3.6 Accept / Reject (Administering Agency Designated on Report)

This section will outline the process for managing Individual reports on which the contractor designated an Administering Agency other than the Contracting Office on the contract.

The first step is to go to the Individual Reports section. Click on the "Pending" tab near the top of the screen, and find the report that you would like to manage. If a report has an Administering Agency selected, a note will display at the top of the report advising of the status.

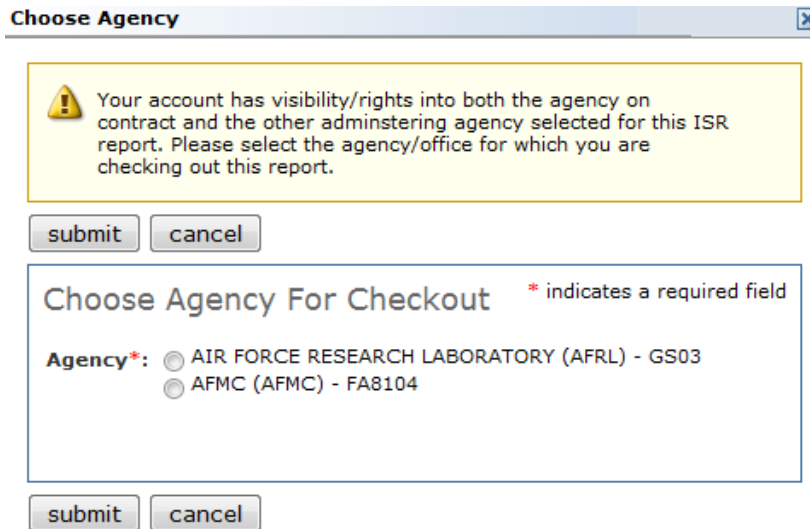

NOTE: In order to Accept/Reject a report that has an Administering Agency, the "Check Out" function must be available. If the "Check Out Report" action is not available, you will need to request that the report be released by the agency who currently has the report checked out.

3.6.1 Accept/Reject

- I. Click on the  View Icon beside the desired report.
- II. Select "Check Out Report" from the "Report Actions" drop down box on the right (see Report Actions screenshot below) and click the "Go" button. **Note:** If you check out the report, only your agency/office will have accept/reject rights for the report. Note: If you are registered at a level above both the Contracting Office on the contract AND the designated Administering Agency in the report, you will be required to select the Agency/Office for which you are checking out the report. **Example:** The Contracting Office on the report is AFRL and the report is submitted to AFMC as the Administering Agency. If the person reviewing (checking out) the report is registered at the parent agency level Air Force (level above sub agency), you must select the agency you are representing at the time of check out (AFMC or AFRL).

- III. If you have the report checked out, you will be able to select "Accept Report" or "Reject Report" from the "Report Actions" drop down box on the right by clicking on the appropriate action. A notification box will appear to allow you to enter a note for the report that will be viewable by all parties reviewing the report. **Note:** If you "Reject" a report you are required to provide a notification as to why.

- IV. Click "Submit" to finalize the action.
- V. You may view a printable report or, save as PDF, or return to the reports list by selecting the appropriate button at the top of the core report page.
