A motion to reconsider the vote whereby said bill was passed was, by unanimous consent, laid on the table.

*Ordered*, That the Clerk request the concurrence of the Senate in said bill.

50.24 CLERK TO CORRECT ENGROSSMENT

On motion of Mr. VENTO, by unanimous consent,

*Ordered*, That in the engrossment of the foregoing bill, the Clerk be authorized to correct section numbers, punctuation, cross references, and to make other technical corrections.

50.25 PROVIDING FOR THE CONSIDERATION OF H.R. 518

Mr. BEILENSEN, by direction of the Committee on Rules, called up the following resolution (H. Res. 422):

*Resolved*, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 518) to designate certain lands in the California Desert as wilderness, to establish the Death Valley and Joshua Tree National Parks and the Mojave National Monument, and for other pur-

poses. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and the amendments made in order by this resolution and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Natural Resources. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Natural Resources now printed in the bill. The committee amendment in the nature of a substitute shall be considered by title rather than by section. Each title of the committee amendment in the nature of a substitute shall be considered as read. Points of order against the committee amendment in the nature of a substitute for failure to comply with clause 5(a) of rule XXI are waived. No amendment to the committee amendment in the nature of a substitute shall be in order unless printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII before the beginning of consideration of the bill. The amendment caused to be printed in the Record by Representative LaRocco of Idaho (relating to an East Mojave Preserve) may amend portions of the bill not yet read for amendment. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto final passage without intervening motion except one motion to recommend with or without instructions. After passage of H.R. 518, it shall be in order to take from the Speaker's table the bill S. 21 and to consider the Senate bill in the House. All points of order against the Senate bill and against its consideration are waived. It shall be in order to move to strike all after the enacting clause of the Senate bill and to insert in lieu thereof the provisions of H.R. 518 as passed by the House. All points of order against that motion are waived. If the motion is adopted and the Senate bill, as amended, is passed, then it shall be in order to move that the House insist on its amendments to S. 21 and request a conference with the Senate thereon.

When said resolution was considered.

After debate,

Mr. BEILENSEN moved the previous question on the resolution to its adoption or rejection.

The question being put, *viva voce*,

Will the House now order the previous question?
