

## PHS Assured Custom Antibody Vendors

**Blanket Purchase Agreements (BPA):** Some vendors have an NIH wide BPA which may provide more competitive prices for custom antibody production. On the BPA Program website open the current 'BPA Commodity List' and use the 'animal services', 'biological materials' or 'blood/blood products' tabs to search for these vendors. If a vendor is listed, the purchaser should inquire of the vendor if an NIH discount is offered.

BPA Program website: <http://oamp.od.nih.gov/division/saps/Acq/PCard/BPAProgram.asp>

Custom antibody vendors that hold a PHS Assurance and desire to be added to this list should contact the  
NIH Intramural Office of Animal Care and Use: [secoacu@od.nih.gov](mailto:secoacu@od.nih.gov); or 301-496-5424.
