- State that real estate passes free of mortgages and similar liens to the person receiving the real estate from you, because you own other assets that you want sold to pay off the liens at your death. *(If you select this option, your estate must be large enough to PAY OFF the mortgage before any other bequests or gifts can be made).*

23. SPECIAL GIFTS OF PERSONAL PROPERTY (OPTIONAL): In the following section, you may name the people you want certain items of personal property to go to. NOTE: Specifically listing items in your will may be limiting on your executor and beneficiaries. If, however, you have a timeless heirloom or other personal property with value that will undoubtedly survive you, you may wish to specifically provide for these items here.

Do you wish to itemize any particular items to pull them out of the estate you are otherwise giving to your named beneficiaries? Yes No *(If "yes," please identify the specific bequests below):*

III. CUSTODIAL ACCOUNTS, TRUSTS & SPECIAL CONSIDERATIONS FOR GIFTS TO MINOR CHILDREN

29. Minor children and mentally incompetent adult children cannot receive assets and money outright. Instead the money must be placed either in a **custodial account** or a **testamentary trust**. If neither of these actions are taken, and your children are named as outright beneficiaries of your estate, SGLI proceeds, death benefits, or any other insurance policies, upon your death someone will have to file a petition with the court to ask the court to appoint them as guardians of the "estate" of the children before any of the funds can be released for the benefit of your children. This may cause significant time delays in accessing the money.

By appointing a **custodian** or **trustee** in your will, you can choose the person you want to handle your children's money if both you and the other parent die, which can save both time and money for the people who will be caring for your children after your death. Even if you do not have minor children or adult disabled children, but you do not want your future children to have full control of their inheritance until they reach some age older than 18, then you can also create a custodial account or testamentary trust for your children.

Please provide the age(s) you want any minor beneficiaries to reach before they have free access to spend their share of the gifts you leave them. (Note: If you do NOT have any minor children or adult disabled children AND you are NOT naming any minor children (e.g. siblings) as beneficiaries in your estate plan, please SKIP TO QUESTION 32).

- Some age under 21 (Specify) _____ 21 25 30 ½ at 21 and ½ at 25
 ⅓ at 21, ⅓ at 25, and ⅓ at 30 Some age(s) not listed above (Specify) _____

(Continued on the following page)

You must name a first choice (primary) person and a alternate (backup) person whom you trust other than your current spouse to handle this money for these minor children. You should also select a backup person in case the court refuses to appoint your first choice, or in case your first choice is not available. The people you choose must be 18 years of age and should be U.S. citizens or Legal Permanent Residents. Note: to avoid arguments and possible court battles you should not name more than one person at a time to serve as custodian or trustee.

Primary Custodian/Trustee of the children’s inheritance:

Full Name(First, Middle Initial, Last)	Relationship to you	Phone number

Alternate Custodian/Trustee of the children’s inheritance:

If there are any children from a prior marriage or relationship, and someone other than one chosen by the client is appointed by the Court (e.g. a prior spouse), must that guardian post bond?	<input type="checkbox"/> Yes <input type="checkbox"/> No

30. GUARDIAN OF THE CHILDREN: You should name a guardian of the person to care for and raise any minor children or adult disabled children of whom you and your current spouse are the legal custodians, so that the court knows who you would prefer to raise your children when you are no longer able to do so. The guardian(s) of the person will care for your minor children **ONLY** in the event that the other legal custodian dies before you or the other legal custodian is declared unfit by a court.

PLEASE NOTE:

- The Guardian/Custodian of the minors should be a U. S. citizen** or a lawful permanent resident of the United States.
- Most states require that the guardian **not have a criminal record.**
- Some states **do not permit non-residents of that state who are not related to the child by blood to serve** as guardians/conservators of the property and may require the guardian to post bond regardless of the nomination of a non-resident guardian in the will.

Do you wish to name a guardian for your children in the event that both you and the other biological parent or legal guardian (if one exists) are deceased OR you are deceased and the other legal parent is declared unfit by the court? Note: to avoid arguments and possible court battles you should not name co-guardians.

- Yes *(Please provide contact information for guardian(s) below)*
- No *(If “no,” then the court has no guidance from you about who you prefer to raise your children.)*

35. SPRINGING DURABLE POWER OF ATTORNEY FOR HEALTH CARE: This document names someone to make medical care decisions for you if you are too sick to make your own decisions or have an accident that causes you to be incapacitated. If you are incapacitated, medical professionals will need someone to legally authorize or decline certain medical or psychological treatment for you because you cannot make your own medical decisions.

The power of attorney for medical care gives the person you designate as your agent the authority to make a wide range of medical decisions on your behalf, including termination of life support in some states. It also gives your agent access to your medical information and authority to fully participate with your treating physicians with respect to the care provided to you. The person you designate to be your agent should be someone you trust with life and death decisions and someone who is at least 18 years of age.

If you do not create this document and you are in a medical situation where these decisions need to be made, it is very likely that a court hearing will have to occur before the decisions can be made by anyone. A court hearing on this matter can be very costly. Creating a Power of Attorney for Health Care now can save significant money and prevent other inconveniences to your family.

Do you want a POA for health care? Yes No *(If “yes,” please provide the name(s) of your agent(s) below)*

- c. If authorizing donation, do you only wish to donate your organs if there is no charge to your estate to remove and transplant the organs? Yes No
- d. If you wish to omit certain organs for donation please list here: _____

37. HOSPICE/DEATH AT HOME: If you are near death and your medical professionals suggest hospice or indicate that there is no hope left, do you wish to express a desire to die at home or in a hospice rather than in the hospital if possible? Yes No

38. NATURAL DEATH ACT DECLARATION (LIVING WILL): This document allows you to authorize termination of artificial life support in the event that you have a terminal, incurable medical condition, your life is being prolonged only by means of artificially provided life support, AND you are unable to personally communicate your wishes to your doctors. It has no effect until then and will only “speak for you” if and when you are incapacitated so your doctors know, and can act upon, your desires concerning termination of artificial life support. You can limit the types of life-prolonging treatment administered during the dying process. Your attorney will discuss your right to expand or limit medical services that might be provided while still retaining the right to terminate life support pursuant to the living will.

Also, please note that many people mistakenly believe that their next of kin have the legal right to make this decision regardless of whether there is a formal document signed by them authorizing such decisions. However, this is not the case in many states. If you do not have this document, then the only person with the legal authority to make a decision about whether to remove you from life support or not could be a judge after a court hearing.

Do you want to a living will? Yes No

39. FLORIDA RESIDENTS ONLY: If you want a living will, do you want to name a separate agent (called a surrogate in Florida) for your living will (if not, your agent will be the same as for your health care power of attorney)?
 Yes No *(If “yes,” please identify agent’s name, address, and phone number):* _____

40. FEMALE CLIENTS ONLY: If you want a living will, you can chose to limit the power of your living will during a pregnancy indicating that no medical actions can occur that would adversely impact the viability of your fetus. Do you want your living will to contain an exception limiting its scope during pregnancy? Yes No

41. SPRINGING DURABLE GENERAL POWER OF ATTORNEY: Your will takes effect only *after* your death, but you should also plan for who can handle your finances when you might be mentally or physically unable to do so because of illness or accident. Because you are of sound mind right now, you can also legally appoint someone to handle your financial and property management affairs if you ever become incapacitated for any reason, whether through illness or accident.

If you do not appoint an agent under this type of document, then whoever decides to try to handle your affairs in the event of your incapacitation (including your spouse) will need to go to court to have you declared incompetent to handle your own financial affairs. To protect yourself, you can appoint an agent for yourself through this durable power of attorney.

Your attorney-in-fact will have great authority over your affairs and must be over the age of 18. Not only can he or she keep your affairs in order, but he or she has the ability to abuse this document at your expense for his or her own gain so the person you select must be highly trustworthy.

a. Do you want a Springing Durable Power of Attorney?

- Yes (Please provide contact information below)
- No (If "no," please sign at the bottom of this page. Your worksheet is complete).

b. Do you want the same person(s) you named as your medical agent(s) to also serve as your agent for the Springing Durable Power of Attorney? Yes No (If "no," please provide information for your agent below).

c. Who do you wish to appoint as your agent? (Note: your agent must be at least 18 years of age and should be a U.S. Citizen or LPR)

Full Address	Full Address

d. If you are unable to take care of yourself and a court needs to appoint a guardian or conservator to take care of you, do you want the court to appoint the person(s) named above as your guardian or conservator? Yes No

FOR ATTORNEY USE ONLY: All states honor 10 U.S.C. § 1044 Durable Springing Powers of Attorney. If you are not preparing the POA under 10 U.S.C. § 1044 then you must check state law to confirm whether the POA may be a springing POA.

- Is the Springing Durable General Power of Attorney to:
- Sell real property
 - Deal with IRA, retirement and pension plans on client's behalf
 - Prepare (or have a tax person prepare) and file client's income taxes for client
 - Disclaim (refuse to accept a gift from another estate or refuse to accept an insurance policy for which client has been designated the beneficiary) if doing so will benefit client's estate
 - Create an irrevocable income trust to qualify for Medicaid
 - Make a gift of any asset in client's estate to himself or herself
 - Make a gift of any asset in client's estate to beneficiaries only
- Compensation for Agent: Not discuss compensation Reasonable compensation Agent waives compensation
