

NEHC

If want to fund  
this study, we need  
Woman study, can't  
go off one paragraph

N.S. said 10 pg proposal  
NEHC - wanted  
Dr Hymn - bad proposal

0497

NEHC was like?  
looked back at minutes we had  
no recollection.. final was supposed  
to

Feb/97 no clue as to when study  
would be do  
received interim study

2/97 - 6/97 Asking for clarification

→ 3/92  
- Interim report found nothing

of conclusions  
any ass

Even in interim report

Data is not good enough to evaluate  
parameters

Matrix

6/97 meeting - Nancy S. mentions follow-up  
Woman study - said DO  
- must do follow-up of  
interim study

CLW

Talking w/ NAVFAC HQ  
Chet Arnault

Quarterly mtg, 11/96

own 80k in FY97 to complete

By line of 2/97 mtg agenda item for  
discuss "What was status"

Mtg. Diff. place

ATSDR brought health assess <sup>Carol Hossen</sup>

no one from health DA Perry

Seamerfield

90% in from health assessors

\*Find out cost of thing over last 1.5 -  
year

- Carol Alosio - money person  
main spring partner, was down  
on DOE for funding

When asked about DHA she said

"only phase I" still need ~~GLW~~

"phase II"
