

Satisfying a congressional mandate to capture the rich history of minorities in Congress, the *Women in Congress* and *Black Americans in Congress* books contain biographical profiles, historical essays and data, and a wide array of educational photographs and artifacts. As part of an ongoing effort to make our publications more accessible to students and educators, the Office of the Historian will provide complimentary copies for classroom use, subject to availability.

Book Request Form for Educators

Name: _____

Email address: _____

School name: _____
