## Biographical Note

Robert Edgar Cecil was born July 20, 1928, in Bluffton, Indiana. After graduating from Stanford University and its Graduate School of Business, Cecil accepted an import-export position with a firm in the Philippine Islands. In 1930 Cecil served as assistant manager of the Manila branch office of West Coast Life and became manager in 1935. In that same year, he married Sue Elizabeth Jurika. In January 1942 Cecil was taken prisoner by the Japanese when they took Manila. Cecil was held as a prisoner until the island's liberation by American forces in 1945. From 1958 to 1961 Cecil served as president of the Continental Life and Accident Insurance Company in Boise, Idaho, until his untimely death in a fatal car accident on June 17, 1961, near Lovelock, Nevada.

## Scope and Content Note

The papers of Robert Edgar Cecil (1906-1961) span the period 1942-1945 and pertain to his internment by the Japanese in the Philippine Islands during World War II. The papers relate to the internal affairs of the interment camps for civilians at the University of Santo Tomás, Manila, and at Los Baños. Under Japanese authority, the internees established a form of self-government operated under an executive committee. Cecil was secretary of this committee, as well as the director of the Department of Sanitation and Health in the camp government. The papers consist of manuscripts, typed and near-print copies of minutes of meetings, reports of committees, notices and orders, camp publications, rules and regulations, financial reports, medical reports, studies of food and nutrition, organizational charts, periodic lists of internees, memoranda and correspondence with Japanese officials, and other material relating to the conduct of the camp. The bulk of the papers documents life in the camp at Santo Tomás where Cecil was interned from January 1942 to May 1943, at which time he was transferred to the camp at Los Baños. The collection also contains liberation reports for the camp at Los Baños.
