# Publication Pricing

As you look through the Catalog, you'll see that some publications have an individual price and others do not. Booklets are free to the consumer if the sponsoring agency pays the printing and distribution costs. When a booklet has a sales price, the Government Printing Office (GPO) sets the price to cover these costs, and prices vary accordingly. **Please note: There is a \$2.00 service fee for any order containing free publications ordered by mail to help defray program costs.**
