

EAC Survey Change Log

The EAC 2010 Election Administration and Voting Survey contains the following changes:

Section A

Registration – A4 asks for new registrations only

Registration – A4b was inserted to clarify States' EDR/SDR status

Section B

UOCAVA – Pursuant to the MOVE Act, two (2) questions about automatic ballot transmission for two subsequent general election cycles were removed (old B19 and B20)

Section F

Election Day Activities – F1g was inserted, which allows all vote-by-mail (VBM) jurisdictions to capture these numbers separately from their absentee numbers.

First-time voters – F3 the question wording was clarified

General Question – F8 now includes a definition of voting system anomaly
