Military Dog Tags, two with chains ............ \$ 6.00
Silencers, ......................................................... \$ 1.00 each
Dog Tags are metal identification tags used by the United States Armed Forces from World War I to the present day. Since World War I the Army has used elongated rectangular metal tags with rounded corners. All tags were em-
 bossed with the soldier's name, religion, and since World

War II, the blood type and date of specific inoculations.
If you would like to order a set of military dog tags, please fill out the information below. Each set includes two tags, one long chain, and one short chain.

- You are allowed three printed lines with 16 characters on each line. - Leave a box blank if you want to skip a space between words.
$\bullet$ If you would like both tags to read the same, fill out one form. If not, please use a blank sheet of paper for the second tag \& attach it to this form.
