SEC. 2710. REFORM OF HUD MULTIFAMILY PROPERTY DISPOSITION.

(a) FINDINGS.—The Congress finds that—

(1) the portfolio of multifamily housing project mortgages insured by the FHA is severely troubled and at risk of default, requiring the Secretary to increase loss reserves from \$5,500,000,000 in 1991 to \$11,900,000,000 in 1992 to cover estimated future losses;

(2) the inventory of multifamily housing projects owned by the Secretary has more than tripled since 1989, and, by the end of 1993, may exceed 75,000 units;

(3) the cost to the Federal Government of owning and maintaining multifamily housing projects escalated to approximately \$250,000,000 in fiscal year 1992;

(4) the inventory of multifamily housing projects subject to mortgages held by the Secretary has increased dramatically, to more than 2,400 mortgages, and approximately half of these mortgages, with over 230,000 units, are delinquent;

(5) the inventory of insured and formerly insured multifamily housing projects is rapidly deteriorating, endangering tenants and neighborhoods;

(6) over 5 million families today have a critical need for housing that is affordable and habitable; and

(7) the current statutory framework governing the disposition of multifamily housing projects effectively impedes the Government's ability to dispose of properties, protect tenants, and ensure that projects are maintained over time.

(b) MANAGEMENT AND DISPOSITION OF MULTIFAMILY HOUSING PROJECTS.—Section 203 of the Housing and Community Development Amendments of 1978 (12 U.S.C. 1701z-11) is amended to read as follows:

"SEC. 203. MANAGEMENT AND DISPOSITION OF MULTIFAMILY HOUSING PROJECTS.

"(a) GOALS.—The Secretary of Housing and Urban Development (in this section referred to as the 'Secretary') shall manage or dispose of multifamily housing projects that are owned by the Secretary or that are subject to a mortgage held by the Secretary in a manner that—

"(1) is consistent with the National Housing Act and this section;

"(2) will protect the financial interests of the Federal Government; and

"(3) will, in the least costly fashion among reasonable available alternatives, further the goals of—

"(A) preserving housing so that it can remain available to and affordable by low-income persons;

"(B) preserving and revitalizing residential neighborhoods;

"(C) maintaining existing housing stock in a decent, safe, and sanitary condition;

"(D) minimizing the involuntary displacement of tenants;

"(E) maintaining housing for the purpose of providing rental housing, cooperative housing, and homeownership opportunities for low-income persons; and

"(F) minimizing the need to demolish multifamily housing projects.

The Secretary, in determining the manner in which a project is to be managed or disposed of, may balance competing goals relating to individual projects in a manner that will further the purposes of this section.

"(b) DEFINITIONS.—For purposes of this section, the following definitions shall apply:

"(1) MULTIFAMILY HOUSING PROJECT.—The term 'multifamily housing project' means any multifamily rental housing project which is, or prior to acquisition by the Secretary was, assisted or insured under the National Housing Act, or was subject to a loan under section 202 of the Housing Act of 1959.

"(iii) housing assistance payments made under section 8 of the United States Housing Act of 1937 (excluding payments made for tenant-based assistance under section 8),

if (except for purposes of section 183(c) of the Housing and Community Development Act of 1987) such assistance payments are made to more than 50 percent of the units in the project.

"(3) FORMERLY SUBSIDIZED PROJECT.—The term 'formerly subsidized project' means a multifamily housing project owned by the Secretary that was a subsidized project immediately prior to its acquisition by the Secretary.

"(4) UNSUBSIDIZED PROJECT.—The term 'unsubsidized project' means a multifamily housing project owned by the Secretary that is not a subsidized project or a formerly subsidized project.

"(c) MANAGEMENT OR DISPOSITION OF PROPERTY.—

"(1) DISPOSITION TO PURCHASERS.—The Secretary is authorized, in carrying out this section, to dispose of a multifamily housing project owned by the Secretary on a negotiated, competitive bid, or other basis, on such terms as the Secretary deems appropriate considering the low-income character of the project and the requirements of subsection (a), to a purchaser determined by the Secretary to be capable of—

"(A) satisfying the conditions of the disposition;

"(B) implementing a sound financial and physical management program that is designed to enable the project to meet anticipated operating and repair expenses to ensure that the project will remain in decent, safe, and sanitary condition;

"(C) responding to the needs of the tenants and working cooperatively with tenant organizations;

"(D) providing adequate organizational staff and financial resources to the project; and

"(E) meeting such other requirements as the Secretary may determine.

“(ii) responding to the needs of the tenants and working cooperatively with tenant organizations;

“(iii) providing adequate organizational, staff, and other resources to implement a management program determined by the Secretary; and

“(iv) meeting such other requirements as the Secretary may determine; and

“(d) MAINTENANCE OF HOUSING PROJECTS.—

“(1) HOUSING PROJECTS OWNED BY THE SECRETARY.—In the case of multifamily housing projects that are owned by the Secretary (or for which the Secretary is mortgagee in possession), the Secretary shall—

“(ii) in the case of units requiring project-based rental assistance pursuant to this paragraph that are occupied by families who are not eligible for assistance under section 8, a contract under this subparagraph shall also provide that when a vacancy occurs, the owner shall lease the available unit to a family eligible for assistance under section 8; and

“(iii) the Secretary shall take actions to ensure the availability and affordability, as defined in paragraph (3)(B), for the remaining useful life of the project, as defined by the Secretary, of any unit located in any project referred to in subparagraphs (A) through (C) of subsection (b)(2) that does not otherwise receive project-based assistance

“(ii) in the case of units requiring project-based rental assistance pursuant to this paragraph that are occupied by families who are not eligible for assistance under section 8, a contract under this paragraph shall also provide that when a vacancy occurs, the owner shall lease the available unit to a family eligible for assistance under section 8.

“(C) EXCEPTIONS TO SUBPARAGRAPHS (A) AND (B).—In lieu of providing project-based assistance under subparagraph (A) or (B), the Secretary may require certain units in unsubsidized projects to contain use restrictions providing that such units will be available to and affordable by very low-income families for the remaining useful life of the project, as defined by the Secretary, if—

“(i) the Secretary matches any reduction in units otherwise required to be assisted with project-based assistance under subparagraph (A) or (B) with at least an equivalent increase in units made affordable to very low-income persons within unsubsidized projects;

The Secretary shall take action under this paragraph only after making a determination that there is available in the area an adequate supply of habitable affordable housing for low-income families. Actions taken pursuant to this paragraph may be taken in connection with not more than 10 percent of the aggregate number of units in subsidized or formerly subsidized projects disposed of by the Secretary annually.

“(3) OTHER ASSISTANCE.—

“(A) IN GENERAL.—In accordance with the authority provided under the National Housing Act, reduce the selling price, apply use or rent restrictions on certain units, or provide other financial assistance to the owners of multifamily housing projects that are acquired by a purchaser other than the Secretary at foreclosure, or after sale by the Secretary, on terms which will ensure that—

“(i) at least those units otherwise required to receive project-based section 8 assistance pursuant to subparagraphs (A), (B), or (D) of paragraph (1) are available to and affordable by low-income persons; and

“(ii) for the remaining useful life of the project, as defined by the Secretary, there shall be in force such use or rent restrictions as the Secretary may prescribe.

“(A) IN GENERAL.—Notwithstanding any other provision of law, and subject to notice to and comment from existing tenants, allow not more than—

“(i) 5 percent of the total number of units in multifamily housing projects that are disposed of by the Secretary during any 1-year period to be made available for uses other than rental or cooperative uses, including low-income homeownership opportunities, or in any particular project, community space, office space for tenant or housing-related service providers or security programs, or small business uses, if such uses benefit the tenants of the project; and

“(ii) 5 percent of the total number of units in multifamily housing projects that are disposed of by the Secretary during any 1-year period to be used in any manner, if the Secretary and the unit of general local government or area-wide governing body determine that such use will further fair housing, community development, or neighborhood revitalization goals.

“(B) DISPLACEMENT PROTECTION.—The Secretary shall make available tenant-based rental assistance under section 8 of the United States Housing Act of 1937 to any tenant displaced as a result of actions taken by the Secretary pursuant to subparagraph (A), and the Secretary shall take such actions as the Secretary determines necessary to ensure the successful use of any tenant-based assistance.

“(g) AUTHORIZATION OF USE OR RENT RESTRICTIONS IN UNSUBSIDIZED PROJECTS.—In carrying out the goals specified in subsection (a), the Secretary may require certain units in unsubsidized projects to contain use or rent restrictions providing that such units will be available to and affordable by very low-income persons for the remaining useful life of the property, as defined by the Secretary.

“(h) CONTRACT REQUIREMENTS.—

“(1) CONTRACT TERM.—

“(A) IN GENERAL.—Contracts for project-based rental assistance under section 8 of the United States Housing Act of 1937 provided pursuant to this section shall be for a term of not more than 15 years; and

“(B) CONTRACT TERM OF LESS THAN 15 YEARS.—Notwithstanding subparagraph (A), to the extent that units receive project-based assistance for a contract term of less than 15 years, the Secretary shall require that rents charged to tenants for such units not exceed the amount payable for rent under section 3(a) of the United States Housing Act of 1937 for a period of at least 15 years.

“(2) CONTRACT RENT.—

“(A) IN GENERAL.—The Secretary shall set contract rents for section 8 project-based rental contracts issued under this section at

levels that, in conjunction with other resources available to the purchaser, provide for the necessary costs of rehabilitation of such project and do not exceed the percentage of the existing housing fair market rents for the area (as determined by the Secretary under section 8(c) of the United States Housing Act of 1937) as the Secretary may prescribe.

“(B) UP-FRONT GRANTS AND LOANS.—If such an approach is determined to be more cost-effective, the Secretary may utilize the budget authority provided for project-based section 8 contracts issued under this section to—

“(i) provide project-based section 8 rental assistance; and

“(ii) (I) provide up-front grants for the necessary cost of rehabilitation; or

“(II) pay for any cost to the Government, as defined in section 502 of the Congressional Budget Act, for loans made pursuant to subsection (f)(1).

“(i) DISPOSITION PLAN.—

“(1) IN GENERAL.—Prior to the sale of a multifamily housing project that is owned by the Secretary, the Secretary shall develop a disposition plan for the project that specifies the minimum terms and conditions of the Secretary for disposition of the project, the initial sales price that is acceptable to the Secretary, and the assistance that the Secretary plans to make available to a prospective purchaser in accordance with this section. The initial sales price shall reflect the intended use of the property after sale.

“(2) COMMUNITY AND TENANT INPUT INTO DISPOSITION PLANS AND SALES.—

“(A) IN GENERAL.—In carrying out this section, the Secretary shall develop procedures to obtain appropriate and timely input into disposition plans from officials of the unit of general local government affected, the community in which the project is situated, and the tenants of the project.

“(B) TENANT ORGANIZATIONS.—The Secretary shall develop procedures to facilitate, where feasible and appropriate, the sale of multifamily housing projects to existing tenant organizations with demonstrated capacity or to public or nonprofit entities which represent or are affiliated with existing tenant organizations.

“(C) TECHNICAL ASSISTANCE.—

“(i) USE OF FUNDS.—To carry out the procedures developed under subparagraphs (A) and (B), the Secretary is authorized to provide technical assistance, directly or indirectly, and to use amounts appropriated for technical assistance under the Emergency Low Income Housing Preservation Act of 1987, the Low-Income Housing Preservation and Resident Homeownership Act of 1990, subtitle B of title IV of the Cranston-Gonzalez National Affordable Housing Act, or under this section for the provision of technical assistance under this section.

“(ii) SOURCE OF FUNDS.—Recipients of technical assistance funding under the Emergency Low Income Housing Preservation Act of 1987, the Low-Income Housing Preservation and Resident Homeownership Act of 1990, subtitle B of title IV of the Cranston-Gonzalez National Affordable Housing Act, or under this section shall be permitted to provide technical assistance to the extent of such funding under any of such programs or under this section, notwithstanding the source of funding.

“(j) RIGHT OF FIRST REFUSAL.—

“(1) PROCEDURE.—

“(A) NOTIFICATION BY SECRETARY OF THE ACQUISITION OF TITLE.—Not later than 30 days after acquiring title to a project, the Secretary shall notify the unit of general local government and the State agency or agencies designated by the Governor of the acquisition of such title.

“(B) EXPRESSION OF INTEREST.—Not later than 45 days after receiving notification from the Secretary under subparagraph (A), the unit of general local government or designated State agency may submit to the Secretary a preliminary expression of interest in the project. The Secretary may take such actions as may be necessary to require the unit of general local government or designated State agency to substantiate such interest.

“(C) TIMELY EXPRESSION OF INTEREST.—If the unit of general local government or designated State agency has expressed interest in the project before the expiration of the 45-day period referred to in subparagraph (B), and has substantiated such interest if requested, the Secretary, upon approval of a disposition plan for a project, shall notify the unit of general local government and designated State agency of the terms and conditions of the disposition plan and give the unit of general local government or designated State agency not more than 90 days after the date of such notification to make an offer to purchase the project.

“(D) NO TIMELY EXPRESSION OF INTEREST.—If the unit of general local government or designated State agency does not express interest before the expiration of the 45-day period referred to in subparagraph (B), or does not substantiate an expressed interest if requested, the Secretary, upon approval of a disposition plan, may offer the project for sale to any interested person or entity.

“(2) ACCEPTANCE OF OFFERS.—Where the Secretary has given the unit of general local government or designated State agency 90 days to make an offer to purchase the project, the Secretary shall accept an offer that complies with the terms and conditions of the disposition plan. The Secretary may accept an offer that does not comply with the terms and conditions of the disposition plan if the Secretary determines that the offer will further the goals specified in subsection (a) by actions that include extension of the duration of low-income affordability restrictions or otherwise restructuring the transaction in a manner that enhances the long-term affordability for low-income persons. The Secretary shall, in particular, have discretion to reduce the initial sales price in exchange for the extension of low-income affordability restrictions beyond the period of assistance contemplated by the attachment of assistance pursuant to subsection (e). If the Secretary and the unit of general local government or designated State agency cannot reach agreement within 90 days, the Secretary may offer the project for sale to the general public.

“(3) PURCHASE BY UNIT OF GENERAL LOCAL GOVERNMENT OR DESIGNATED STATE AGENCY.—Notwithstanding any other provision of law, a unit of general local government (including a public housing agency) or designated State agency may purchase a subsidized or formerly subsidized project in accordance with this subsection.

“(4) APPLICABILITY.—This subsection shall apply to projects that are acquired on or after the effective date of this subsection. With respect to projects acquired before such effective date, the Secretary may apply—

“(A) the requirements of paragraphs (2) and (3) of section 203(e) as such paragraphs existed immediately before the effective date of this subsection; or

“(B) the requirements of paragraphs (1) and (2) of this subsection, if the Secretary gives the unit of general local government or designated State agency—

“(i) 45 days to express interest in the project; and

“(ii) if the unit of general local government or designated State agency expresses interest in the project before the expiration of the 45-day period, and substantiates such

interest if requested, 90 days from the date of notification of the terms and conditions of the disposition plan to make an offer to purchase the project.

“(k) DISPLACEMENT OF TENANTS AND RELOCATION ASSISTANCE.—

“(1) IN GENERAL.—Whenever tenants will be displaced as a result of the disposition of, or repairs to, a multifamily housing project that is owned by the Secretary (or for which the Secretary is mortgagee in possession), the Secretary shall identify tenants who will be displaced, and shall notify all such tenants of their pending displacement and of any relocation assistance which may be available. In the case of a multifamily housing project that is not owned by the Secretary (and for which the Secretary is not mortgagee in possession), the Secretary shall require the owner of the project to carry out the requirements of this paragraph.

“(2) RIGHTS OF DISPLACED TENANTS.—The Secretary shall assure for any such tenant (who continues to meet applicable qualification standards) the right—

“(A) to return, whenever possible, to a repaired unit;

“(B) to occupy a unit in another multifamily housing project owned by the Secretary;

“(C) to obtain housing assistance under the United States Housing Act of 1937; or

“(D) to receive any other available relocation assistance as the Secretary determines to be appropriate.

“(l) MORTGAGE AND PROJECT SALES.—

“(1) IN GENERAL.—The Secretary may not approve the sale of any loan or mortgage held by the Secretary (including any loan or mortgage owned by the Government National Mortgage Association) on any subsidized project or formerly subsidized project, unless such sale is made as part of a transaction that will ensure that such project will continue to operate at least until the maturity date of such loan or mortgage, in a manner that will provide rental housing on terms at least as advantageous to existing and future tenants as the terms required by the program under which the loan or mortgage was made or insured prior to the assignment of the loan or mortgage on such project to the Secretary.

“(2) SALE OF CERTAIN PROJECTS.—The Secretary may not approve the sale of any subsidized project—

“(A) that is subject to a mortgage held by the Secretary; or

“(B) if the sale transaction involves the provision of any additional subsidy funds by the Secretary or a recasting of the mortgage, unless such sale is made as part of a transaction that will ensure that such project will continue to operate at least until the maturity date of the loan or mortgage, in a manner that will provide rental housing on terms at least as advantageous to existing and future tenants as the terms required by the program under which the loan or mortgage was made or insured prior to the proposed sale of the project.

“(3) MORTGAGE SALES TO STATE AND LOCAL GOVERNMENTS.—Notwithstanding any provision of law that may require competitive sales or bidding, the Secretary may carry out negotiated sales of subsidized or formerly subsidized mortgages held by the Secretary, without the competitive selection of purchasers or intermediaries, to units of general local government or State agencies, or groups of investors that include at least one such unit of general local government or State agency, if the negotiations are conducted with such agencies, except that—

“(A) the terms of any such sale shall include the agreement of the purchasing agency or unit of local government or State agency to act as mortgagee or owner of a beneficial interest in such mortgages, in a manner consistent with maintaining the projects

that are subject to such mortgages for occupancy by the general tenant group intended to be served by the applicable mortgage insurance program, including, to the extent the Secretary determines appropriate, authorizing such unit of local government or State agency to enforce the provisions of any regulatory agreement or other program requirements applicable to the related projects; and

“(B) the sales prices for such mortgages shall be, in the determination of the Secretary, the best prices that may be obtained for such mortgages from a unit of general local government or State agency, consistent with the expectation and intention that the projects financed will be retained for use under the applicable mortgage insurance program for the life of the initial mortgage insurance contract.

“(4) SALE OF MORTGAGES COVERING UNSUBSIDIZED PROJECTS.—Notwithstanding any other provision of law, the Secretary may sell mortgages held on unsubsidized projects on such terms and conditions as the Secretary may prescribe.

“(m) REPORT TO CONGRESS.—Not later than June 1 of each year, the Secretary shall submit to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Banking, Finance and Urban Affairs of the House of Representatives, a report describing the status of multifamily housing projects owned by or subject to mortgages held by the Secretary, which report shall include—

“(1) the name, address, and size of each project;

“(2) the nature and date of assignment;

“(3) the status of the mortgage;

“(4) the physical condition of the project;

“(5) an occupancy profile of the project, including the income, family size, and race of current residents as well as the rents paid by such residents;

“(6) the proportion of units in a project that are vacant;

“(7) the date on which the Secretary became mortgagee in possession;

“(8) the date and conditions of any foreclosure sale;

“(9) the date of acquisition by the Secretary;

“(10) the date and conditions of any property disposition sale;

“(11) a description of actions undertaken pursuant to this section, including—

“(A) a comparison of results between actions taken after enactment of the Housing and Community Development Act of 1993 and actions taken in years prior to such enactment;

“(B) a description of any impediments to the disposition or management of multifamily housing projects, together with a recommendation of proposed legislative or regulatory changes designed to ameliorate such impediments;

“(C) a description of actions taken to restructure or commence foreclosure on delinquent multifamily mortgages held by the Department; and

“(D) a description of actions taken to monitor and prevent the default of multifamily housing mortgages held by the Federal Housing Administration;

“(12) a description of any of the functions performed in connection with this section that are contracted out to public or private entities or to States, including—

“(A) the costs associated with such delegation;

“(B) the implications of contracting out or delegating such functions for current Department field or regional personnel, including anticipated personnel or work load reductions;

“(C) necessary oversight required by Department personnel, including anticipated personnel hours devoted to such oversight;

“(D) a description of any authority granted to such public or private entities or States in conjunction with the functions that have been delegated or contracted out or that are not otherwise available for use by Department personnel; and

“(E) the extent to which such public or private entities or States include tenants of multifamily housing projects in the disposition planning for such projects;

“(13) a description of the activities carried out under subsection (j) during the preceding year; and

“(14) a description and assessment of the rules, guidelines, and practices governing the Department's management of multifamily housing projects that are owned by the Secretary (or for which the Secretary is mortgagee in possession) as well as the steps that the Secretary has taken or plans to take to improve the management performance of the Department.”.

(c) EFFECTIVE DATE.—The Secretary shall, by notice published in the Federal Register, which shall take effect upon publication, establish such requirements as may be necessary to implement the amendments made by this section. 5.28 MESSAGE FROM THE PRESIDENT—GREAT EGG HARBOR STUDY

The SPEAKER pro tempore, Mr. MURTHA, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

I take pleasure in transmitting the enclosed report on the Great Egg Harbor River in the State of New Jersey. The report is in response to the provisions of the Wild and Scenic Rivers Act, Public Law 90-542, as amended. The Great Egg Harbor Study was authorized by Public Law 99-590, approved on October 30, 1986.

The study of the Great Egg Harbor River was conducted by a task force made up of representatives of affected municipalities, State and Federal agencies, organizations with river-related interests, and local residents under the leadership of the National Park Service. The National Park Service, together with the task force, identified the outstandingly remarkable resources within the study area, analyzed existing levels of protection for these values, investigated major issues and public concerns, assessed the attitude of riparian landowners, reviewed and analyzed the impact of existing and potential development, and developed alternative plans and management strategies.

The National Park Service determined that 129 miles of the Great Egg Harbor River and its tributaries are eligible for inclusion in the National Wild and Scenic Rivers System. This is based upon their free-flowing condition and fish, wildlife, botanic, and recreational values.

Eleven of the 12 affected local governing bodies endorsed designation of the eligible river segments. The lone exception, Upper Township on the Tuckahoe River tributary, did not take a position nor did the State of New Jersey.

Perhaps due to this overwhelming support, the 102d Congress proceeded to designation without waiting for submittal of the required report and Presidential recommendation. While a Presidential recommendation is now moot,

I am submitting the report to fulfill the requirements of sections 4(a) and 5(a)(93) of the Wild and Scenic Rivers Act.

WILLIAM J. CLINTON.

THE WHITE HOUSE, February 3, 1994.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Natural Resources.

5.29 MESSAGE FROM THE PRESIDENT—MAURICE RIVER

The SPEAKER pro tempore, Mr. MURTHA, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

I take pleasure in transmitting the enclosed report on the Maurice and Manumuskin River and Menantico Creek in the State of New Jersey. The report and my recommendations are in response to the provisions of the Wild and Scenic Rivers Act, Public Law 90-452, as amended. The study of the Maurice River and these two tributaries was authorized by Public Law 100-33, approved on May 7, 1987.

The study of the Maurice River and tributaries was conducted by a task force composed of representatives of affected municipalities, State and Federal agencies, organizations with river-related interests, and local residents under the leadership of the National Park Service (NPS). The NPS, together with the task force, identified the outstandingly remarkable resources within the study area, analyzed existing levels of protection for these values, investigated major issues and public concerns, assessed the attitude of riparian landowners, reviewed and analyzed the impact of existing and potential development, and developed alternative plans and management strategies.

The NPS determined that 42.4 miles of the Maurice River and its tributaries are eligible for inclusion in the National Wild and Scenic Rivers System. This is based upon their free-flowing condition and fish, wildlife, and vegetative values. There are also important cultural values and surface water quality of the Manumuskin and Menantico is very good.

In accordance with the wishes of local government, the NPS did not consider Federal land acquisition or management as an alternative for protecting river resources. Instead, the study focused on assisting the political subdivisions in developing and adopting local measures for providing resource protection where existing protection had been inadequate.

Due to strong local and congressional support, the 103d Congress proceeded to designation without waiting for submittal of the required report and Presidential recommendation. While a Presidential recommendation is now moot, I am submitting the report to fulfill the requirements of section 4(a) and sections 5(a)(96) through 5(a)(98) of the Wild and Scenic Rivers Act.

WILLIAM J. CLINTON.

THE WHITE HOUSE, *February 3, 1994.*

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Natural Resources.

¶5.30 DIRECTOR OF NON-LEGISLATIVE AND FINANCIAL SERVICES

The SPEAKER pro tempore, Mr. MURTHA, laid before the House the following communication, which was read as follows:

OFFICE OF THE DIRECTOR, NON-LEGISLATIVE AND FINANCIAL SERVICES, HOUSE OF REPRESENTATIVES,
Washington, DC, January 10, 1994.

Hon. THOMAS S. FOLEY,

Speaker, House of Representatives, Washington, DC.

DEAR MR. SPEAKER: Over the past five months since we last met and discussed the position of the Director, I have become convinced that the situation which existed then is not likely to change. The difficulties I encountered last summer have persisted. Further, it appears that some individuals have begun to make the Director the issue, thus undermining the credibility of the office. That cannot be helpful to you or to the House.

Accordingly, I have reached the conclusion that my resignation would be in the best interest of all concerned. I request release from my appointment, effective January 21, 1994, or sooner, if convenient. I propose to turn over my responsibilities to Mr. Michael Shinay who is fully capable of assuming the duties of the Director, pending your final decision on a successor.

Mr. Speaker, I have appreciated your support and that of the Majority and Minority Leaders. I have continued to serve over these past several months knowing I could count on that support and believing in your joint commitment to the creation of a truly non-partisan administrative structure. Unfortunately, I believe others have different agendas and my usefulness to you is at an end.

It is my sincere hope that a new Director will enjoy greater success and my departure now will achieve a more useful purpose than any short term benefit my continued service as Director might provide.

Sincerely,

LEONARD P. WISHART III,
Director.

By unanimous consent, the resignation was accepted.
