Part II. Loans to Small Businesses and Small Farms

Part II of Schedule C is to be completed annually as of the June 30 report date only by branches whose deposits are insured by the FDIC.

Report the number and amount currently outstanding as of June 30 of business loans with "original amounts" of \$1,000,000 or less and farm loans with "original amounts" of \$500,000 or less. The following guidelines should be used to determine the "original amount" of a loan: (1) For loans drawn down under lines of credit or loan commitments, the "original amount" of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was **most recently** approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the "original amount" is the amount currently outstanding on the report date. (2) For loan participations and syndications, the "original amount" of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the "original amount" is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.

Schedule O—Other Data for Deposit Insurance Assessments

This schedule is to be completed only by branches whose deposits are insured by the FDIC. Each FDIC-insured branch must complete items 1 through 3, Memorandum item 1, and, if applicable, Memorandum items 2 through 4. Each branch that reported \$1 billion or more in total claims on nonrelated parties in item 1.i, column A, of Schedule RAL as of the March 31, 2008, report date must complete items 4 through 6 each quarter. In addition, if an FDIC-insured branch reports \$1 billion or more in total claims on nonrelated parties in two consecutive Reports of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks beginning with its June 30, 2008, report, the branch must begin to complete items 4 through 6 each quarter starting six months after the second consecutive quarter in which it reports total claims on nonrelated parties of \$1 billion or more. Any other branch may choose to complete items 4 through 6, but the branch must then continue to complete items 4 through 6 each quarter thereafter.
