Future of Security Compliance and Automation

Panelists

- Paul Bartock (NSA)
- Doug Dexter (Cisco)
- Steve Hanna (Juniper)
- Kent Landfield (McAfee)
- Matt Voshell (CACI)

Structure

- **Vertical Themes**
  - Endpoint Security
  - Network Security
  - Cloud Security
  - Pulling It All Together

- **Horizontal Trends**
  - Continuous Monitoring
  - Security Automation

Endpoint Security

- What are the Key Problems?

- What are the Most Promising Solutions?

- Where are the Gaps?

- How can Continuous Monitoring be done?

- How can Security Automation be achieved?

Network Security

▸ What are the Key Problems?
