USAJOBS Program Office
Staffing Integration Framework
UAT (Test Environment) Registration Form

To facilitate vendor connectivity to USAJOBS 3.0 and the Staffing Integration Framework (SIF), please complete the attached form. Upon approval of this request, the vendor will be granted access to the USAJOBS 3.0 UAT (Test) environment.   The SIF provides for a comprehensive and standard integration environment for data transaction integration between information systems and USAJOBS. The SIF is supported by the USAJOBS Program Management Office (PMO) and the OPM Human Resource Tools and Technology (HRTT) organization. The test platform allows vendors to rigorously and transparently test communication, functionality, and compatibility with USAJOBS 3.0 during their development life cycle(s). All data collected, stored, processed, and transmitted during testing will be **non-production**, dummy data generated solely for evaluation of the SIF.

To help the USAJOBS Program Office and HRTT accurately track participation and support the testing process, please provide the following information about your organization.

Technology Provider (Company or Agency Name):	
System Name:	
Technical Point of Contact (POC) Name:	
POC Phone Number:	
POC E-mail Address:	
Vendor Source IP address(es): (Public IP address(es) from which connections to the UAT and vendor will originate)	
Are you working with a Federal Client (Yes or No)	
If you are working with a Federal Client, please identify the Agency and Primary Contact (Agency, POC: Name, Email Address and Phone)	

Return the completed form to the USAJOBS 3.0 Team at Access@usajobs.gov, via e-mail.   In the email, please title it: SIF Integration Request – (Vendor Name).

Please return this form using email encryption or another method to protect the attachment (i.e., Windows password). Retrieval instructions should be sent in a separate message.

Upon receipt of the completed form, the technical POC will receive detailed communications regarding access approval, necessary configuration parameters, connectivity to the Help Desk solution, etc.

Please direct all other questions to the USAJOBS 3.0 Team at USAJOBS3.0@opm.gov.
