NOTE #1: Excludes subsequent transfers of funds (real and comparable).

NOTE #2: Only current appropriations are shown. Excludes the Division of Regional Medical Programs, transferred to the Health Services and Mental Health Administration in 1968. Excludes the Division of Biologic Standards, transferred to FDA in 1973.

- 1/ Congress authorized the transfer of \$34,000 (FY 1964) from other NIH appropriations to establish the "National Institute of Child Health and Human Development." Starting in 1976, excludes funds for aging, established as a separate appropriation, the "National Institute on Aging."
- 2/ NIMH separated from NIH in 1967 and was raised to bureau status in PHS, became a component of PHS's Health Services and Mental Health Administration (HSMHA), later became a component of ADAMHA (successor organization of HSMHA), and rejoined the NIH in 1993.
- 3/ Funding for General Research and Services (GR&S) is shown for FY 1938 to FY 1962, at which time the Division of Research Facilities and Resources (DRFR) was established. In 1969, the Bureau of Health Manpower was renamed the Bureau of Health Professions Education and Manpower Training (BEMT). Within the BEMT, the Division of Research Resources (DRR) was established. Functions of DRFR were transferred to this new Division. In 1970, DRR transferred out of this Bureau. Renamed the National Center for Research Resources in 1990.
- 4/ Starting in 1966, excludes funds for the newly established "National Institute of General Medical Sciences." Starting in 1970, excludes the "Office of International Operations," transferred to the "National Institute of Allergy and Infectious Diseases" and the "John E. Fogarty International Center for Advanced Study in the Health Sciences."
- 5/ Prior to 1970, funds were included under the National Institutes of Health Management Fund. Separate NIH appropriation enacted in 1970.
- 6/ Prior to 1970, funds were included under PHS. Separate NIH appropriation enacted in 1970.
