OFFICE OF
INSPECTOR GENERAL

May 1, 2009

The Honorable Norman D. Dicks
Chairman
Subcommittee on Interior, Environment
and Related Agencies
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

On March 4, 2009, I briefed you and Ranking Member Simpson on some of the financial and programmatic challenges facing the U.S. Environmental Protection Agency (EPA) based on prior Office of Inspector General work. During this briefing, you requested that I provide information regarding outstanding unliquidated obligations for the EPA.

Enclosed is the information we obtained from EPA's records. It is listed in alphabetical order, summarized by the program name, and includes outstanding unliquidated obligations associated with that program as of March 31, 2009. The amounts are grouped by year beginning with Fiscal Years 1980-1999 and 2000-2005; and by individual fiscal year for 2006, 2007, 2008, and 2009. We also grouped those programs that had amounts outstanding under \$100,000 on one line.

We appreciate your interest in our work. Should you or your staff have any questions on this report, please contact Melissa Heist, Assistant Inspector General for Audit, at (202) 566-0824.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill A. Roderick", is written over a horizontal line.
