Subsection 43.10 Encounter Services  
<http://www.medicaid.ms.gov/Manuals/Section%2043%20-%20FQHC/Section%2043.10%20-%20Encounter%20Services.pdf>

“The maximum number of encounters that can be paid to the same FQHC for the same beneficiary on the same date is four (4). The only exception is an instance where the beneficiary has visits with all the core service types on the same day, and in addition, the beneficiary has to return to the clinic for an injury or illness requiring additional diagnosis or treatment. In such case, the FQHC may be paid another medical encounter.”
