

Accord. In December, the United States also filed its Statement of Defense in A/27, a claim brought by Iran for the alleged failure of the United States to enforce a Tribunal award in Iran's favor against a U.S. national. Because of this alleged failure, Iran requested that the United States Government be required to pay Iran for all the outstanding awards against U.S. nations in favor of Iran.

5. As reported in November 1992, José Maria Ruda, President of the Tribunal, tendered his resignation on October 2, 1992. On December 4, 1993, Professor Krzysztof Skubiszewski was appointed Chairman of Chamber Two of the Tribunal, filling the vacancy left by Judge Ruda's departure. On February 16, 1994, Professor Skubiszewski also was appointed the President of the Tribunal. Before joining the tribunal Professor Skubiszewski served as Minister of Foreign Affairs in Poland from 1989 to 1993. He joined the "Solidarity" movement there in 1980, and served on several councils before becoming Minister of Foreign Affairs. In addition to his political experience, Professor Skubiszewski has had a long and distinguished academic career in the field of international law. He is currently on leave from the Institute of Law, Polish Academy of Sciences in Warsaw, and has lectured at universities throughout Europe. He is also the author of a number of international law publications. In announcing the appointment, the Tribunal's Appointing Authority, Charles M.J.A. Moons, emphasized Professor Skubiszewski's "extensive experience in the management of state affairs and the conduct of international relations," in addition to his "scholarly renown."

6. As anticipated by the May 13, 1990, agreement settling the claims of U.S. nationals for less than \$250,000.00, the Foreign Claims Settlement Commission (FCSC) has continued its review of 3,112 claims. As of March 31, 1994, the FCSC has issued decisions in 2,538 claims, for total awards of more than \$40 million. The FCSC expects to complete its adjudication of the remaining claims this year.

7. The situation reviewed above continues to implicate important diplomatic, financial, and legal interests of the United States and its nationals and presents an unusual challenge to the national security and foreign policy of the United States. The Iranian assets Control Regulations issued pursuant to Executive Order No. 12170 continue to play an important role in structuring our relationship with Iran and in enabling the United States to implement properly the Algiers Accords. Similarly, the Iranian Transactions Regulations issued pursuant to Executive Order No. 12613 continue to advance important objectives in combating international terrorism. I shall continue to exercise the powers at my disposal to deal with these problems and will continue to report periodically to

the Congress on significant developments.

WILLIAM J. CLINTON.
