

## **AMENDMENT**

**Office of Acquisitions  
National Cancer Institute**

SOURCE SOUGHT NOTICE: HHS-NIH-NCI-SBSS-PCPSB-5027-69  
National Cancer Institute, Division of Cancer Prevention,  
Protocol Information Office Support

Amendment No.: 1

Date of Issuance: December 23, 2009

The above numbered Sources Sought Notice is amended as set forth below:

The National Cancer Institute, Division of Cancer Prevention estimates that it will take five, Full-Time Equivalents (FTEs) to fulfill this requirement. This number is ONLY AN ESTIMATE. Each respondent should describe in their capability statements the number of FTEs that they believe is appropriate to complete the work as well as their capacity to fulfill this need as outlined in the notice.
