*Resolved.* That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for further consideration of the bill (H.R. 4092) to control and prevent crime. No further general debate shall be in order. The bill shall be considered for amendment under the five-minute rule and shall be considered as read. Except as provided in section 2 of this resolution, no amendment shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each amendment printed in the report may be offered only in the order printed, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as specified in the report, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments printed in the report are waived. If more than one of the following amendments printed in part 1 of the report relating to habeas corpus is adopted, only the last to be adopted shall be considered as finally adopted and reported to the House: by Representative Hyde of Illinois; and by Representative Derrick of South Carolina.

SEC. 2. It shall be in order at any time for the chairman of the Committee on the Judiciary or his designee to offer amendments en bloc consisting of amendments printed in part 2 of the report of the Committee on Rules or germane modifications of any such amendment. Amendments en bloc offered pursuant to this section shall be considered as read (except that modifications shall be reported), shall be debatable for 10 minutes equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. For the purpose of inclusion in such amendments en bloc, an amendment printed in the form of a motion to strike may be modified to the form of a germane perfecting amendment to the text originally proposed to be stricken. All points of order against such amendments en bloc are waived. The original proponent of an amendment included in such amendments en bloc may insert a statement in the CONGRESSIONAL RECORD immediately before the disposition of the amendments en bloc.

SEC. 3. The chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment made in order by this resolution. The chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than 15 minutes.

SEC. 4. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House

with such amendments as may have been finally adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend.

SEC. . SENSE OF CONGRESS WITH RESPECT TO VIOLENCE AGAINST TRUCKERS.

(a) FINDINGS.—Congress finds that—

(1) there are 8,000,000 workers in the trucking industry in the United States, some working for large carriers and some for small carriers, some for private carriers and some owner operators, all assisting the free flow commerce by transporting all types of commodities that enter, leave, or move within this country;

(2) unemployment, crime, and drug use have contributed to an increase of violence against commercial truckers, an increase that has gone unrecognized by the public at large;

(3) few State or local authorities report violent crimes against truckers as such to the Federal Bureau of Investigation, statistics do not reflect this fast-growing and increasingly violent segment of crime;

(4) the Federal Bureau of Investigation investigated 282 truck hijackings involving crimes of violence in 1993, not including attempted crimes and crimes addressed by State, county, and local authorities;

(5) the Federal Government in large measure finances the highway system the trucking industry uses, collecting large sums in taxes from the industry, and licenses and regulates the industry and its drivers, entailing a concomitant responsibility to protect them against crime;

(6) Federal law provides protections to truckers in among others, sections 33 and 1951 of title 18, United States Code, but currently Federal prosecutions are not undertaken unless certain monetary thresholds of loss are met.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) when there is Federal jurisdiction, Federal authorities should prosecute to the fullest extent of the law murders, rapes, bur-
