SEC. 11. STUDY.

(a) IN GENERAL.—The Federal Black Lung Advisory Committee, established under subsection (d) and referred to in this section as the “committee”, shall—

(1) examine State workers’ compensation laws to determine the effectiveness of the laws in providing benefits on the amount of disability or death due to pneumoconiosis, and

(2) evaluate the information collected in conducting the examination under paragraph (1).

(b) CONSIDERATIONS.—In carrying out subsection (a), the committee shall consider—

(1) whether a State’s law providing monthly benefits for total disability or death due to a coal miner’s pneumoconiosis in an amount that is comparable to or that exceeds the amounts payable under the Federal black lung program under part C of the Black Lung Benefits Act,

(2) whether the State law provides adequate coverage for health care needs generated by a coal miner’s pneumoconiosis,

(3) whether a State’s law precludes awards by virtue of periods of limitation or other provisions that unreasonably restrict the filing of claims or awards for a coal miner’s pneumoconiosis,

(4) whether the medical or legal criteria for determining entitlement in a State are fair and reasonable, and

(5) whether a State workers’ compensation system facilitates reasonably prompt awards or settlements.

(c) REPORT.—The committee shall transmit to the Secretary of Labor, not later than 12 months after its establishment, a final report containing a detailed statement of its findings, conclusions, and recommendations under subsection (a).

(d) COMMITTEE ESTABLISHMENT.—The Secretary of Labor shall establish the Federal Black Lung Advisory Committee with 9 members. The Chairman of the committee and a majority of the members of the committee shall be appointed by the Secretary from individuals who have no economic interests in the coal mining industry and who are not officers, directors, employees, or representatives of groups organized to assist claimants in the processing of their claims under the Federal black lung program under part C of the Black Lung Benefits Act. Of the 9 members, 2 shall be representatives of labor and 2 shall be representatives of coal mine operators. 5 members of the committee shall constitute a quorum for the purpose of

doing business. Members of the committee who are not officers or employees of a Federal, State, or local government shall be, for each day (including traveltime) during which they are performing committee business, entitled to receive compensation at a rate fixed by the Secretary but not in excess of the daily rate in effect for grade GS-18 under section 5332 of title 5, United States Code, and shall be entitled to reimbursement for travel, subsistence, and other necessary expenses.
