6. The policies and actions of the Government of Libya continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. The United States continues to believe that still stronger international measures than those mandated by UNSC Resolution 883, including a worldwide oil embargo, should be enacted if Libya continues to defy the international community. We remain determined to ensure the perpetrators of the terrorist acts against Pan Am 103 and UTA 772 are brought to justice. The families of the victims in the murderous Lockerbie bombing and other acts of Libyan terrorism deserve nothing less. I shall continue to exercise the powers at my disposal to apply economic sanctions against Libya fully and effectively, so long as those measures are appropriate, and will continue to report periodically to the Congress on significant developments as required by law.

WILLIAM J. CLINTON.
