### **Section 501 of the Rehabilitation Act - Employment of Individuals with Disabilities**

Sec. 501.(a) There is established within the Federal Government an Interagency Committee on Employees who are Individuals with Disabilities (hereinafter in this section referred to as the "Committee"), comprised of such members as the President may select, including the following (or their designees whose positions are Executive Level IV or higher): the Chairman of the Equal Employment Opportunity Commission, (hereafter in this section referred to as the "Commission"), the Director of the Office of Personnel Management, the Secretary of Veterans Affairs, the Secretary of Labor, the Secretary of Education, and the Secretary of Health and Human Services. Either the Director of the Office of Personnel Management and the Chairman of the Commission shall serve as co-chairpersons of the Committee or the Director or Chairman shall serve as the sole chairperson of the Committee, as the Director and Chairman jointly determine, from time to time, to be appropriate. The resources of the President's Committees on Employment of People With Disabilities and on Mental Retardation shall be made fully available to the Committee. It shall be the purpose and function of the Committee

(1) to provide a focus for Federal and other employment of individuals with disabilities, and to review, on a periodic basis, in cooperation with the Commission, the adequacy of hiring, placement, and advancement practices with respect to individuals with disabilities, by each department, agency, and instrumentality in the executive branch of Government, and to insure that the special needs of such individuals are being met; and

(2) to consult with the Commission to assist the Commission to carry out its responsibilities under subsections (b), (c), and (d) of this section. On the basis of such review and consultation, the Committee shall periodically make to the Commission such recommendations for legislative and administrative changes as it deems necessary or desirable. The Commission shall timely transmit to the appropriate committees of Congress any such recommendation.

(b) Each department, agency, and instrumentality (including the United States Postal Service and Postal Rate Office) in the executive branch shall, within one hundred and eighty days after the date of enactment of this Act, submit to the Commission and to the Committee an affirmative action program plan for the hiring, placement, and advancement of individuals with disabilities in such department, agency, or instrumentality. Such plan shall include a description of the extent to which and methods whereby the special needs of employees who are individuals with disabilities are being met. Such plan shall be updated annually, and shall be reviewed annually and approved by the Commission, if the Commission determines, after consultation with the Committee, that such plan provides sufficient assurances, procedures, and commitments

to provide adequate hiring, placement, and advancement opportunities for individuals with disabilities.

(c) The Commission, after consultation with the Committee, shall develop and recommend to the Secretary for referral to the appropriate State agencies, policies and procedures which will facilitate the hiring, placement, and advancement in employment of individuals who have received rehabilitation services under State vocational rehabilitation programs, veterans' programs, or any other program for individuals with disabilities, including the promotion of job opportunities for such individuals. The Secretary shall encourage such State agencies to adopt and implement such policies and procedures.

(d) The Commission, after consultation with the Committee, shall, on June 30, 1974, and at the end of each subsequent fiscal year, make a complete report to the appropriate committees of the Congress with respect to the practices of and achievements in hiring, placement, and advancement of individuals with disabilities by each department, agency, and instrumentality and the effectiveness of the affirmative action programs required by subsection (b) of this section, together with recommendations as to legislation which have been submitted to the Commission under subsection (a) of this section, or other appropriate action to insure the adequacy of such practices. Such report shall also include an evaluation by the Committee of the effectiveness of the activities of the Commission under subsection (b) and (c) of this section.

(e) An individual who, as part of an individualized plan for employment under a State plan approved under this Act, participates in a program of unpaid work experience in a Federal agency, shall not, by reason thereof, be considered to be a Federal employee or to be subject to the provisions of law relating to Federal employment, including those relating to hours of work, rates of compensation, leaves, unemployment compensation, and Federal employee benefits.

(f)(1) The Secretary of Labor and the Secretary of Education are authorized and directed to cooperate with the President's Committee on Employment of People With Disabilities in carry out its functions.

(2) In selecting personnel to fill all positions on the President's Committee on Employment of People With Disabilities, special consideration shall be given to qualified individuals with disabilities.

(g) The standards used to determine whether this section has been violated in a complaint alleging non-affirmative action employment discrimination under this section shall be the standards applied under title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) and the provisions of sections 501 through 504, and 510, of the Americans with Disabilities Act of 1990 (42 U.S.C. 12201-12204 and 12210), as such sections relate to employment.
