---

Don't take our word for it . . . following are comments from our customers.

*I had grown tired of AM/FM radio. I hated the annoying commercials, the contests/lotteries and the same songs over and over. It got to the point where I did not enjoy listening to the radio. That changed when I got XM in June 2003. I have listened to it every day since. The programming choices are incredible. Also, to hear music on the radio without any commercials is a dream come true! I'm impressed with the shows that get broadcast as well as the excellent DJ's/PD's that are a part of XM.*

*I knew the clarity would be great where I live because of the open space. However, I was amazed to find that when I traveled throughout downtown Chicago, the reception was still crystal-clear when crammed between the skyscrapers of Michigan Ave as well as all of the underpasses I encountered. Great work XM!*

*The proof of the pudding as to the superior quality of XM radio lies with a behavioral change in my husband. Prior to getting XM he would opt for the couch and TV and let me go off on my own. Now he insists on joining me and as soon as he slips behind the steering wheel he puts on the XM radio.*

*THANK YOU, THANK YOU, THANK YOU... Since I activated my service two weeks ago I have yet to listen to anything other than the XM format. Unbelievable sound quality, content and selection. No more need to ever buy another CD.*

*The service is a bargain at twice the price.*

*Your loyal listener for life.*

*The quality of the programming is truly incredible! Now, how do I manage to ever get out of my car?*

*Damn XM. It now makes me want to spend more time in traffic and even take the long way home. Great entertainment but start watching your mileage and fuel consumption go up. It's that good.*

*I am very impressed with the XM Service. The sound is crystal clear and the bass out of my subwoofers has the windows shaking. The mixture of all types of music is delightful with the sports, weather, talk and comedy. This is tight. It is a must have for music lovers.*

*Commuting is better now! People convicted to road rage should be sentenced to XM.*

*As an over-the-road truck driver, I was totally frustrated with losing AM/FM signals every few miles. Not anymore. With XM Radio, there's crystal-clear reception throughout the USA and so much news and entertainment to choose from. This is a driver's dream come true.*

*My radio was activated at 1:30 AM EST and within one hour I had gotten more out of XM than in 20 years of listening to FM radio....the programming and signal quality are absolutely astounding....*

*XM has made my life easier. Before XM I always had a problem, I could not leave the house in the morning on time because CNBC would release important financial news info that I could not go without. I would just stand there with my car keys in my hand. Now thanks to XM I can leave the house with ease because I can take CNBC with me on the road. XM is the best.*

*Signed up just hours ago and am truly thrilled. XM Radio is everything you advertise and more. My hearing is lower than average but the improved sound quality is so, so obvious even to me. I drive on average 4 hours per day so will tune in alot but I recommend anyone that drives to get this radio. A great deal, you have changed radio forever.*

## THE XM EXPERIENCE

---

*Fantastic! My new Cadillac includes XM and it has completely changed my driving experience. I never listen to conventional radio any more. Just flip from Sunny to Blue Grass to classical to old radio programs to 50-60 tunes to CNN. It never ends. And the sweet quality! I swear, I have sat in the car listening after I have arrived at my destination...and that has never happened to this busy guy. When an old friend told me he was buying a new car, I suggested that he include XM. He did so and told me within a week that it was the best feature on his new car. I agree.*

*I am a long haul truck driver who really got tired of always trying to find something decent to listen to. You have solved that problem and I thank you so much. The sound quality is amazing. This is as much a leap from FM as FM was from AM.*

*XM radio is a dream come true. I am addicted to it. I have already turned several members of my family and some friends onto it. People from all ages in my family have found music channels taylorred to their tastes. My father-in-law can't live without his 50's and 60's music, as well as the comedy channels. I am impressed with LUCY channel 54.*

*For pennies a day I get to hear exactly what I want, when I want, and best of all ANYWHERE I want!*

*If you love music and are a radio fan who is sick and tired of losing your favorite station to a format change, or if you are unable to find a station who even offers your favorite format, I urge you to sample XM radio! I think you will be very pleased, I know I am!*

*XM ROCKS! Goodbye FM, FOREVER!!*

*Am I ever impressed! I travel several states for the company I work for as an account executive and am often in areas without radio coverage. XM Radio will now allow me to enjoy my new favorite stations and keep up with the pace of fast changing news where I would never be able to before.*

*Thanks XM!*
