Notes:

<sup>A</sup>MHP - Mental Health Professional (included credentials):

1. Psychiatrist
2. Physician
3. Psychologist
4. Psychological Examiner
5. Adult Psychiatric Mental Health Clinical Nurse Specialist
6. Child Psychiatric Mental Health Clinical Nurse Specialist
7. Adult Psychiatric Mental Health Advanced Nurse Practitioner
8. Family Psychiatric Mental Health Advanced Nurse Practitioner
9. Master of Social Work (Licensed in the State of Arkansas)

10. Registered nurse (RN; licensed in the State of Arkansas) who has one (1) year supervised experience in a mental health setting (Services provided by the RN must be within the scope of practice specified by the RN's licensure)
11. Licensed professional counselor (Licensed in the State of Arkansas)
12. Persons in a related profession who are licensed in the State of Arkansas and practicing within the bounds of their licensing authority, with a master's degree and appropriate experience in a mental health setting, including documented, supervised training and experience in diagnosis and therapy of a broad range of mental disorders.

<sup>B</sup>MHPP - Mental Health Paraprofessional (included credentials/requirements):

A mental health paraprofessional is defined as a person with a Bachelor's Degree or a license from the Arkansas State Board of Nursing who does not meet the definition of mental health professional, but who is licensed and certified by the State of Arkansas in a related profession and is practicing within the bounds as permitted by his or her licensing authority, or a person employed by a certified RSPMI provider with a high school diploma or general equivalency diploma (GED) and documented training in the area of mental health. A mental health paraprofessional may provide certain Rehabilitative Services for Persons with Mental Illness under direct supervision of a mental health professional as set forth in section VIII (E) (4) of the Arkansas Department of Human Services Division of Behavioral Health Services Certification Manual. The services paraprofessionals may provide are: crisis stabilization intervention, on-site intervention, off-site intervention, rehabilitative day service, therapeutic day/acute day treatment and collateral service. If the paraprofessional is a licensed nurse, the following services may also be provided: medication administration by a licensed nurse, routine venipuncture for collection of specimen and catheterization for collection of specimen.
