

Using Science to Save Lives: Latest PEPFAR Results

“The goal of an AIDS-free generation may be ambitious, but it is possible with the knowledge and interventions we have right now. And that is something we’ve never been able to say without qualification before. Imagine what the world will look like when we succeed.”

- U.S. Secretary of State Hillary Rodham Clinton, November 8, 2011

The U.S. President's Emergency Plan for AIDS Relief (PEPFAR) represents U.S. leadership in meeting the shared responsibility of all global partners to make smart investments to save lives.

Latest PEPFAR Program Results

Reflecting America's commitment to saving lives affected by HIV/AIDS, PEPFAR is supporting countries in providing HIV prevention, treatment and care to their people.

- The U.S. directly supported life-saving antiretroviral treatment for more than **3.9 million men, women and children** worldwide as of September 30, 2011.
- PEPFAR directly supported HIV testing and counseling for more than **9.8 million pregnant women** in fiscal year 2011. PEPFAR supported **antiretroviral drug prophylaxis to prevent mother-to-child transmission for more than 660,000 of these women who tested positive for HIV**, allowing approximately 200,000 infants to be born HIV-free.
- PEPFAR directly supported nearly **13 million people with care and support**, including **more than 4.1 million orphans and vulnerable children**, in fiscal year 2011.
- PEPFAR directly supported HIV counseling and testing for **more than 40 million people** in fiscal year 2011, providing a critical entry point to prevention, treatment, and care.
- The U.S. is the first and largest donor to the **Global Fund to Fight AIDS, Tuberculosis and Malaria**. To date, the U.S. has provided more than \$5.8 billion to the Fund. Of the estimated 6.6 million individuals in low- and middle-income countries who currently receive treatment, nearly **5.6 million** receive support through PEPFAR bilateral programs, the Global Fund, or both.

U.S. President's Emergency Plan for AIDS Relief
