stowaways

All alien stowaways must be detained on board the vessel in order to be presented for inspection. Responsibility for the detention of the stowaway is absolute, even if the stowaway presence is unknown. Stowaways are to be treated in a humane and dignified manner.

Removal of Stowaways

Typically, the stowaway will be ordered detained and removed from the United States on board the vessel of arrival. The master of the vessel may request that a stowaway be removed from the United States by other means of transportation where compelling or emergent reasons exist. Permission for removal of the stowaway by other means is at the discretion of CBP, but all costs relating to the stowaways removal as well as responsibility of obtaining travel documents, remain with the carrier. Detention pending removal will be in CBP custody. All detention expenses are the responsibility of the owner of the vessel of arrival.

Credible Fear Claim by Stowaways

Stowaways expressing a credible fear of prosecution in their homelands may apply for asylum in the United States. Such persons will be removed from the vessel, and taken into CBP custody. All costs of detention of the stowaway, pending a decision in an asylum claim, are the responsibility of the owner of the vessel.

Potential Victims of Human Trafficking

Human trafficking is involuntary, involves forced exploitation of a person through physical and/or psychological coercion, and is a crime against a person's human rights. Human trafficking differs from human smuggling in several ways but the exploitation of a person is what separates one from the other. Smuggling is voluntary and generally the relationship with the smuggler ends after the border crossing.

As a member of the transportation industry, you are in the unique position to observe passengers which provides you with the opportunity to view indicators that would otherwise remain unknown. Some common indicators of human trafficking are:

- Does the person have control of his or her own travel and identification documents?
- Does the person have freedom of movement and social interaction?
- Does the person have reasonable knowledge and means of reaching his or her final destination?
- Is the child traveler accompanied by his or her real parent/guardian?

Death is not the only way to lose your life.

Be alert. Be strong. Be free. Stop Human Trafficking

You have rights in the United States regardless of your visa status.

- Did someone take away your ID or documents?
- Is someone forcing you to work for them to pay off a debt?
- Is someone forcing you to work or have sex against your will?
- Is someone threatening or hurting you or your family?

If yes, don't be afraid to ask for help.

CALL TOLL-FREE, 24 HOURS: 1-888-373-7888

CBP officers are trained to identify potential victims of human trafficking. In addition, they may discreetly warn travelers by providing them with human trafficking information cards (tear cards), see image. These cards are available in Arabic, Chinese (Simplified), Chinese (Traditional), English, French, French Creole, Hindi, Indonesian, Korean, Mandarin, Portuguese, Russian, Spanish, Thai, and Vietnamese.

All persons in the United States, even those here illegally, are protected by and subject to U.S. laws. CBP works closely with Homeland Security Investigations (HSI) and other federal partners to ensure that victims of human trafficking will be protected, given safe haven, and referred for medical or other assistance. You can report suspected human trafficking by calling the HSI tip-line at 866–347–2423 (from Canada, Mexico, or the United States) or at 802–872–6199 (from any country), or online at www.ice.gov/tips. Your tip can be provided anonymously. The tip line is staffed 24 hours a day, seven days a week by specially trained HSI personnel.
