Note: This Interim Designation Must be Accompanied by a Filing Fee* Made Payable to the Register of Copyrights.

***Note: Current and adjusted fees are available on the Copyright website at www.copyright.gov/docs/fees.html**

An Interim Designation or an Amended Designation should be accompanied by the appropriate fee (which has been increased since the Interim Regulations were published), payable to the Register of Copyrights. Please note that the fee for filing includes a designation of an agent includes the ability to list only one name of the service provider, i.e., the service provider's legal name. If additional, alternative names are filed with the Office, each group of 10 alternative names (or fewer) will require the payment of an additional fee, currently \$30, in addition to the \$105 basic filing fee. For example, if a service provider seeks to list five alternative names by which the service provider is doing business (e.g., five website domains), the fee for such filing would be \$135 (\$105 for the basic designation plus \$30 for the five alternative names). See FAQ for more examples.
