OCC Issues First Quarter 1997 CRA Examination Schedule

WASHINGTON, D.C. -- The Office of the Comptroller of the Currency (OCC) today released its projected schedule of Community Reinvestment Act (CRA) examinations to be conducted in the first quarter of 1997.

The OCC encourages public comment on the national banks scheduled to be examined under the CRA, and suggests that comments be submitted to the institutions themselves or to the appropriate OCC district office prior to (or as early as possible during) the month in which the exam is scheduled. All public comments received prior to the close of the CRA exam will be considered by the OCC.

A copy of the schedule is attached. The OCC's CRA exam schedule is also posted on the Internet at http://www.occ.treas.gov.

#

The OCC charters, regulates and supervises approximately 2,800 national banks

and 66 federal branches and agencies of foreign banks in the U.S., accounting

for more than half the nation's banking assets. Its mission is to ensure a

safe, sound and competitive national banking system that supports the citizens, communities and economy of the United States.
