

30 April 2002

Commanding General (Attn: A/C of S, EMD)  
Marine Corps Base  
PSC Box 2004  
Camp Lejeune, N.C. 28542-0004

SUBJ: Freedom of Information Request for Reports of the  
U.S. Army Environmental Hygiene Agency (USAEHA) TTHM  
Monitoring Team, 1980-1981, and NACIP IAS team data.

- A. Request the undersigned officer be furnished with all  
TTHM Surveillance Report Forms (USAEHA S Form 7) of  
20 Feb 80 completed by the Fort McPherson team for  
the Hadnot Point Area Water Treatment Plant during the  
period 1980 through 1981.
- B. Request the same material by the USAEHA inspecti  
team for the Camp Lejeune Rifle Range water distrib  
system accomplished during the same period 1980-1981.
- C. Request documentation of the course of action directed by the  
Maintenance Manager/Supervising Ecologist/Supervising Chemist  
following certified chemical analysis of the samples provided  
by the USAEHA team during 1980-1981 and by the  
NACIP IAS team beginning in early 1982.

Submitted,

CLW
