"(a) SEX EDUCATION INSTRUCTION.—All public elementary and secondary schools receiving assistance under this act in classes that teach sex education or discuss sexual intercourse, sexually transmitted diseases (STDs), including acquired immune deficiency syndrome (AIDS), shall continuously stress throughout the sex education program and sexual intercourse discussion that abstinence from sexual intercourse is the only protection that is 100 percent effective against unwanted teenage pregnancy, STDs, and AIDS when transmitted sexually. "(b) CRITERIA.—All sex education courses that discuss sexual intercourse shall satisfy the following criteria:

"(4) Course material and instruction shall include a discussion of the possible emotional and psychological consequences of preadolescent and adolescent sexual intercourse outside of marriage and the consequences of unwanted adolescent pregnancy.

"(5) Course material and instruction shall stress that pupils should abstain from sexual intercourse until they are ready for marriage.

"(6) Course material and instruction shall teach honor and respect for monogamous heterosexual marriage.

"(7) Course material and instruction shall advise pupils of the laws pertaining to their financial responsibility to children born in and out of wedlock.

"(8) Course material and instruction shall advise pupils that it is unlawful for males of any age to have sexual relations with females under a certain age to whom they are not married.

"(9) Course material and instruction shall emphasize that the pupil has the power to control personal behavior. Pupils shall be encouraged to base their actions on reasoning, self-discipline, sense of responsibility, self-control, and ethical considerations, such as respect for one's self and others.

"(10) Course material and instruction shall teach pupils to refrain from making unwanted physical and verbal sexual advances and how to say no to unwanted sexual advances. Pupils shall be taught that it is
