Rates are per 100,000 and age-adjusted to the 2000 U.S. standard by 5-year age groups.

~ Statistic could not be calculated. APC based on less than 10 cases for at least one year in within the time interval.

^ Rate not displayed due to less than 25 cases.

\* The APC is significantly different from zero (p<0.05).

# Hispanics are not mutually exclusive from Whites, Blacks, Asian or Pacific Islanders, and American Indians or Alaskan Natives.

Mortality data for Hispanics does not include cases from Connecticut, New Hampshire, New York or Oklahoma.
