ARTICLE I **Certain Definitions**

1.1 **Definitions.** This Agreement constitutes the “limited liability company agreement” (as such term is defined in the Act) of the Company. For purposes of this Agreement, certain terms used in this Agreement shall have the meaning and definitions set forth in that certain Agreement of Common Definitions dated as of the Closing Date. Company property (other than a pro rata distribution) to a Member in connection with the redemption of all or part of such Member's LLC Interest; or (c) the date of the actual liquidation of the Company within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Treasury Regulations; and provided further, that adjustments pursuant to clauses (a) and (b) above shall be made only if the Tax Matters Member reasonably determines, after consultation with the Initial Member, that such adjustments are necessary or appropriate to reflect the relative economic interests of the Members. The Book Value of any Company Property distributed to any Member shall be adjusted immediately prior to such distribution to equal its Fair Market Value as of such date.

The fees of the selected investment banking firm shall be paid in the manner provided in the Agreement. For the avoidance of doubt, it is understood and agreed that a statutory conversion of a Person into another form of Person does not constitute a “Dissolution Event.”

“Embargoed Person” shall mean any person subject to trade restrictions under United States Law, including, without limitation, the International Emergency Economic Powers Act, 50 U.S.C. §§1701, et seq., the Trading With the Enemy Act, 50 U.S.C. §§ App. 1, et seq., any foreign assets control regulations of the United States Treasury Department (31 C.F.R., Subtitle B, Chapter V, as amended), or any enabling legislation or regulations promulgated thereunder or any executive order relating thereto (including Executive Order 13224 of September 21, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. (iii) purchase (or cause a designee to purchase) the LLC Interest of the Private Owner pursuant to Section 3.14;

(iv) designate itself or any applicable transferee Member as the Manager hereunder; and/or

(v) with or without notice to or demand upon the Private Owner (except as may be required by Law), exercise any or all rights and remedies with respect to the Secured Assets (as defined below) [and any Qualifying Letter of Credit], specifically including the right (A) to foreclose on the LLC Interest held by the Private Owner and transfer such LLC Interest to a third party (or the Initial Member); (B) to draw upon any or all Qualifying Letters of Credit, by presenting to the applicable Issuing Bank one or more drafts or demands and any other necessary documents, and to receive (in a lump sum or in several sums from time to time at the sole and absolute discretion of the Initial Member) any or all amounts available for drawing under each such Qualifying Letter of Credit, and/or (C) to exercise any rights under the Accounts Control Agreement related to the Managing Member Guarantee Account (or otherwise) with respect to the Managing Member Guarantee Account, including the right to assume exclusive control over the Managing Member Guarantee Account and to cause the funds therein to be remitted (in a lump sum or in several sums from time to time at the sole and absolute discretion of the Initial Member) to or at the direction of the Initial Member, and to cause the funds therein to be remitted in a lump sum or in

several sums from time to time at the sole and absolute discretion of the Initial Member to or at the direction of the Initial Member. The removal of the Private Owner as Member shall be subject to Section 8.4.

(b) For the avoidance of doubt, in the event that the Initial Member determines to exercise its remedies against any Secured Assets or any Qualifying Letter of Credit, it shall have the absolute right to deduct from the proceeds of such exercise of remedies (including proceeds of any foreclosure sale with respect to the LLC Interests, any drawing on a Qualifying Letter of Credit and any receipt of funds the Managing Member Guarantee Account), any Losses arising out of or resulting from such Event of Default incurred by the Indemnified Parties, together with all costs and expenses (including, without limitation, attorneys' fees and disbursements) incurred by the Initial Member in connection with enforcing its rights and remedies hereunder and under the Ancillary Documents; and any Private Owner Obligations (as defined below) then due and payable (in each case in such order as the Initial Member may determine in its sole and absolute discretion); provided, that the Initial Member may, in its sole and absolute discretion, hold any such proceeds as additional security for any existing or future Private Owner Obligations. Without limitation of the foregoing, in no event shall the Initial Member have any obligation (but it shall at all times have the right in its sole and absolute discretion) to use or apply any proceeds of the Secured Assets toward payment of any Private Owner Obligations owing to the Company (whether or not the same are due and payable), and the Private Owner shall remain fully obligated to pay and perform all such Private Owner Obligations owing to the Company notwithstanding any such election by the Initial Member to so refrain from applying such proceeds toward payment of the same; and, in the event that, for any reason any such proceeds of the Secured Assets are used for payment of any Private Owner Obligations owing to the Company, any and all rights of the Private Owner to payments, reimbursements or distributions from the Company on account of any such payment to the Company (including rights to any repayment of any deemed Excess Liquidity Advances, to the extent any such proceeds are used to fund the same) shall be considered as part of the Secured Assets and shall, to the extent paid or payable by the Company, be paid directly to the Initial Member (and the Initial Member shall have the right to direct the Paying Agent to so remit to the Initial Member any applicable distributions or payments by the Paying Agent with respect thereto) to be held and applied by the Initial Member as part of the proceeds of the Secured Assets (as collateral for the Private Owner Obligations). Any Secured Assets or proceeds thereof as held by the Initial Member may be commingled with the Initial Member's own funds, without any need to pay interest or income thereon. Upon indefeasible payment and performance in full of all of the Private Owner Obligations (following the dissolution of the Company), any remaining unapplied proceeds (from an exercise of remedies by the Initial Member against the rights of the Private Owner to the Secured Assets or any Qualifying Letter of Credit) so held by the Initial Member, shall be released to the Private Owner (or such other Person as may have applicable rights therein in accordance with applicable Law). In any event, the Private Owner shall remain liable for any deficiency in payment of the Private Owner Obligations.

(c) This Agreement shall constitute a security agreement under applicable Law for the benefit of the Initial Member and, in furtherance thereof, the Private Owner (in all of its capacities) and the Company (as applicable) shall be deemed to have granted, and each does hereby grant, to the Initial Member, for itself (and its assignees) and for the benefit of the

Company and the Indemnified Parties, a valid and continuing first priority lien on and security interest in all of the Private Owner's and the Company's right, title and interest in, to and under, the Secured Assets, whether now owned or existing, or hereafter acquired and arising in, to and under the Secured Assets and all of the proceeds of the foregoing for the benefit of the Initial Member and its assignees, as security for the payment and performance (when due) by the Private Owner (including in its roles as Manager and Tax Matters Member) of its duties, liabilities and obligations under this Agreement and the Ancillary Documents and the compliance by the Private Owner (including as Manager and Tax Matters Member) with the terms and conditions of this Agreement and the Ancillary Documents (collectively, the "**Private Owner Obligations**"). For the avoidance of doubt, the parties acknowledge that the Secured Assets are not, pursuant to the foregoing, collateral for the separate payment obligations of the Company except to the extent that, pursuant to this Agreement or the Ancillary Documents, the Private Owner, in any capacity, is required to pay (or advance applicable funds to pay) or otherwise bear such obligations (and in such case, such Secured Assets secure such obligations of the Private Owner to the Company and, if applicable, the Initial Member and the Indemnified Parties only, and not any such separate obligations of the Company to any other Persons), such that the Secured Assets do not secure the Company's payment obligations under the Purchase Money Note.

(d) On the Closing Date, the Manager shall cause the Company to establish the Liquidity Account with the Paying Agent.

(e) On the Closing Date, the Manager shall cause the Company to establish the Managing Member Guarantee Account with the Paying Agent. This Agreement shall constitute a security under applicable Law for the benefit of the Initial Member and, in furtherance thereof, the Company shall be deemed to have granted, and does hereby grant, to the Initial Member, for itself (and its assignees) a valid and continuing first priority lien on and security interest in and to the Managing Member Guarantee Account and all funds therein, whether now owned or existing, or hereafter acquired and arising in, to and under the Managing Member Guarantee Account and all of the proceeds of the foregoing, as security for the payment and performance (when due) of the Company's obligations under this Agreement. For the avoidance of doubt, the parties acknowledge that Managing Member Guarantee Account shall not be, pursuant to the foregoing, collateral for the payment obligations of the Company to any party other than the Initial Member (and its assignees).

(f) Intentionally Omitted.

(g) The Private Owner hereby authorizes the filing by the Initial Member and its assignees of such financing or continuation statements in such jurisdictions as the Initial Member or its assignees deem appropriate (in their sole and absolute discretion) to perfect and continue their first priority lien and security interest with respect to the Secured Assets, including the Manager Member Guarantee Account. The Private Owner shall deliver to the Initial Member an assignment and assumption agreement with respect to the LLC Interest held by it, in the form attached hereto as Exhibit C, endorsed in blank, and executed by the Private Owner. The Initial Member may use the assignment and assumption agreement to effect the assignment of the LLC Interest held by the Private Owner at any time if an Event of Default occurs and is continuing.

The Initial Member's election to exercise any remedy under this Section 3.13 shall in no way limit Initial Member's rights under any Ancillary Document.

(h) After all of the obligations secured by the Secured Assets have been indefeasibly paid and performed in full (following the dissolution of the Company), the Initial Member shall, upon the request of Private Owner, release any then outstanding Qualifying Letter of Credit and consent to the termination of the Accounts Control Agreement.

(i) The Initial Member's rights and remedies under this Agreement, any Ancillary Document or otherwise are cumulative and may be exercised singularly (and in such order as the Initial Member may determine in its sole and absolute discretion) or concurrently. Neither any failure nor delay on the part of Initial Member to exercise any other right or remedy shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise thereof or of any other right or remedy howsoever arising. In no event shall the Initial Member have any obligation to seek or exhaust any particular remedy prior to exercising any other remedy, and the Private Owner hereby waives any and all right to require the marshalling of assets in connection with any exercise by the Initial Member of its remedies hereunder or under any Ancillary Document. Under no circumstances shall the Initial Member be deemed or construed to have waived its right to draw upon any Qualifying Letter of Credit, to proceed against the Managing Member Guarantee Account, to foreclose upon the LLC Interest of the Private Owner on the Managing Member Guarantee Account or to exercise any of its other rights or remedies unless such waiver is in writing and executed by a duly authorized representative of Initial Member. A waiver of any right or remedy on any one occasion shall not operate as a waiver of such right or remedy on any future occasion or as a waiver of any other right or remedy.

3.14 Purchase Right of the Initial Member. Without prejudice to the rights of the Initial Member to foreclose on the LLC Interest of the Private Owner in accordance with Section 3.13:

(a) Upon the occurrence and during the continuance of an Event of Default, the Initial Member may at any time, by notice (a "**Buy-Out Notice**") to the Private Owner, elect to purchase (or cause one or more designees to purchase) the Private Owner's LLC Interest for an amount, payable in cash, equal to (x) the fair market value of such LLC Interest (determined, if necessary, in accordance with Section 3.14(b)(iv)) as of a date (the "**Buy-Out Valuation Date**") selected by the Initial Member in its discretion between the date of the Buy-Out Notice and the closing of such purchase (the "**Buy-Out Closing**"), less (y) any amounts owed by the Private Owner pursuant Section 3.14(b)(v), and less (z) any distributions paid by the Company to or for the account of the Private Owner between the date of the Buy-Out Valuation Date and the Buy-Out Closing.

(b) If the Private Owner receives a Buy-Out Notice, the Buy-Out Closing shall be consummated as follows:

(i) The Buy-Out Closing shall be held at the principal offices of the Company on a day selected by the Initial Member, which day shall, subject to Section 3.14(b)(iv), be no later than six (6) months after the Buy-Out Notice was

delivered to the Private Owner or at such other place or on such other date as the parties may agree (the “**Buy-Out Closing Date**”).

(ii) The Initial Member shall purchase (and/or cause one or more designees to purchase in the aggregate) all but not less than all of the of the Private Owner’s LLC Interest for the consideration set forth in Section 3.14(a), and against delivery of such consideration, the Private Owner shall deliver all such documents and instruments as are necessary to transfer to the Initial Member (and/or its designee(s)), and in any event shall be deemed to have transferred, and to have represented and warranted to the Initial Member (and/or its designee(s)) that it has transferred, to the Initial Member (and/or its designee(s)), good title to (and, in any event, all right, title and interest of the Private Owner in and to) the entire LLC Interest of the Private Owner, free and clear of all Liens other than those created by this Agreement.

(iii) The Private Owner shall obtain all material consents, approvals or waivers (including expiration or termination of a specified waiting period) of any Governmental Authority or Person that may be required in connection with the purchase and sale of the Private Owner’s LLC Interest (other than any such consent, approval or waiver which has, if permitted by Law, been waived by the Initial Member).

(iv) In the event of the delivery of a Buy-Out Notice, the Members shall attempt to agree on the Fair Market Value of the Private Owner’s LLC Interest as of the Buy-Out Valuation Date. If the Members are unable to agree on such value within fifteen (15) days after the date of delivery of the Buy-Out Notice (or, if sooner, by the Buy-Out Closing Date), then such value shall be determined immediately thereafter in accordance with the Dispute Resolution Procedure, and, if applicable, the Buy-Out Closing Date shall be delayed until such date (after completion of the applicable valuation) as may be selected by the Initial Member. For the avoidance of doubt, in no event shall the right under this Section 3.14 or any valuation resulting from a Dispute Resolution Procedure create any obligation with respect to, or otherwise limit the rights of the Initial Member in connection with, any concurrent or subsequent foreclosure (or sale) of the Private Owner’s LLC Interest pursuant to Section 3.13 and/or exercise of relevant rights under the Uniform Commercial Code or otherwise, and the Private Owner acknowledges and agrees that any foreclosure and sale pursuant to Section 3.13 and relevant rights under the Uniform Commercial Code or otherwise may result in a sale price for the LLC Interest that is significantly lower than a Buy-Out Purchase Price potentially (or having actually been) determined pursuant to this Section.

(v) All out-of-pocket costs and expenses incurred by the Initial Member in connection with the exercise of its rights under this Section 3.14 and the sale of the LLC Interest of the Private Owner (including fees of any investment banking firm retained in connection with the Dispute Resolution

Procedure and legal fees and expenses incurred in connection with obtaining any necessary consents, approvals or waivers (including expiration or termination of a specified waiting period) of Governmental Authorities) shall be borne by the Private Owner and may be deducted from the purchase price otherwise payable by the Initial Member (or its designee(s)) for the Private Owner's LLC Interest.

(c) The failure of the Initial Member to exercise its rights under this Section 3.14 in connection with any Event of Default shall in no way affect or limit the exercise of such rights in connection with any other Event of Default by the Private Owner.

(d) At any time prior to the Buy-Out Closing, the Initial Member may elect not to proceed with the Buy-Out Closing (without any liability or further obligation with respect thereto), and the Private Owner shall remain responsible for amounts owed under Section 3.14(b)(v) notwithstanding any such election by the Initial Member.

(e) Any distributions payable by the Company to the Private Owner after the Buy-Out Valuation Date shall, at the option of the Initial Member, be paid to and held by the Initial Member (or, if permitted by the Paying Agent, held by the Paying Agent in the Distribution Account) and, at the Buy-Out Closing or a reasonable time thereafter, be released by to the Private Owner less, without duplication, any amounts owed by the Private Owner pursuant to this Agreement (including costs and expenses pursuant to Section 3.14(b)(v)). For the avoidance of doubt, neither the Initial Member nor the Paying Agent shall have any obligation to segregate, or pay interest or other income in respect of, any sums held pursuant to this Section 3.14(e).

3.15 No ERISA Plan Assets. The Manager shall use its reasonable best efforts to ensure that the Company's assets are not deemed to be "plan assets" within the meaning of Section 3(42) of ERISA and the Plan Asset Regulation.

ARTICLE IV

Membership Interests; Rights and Duties of, and Restrictions on, Members

4.1 General. The membership of the Company shall consist of the Members listed from time to time in the Annex I (the Member Schedule), and such substituted Members as may be admitted to the Company pursuant to Article VIII. The Manager shall cause Annex I (the Member Schedule) to be amended from time to time to reflect the admission of any additional Members, Capital Contributions of the Members, the issuance of additional limited liability company interests, transfers of LLC Interests, repurchases, redemptions or cancellations of LLC Interests, the cessation or withdrawal of a Member for any reason or the receipt by the Company of notice of any change of name or address of a Member.

4.2 LLC Interests.

(a) Creation and Issuance. The Company is only authorized to issue the LLC Interests that exist as of the date hereof, and the Company may not hereafter create or issue any limited liability company interest, provided that nothing in this sentence restricts the Disposition of any outstanding LLC Interest by any Member (which matter is governed by Article VIII).

The Company's LLC Interests shall be uncertificated. The LLC Interests shall have the relative rights, powers, duties and obligations specified in this Section 4.2. As of the Closing Date, LLC Interests are owned by the Initial Member and the Private Owner, as set forth in the Annex I (Member Schedule). Other than as set forth in this Agreement, each LLC Interest shall be identical in all respects to each other outstanding LLC Interest.

(b) Distributions. Subject to Section 6.6, distributions to the holders of LLC Interests shall be made as provided in Section 6.6(b) and Section 9.2.

(c) No Retirement Fund or Conversion. The LLC Interests shall not be subject to the operation of a retirement or sinking fund to be applied to the purchase or redemption thereof for retirement and shall not be convertible into any other class of limited liability company interests.

(d) Voting Rights. Except to the extent otherwise required by the Act or expressly provided in this Agreement, the holders of LLC Interests shall be entitled to vote on all matters upon which Members have the right to vote as set forth in this Agreement or provided in the Act. Except as expressly set forth elsewhere in this Agreement (including Section 3.1 and Section 3.4), the voting rights of each holder of LLC Interests shall be based on such holder's Percentage Interest.

4.3 Filings; Duty of Members to Cooperate. The Manager shall promptly cause to be executed, delivered, filed, recorded or published, as appropriate, and the Private Owner will, as requested by the Manager from time to time but at the sole expense of the Manager, execute and deliver, (a) all certificates, documents and other instruments that the Manager deems necessary or appropriate to form, qualify or continue the existence or qualification of the Company as a limited liability company in the State of Delaware or as a foreign limited liability company in all other jurisdictions in which the Company may, or may desire to, conduct business or own Company Property, (b) any amendment to the Certificate or any instrument described in clause (a) required because of, or in order to effectuate, an amendment to this Agreement, or any change in the membership of the Company, in accordance with the terms hereof, (c) all certificates, documents and other instruments (including conveyances and a certificate of cancellation) that the Manager deems necessary or appropriate to reflect the dissolution and liquidation of the Company pursuant to the terms of this Agreement, and (d) such other certificates, documents and other instruments as are required by Law or by any Governmental Authority to be executed by them in connection with the Business as conducted or proposed to be conducted by the Company from time to time. As soon as reasonably practical after the date hereof, the Manager shall cause the Company to apply for, and thereafter use its reasonable best efforts to obtain, as quickly as possible, and maintain, all such licenses as are required to conduct the Business, including qualifications to conduct business in jurisdictions other than Delaware and licenses to purchase, own or manage the Mortgage Loans, if the failure to so obtain such licenses would reasonably be expected to result in the imposition of fines, penalties or other liabilities on the Company, claims and defenses being asserted against the Company (including counterclaims and defenses asserted by Borrowers under the Mortgage Loans), or materially adversely affect the Company or the Company's ability to foreclose on the Underlying Collateral securing or otherwise realize the full value of any Mortgage Loan or

Acquired Property. The cost of licensing, filing and similar fees paid to authorities in connection with obtaining and maintaining applicable licenses or registrations for the Company and reasonable attorneys fees incurred in connection therewith are Reimbursable Company Administrative Expenses.

4.4 Certain Restrictions and Requirements.

(a) No Member may use or possess Company Property other than for a Company purpose, except as provided under license or other contractual arrangements. No Member shall have authority to bind, or otherwise to act on behalf of, the Company except pursuant to authority expressly granted herein or pursuant to authority granted by the Manager in accordance with the terms hereof.

(b) From and after the Closing Date, no Person may or shall be admitted as a member of the Company except pursuant to and in accordance with Article VIII hereof.

(c) Each Member, other than the Initial Member, shall at all times meet the qualifications of a Qualified Transferee.

4.5 Liability of the Initial Member. Neither the Initial Member nor any of its Affiliates, nor any officer, director, stockholder, member, manager, employee, agent or assign of the Initial Member or any of its Affiliates (all of the foregoing, collectively, the “**Related Persons**”), shall be liable, responsible or accountable, whether directly or indirectly, in contract or tort or otherwise, to the Company, any other Person in which the Company has a direct or indirect interest or any Member (or any Affiliate of any of the foregoing) for any Damages asserted against, suffered or incurred by the Company, any Person in which the Company has a direct or indirect interest or any Member (or any Affiliate of any of the foregoing) arising out of, relating to or in connection with any act or failure to act pursuant to this Agreement or otherwise with respect to:

(a) the management or conduct of the business and affairs of the Company or any Person in which the Company has a direct or indirect interest or any of their respective Affiliates (including, without limitation, actions taken or not taken by any Related Person as an officer or director of any Person in which the Company has a direct or indirect interest or any Affiliates of such Person);

(b) the offer and sale of limited liability company interests in the Company (including the LLC Interests) or the issuance of the Purchase Money Note; and

(c) the management or conduct of the business and affairs of any Related Person insofar as such business or affairs relate to the Company or any Person in which the Company has a direct or indirect interest or to any Member in its capacity as such, including, all:

(i) activities in the conduct of the Business, and

(ii) activities in the conduct of other business engaged in by any Related Person which might involve a conflict of interest vis-à-vis the Company

or any Person in which the Company has a direct or indirect interest or any Member (or any of their respective Affiliates) or in which any Related Person realizes a profit or has an interest;

except, in each case, Damages resulting from acts or omissions of such Related Person which were taken or omitted which constituted fraud, gross negligence, willful misconduct, or an intentional material breach of this Agreement or any Ancillary Document.

4.6 Indemnification.

(a) The Private Owner shall indemnify, defend and hold harmless the Initial Member and the Initial Member's Affiliates, and their respective officers, directors, stockholders, members, managers, employees, partners, principals, agents, assigns and contractors (all of the foregoing, collectively, the "**Indemnified Parties**"), from and against any losses, Damages, liabilities, costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or preparing the defense or assertion of any of the foregoing), deficiencies, claims, interest, awards, judgments, penalties and fines (collectively, "**Losses**"), arising out of or resulting from (i) any breach after the Closing Date, by (x) the Company (during any period when the Private Owner is the Manager, the Private Owner (in any capacity, including as Manager) or any of their respective Affiliates or (y) any of the respective officers, directors, employees, partners, principals, agents or contractors of any Person described in sub-clause (x), of the obligations of the Company or the Private Owner (in any capacity, including as the Manager) under, or any other covenants, agreements or other terms and conditions contained in, this Agreement or any Ancillary Document (including Losses relating to (1) the Company's obligations with respect to litigation referred to in Section 4.5 of the Contribution Agreement to the extent provided therein, (2) the Company's obligations under Section 3.1 and 3.2 of the Contribution Agreement (including all costs and expenses of the Initial Member in completing any applicable transfers pursuant to exercise of rights under such section), and (3) any claim asserted by the Initial Member against the Company or the Private Owner (in any capacity, including as the Manager) to enforce its rights hereunder or by any third party), or any third-party allegation or claim based upon facts alleged that, if true, would constitute such a breach; (ii) any gross negligence, bad faith or willful misconduct (including any act or omission constituting theft, embezzlement, breach of trust or violation of any Law) on the part of any Person described in sub-clause (i)(x) or (i)(y); or (iii) any Losses with respect to which the Initial Member was released, or with respect to which the Company should have obtained a release from the applicable Borrowers or other Obligors, in accordance with Section 4.17(b) of the Contribution Agreement. Such indemnity shall survive the termination of this Agreement. In order for an Indemnified Party to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a Loss or a claim or demand made by any Person against the Indemnified Party (a "**Third Party Claim**"), such Indemnified Party shall deliver notice thereof to the Private Owner promptly after receipt by such Indemnified Party of written notice of the Third Party Claim, describing in reasonable detail the facts giving rise to any claim for indemnification hereunder, the amount of such claim (if known) and such other information with respect thereto as is available to the Indemnified Party and as the Private Owner may reasonably request. The failure or delay to provide such notice, however, shall not

release the Private Owner from any of its obligations under this Section 4.6 except to the extent that it is materially prejudiced by such failure or delay. The Private Owner acknowledges and agrees that it shall have no recourse against the Company for any amounts the Private Owner is required to pay pursuant to this Section 4.6. For the purposes of this Section 4.6, the term “Initial Member” shall be deemed to include any Person at any time constituting the “Initial Member” hereunder (other than for purposes of this Section 4.6) and (without limitation of the foregoing) any Person at any time holding all or any portion of the LLC Interest initially held by the Initial Member immediately after the Closing, in each case even if such Person has since ceased to be a member of the Company or to hold any limited liability company interest in the Company.

(b) If for any reason the indemnification provided for herein is unavailable or insufficient to hold harmless the Indemnified Parties, the Private Owner shall contribute to the amount paid or payable by the Indemnified Parties as a result of the Losses of the Indemnified Parties in such proportion as is appropriate to reflect the relative fault of the Indemnified Parties, on the one hand, and the Private Owner (in any capacity, including as the Manager) (including any Servicer or Subservicer), on the other hand, in connection with the matters that are the subject of such Losses.

(c) If the Private Owner confirms in writing to the Indemnified Party within fifteen (15) days after receipt of a Third Party Claim the Private Owner’s responsibility to indemnify and hold harmless the Indemnified Party therefor, the Private Owner may elect to assume control over the compromise or defense of such Third Party Claim at the Private Owner’s own expense and by the Private Owner’s own counsel, which counsel must be reasonably satisfactory to the Indemnified Party, provided, that (i) the Indemnified Party may, if such Indemnified Party so desires, employ counsel at such Indemnified Party’s own expense to assist in the handling (but not control the defense) of any Third Party Claim; (ii) the Private Owner shall keep the Indemnified Party advised of all material events with respect to any Third Party Claim; (iii) the Private Owner shall obtain the prior written approval of the Indemnified Party before ceasing to defend against any Third Party Claim or entering into any settlement, adjustment or compromise of such Third Party Claim involving injunctive or similar equitable relief being imposed upon the Indemnified Party or any of its Affiliates; and (iv) the Private Owner will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened action in respect of which indemnification may be sought hereunder (whether or not any such Indemnified Party is a party to such action), unless such settlement, compromise or consent by its terms obligates the Private Owner to satisfy the full amount of the liability in connection with such Third Party Claim and includes an unconditional release of such Indemnified Party from all liability arising out of such Third Party Claim.

(d) Notwithstanding anything contained herein to the contrary, the Private Owner shall not be entitled to control (and if the Indemnified Party so desires, it shall have sole control over) the defense, settlement, adjustment or compromise of (but the Private Owner shall nevertheless be required to pay all Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise): (i) any Third Party Claim that seeks an order, injunction or other equitable relief against the Indemnified Party or any of its Affiliates; (ii) any

action in which both the Private Owner (in any capacity, including as the Manager) or any Affiliate of the Private Owner, on one hand, and the Indemnified Party, on the other hand, are named as parties and either the Private Owner (or such Affiliate) or the Indemnified Party determines with advice of counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the other party or that a conflict of interest between such parties may exist in respect of such action; and (iii) any matter that raises or implicates any issue relating to any power, right or obligation of the FDIC under any Law. If the Private Owner elects not to assume the compromise or defense against the asserted liability, fails to timely and properly notify the Indemnified Party of its election as herein provided, or, at any time after assuming such defense, fails to diligently defend against such Third Party Claim in good faith, the Indemnified Party may pay, compromise or defend against such asserted liability (but the Private Owner shall nevertheless be required to pay all Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise). In connection with any defense of a Third Party Claim (whether by the Private Owner or the Indemnified Party), all of the parties hereto shall, and shall cause their respective Affiliates to, cooperate in the defense or prosecution thereof and to in good faith retain and furnish such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials and appeals, as may be reasonably requested by a party hereto in connection therewith.

(e) In the event the Company is reimbursed for or uses the Liquidity Account or Excess Liquidity Advances to pay costs or expenses of the type referred to in clause (v) or (vi) of the definition of Servicing Expenses and it is subsequently determined that the Company was not entitled to reimbursement for (or to use the Liquidity Account or Excess Liquidity Advances to pay) all or any portion of such costs and expenses because the Company did not satisfy the requirements of Section 4.6(c) or clause (v) of the definition of Servicing Expenses (such costs and expenses, the “**Unreimbursable Expenses**”), the Manager shall, in addition to any other Losses for which the Manager may be liable with respect to the claim to which such costs and expenses relate, reimburse the cost of such Unreimbursable Expenses to the Collection Account, except to the extent such Unreimbursable Expenses were funded through Excess Liquidity Advances that remain outstanding (in which case the portion of any such outstanding Excess Liquidity Advance that was so used for Unreimbursable Expenses shall itself become unreimbursable and be deemed forgiven with no further right of the Manager to collect or receive the same). Any such reimbursement by the Manager pursuant to the foregoing shall be as follows: within ten (10) Business Days after written demand therefor from either Member, the Manager shall transfer into the Collection Account by wire transfer of immediately available funds the amount of such Unreimbursable Expenses plus simple interest at five (5) % per annum from the date of the demand to the date of the payment to the Collection Account.

(f) The Company shall indemnify, defend and hold harmless each Member and each Member’s respective officers, directors, employees and members (all of the foregoing collectively, the “**Covered Persons**”) for any Losses incurred by such Covered Person by reason of a Third Party Claim relating to any act or omission by or of such Covered Person in connection with the exercise or performance of the rights, powers, responsibilities and obligations of such Covered Person (or, if such Covered Person is other than a Member, of the Member in respect of which such Covered Person so constitutes a Covered Person) regarding the Company except for (i) any Third Party Claim or Loss resulting from fraud, gross negligence,

willful misconduct or an intentional breach of this Agreement or any Ancillary Document by such Covered Person (or if such Covered Person is other than a Member, by the Member in respect of which such Covered Person so constitutes a Covered Person), and (ii) in the case of the Private Owner (in any capacity, including as the Manager), (x) any claim or demand by any Servicer or Subservicer (or, for the avoidance of doubt, any Loss arising out of or related to such claim or demand) and (y) any Third Party Claim or Loss that is in whole or in part covered by or subject to an indemnification obligation of the Private Owner (in any capacity, including as the Manager) under any provision of this Agreement or any Ancillary Document, including the foregoing provisions of Section 4.6(a).

(g) Tax Liability of Ownership Entity. Notwithstanding anything to the contrary contained herein, if any Ownership Entity is not a pass-through entity with no entity-level income tax obligations, distributions to the Initial Member pursuant to Section 6.6 (including for the purposes of Section 9.2(c)) shall be allocated before accrual or payment of any income tax payable by such Ownership Entity, and the Private Owner (or its successors or assigns) shall indemnify and hold harmless the Initial Member from and against any liability for any income taxes payable by the Ownership Entity.

(h) Offsets. Without limiting any other rights of the Initial Member hereunder, in the event the Initial Member exercises any rights or remedies as a result of or in connection with a breach hereunder or the occurrence of an Event of Default (including relating to a breach of Section 4.6), all costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or preparing the defense or assertion of any claim) incurred by the Initial Member with respect thereto may be offset by the Initial Member against any payment or distribution otherwise payable to the Private Owner (including the Management Fee), whether in its capacity as a Member or as the Manager (in each case except to the extent such breach or Event of Default is attributable exclusively to a Manager having been appointed by the Initial Member following removal of the Private Owner in such capacity, or to any applicable Servicer (and its Subservicers) having been engaged by the Initial Member, the Company or the applicable replacement Manager following such removal of the Private Owner as Manager, in each case that is not an Affiliate of the Private Owner).

ARTICLE V

Capital Contributions; Liquidity Account; Managing Member Guarantee Account; Defeasance Account; Excess Liquidity Advance

5.1 Capital Contributions.

(a) Members' Contribution. Pursuant to the Contribution Agreement, the Initial Member made a Capital Contribution to the Company in an amount equal to the Initial Member Capital Contribution. In connection with the Transferred LLC Interest Sale Agreement, Private Owner acquired from the Initial Member the Transferred LLC Interest representing a forty percent (40%) equity interest in the Company in exchange for the Transferred LLC Interest Sale Price. After giving effect to the foregoing transactions, the respective Capital Accounts of the Initial Member and the Private Owner as of the Closing Date are as set forth in the Annex I (the Member Schedule).

(b) From and after the Closing Date, the Members shall have no obligation to make any additional Capital Contributions to the Company.

5.2 Liquidity Account. The Manager shall cause the Company to fund the Liquidity Account in accordance with the provisions of Section 12.11 hereof.

5.3 Managing Member Guarantee Account.

(a) Establishment of the Managing Member Guarantee Account. On the Closing Date, the Manager shall cause the Company to establish the Managing Member Guarantee Account with the Paying Agent for the exclusive purpose of holding funds deposited in accordance with the Custodial and Paying Agency Agreement up to the amount of the Required Managing Member Guarantee Account Balance (including in the form of any proceeds from a drawing on a Qualifying Letter of Credit at any time deposited in the Managing Member Guarantee Account in accordance herewith). The Managing Member Guarantee Account (and all funds and financial assets therein) shall be subject to the security interest granted herein pursuant to the terms of this Agreement, the Custodial and Paying Agency Agreement and the related Accounts Control Agreement.

(b) Use of the Managing Member Guarantee Account. Upon the occurrence of an Event of Default, the Initial Member may direct the Company to withdraw funds from the Managing Member Guarantee Account to pay for any Company expenses in connection with such Event of Default and as otherwise determined in the sole and absolute discretion of the Initial Member.

(c) Permitted Investments. Funds on deposit in the Managing Member Guarantee Account shall be invested in Permitted Investments in accordance with this Agreement and the Custodial and Paying Agency Agreement; provided, that all such Permitted Investments shall remain in the Managing Member Guarantee Account, and in no event shall the Private Owner have any right or authority to withdraw any funds from the Managing Member Guarantee Account.

5.4 Defeasance Account. The Manager shall cause the Company to fund the Defeasance Account in accordance with the provisions of Section 12.10 hereof.

5.5 Excess Liquidity Advances. In the event there are insufficient available funds in the Collection Account and also insufficient available funds in the Liquidity Account (including by a permitted release of such funds to the Collection Account or as otherwise permitted in the Custodial and Paying Agency Agreement) to pay any Operating Expenses other than the Management Fee, Interim Management Fee or Servicing Fee, then the Manager shall, except as otherwise provided in Section 12.6, make an advance to the Company (an “**Excess Liquidity Advance**”) to be used by the Company for payment of such permitted (or required, as applicable) Operating Expenses. No Excess Liquidity Advance shall accrue any interest thereon. Excess Liquidity Advances shall be repaid in accordance with Section 5.1 of the Custodial and Paying Agency Agreement. Excess Liquidity Advances shall be deposited into the Collection Account for disbursement therefrom for the payment of permitted Operating Expenses for which such Excess Liquidity Advance is being made. Furthermore, to the extent multiple Operating

Expenses (payment of which is permitted to be made using such Excess Liquidity Advance) are outstanding, any funding or use by the Manager of Excess Liquidity Advances for payment of all or any of the same shall follow the relevant priorities as set forth in the Priority of Payments and in Section 3.1 of the Custodial and Paying Agency Agreement, as applicable. All Excess Liquidity Advances, together with a detailed statement of the sources and uses thereof (which shall be broken out by the reimbursable and unreimbursable portions thereof), shall be reflected in the Monthly Report with respect to the calendar month during which the relevant Excess Liquidity Advance was made. The Manager may not assign, sell, transfer, participate, pledge, or hypothecate, in whole or in part, its interest in any Excess Liquidity Advances without the prior written consent of the Initial Member and, for so long as any Purchase Money Note remains outstanding, the Purchase Money Guarantor.

ARTICLE VI

Capital Accounts; Allocations; Priority of Payments; Distributions

6.1 Capital Accounts. A Capital Account shall be established and maintained for each Member to which shall be credited the Capital Contributions made by such Member and such Member's allocable share of Net Income (and items thereof), and from which shall be deducted distributions to such Member of cash or other Property and such Member's allocable share of Net Loss (and items thereof). As to the Private Owner, the initial Capital Account shall correspond to that portion of the Capital Account of the Initial Member that is attributable to the Transferred LLC Interest (as defined in the Transferred LLC Interest Sale Agreement) acquired by the Private Owner pursuant to the Transferred LLC Interest Sale Agreement. A Member's Capital Account also shall be adjusted for items specially allocated to such Member under this Article VI. The Capital Accounts of the Members generally shall be adjusted and maintained in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv); provided, however, that such adjustments to, and maintenance of, the Capital Accounts shall not adversely affect the manner in which distributions are to be made to the Members under Section 6.6.

6.2 Allocations to Capital Accounts. Allocation of Net Income and Net Loss shall be made as provided in this Article VI.

(a) Except as otherwise provided in this Agreement, Net Income and Net Loss (and, to the extent necessary, individual items of income, gain, loss, deduction or credit) of the Company shall be allocated among the Members in a manner such that, after giving effect to the special allocations set forth in Section 6.2(b), the Capital Account balance of each Member, immediately after making such allocation, is, as nearly as possible, equal to (i) the distributions that would be made to such Member pursuant to Section 6.6 if the Company were dissolved, its affairs wound up and its assets sold for cash equal to their Book Value, all Company liabilities were satisfied (limited with respect to each nonrecourse liability to the Book Values of the assets securing such liability), and the net assets of the Company were distributed, in accordance with Section 9.2(c) to the Members immediately after making such allocation, *minus* (ii) such Member's share of "partnership minimum gain" and "partner nonrecourse debt minimum gain" (as such terms are used in Treasury Regulations Section 1.704-2), computed immediately prior to the hypothetical sale of assets.

(b) Allocations in Special Circumstances. The following special allocations shall be made in the following order:

(i) *Minimum Gain Chargeback.* Notwithstanding any other provision of this Article VI, if there is a net decrease in minimum gain (as it corresponds to the definition of “partnership minimum gain” in Treasury Regulations Section 1.704-2(b)(2) and (d)) during any Fiscal Year, the Members shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Member’s share of the net decrease in minimum gain, determined in accordance with Treasury Regulations Section 1.704-2(f) and (g). This Section 6.2(b)(i) is intended to comply with the “minimum gain chargeback” requirement in such section of the Treasury Regulations and shall be interpreted consistently therewith.

(ii) *Member Minimum Gain Chargeback.* Notwithstanding any other provision of this Article VI other than 6.2(b)(i) if there is a net decrease in minimum gain attributable to a Member nonrecourse debt (as it corresponds to the definition of “partnership nonrecourse debt minimum gain” in Treasury Regulations Section 1.704-2(i)) during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Member’s share of the net decrease in such minimum gain attributable to such Member’s nonrecourse debt, determined in accordance with Treasury Regulations Section 1.704-2(i). This Section 6.2(b)(ii) is intended to comply with the “partner minimum gain chargeback” requirement in such section of the Treasury Regulations and shall be interpreted consistently therewith.

(iii) *Qualified Income Offset.* In the event any Member, for any reason, whether expected or not, has an Adjusted Capital Account Deficit, items of Company income and gain shall be specially allocated to each such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, such Adjusted Capital Account Deficit as quickly as possible, provided that an allocation pursuant to this Section 6.2(b)(iii) shall be made only if and to the extent that such Member would have such Adjusted Capital Account Deficit after all other allocations provided for in Section 6.2 have been tentatively made as if this Section 6.2(b)(iii) were not in this Agreement. This Section 6.2(b)(iii) is intended to comply with the “qualified income offset” provisions in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(iv) *Nonrecourse Deductions.* Any nonrecourse deductions attributable to a Member nonrecourse debt (as described in Treasury Regulations Section 1.704-2(i)) shall be allocated to the Member who bears the economic risk of loss with respect to such nonrecourse debt. Otherwise, nonrecourse deductions

shall be allocable in accordance with the Members' respective Percentage Interests.

(v) *Loss Allocation Limitation.* No allocation of Net Loss (or any item thereof) shall be made to any Member to the extent that such allocation would create or increase a Member's Adjusted Capital Account Deficit. If, in the allocation of Net Loss (or any item thereof), less than all Members would have an Adjusted Capital Account Deficit as a result of such allocation, then any Net Loss (or item thereof) not allocable to any such Member(s) as a result of such limitation shall be allocated (subject to such limitation) to the other Member so as to allocate the maximum permissible Net Loss to each Member under Treasury Regulation Section 1.704-1(b)(2)(ii)(d).

(vi) *Curative Allocations.* The allocation provisions of this Section 6.2(b) are intended to comply with certain requirements of the Treasury Regulations. Notwithstanding any other provisions of this Article VI, any allocation effected pursuant to this Section 6.2(b) shall be taken into account in allocating Net Income and Net Loss among the Members such that the cumulative effect of all such allocations achieves the fundamental purpose of Section 6.2(a), so that the Capital Account balances correspond to the amounts distributable to the Members.

(c) Transfer of or Change in LLC Interests. The Tax Matters Member is authorized to adopt any convention or combination of conventions likely to be upheld for federal income tax purposes regarding the allocation of items of Company income, gain, loss, deduction and expense with respect to a transferred LLC Interest. A transferee of an LLC Interest in the Company shall succeed to the Capital Account of the transferor Member to the extent it relates to the transferred LLC Interest.

6.3 Tax Allocations.

(a) General Rules. Except as otherwise provided in Section 6.3(b), for each Fiscal Year, items of Company income, gain, loss, deduction and expense shall be allocated, for federal, state and local income tax purposes among the Members in the same manner as the Net Income (and items thereof) or Net Loss (and items thereof) of which such items are components were allocated pursuant to Section 6.2.

(b) Section 704(c) of the Code. Income, gains, losses and deductions with respect to any property (other than cash) contributed or deemed contributed to the capital of the Company shall, solely for income tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Fair Market Value at the time of the contribution or deemed contribution in accordance with Section 704(c) of the Code and the Treasury Regulations promulgated thereunder. Such allocations shall be made in such manner and utilizing such permissible tax elections as determined in good faith by the Tax Matters Member, following consultation with the Initial Member. In the event of a revaluation of Property pursuant to the definition of Book Value, subsequent allocations of income, gains, losses or deductions with

respect to such Property shall take account of any variation between the Book Value and Fair Market Value of such Property, as so determined from time to time, in accordance with Section 704(c) of the Code and the Treasury Regulations promulgated thereunder. Such allocations shall be made in such manner and utilizing such permissible tax elections as determined in good faith by the Tax Matters Member, following consultation with the Initial Member. For the avoidance of doubt, any losses recognized by the Company that are attributable to property acquired by the Company pursuant to the Contribution Agreement and that are deferred pursuant to Section 707(b)(1) or Section 267(a) of the Code shall, solely for income tax purposes, be allocated to the Initial Member.

(c) Capital Accounts Not Affected. Allocations pursuant to this Section 6.3 are solely for federal, state and local tax purposes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or allocable share of Net Income (or items thereof) or Net Loss (or items thereof).

(d) Tax Allocations Binding. The Members acknowledge that they are aware of the tax consequences of the allocations made by this Section 6.3 and hereby agree to be bound by the provisions of this Section 6.3 in reporting their respective shares of items of Company income, gain, loss, deduction and expense.

6.4 Determinations by Tax Matters Member. All matters concerning the computation of Capital Accounts, the allocation of items of Company income, gain, loss, deduction and expense and the adoption of any accounting procedures not expressly provided for by the terms of this Agreement shall be determined by the Tax Matters Member in good faith, following consultation with the Initial Member. Following such consultation, such determinations shall be final and conclusive as to all the Members. Without in any way limiting the scope of the foregoing, if and to the extent that, for income tax purposes, any contribution to or distribution by the Company or any payment by any Member or by the Company is recharacterized, the Tax Matters Member may, in good faith following consultation with the Initial Member, specially allocate items of Company income, gain, loss, deduction or expense and/or make correlative adjustments to the Capital Accounts of the Members in a manner so that the net amount of income, gain, loss, deduction and expense realized by each relevant party (after taking into account such special allocations) and the net Capital Account balances of the Members (after taking into account such special allocations and adjustments) shall, as nearly as possible, achieve the fundamental purpose of Section 6.2(a), such that the Capital Account balances correspond to the amounts distributable to the Members, as if such recharacterization had not occurred.

6.5 Priority of Payments. Each calendar month the amounts deposited in the Distribution Account under the Custodial and Paying Agency Agreement shall be distributed by the Paying Agent in the order of the Priority of Payments.

6.6 Distributions.

(a) No Right to Withdraw. No Member shall have the right to withdraw capital or demand or receive distributions or other returns of any amount in its Capital Account, except as expressly provided in this Agreement.

(b) Ordinary Distributions.

(i) *Timing.* Amounts available for distribution to the Members with respect to their respective LLC Interests, if any, shall be distributed to the Members on a monthly basis by the Paying Agent out of the Distribution Account in the manner set forth in the Custodial and Paying Agency Agreement.

(ii) *[Reserved].*

(iii) *Incentive Threshold Event.* The “**Incentive Threshold Event**” shall occur as of a Distribution Date if (A) the aggregate distributions made to the Private Owner pursuant to the Priority of Payments as of such Distribution Date is equal to or greater than the product of two times the Transferred Interest Sale Price, and (B) the Incentive Threshold as of such Distribution Date is equal to zero.

(iv) *Incentive Threshold.* The “**Incentive Threshold**” shall be determined as follows:

(A) as of any Distribution Date shall be an amount equal to (1) the sum of (i) the Incentive Threshold as of the preceding Distribution Date (or, in the case of the first Distribution Date, the Closing Date), and (ii) the Threshold Increase Amount, minus (2) the aggregate distributions made to the Private Owner pursuant to the Priority of Payments up to and including such Distribution Date; provided, that, if, as of any Distribution Date, the amount referred to in clause (2) of Section 6.6(b)(iv) is greater than the amount referred to in clause (1) of Section 6.6(b)(iv), then the Incentive Threshold shall be deemed to be zero for such Distribution Date and all subsequent Distribution Dates.

(c) Restrictions on Distributions. The foregoing provisions of this Article VI to the contrary notwithstanding, no distribution shall be made if such distribution would violate any contract or agreement to which the Company is then a party or any Law or directive of any Governmental Authority then applicable to the Company.

(d) Withholding. Notwithstanding any other provision of this Agreement, the Manager is authorized to take any action that it determines to be necessary or appropriate to cause the Company to comply with any foreign or United States federal, state or local withholding requirement with respect to any allocation, payment or distribution by the Company to any Member or other Person. All amounts so withheld shall be treated as distributions to the applicable Members under the applicable provisions of this Agreement. If any such withholding requirement with respect to any Member exceeds the amount distributable to such Member under the applicable provisions of this Agreement, or if any such withholding requirement was not satisfied with respect to any amount previously allocated or distributed to such Member, such Member and any successor or assignee with respect to such Member’s LLC Interest hereby agrees to indemnify and hold harmless the Manager and the Company for such excess amount or such withholding requirement, as the case may be.

(e) Record Holders. Any distribution of Property, whether pursuant to this Article VI or otherwise, shall be made only to Persons that, according to the books and records of the Company, were the holders of record of LLC Interests on the date determined by the Manager as of which the Members are entitled to any such distribution.

(f) Final Distribution. The Final Distribution following the dissolution of the Company shall be made in accordance with the provisions of Section 9.2.

ARTICLE VII

Accounting, Reporting and Taxation

7.1 Fiscal Year. The books and records of the Company shall be kept on an accrual basis and the fiscal year of the Company shall commence on January 1 and end on December 31 (the "**Fiscal Year**").

7.2 Maintenance of Books and Records.

(a) Maintenance of Books and Records. At all times during the continuance of the Company, the Manager shall cause to be kept and maintained (including by the Servicer and any Ownership Entity and including records transferred by the Receiver to the Company in connection with its conveyance of the Mortgage Loans to the Company under the Contribution Agreement), at all times, at the Company's chief executive office referred to in Section 2.4, a complete and accurate set of files, books and records regarding the Mortgage Loans and the Underlying Collateral, and the Company's and the relevant secured parties' interests in the Mortgage Loans and the Underlying Collateral, including records relating to the Collection Account, the Escrow Accounts, the Liquidity Account, the Managing Member Guarantee Account, Defeasance Account and the disbursement of all Mortgage Loan Proceeds. This obligation to maintain a complete and accurate set of records shall encompass all files in the Manager's or Company's custody, possession or control pertaining to the Mortgage Loans and the Underlying Collateral, including (except as required to be held by the Custodian pursuant to the Custodial and Paying Agency Agreement) all original and other documentation pertaining to the Mortgage Loans and the Underlying Collateral, all documentation relating to items of income and expense pertaining to the Mortgage Loans and the Underlying Collateral, and all of the Manager's (and each Servicer's and Subservicer's) internal memoranda pertaining to the Mortgage Loans and the Underlying Collateral. The books of account shall be maintained in a manner that provides sufficient assurance that: (a) transactions of the Company are executed in accordance with the general or specific authorization of the Manager consistent with the provisions of this Agreement; and (b) transactions of the Company are recorded in such form and manner as will: (i) permit preparation of federal, state and local income and franchise tax returns and information returns in accordance with this Agreement and as required by Law; (ii) permit preparation of the Company's financial statements in accordance with GAAP and as otherwise set forth herein and the provisions of the reports required to be provided hereunder; and (iii) maintain accountability for the Company's assets.

(b) Retention of Books and Records. The Manager shall cause all such books and records to be maintained and retained until the date that is the later of ten (10) years after the Closing Date and three (3) years after the date on which the Final Distribution is made. All such

books and records shall be available during such period for inspection by the Initial Member, the FDIC or any of their respective representatives (including any Governmental Authority) and agents at the Company's chief executive office referred to in Section 2.4 at all reasonable times during business hours on any Business Day (or, in the case of any such inspection after the term hereof, at such other location as is provided by notice to the Initial Member and the FDIC), in each instance upon two (2) Business Days' prior notice to the Manager. Upon request by the Initial Member or the FDIC, the Manager shall promptly send copies (the number of copies of which shall be reasonable) of such books and records to such requesting Person or its designee. The Manager shall provide the Initial Member and the FDIC with reasonable advance notice of the Manager's intention to destroy or dispose of any documents or files relating to the Mortgage Loans and, upon the request of the Initial Member or the FDIC, shall allow such requesting Person to recover the same (or copies thereof) from the Company and in the case both the Initial Member and the FDIC so request the same, the FDIC shall have the right to recover such documents or files, but the Initial Member shall have the right to make copies of such applicable documents or files so long as such copies are made while such documents files remain with the Manager or the Company (and prior to recovery of the same by the FDIC). The Manager shall also maintain complete and accurate records reflecting the status of taxes, ground leases or other recurring charges that could become a Lien on any Underlying Collateral. Any expense incurred by the Initial Member or the FDIC and any reasonable out-of-pocket expense incurred by the Company in connection with the exercise by the Initial Member or the FDIC of its respective rights in this Section 7.2(b) to recover or make (or otherwise receive) copies of books, records, documents or files shall be borne by such Person so exercising such rights; provided, however, that any expense incident to the exercise of such rights pursuant to this Section 7.2(b) as a result of or during the continuance of an Event of Default shall in all cases be borne by the Private Owner (except to the extent such Event of Default is attributable exclusively to a Manager having been appointed by the Initial Member following removal of the Private Owner in such applicable capacity, or to any applicable Servicer (and its Subservicers) having been engaged by the Initial Member, the Company or the applicable replacement Manager following such removal of the Private Owner as Manager, in each case that is not an Affiliate of the Private Owner).

7.3 Financial Statements.

(a) Annual Financial Statements. As soon as practicable following, but no later than ninety (90) days immediately after, the end of each Fiscal Year (commencing with respect to the 2010 Fiscal Year), the Manager shall prepare and deliver to the Initial Member an audited consolidated balance sheet of the Company and the Ownership Entities as at the end of such Fiscal Year, and audited consolidated statements of operations and cash flow of the Company and the Ownership Entities for such Fiscal Year, each prepared in accordance with GAAP and accompanied by the Accountants' report thereon, which shall be certified in the customary manner by the Accountants.

(b) Quarterly Financial Information. As soon as practicable following, but no later than thirty (30) days immediately after, the end of each quarter of each Fiscal Year (other than the last quarter of such Fiscal Year, and commencing with the calendar quarter ending on or about September 30, 2010), the Manager shall prepare and deliver to the Initial Member an unaudited consolidated balance sheet of the Company and the Ownership Entities as at the end of such calendar quarter, and unaudited consolidated statements of operations and cash flow of the

Company and the Ownership Entities for such calendar quarter (and, for the first such report, also covering the period from the Closing Date through the end of such calendar quarter), each prepared in accordance with GAAP.

7.4 Additional Reporting and Notice Requirements.

(a) Manager's Duty to the Initial Member and the Secured Parties; Delivery of Certain Notices. In addition to such other reports and access to books, records and reports as are required to be provided under this Agreement, the Manager shall cause to be delivered to the Initial Member and the Purchase Money Note Guarantor such information as is specified in Exhibit B (in addition to the Monthly Report) and such other information relating to the Mortgage Loans, the Underlying Collateral, the Company, the Servicers and any Subservicers as Initial Member or the Purchase Money Note Guarantor may reasonably request from time to time and, in any case, shall ensure that Initial Member and the Purchase Money Note Guarantor are promptly advised, in writing, of any matter of which the Manager, any Servicer or any Subservicer becomes aware relating to the Mortgage Loans, the Underlying Collateral, the Collection Account, the Escrow Accounts, the Liquidity Account, the Managing Member Guarantee Account, the Defeasance Account or any Borrower or Obligor that materially and adversely affects the interests of the Initial Member hereunder or the Secured Parties. Without limiting the generality of the foregoing, the Manager shall cause to be delivered to the Initial Member and the Purchase Money Note Guarantor information indicating any possible Environmental Hazards with respect to any Underlying Collateral. To the extent that the Initial Member or the Purchase Money Note Guarantor requests information which is dependent upon obtaining such information from a Borrower, Obligor or other third party, the Manager shall cause to be made commercially reasonable efforts to obtain such information but it shall not be a breach by the Manager of this Agreement if the Manager fails to cause such information to be provided to the Initial Member or the Purchase Money Note Guarantor because a Borrower, Obligor or other Person has failed to provide such information after such efforts have been made.

(b) Monthly Reports.

(i) On or prior to the fifth Business Day immediately preceding the Distribution Date for each month, commencing on the Distribution Date following the calendar month in which the Closing Date occurs, the Company shall deliver or cause the Manager to deliver to the Paying Agent, the Initial Member and the Purchase Money Note Guarantor the Monthly Report with respect to the relevant Due Period, which Monthly Report shall include the Distribution Date Report specifying the amounts and recipients of all funds to be distributed by the Paying Agent on such Distribution Date; provided, however, that (unless the Company and the Initial Member agree otherwise) the Initial Member will prepare and deliver to the Paying Agent and the Purchase Money Note Guarantor the Monthly Report (including the Distribution Date Report) on behalf of the Company for all Due Periods ending on or before the last day of the month in which the last Servicing Transfer Date occurs. Notwithstanding the foregoing, the Manager shall not be required to provide the Monthly Report during the Interim Servicing Period prior to receiving the required reports from the Initial Member. Following receipt by the Paying Agent of the Monthly Report (including the Distribution Date Report) with respect to a given Due Period, the Paying Agent shall prepare and deliver the Custodian and Paying Agent Report with respect to such Due Period in accordance with the terms of the Custodial and Paying

Agency Agreement. For the Distribution Date immediately preceding the Purchase Money Note Maturity Date, the Manager shall also deliver to the Paying Agent, the Initial Member and the Purchase Money Note Guarantor an additional report (the “**Maturity Date Report**”), which report shall include the amount on deposit in the Defeasance Account to pay the Purchase Money Note as of the Purchase Money Note Maturity Date. Each Monthly Report (including the Distribution Date Report and Maturity Date Report) prepared and delivered by the Manager shall be certified by the chief financial officer (or an equivalent officer) of the Manager. Each Monthly Report prepared and delivered by the Manager shall also include a certification of the Manager that all withdrawals by the Manager from the Collection Account during such Due Period were made in accordance with the terms of this Agreement and the Custodial and Paying Agency Agreement.

(ii) The Monthly Report shall include, for so long as any Purchase Money Note is outstanding, an entry setting forth the results of the application of the Adequate Collateralization Test, including, but not limited to, the amounts of the Net Purchase Money Debt and the Outstanding Collateral Value.

(c) Annual Compliance Certificates. The Manager shall, and shall cause the Servicer and each Subservicer to, deliver to the Initial Member and the Purchase Money Note Guarantor, on or before March 15 of each year, commencing in the year 2011, an officer’s certificate stating, as to the signer thereof, that (i) a review of such party’s activities (in the case of the Manager, for the avoidance of doubt in any capacity under this Agreement) during the preceding calendar year (or other applicable period as set forth below in this Section 7.4(c)) and of its performance under this Agreement (or, as applicable, the Servicing Agreement or any Subservicing Agreement) has been made under such officer’s supervision, and (ii) to the best of such officer’s knowledge and belief, based on such review, such party (in the case of the Manager, for the avoidance of doubt in any capacity under this Agreement) has fulfilled all of its obligations under this Agreement (or, as applicable, the Servicing Agreement or Subservicing Agreement) in all material respects throughout such year (or other applicable period as set forth below in this Section 7.4(c)) or, if there has been a failure to fulfill any such obligation in any material respect, specifying each such failure and the nature and status thereof. The first such officer’s certificate shall, with respect to any Mortgage Loan, shall cover the period commencing on the Closing Date (and with respect to each Mortgage Loan, including relevant information with respect thereto for the period commencing on the Servicing Transfer Date for such Mortgage Loan) and continuing through the end of the 2010 calendar year. In the event a Servicer or any Subservicer was terminated, resigned or otherwise performed in such capacity for only part of a year (or other applicable period, as the case may be, with respect to the period commencing, with respect to any Mortgage Loan, on the applicable Servicing Transfer Date through the end of the 2010 calendar year), such party shall provide an officer’s certificate pursuant to this Section 7.4(c) with respect to such portion of the year (or other applicable period).

(d) Annual Compliance Report. On or before March 15 of each year, commencing in the year 2011, the Manager shall cause each Servicer and Subservicer, each at its own expense, to provide a report prepared by a nationally recognized firm of independent certified public accountants to the effect that, with respect to the most recently ended Fiscal Year, such firm has examined certain records and documents relating to compliance with the

servicing requirements in this Agreement and that, on the basis of such examination conducted substantially in compliance with either the Uniform Single Attestation Program for Mortgage Bankers or Item 1122 of Regulation AB, such firm is of the opinion that the Manager's or its Servicers' or Subservicers' activities have been conducted in compliance with this Agreement (including, to the extent applicable, Regulation AB), or that such examination has disclosed no material items of noncompliance except for (i) such exceptions as such firm believes to be immaterial, and (ii) such other exceptions as are set forth in the report.

(e) Audits. Until the later of the date that is ten (10) years after the Closing Date and the date that is three (3) years after the Final Distribution, the Manager shall, and shall cause the Servicer and each Subservicer to, (i) provide any representative of the Initial Member (including any Governmental Authority), during normal business hours and on reasonable notice, with access to all of the books of account, reports and records relating to the Mortgage Loans or any Underlying Collateral, the Servicing Obligations, the Collection Account, the Escrow Accounts, the Liquidity Account, the Managing Member Guarantee Account, the Defeasance Account, any account created under the Servicing Agreement, disbursements under the Custodial and Paying Agency Agreement, distributions hereunder or any other matters relating to this Agreement or the rights or obligations hereunder or under the Ancillary Documents; (ii) permit such representatives to make copies of and extracts from the same, (iii) allow Initial Member to cause such books to be audited by accountants selected by the Initial Member, and (iv) allow Initial Member's representatives to discuss the Company's, the Manager's, any Servicer's and any Subservicer's affairs, finances and accounts, as they relate to the Mortgage Loans, the Underlying Collateral, the Servicing Obligations, the Collection Account, the Escrow Accounts, the Liquidity Account, the Managing Member Guarantee Account, the Defeasance Account or any other matters relating to this Agreement, the Ancillary Documents, or the rights or obligations hereunder and thereunder, with its officers, directors, employees, accountants (and by this provision the Company and the Manager hereby authorizes such accountants to discuss such affairs, finances and accounts with such representatives), Servicers and Subservicers, and attorneys. Any expense incurred by the Initial Member and any reasonable out-of-pocket expense incurred by the Company in connection with the exercise by the Initial Member of its rights in this Section 7.4(e) shall be borne by the Initial Member; provided, however, that any expense incident to the exercise by the Initial Member of its rights pursuant to this Section 7.4(e) as a result of or during the continuance of an Event of Default shall in all cases be borne by the Private Owner (except to the extent such Event of Default is attributable exclusively to a Manager having been appointed by the Initial Member following removal of the Private Owner in such capacity, or to any applicable Servicer (and its Subservicers) having been engaged by the Initial Member, the Company or the applicable replacement Manager following such removal of the Private Owner as Manager, in each case that is not an Affiliate of the Private Owner).

(f) In addition to the foregoing, the Manager shall provide or cause to be provided to the Initial Member, all reports, information (financial or otherwise), certificates and other documents required to be provided by the Company pursuant to the Reimbursement and Security Agreement, and by the Servicer under the Servicing Agreement.

(g) The rights afforded to the Members under this Section 7.4 are in addition to, and not in limitation of, the rights of the Members under Section 18-305(a) of the Act. Section 18-305(c) of the Act shall not apply in relation to the Initial Member.

7.5 Designation of Tax Matters Member. The Private Owner is hereby designated as the “**Tax Matters Member**” under Section 6231(a)(7) of the Code and under other similar Laws of other relevant jurisdictions, to manage, in consultation with the Initial Member, administrative tax proceedings conducted at the Company level by the Internal Revenue Service or other tax authorities with respect to Company matters. Each Member expressly consents to such designation and agrees that, upon the request of the Tax Matters Member, it will execute, acknowledge, deliver, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such consent. The Tax Matters Member is specifically directed and authorized to take whatever steps the Tax Matters Member in its sole and absolute discretion deems necessary or desirable to perfect such designation, including, without limitation, filing any forms or documents with the Internal Revenue Service (or other tax authorities) and taking such other action as may from time to time be required under the Code, Treasury Regulations or other Laws. The Tax Matters Member shall keep the other Members fully informed as to any tax audits of the Company, including promptly providing the other Members with copies of any correspondence from any taxing authority and permitting the other Member to participate in any conferences or meetings with any taxing authority and in any subsequent administrative or judicial proceedings. The Tax Matters Member shall have the authority, following consultation with the Initial Member, to make any tax elections on behalf of the Company permitted to be made, including the election pursuant to Section 754, under any section of the Code or the Treasury Regulations promulgated thereunder or under other Laws. In the event the Company may be deemed to be a “small partnership” as described in Section 6231(a)(1)(B), each Member consents to the Company’s electing to be treated as a partnership to which the provisions of Code Section 6221 et. seq. apply (thereby electing to have Code Section 6231(a)(1)(B)(i) not apply). The Initial Member may, at any time following the occurrence and during the continuation of an Event of Default, remove the Private Owner as the Tax Matters Member, appoint itself (or any other willing Member at the time) as the Tax Matters Member, and serve (or cause such other Member to so serve) in such capacity; provided that such removal shall not relieve the Private Owner as Tax Matters Member of any obligations or liabilities under this Agreement or any Ancillary Document arising, relating to, occurring, or required to have been paid or performed by, the Private Owner as Tax Matters Member in its capacity as such.

7.6 Tax Information.

(a) Within ninety (90) days after the end of each Fiscal Year, the Tax Matters Member shall send, or cause to be sent to, each Person who was a Member at any time during the Fiscal Year then ended a Schedule K-1 and such Company tax information as the Tax Matters Member reasonably believes shall be necessary for the preparation by such Person of its United States federal, state and local tax returns in accordance with any Law. The Tax Matters Member may, at its option and with prior notice to the Initial Member, extend the date when such Schedule K-1 is due by a period no longer than forty-five (45) days prior to the extended due date of the federal tax return for such Fiscal Year. Such information shall include a statement showing such Person’s share of distributions, income, gain, loss, deductions and expenses and other relevant items of the Company for such Fiscal Year. Promptly upon the request of any Member (or any former Member, for tax years during which such Person was a Member), the Tax Matters Member will furnish to such Member (or former Member):

(i) United States federal, state and local income tax returns or information returns, if any, filed by the Company; and

(ii) at the sole cost and expense of the requesting Member, such other information as such Member may reasonably request for the purpose of applying for refunds of withholding taxes.

(b) The Company shall prepare and deliver or cause the Manager to prepare and deliver to the Initial Member a report which shall specify the information with respect to each Mortgage Loan that is sold or otherwise disposed of by the Company so as to enable the Company (and each Member) to comply with allocation provisions of Section 704(c) of the Code, as determined as of the close of business on the applicable Determination Date and certified by an Authorized Representative (who shall be the chief financial officer (or an equivalent officer)) of the Company (the "Tax Allocation Report"). Such report shall be delivered with the Schedule K-1s provided for in Section 7.6(a).

7.7 Business Plan. As promptly as possible, but in no event later than 120 days after the Closing Date, the Manager shall deliver to the Initial Member a written plan (a "**Business Plan**") detailing the strategy to be used by it to manage and dispose of the assets of the Company including all of the Mortgage Loans and for achieving the Company's purposes with respect thereto, in conformity with the Servicing Standard, based, to the extent appropriate, on information gathered by the Company with respect to the Mortgage Loans. The Manager shall meet with the Initial Member as reasonably requested by the Initial Member from time to time during the thirty (30) Business Days following the Initial Member's receipt of the same, to review and discuss such Business Plan, including changes thereto suggested by the Initial Member. Within thirty (30) Business Days following expiration of such review period, the Manager will deliver to the Initial member a final version of the Business Plan reflecting such changes as the Manager considers to be appropriate in light of its discussions with the Initial Member during such review period. The Manager shall thereafter review and revise the Business Plan as the circumstances may require, and in any event provide periodic updates to such Business Plan to the Initial Member, commencing in July of 2011, and on an annual basis thereafter, with each such periodic update to be delivered as part of the Monthly Reports due at such time pursuant to Section 7.4(b). Upon reasonable notice by the Initial Member, the Company shall make its personnel who are familiar with the Business Plan available during normal business hours for the purposes of discussing the Business Plan with representatives of the Initial Member and responding to questions therefrom.

(a) The Business Plan will set forth a strategy for the disposition of the Mortgage Loans addressed thereby which strategy may consist of one or more of the following: (i) the pay-off of Mortgage Loans at a discount; (ii) modifications of the related note and/or mortgage, including reductions in the mortgage loan interest rate, reductions in the principal balance and rescheduling principal payments; (iii) foreclosure upon the related Underlying Collateral (or acquisition thereof by deed in lieu of foreclosure) and subsequent sale thereof; (iv) assumptions of Mortgage Loans by new Borrowers; (v) repairs to Underlying Collateral, with a view towards selling such Underlying Collateral or the Mortgage Loan secured thereby; (vi) sale of a Mortgage Loan, either singly or in pools, before or after restructuring; and (vii) any other

method of work-out, rehabilitation and disposition consistent with the Servicing Standard and other general duties of the Company specified in this Agreement.

(b) The Business Plan will set forth a strategy for the disposition of the related Acquired Property which strategy may consist of one or more of the following: (i) the sale or leasing of the Acquired Property in whole or in parts, or in pools; (ii) making repairs to and, if applicable, completion of construction of the Acquired Property or making changes to the Acquired Property so that it may be used for uses other than its current use, with a view toward selling the Acquired Property; (iii) rehabilitation or improvement and, if applicable, completion of construction of the Acquired Property, with a view toward selling the Acquired Property; (iv) continued leasing or sales activity with respect to the Acquired Property available for leasing or sale (in whole or in part) at the time it is transferred to a Ownership Entity; and (v) maintenance, landscaping and general upkeep of the Acquired Property.

(c) The Business Plan shall include projected financials, including statements of income, assets, and cash flows for the Company. Projected cash flows should carry through to the termination date of the Company, providing monthly projections for the first 24 months and quarterly projections thereafter. The cash flow projections should reflect gross projected cash inflows, cash outflows, and net distributable funds to the Members.

ARTICLE VIII

Restrictions on Disposition of LLC Interests

8.1 Limitations on Disposition of LLC Interests. Except as otherwise provided in this Article VIII, the Private Owner shall not, directly or indirectly, Dispose of or permit to be Disposed of, all or any part of its LLC Interest or any of its rights or interests under this Agreement, except only that the Private Owner may make a direct, outright transfer of its entire (but not less than its entire) LLC Interest if, and only if, (a) (i) the transferee is a single Person that is a Qualified Transferee, (ii) such transferee delivers to the Initial Member a Purchaser Eligibility Certification and the representations and warranties made by such transferee therein shall be true and correct both before and after giving effect to such transfer of the LLC Interest, and (iii) the Private Owner first obtains the prior written consent of the Initial Member and, if the Purchase Money Note is outstanding, the Purchase Money Note Guarantor, to such transfer, or (b) such Disposition is done by or at the direction of the Initial Member pursuant to Sections 3.13 or 3.14. The Private Owner may not under any circumstances Dispose of less than all of its LLC Interest. Transfers by the Private Owner satisfying the foregoing criteria are hereinafter referred to as “**Permitted Dispositions.**”

8.2 Change of Control. The Private Owner will not permit any Change of Control to occur with respect to the Private Owner unless (i) it first obtains the prior written consent of the Initial Member, and if a Purchase Money Note is outstanding, the Purchase Money Note Guarantor, and (ii) following such Change of Control, the Private Owner would be a Qualified Transferee. Without limitation of the preceding sentence, the Private Owner will provide the Initial Member and if a Purchase Money Note is outstanding, the Purchase Money Note Guarantor, with immediate notice at the address specified in Section 13.6 of the occurrence of any Change of Control with respect to the Private Owner.

8.3 Additional Provisions Relating to Permitted Dispositions. Except as otherwise expressly provided in this Section 8.3, the following provisions shall apply to each Permitted Disposition under this Article VIII:

(a) In the event the Private Owner proposes to make a Permitted Disposition, the Private Owner shall be required to pay any and all filing and recording fees, fees of counsel and accountants and other out-of-pocket costs and expenses reasonably incurred by the Initial Member and/or the Company in connection with such Permitted Disposition.

(b) The transferee in a Permitted Disposition shall deliver to the Company, with a copy to the Initial Member, an agreement, in form and substance reasonably satisfactory to the Initial Member, by which such transferee shall (i) agree to become a party to and be bound by this Agreement as the “Private Owner,” agree (if the transferor Member, prior to such transfer, also was the Manager) to be appointed as the “Manager”, and without limitation of the generality of the foregoing, agree to be bound by the other terms of Section 8.4 hereof, (ii) assume and agree to perform when due all of the obligations of the Private Owner and the Manager (if the transferor Member, prior to such transfer, also was the Manager) under this Agreement, and (iii) represent and warrant that it complies with the requirements set forth in Article X.

(c) In connection with each Permitted Disposition, the Private Owner and the transferee shall deliver to the Company and the Initial Member such other documents and instruments as the Initial Member reasonably may request and which are required to effect the Permitted Disposition and substitute the transferee as a Member.

8.4 Effect of Permitted Dispositions.

(a) Upon consummation of any Permitted Disposition:

(i) the transferee shall be admitted as a member of the Company and be deemed to be a party to this Agreement as the “Private Owner” and, if the transferor Member, prior to such transfer, also was the Manager, such transferee shall be appointed as the Manager (in the place of the transferor Member);

(ii) the transferred LLC Interest shall continue to be subject to all the provisions of this Agreement, and the transferee Member shall have the same status as the Private Owner had at the time of consummation of such Permitted Disposition and, without limiting the generality of the foregoing, any outstanding breach, misrepresentation, violation or default (with respect to this Agreement or any Ancillary Document) by any direct or indirect predecessor to the transferee as the Member, or by any Affiliate of any such predecessor Member, shall be deemed to constitute an outstanding breach, misrepresentation, violation or default as the case may be, by the transferee Member; and

(iii) subject to Section 8.4(b) and the last sentence of Section 13.8, the transferor Member shall cease to be a member of the Company (and accordingly, except as expressly otherwise provided in Section 8.4(b) or the last sentence of

Section 13.8, shall cease to be responsible for the payment or performance of any of the obligations or liabilities under this Agreement of the Private Owner, in any capacity hereunder).

(b) No Permitted Disposition (and no resulting withdrawal or resignation of the transferor Member from the Company) shall:

(i) relieve the transferor Member of any of the obligations or liabilities of the transferor Member, in any capacity, under this Agreement or any Ancillary Document required to have been paid or performed prior to the consummation of such Permitted Disposition (or of any liability it may have arising out of any breach, misrepresentation, violation or default by the transferor Member prior to such consummation);

(ii) result in the termination of, relieve the transferor Member (or any of its Affiliates) of, or otherwise affect, any of the obligations or liabilities of the transferor Member, in any capacity, or its Affiliates under, any Related Party Agreement (such Related Party Agreements to continue in effect in accordance with their respective terms), except to the extent expressly provided in such Related Party Agreement; or

(iii) dissolve the Company.

8.5 Effect of Prohibited Dispositions. Any attempted or purported Disposition of the LLC Interest of the Private Owner (or any portion thereof) not strictly in accordance with the terms of this Agreement shall be void *ab initio* and of no force or effect whatsoever. The Private Owner shall not be entitled, and hereby specifically waives any right, to receive Company distributions during (i) the period between any attempted or purported Disposition of the LLC Interest of the Private Owner (or any portion thereof) not strictly in accordance with the terms of this Agreement and the express rescission of such attempted or purported Disposition by the Private Owner and (ii) during any period when a Member is in violation of Section 8.2, provided that all such omitted Company distributions shall (subject to Section 8.6) be made to the Private Owner (without interest) forthwith after the end of the relevant suspension period.

8.6 Distributions After Disposition. Distributions with respect to an LLC Interest made on or after the effective date of the Permitted Disposition of such LLC Interest shall be made to the transferee Member with respect to such LLC Interest, regardless of when such distributions accrued on the books of the Company.

8.7 Transfers by the Initial Member. Notwithstanding anything to the contrary contained in this Agreement, except as provided by applicable Law, there shall be no restriction on the Initial Member's ability to Dispose of the LLC Interest held by it, directly or indirectly, to any Person and the Private Owner shall have no right to purchase or right-of-first-refusal in connection with any such sale; provided, that, the Initial Member may not assign the consent and voting rights associated with its LLC Interest in the Company to more than one Person (for the avoidance of doubt, except as expressly provided above, the foregoing restriction shall not otherwise limit the Initial Member's right to Dispose of any interest associated with its

LLC Interest in the Company) and provided, further, that in the event the Initial Member determines to sell the LLC Interest held by it through an auction process, the Private Owner shall be entitled to participate in such auction on the same terms that apply generally to other participants in the auction. At the election of the Person then constituting the “Initial Member” under this Agreement, the transferee in any direct Disposition of any portion of the LLC Interest of the Initial Member shall, upon delivery to the Company, with a copy to the Private Owner, of an agreement by which such transferee shall agree to become a party to and be bound by this Agreement as the “Initial Member,” be admitted as a member of the Company and be deemed to be a party to this Agreement as the “Initial Member”, and thereupon, subject to last sentence of Section 13.8, the transferor Member shall cease to be a member of the Company (and accordingly, except as expressly otherwise provided in last sentence of Section 13.8, shall cease to be responsible for the payment or performance of any of the obligations or liabilities under this Agreement of the Initial Member).

8.8 Resignation; Dissolution.

(a) The Private Owner may not withdraw or resign from the Company, except (i) in connection with a Permitted Disposition made in accordance with the applicable provisions of this Article VIII or (ii) with the prior written consent of the Initial Member.

(b) The Private Owner covenants that it shall not allow a Dissolution Event to occur with respect to itself.

(c) Section 18-304 of the Act shall not apply to the Company. Nothing in this Section 8.8(c) shall limit the terms of Section 9.1 hereof.

(d) Except as is otherwise expressly provided in this Agreement, no Member shall be entitled to receive any payment pursuant to Section 18-604 of the Act.

8.9 Applicable Law Withdrawal. If, as a result of applicable Law, the ownership of an LLC Interest by a Member becomes illegal or is likely to become illegal or the applicable Law more likely than not requires divestiture of such Member’s LLC Interest, or the applicable Law would require the Company to register as an investment company under the Investment Company Act, then the Manager and the Member shall use their respective commercially reasonable efforts to avoid a violation of any such applicable Law by a Member or the need for the Company to register as an investment company. These steps may include, depending on the provisions of such applicable Law, (i) arranging for the sale of the Member’s LLC Interest to a third party upon terms reasonably satisfactory to the Member in a transaction that complies with Articles VIII and X; (ii) making any appropriate applications to the relevant Governmental Authority, (iii) prohibiting such Member from making further Capital Contributions, and converting its LLC Interest into a special interest with no voting or similar rights but with only an economic right (identical to its prior rights as a Member), or (iv) permitting the Member to withdraw from the Company for a “payment” to such Member equal to the value of its LLC Interest at the time of withdrawal, such value to be determined by a third party appraiser mutually agreeable to the Manager and all Members. The aforesaid “payment” shall be made in cash unless the Manager determines that the payment in cash would be economically detrimental to the Company, in which case such payment may be made in kind,

subject to the applicable Law. The timing of any such withdrawal must be mutually agreeable to the Member and the Manager taking proper account of the effective date of the applicable Law or registration requirement that is the basis for the withdrawal or other remedy provided herein and the need of the Manager for a reasonable period of time to find a solution to the illegality or requirement for divestiture. Such illegality or registration requirement must be established by (x) an opinion of counsel (which counsel shall be reasonably satisfactory to the Manager and the Initial Member) substantially to the effect that the ownership of the LLC Interest more likely than not will result in such illegality or requirement for registration or divestiture or (y) upon a ruling or order from a Governmental Authority.

ARTICLE IX

Dissolution and Winding-Up of the Company

9.1 Dissolution. A dissolution of the Company shall take place upon the first to occur of the following:

(a) the agreement by all Members to dissolve the Company (it being understood and agreed that neither Member, acting alone, shall have the right unilaterally to dissolve the Company);

(b) the sale of all or substantially all of the Company Property (other than cash and cash equivalent instruments), including as an entirety or substantially as an entirety; or

(c) notice to such effect to the Private Owner from the Initial Member at any time after the occurrence of a Dissolution Event or an Insolvency Event with respect to the Private Owner or any Person that Controls the Private Owner; or

(d) exercise of the Clean-Up Call and liquidation of all remaining Mortgage Loans and Acquired Property of the Company in accordance with Section 12.17.

9.2 Winding-Up Procedures. If a dissolution of the Company pursuant to Section 9.1 occurs, subject to the Company's compliance with its obligation under the other agreements to which it is a party, the other terms and conditions of this Agreement or the Ancillary Documents, the Manager shall proceed as promptly as practicable to wind up the affairs of the Company in an orderly and businesslike manner. A final accounting shall be made by the Manager. As part of the winding up of the affairs of the Company, the following steps will be taken:

(a) The assets of the Company shall be sold except to the extent that some or all of the assets of the Company are retained by the Company for distribution to the Members as hereinafter provided.

(b) The Company shall comply with Section 18-804(b) of the Act.

(c) Distributions of the assets of the Company after a dissolution of the Company shall be conducted as follows:

(i) first, to creditors, but excluding Members who are creditors (other than the Initial Member (to the extent it continues to hold the Purchase Money Note)), to the extent otherwise permitted by Law (and, to the extent permitted, in accordance with the Priority of Payments), in satisfaction of liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof);

(ii) second, to Members or former Members who are creditors, to the extent otherwise permitted by Law, in satisfaction of liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof) and inclusive of repayment of any deposit made by a Member into the Defeasance Account in accordance with Section 12.10, other than liabilities for which reasonable provision for payment has been made and liabilities for distributions to Members and former Members under Section 18-601 of the Act;

(iii) third, to Members and former Members in satisfaction of liabilities (if any) for distributions under Section 18-601 of the Act; and

(iv) finally, to the Members in the manner set forth in Section 6.6(b).

(d) Upon dissolution, the Manager, may, with the consent of all Members, (i) liquidate all or a portion of the Company assets and apply the proceeds of such liquidation in the manner set forth in Section 9.2(c) and/or (ii) hire independent appraisers to appraise the value of Company assets not sold or otherwise disposed of or determine the Fair Market Value of such assets, and allocate any unrealized gain or loss determined by such appraisal to the Members' respective Capital Accounts as though the properties in question had been sold on the date of distribution and, after giving effect to any such adjustment, distribute said assets in the manner set forth in Section 9.2(c), provided that the Manager shall in good faith attempt to liquidate sufficient Company assets to satisfy in cash the debts and liabilities described in Section 9.2. If a Member shall, upon the advice of counsel, determine that there is a reasonable likelihood that any distribution in kind of an asset would cause such Member to be in violation of any Law, such Member and the Manager shall each use its best efforts to make alternative arrangements for the sale or transfer into an escrow account of any such distribution on mutually agreeable terms.

9.3 Termination of the Company.

Upon the dissolution of the Company and the completion of the winding up process set forth in Section 9.2, the Manager (or such other Person or Persons as the Act may require or permit) shall cause the cancellation of the Certificate and any filings made as provided in clause (c) of Section 4.3 and shall take (or cause to be taken) such other actions as may be necessary to terminate the Company.

ARTICLE X Qualified Transferees

10.1 Qualified Transferees. Each Member, other than the Initial Member (including, for the avoidance of doubt, the Initial Member's Successors and transferees), shall at

all times be in compliance with the following (and any proposed transferee of any LLC Interest in compliance with the following shall be deemed a “**Qualified Transferee**”):

The execution and delivery by such Member of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by all necessary action. Neither the execution and delivery of this Agreement, nor the consummation of the transactions herein contemplated, nor compliance with the provisions hereof, will conflict with or result in a breach of, or constitute a default under, (i) any of the provisions of any Law binding on such Member or its properties, (ii) the constituent documents of such Member, or (iii) any of the provisions of any indenture, mortgage, contract or other instrument to which such Member is a party or by which it is bound or result in the creation or imposition of any Lien upon any of its property pursuant to the terms of any such indenture, mortgage, contract or other instrument.

(c) Governmental Approvals. All actions, approvals, consents, waivers, exemptions, variances, franchises, orders, permits, authorizations, rights and licenses required to be taken, given or obtained, as the case may be, by or from any Governmental Authority or agency that are necessary in connection with the execution and delivery by such Member of this Agreement and the consummation of the transactions contemplated hereby and the performance of its obligations hereunder, have been duly taken, given or obtained, as the case may be, are in full force and effect, are not subject to any pending proceedings or appeals (administrative, judicial or otherwise) and either the time within which any appeal therefrom may be taken or review thereof may be obtained has expired or no review thereof may be obtained or appeal therefrom taken.

(g) Owners Accredited Investors. All of the equity owners of such Member are “accredited investors,” as that term is defined in Rule 501 under the Securities Act.

(h) Knowledge and Experience. Such Member, either by itself or through its advisers and principals, has such knowledge and experience in the origination, servicing, sale and/or purchase of performing and non-performing or distressed loans, and loans secured by residential and commercial properties, as well as financial and business matters, as to enable such Member to utilize the information made available to it with respect to the LLC Interest acquired by it and the Mortgage Loans to evaluate the merits and risks of a purchase of the LLC Interest acquired by it and, indirectly, the Mortgage Loans, and to make an informed decision with respect thereto.

(i) Economic Risks. Such Member acknowledges, understands and represents that it is able to bear the economic risks associated with the acquisition and ownership of the LLC Interest acquired by it and, indirectly, the Mortgage Loans, including the risk of a total loss of its investment in the Company and, indirectly, the Mortgage Loans and/or the risk that it may be required to hold the LLC Interest and, indirectly, the Mortgage Loans for an indefinite period of time.

(j) No Representations. Such Member hereby acknowledges that, except as is otherwise expressly provided in this Agreement, the Transferred LLC Interest Sale Agreement, or the Contribution Agreement, none of the Initial Member or the FDIC or any Affiliate of either, or any of their respective officers, directors, employees, agents or contractors, makes or has made any representation or warranty regarding the Company, the LLC Interest or the Mortgage Loans or the value of any Underlying Collateral.

Except as is otherwise expressly provided in this Agreement, none of the Initial Member or the FDIC or any Affiliate of either, or any of their respective officers, directors, employees, agents or contractors, makes or has made any representation or warranty as to the completeness or accuracy of any information provided.

(l) No Securities. Such Member acknowledges and agrees that (i) neither the offer nor the sale of the LLC Interest (and, indirectly, the Mortgage Loans) is intended to constitute an offer or sale of a “security” within the meaning of the Securities Act or any

applicable federal or state securities Laws, (ii) no inference that any of the LLC Interest or the Mortgage Loans is a “security” under such federal or state securities Laws shall be drawn from any of the certifications, representations or warranties made by any Person in this Agreement, (iii) it is not contemplated that any filing will be made with the Securities and Exchange Commission or pursuant to the “Blue Sky” or securities Laws of any jurisdiction, and (iv) if any of the LLC Interest or the Mortgage Loans is a security, such may not be resold or otherwise transferred by such Member except in accordance with any and all applicable securities and Blue Sky Laws.

(o) Acquisition in Compliance with Law. Such Member’s acquisition of the LLC Interest and the resulting indirect investment in the Mortgage Loans will comply with all applicable Laws, including any and all Laws and/or restrictions imposed on resale of the LLC Interest and the Mortgage Loans by federal and state securities or Blue Sky Laws.

(p) Independent Evaluation. Such Member has made an independent evaluation of the Company and its assets (including the Mortgage Loans and related Mortgage Loan files and/or any electronic data made available to it pertaining to the Mortgage Loans held by the Company). Such Member also has conducted such other investigations as it deems appropriate, including searches of Uniform Commercial Code, title, court, bankruptcy and other public records. Such Member agrees and represents that it is entering into this Agreement solely on the basis of its own investigations and its judgment as to the value of the LLC Interest and the nature, validity, enforceability, collectability and value of the Mortgage Loans and all other facts material to their ownership, including to the legal matters and risks relating to the collection and enforcement, and the performance of any obligations under any of the Mortgage Loans in any jurisdiction. Such Member further acknowledges that no officer, director, employee, agent, representative or contractor of the Initial Member or any of its Affiliates has been authorized to make any statements or representations other than those specifically contained in this Agreement or the Contribution Agreement.

For purposes of the foregoing certifications, representations and warranties, such certifications, representations and warranties shall be based upon a due inquiry and investigation; provided, however, that for purposes of determining whether any of the same with respect to indirect ownership are true, the undersigned shall not be required to make an investigation into the ownership of publicly-traded securities (including securities of open-end investment companies registered under the Investment Company Act of 1940, as amended) or the ownership of assets by a collective investment fund that holds assets for employee benefit plans or retirement arrangements.

ARTICLE XI

Manager Liability

11.1 Liability of the Manager.

(a) Except as otherwise specifically provided in this Agreement (including in the other subsections of this Section 11.1), the duties (including fiduciary duties) and obligations owed to the Company and Initial Member by the Manager shall be as provided in Section 3.1(b) hereof.

(b) The Manager may rely, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request,

consent, order, bond, debenture or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

(c) The Manager may consult with legal counsel, accountants, appraisers, management consultants, investment bankers and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters that the Manager reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

(d) The Manager shall not be liable to the Company or the Members for its good faith reliance on the provisions of this Agreement.

(e) The limitations and exculpation afforded by each provision of this Section 11.1 are cumulative and not exclusive. Nothing in this Section 11.1 is intended, or shall be deemed, to permit conduct that would otherwise constitute misappropriation of a trade secret of the Company under applicable Law or conduct that, even disregarding the terms hereof otherwise would be actionable by the Company or any Member.

(v) provide that (A) each of the Company, the Purchase Money Note Guarantor (if any Purchase Money Note is outstanding), and the FDIC are third party beneficiaries thereunder to the extent of any rights expressly granted to such Person under the Servicing Agreement or Subservicing Agreement and is entitled to enforce the Servicing Agreement or Subservicing Agreement, as applicable, with respect to such rights, (B) the Initial Member and, in the case of any Subservicing Agreement, the Manager (in its individual capacity) is a third party beneficiary thereunder; and further provide that in no event shall any amendment or waiver to any such Servicing Agreement or Subservicing Agreement limit or affect any rights of any such third party beneficiary thereunder without the express written consent of such third party beneficiary;

(vi) provide that (A) upon the removal of the Private Owner as the Manager or the occurrence of an Event of Default, the Initial Member (and any successor Manager) may exercise all of the rights of the Manager thereunder and cause the termination or assignment of the same to any other Person, without penalty or payment of any fee, and (B) upon the occurrence of any default under the Servicing Agreement, the Initial Member (and any successor Manager) may exercise all of the rights of (1) the Manager under such Servicing Agreement and cause the termination or assignment of the same to any other Person, without penalty or payment of any fee, and (2) the Servicer under the Subservicing Agreement and cause the termination or assignment of the Subservicing Agreement to any other Person, without penalty or payment of any fee (it being

understood that the Initial Member shall only exercise the foregoing rights as contemplated or permitted in this Agreement);

(vii) provide that the Initial Member, the Manager, the Purchase Money Note Guarantor (if a Purchase Money Note is outstanding) and the Company (and each of their respective representatives) shall each have access to and the right to review, copy and audit the books and records of each Servicer and any Subservicers and that all Servicers and all Subservicers shall make available their respective officers, directors, employees, accountants and attorneys to answer Initial Member's, the Manager's, the Purchase Money Note Guarantor's and the Company's (and each of their respective representatives') questions or to discuss any matter relating to the Servicer's or Subservicer's affairs, finances and accounts, as they relate to the Mortgage Loans, the Underlying Collateral, the Collection Account or any other accounts established or maintained pursuant to this Agreement, the Custodial and Paying Agency Agreement, the Servicing Agreement or any Subservicing Agreement, or any matters relating to the Servicing Agreement or any Subservicing Agreement or the rights or obligations thereunder;

(viii) provide that all Mortgage Loan Proceeds are to be deposited into the Collection Account on a daily basis (without reduction or setoff) within two Business Days of receipt and that under no circumstances are funds other than Mortgage Loan Proceeds and interest and earnings thereon and the proceeds of Excess Liquidity Advances to be commingled in the Collection Account;

(ix) provide that the Servicer or Subservicer shall not sell, transfer or assign its rights under the Servicing Agreement or Subservicing Agreement, as applicable, other than Servicer's rights to delegate to Subservicers certain responsibilities thereunder as and to the extent permitted by this Agreement, and that any prohibited sale, transfer or assignment shall be void *ab initio*;

(x) provide that (A) the Servicer or Subservicer consents to the immediate termination of the Servicer or Subservicer, as applicable, upon the occurrence of a termination event under the Servicing or Subservicing Agreement, as applicable, and upon the occurrence of any Insolvency Event with respect to the Servicer or Subservicer or any of their respective Related Parties, as applicable, and (B) the occurrence of any Restricted Servicer Change of Control with respect to the Servicer or of any Insolvency Event with respect to the Servicer or Subservicer or any Related Party thereof constitutes a default under the Servicing or Subservicing Agreement, as applicable; provided, that, in the case of the Servicing Agreement, the occurrence of an Insolvency Event with respect to a Subservicer or Related Party thereof (which is not an Related Party of the Servicer) may, at the election of the Manager, be subject to a cure period of not more than thirty (30) days for replacement of the affected Subservicer (in a manner that will permit the Manager to comply with its obligations hereunder);

(xi) provide that there shall be no right of setoff on the part of the Servicer or Subservicer against the Mortgage Loan Proceeds (or the Company);

(xii) provide for such other matters as are necessary or appropriate to ensure that the Servicer or Subservicer is obligated to comply with the Servicing Obligations of the Manager hereunder;

(xiii) provide a full release and discharge of the Initial Member, the Company, the Existing Servicer, the FDIC, in relation to any particular Mortgage Loan, AmTrust and any predecessor-in-interest thereof, any Ownership Entities existing as of the Servicing Transfer Date, and all of their respective officers, directors, employees, agents, attorneys, contractors and representatives, and all of their respective successors, assigns and Affiliates (but excluding, in all cases, the Manager (in its individual capacity)) (any such Person, a "**Prior Servicer**" and collectively, the "**Prior Servicers**"), from any and all claims (including any counterclaim or defensive claim), demands, causes of action, judgments or legal proceedings and remedies of whatever kind or nature that the Servicer had, has or might have in the future, whether known or unknown, which are related in any manner whatsoever to the servicing of the Mortgage Loans by the Prior Servicers prior to the applicable Servicing Transfer Date (other than due to gross negligence, violation of law or willful misconduct of such Prior Servicer);

(xiv) provide, to the extent required under Section 12.3(g), that all Mortgage Loans registered on the MERS® System shall remain registered unless default, foreclosure or similar legal or MERS requirements dictate otherwise;

(xv) provide that the Servicer or Subservicer shall immediately notify the Manager and the Initial Member upon becoming aware of any Subservicer or any Affiliate of the Servicer or of any Subservicer at any time, (A) being or becoming a partner or joint venturer with any Borrower or Obligor, (B) being or becoming an agent of any Borrower or Obligor, or allowing any Borrower or Obligor to be an agent of such Servicer or any Subservicer or of any Affiliate of the Servicer or any Subservicer, or (C) having any interest whatsoever in any Borrower or Obligor;

(xvi) provide that the Servicer shall immediately notify the Manager and the Initial Member of the occurrence of any Change of Control with respect to the Servicer; and

(xvii) not conflict with the Servicing Standard or any other terms or provisions of this Agreement, the Custodial and Paying Agency Agreement or any of the other Ancillary Documents insofar as such other terms or provisions hereof or thereof are required to be imposed by the Manager (in its individual capacity) on the Servicer (or Subservicers) in the Servicing Agreement (or Subservicing Agreements). Nothing contained in any Servicing Agreement or any Subservicing Agreement shall alter any obligation of the Manager under this Agreement and, in the event of any inconsistency between the Servicing

Agreement (or any Subservicing Agreement) and the terms of this Agreement, among the Parties to this Agreement the terms of this Agreement shall control.

12.2 Servicing Standard. The Manager shall perform the Servicing Obligations: (i) in the best interests and for the benefit of the Initial Member and the Company, (ii) in accordance with the terms of the Mortgage Loans (and related Mortgage Loan Documents), (iii) in accordance with the terms of this Agreement and the other Ancillary Documents, (iv) in accordance with all applicable Law, and (v) to the extent consistent with the foregoing terms, in the same manner in which a prudent servicer would service and administer similar loans and in which a prudent servicer would manage and administer similar properties for its own portfolio or for other Persons, whichever standard is higher, but using no less care and diligence than would be customarily employed by a prudent servicer following customary and usual standards of practice of prudent mortgage lenders, loan servicers and asset managers servicing, managing and administering similar loans and properties on an arms' length basis, provided, that with respect to each Mortgage Loan and related Underlying Collateral, in the absence of a customary and usual standard of practice, the Company shall comply with the applicable Fannie Mae Guidelines, if any, with respect to similar loans and properties in similar situations. The Manager shall cause its Servicing Obligations with respect to the Mortgage Loans and the Underlying Collateral to be performed without regard to (w) any relationship that the Company, the Manager, or any Servicer or Subservicer, or any of their respective Affiliates may have to any Borrower, Obligor or other obligor, or any of their respective Affiliates, including any other banking or lending relationship, (x) the Company's, the Manager's, or any Servicer's or Subservicer's, obligation to make disbursements and advances with respect to the Mortgage Loans and Underlying Collateral, (y) any relationship that the Servicer or any Subservicer may have to each other or to the Company, the Manager or any of their respective Affiliates, or any relationship that any of their respective Affiliates may have to the Company, the Manager or any of their respective Affiliates (other than the contractual relationship evidenced by this Agreement or the Servicing Agreement or any Subservicing Agreement), and (z) the Manager's, or any Servicer's or Subservicer's, right to receive compensation (including the Management Fee and any Interim Management Fee) for its services under this Agreement, the Servicing Agreement or any Subservicing Agreement. Without limiting the generality of the foregoing, the Manager's Servicing Obligations hereunder shall include the following:

(a) discharging in a timely manner each and every obligation which the Mortgage Loan Documents provide is to be performed by the lender thereunder, on its own behalf and on behalf of the Company and the Initial Member and in the case of REO Property, which the Mortgage Loan Documents that were applicable to the Underlying Collateral before it became REO Property provided were to be performed by the borrower thereunder in respect of such Underlying Collateral (not including payment of debt service under the applicable Mortgage Loan Documents), together with such additional obligations as are required of the Company under this Agreement or the Servicing Agreement in respect of such REO Property;

(b) incurring costs (including Servicing Expenses and Pre-Approved Charges) in accordance with the provisions of the Mortgage Loan Documents, and in the case of REO Property, in accordance with the Mortgage Loan Documents that were applicable to the REO Property before it became an REO Property (not including payment of debt service under the

applicable Mortgage Loan Documents) and otherwise in accordance with the Reimbursement and Security Agreement;

(c) causing to be maintained for the Underlying Collateral (including any Acquired Property) with respect to each Mortgage Loan to which an Ownership Entity or the Borrower has failed to maintain required insurance with extended coverage as is customary in the area in which the Underlying Collateral is located and in such amounts and with such deductibles as the Manager may, in the exercise of its reasonable discretion, determine are prudent and as required under this Agreement and the Reimbursement and Security Agreement;

(d) ensuring compliance with the terms and conditions of each insurer under any hazard policy and preparing and presenting claims under any policy in a timely fashion in accordance with the terms of the policy;

(e) supervising and coordinating the construction, ownership, management, leasing and preservation of the Acquired Property as well as all other matters involved in the administration, preservation and ultimate disposition of the Acquired Property as would be taken by a prudent asset manager managing properties similar to the Acquired Property and as required of the Company under this Agreement and the Reimbursement and Security Agreement;

(f) Intentionally Deleted;

(g) to the extent consistent with the foregoing, seeking to maximize the timely and complete recovery of principal and interest on the Mortgage Loans and otherwise to maximize the value of the Mortgage Loans and the Underlying Collateral;

(h) except as otherwise set forth in this Agreement, making decisions under, and enforcing and performing in accordance with, the Mortgage Loan Documents all loan administration, inspections, review of financial data and other matters involved in the servicing, administration and management of the Mortgage Loans and the Underlying Collateral;

(i) ensuring that all filings required to maintain perfection in any Underlying Collateral remain up to date and in force, including Uniform Commercial Code financing statements;

(j) ensuring that each Borrower (or in the case of REO Property, the applicable Ownership Entity) is diligently performing all applicable construction work using all commercially reasonable efforts in accordance with the requirements of the applicable Mortgage Loan Documents (in the case of REO Property) and herein; and

(k) providing the Servicers and Subservicers with copies of such Ancillary Documents (or portions thereof) as are necessary for the Servicers or Subservicers to be familiar with in order to perform their respective obligations provided for in this Agreement, the Servicing Agreements or the Subservicing Agreements, as applicable.

12.3 Servicing of Mortgage Loans.

(a) Appointment of Servicers. The Manager (in its individual capacity) has entered into one or more Servicing Agreements dated the date hereof to provide for the servicing and administration and management of the Mortgage Loans and Underlying Collateral by one or more Qualified Servicers named therein (each, together with other Qualified Servicers, a “**Servicer**”). Each Servicer, at all times during which it acts as Servicer, shall continue to satisfy the definition of Qualified Servicer. With respect to the Interim Servicing Period, and subject to the provisions of Section 3.3 of the Contribution Agreement, each Mortgage Loan shall at all times be serviced (and any Underlying Collateral managed) by or through at least one Servicer (including any Subservicers engaged by the Servicer as permitted hereunder) and the performance of all day-to-day Servicing Obligations of the Manager shall be conducted by or through one or more Servicers (including any Subservicers permitted hereunder). Subject to the other terms and conditions of this Agreement, any Servicer may be an Affiliate of the Private Owner or of the Manager. Each Servicer may engage or retain one or more Subservicers, including Affiliates of the Private Owner or of the Manager, to perform certain of its duties under the Servicing Agreement, as it may deem necessary and appropriate, by entering into a Subservicing Agreement with each such Subservicer, provided that any Subservicer meets (and at all times continues to meet) the requirements set forth in the definition of Qualified Servicer and the terms of the applicable Subservicing Agreement comply with the terms of this Agreement and the applicable Servicing Agreement. The costs and fees of the Servicers (and any Subservicers) shall be borne exclusively by the Manager in its individual capacity without any right of reimbursement from the Company or the Initial Member (it being understood that the Manager will receive the Interim Management Fee and the Management Fee in accordance with Section 12.5 hereof). Under no circumstances shall the Manager transfer, or permit to be transferred, to any Servicer or any other Person any ownership interest in the servicing to the Mortgage Loans or any right to transfer or sell the servicing to the Mortgage Loans (other than in connection with the sale of any Mortgage Loan), and no Servicer shall be permitted to assign, pledge or otherwise transfer to any Subservicer or other Person or purport to assign, pledge or otherwise transfer any interest in the servicing to the Mortgage Loans (other than in connection with the sale of any Mortgage Loan), and any purported assignment, pledge or other transfer in violation of this provision shall be void *ab initio* and of no effect.

(b) Manager Liable for Servicer and Subservicers. Notwithstanding anything to the contrary contained herein, the use of any Servicer (or any Subservicer) shall not release the Manager from any of its Servicing Obligations or other obligations under this Agreement, and the Manager shall remain responsible and liable for all acts and omissions of each Servicer (and each Subservicer of each Servicer) as fully as if such acts and omissions were those of the Manager. All actions of each Servicer (or any Subservicer) performed pursuant to the Agreement (or any Subservicing Agreement) shall be performed as an agent of the Manager (or, in the case of Subservicers, the Servicer).

(c) Copies of Servicing and Subservicing Agreements. Copies of all fully executed Servicing Agreements and Subservicing Agreements, including all supplements and amendments thereto, shall be provided to the Initial Member and the Purchase Money Note Guarantor if a Purchase Money Note is outstanding.

(d) Regulation AB Requirements. The Servicer shall ensure, where applicable, that each Subservicer (A) has in place policies and procedures to comply with the

provisions of Section 1122(d)(1)(i) through (iv) of Regulation AB, and (B) complies with the provisions of Sections 1122(d)(2)(i) through (vii), 1122(d)(3)(i) through (iv), and 1122(d)(4)(i) through (xv) of Regulation AB (regardless of whether any such requirements apply, by their terms, only to companies registered or required to file reports with the Securities and Exchange Commission).

(e) Servicer and Subservicer Fees. No Servicer or Subservicer shall be paid any fees or indemnified out of any Mortgage Loan Proceeds (or funds in the Collection Account, the Liquidity Account, the Managing Member Guarantee Account, the Defeasance Account or any other Company account), it being understood that all fees and related costs of liabilities of the Servicers and Subservicers shall be the sole responsibility of the Manager (without any right of reimbursement from the Company or the Initial Member).

(f) Fidelity Bond; E&O Insurance. The Manager, Servicer and each Subservicer shall maintain insurance coverage having such limits as described below: Such insurance coverage shall, unless otherwise indicated below, name the Company and the Purchase Money Note Guarantor as an insured.

(i) Errors & Omissions Liability with limits of not less than \$10,000,000 per claim and \$10,000,000 in the aggregate. The Manager shall be notified immediately upon the reduction of or potential reduction of 50% of the limits applicable to the Servicer and each Subservicer. The Manager may require that the Servicer and each Subservicer purchase additional limits to provide back to the required limits as stated above. "Potential reduction of 50%" shall mean any knowledge by the Servicer or Subservicer, as applicable, that a claim or the sum of all claims, current or initiated after the effective date of policy would reduce the limits by 50%.

(ii) Directors & Officers Liability with limits of not less than \$10,000,000 per claim and \$10,000,000 in the aggregate.

(iii) Crime Insurance or a Fidelity Bond in an amount of not less than \$10,000,000 per claim and \$10,000,000 in the aggregate, covering employee theft, forgery & alteration, wire/funds transfer, computer fraud, client coverage. Such coverage shall insure all employees or any other persons authorized by Servicer or Subservicer to handle any funds, money, documents and papers relating to any Mortgage Loan, and shall protect the Servicer or Subservicer, as applicable, against losses arising out of theft, embezzlement, fraud, misplacement, and other similar causes. Each Member of the Company and the Purchase Money Note Guarantor shall each be named as a loss payee with respect to claims arising out of assets handled under this Agreement or any applicable Servicing Agreement or Subservicing Agreement.

(iv) As to the Company, the Manager shall obtain General Liability Insurance with limits of not less than \$1,000,000 each occurrence, \$2,000,000 in the aggregate, including coverage for products/completed operations, advertising and personal injury. All Members of the Company shall be named as additional

insureds. The policy shall include a Waiver of Subrogation in favor of the Manager and the Company.

(v) Umbrella liability in an amount of not less than \$3,000,000 each occurrence and in the aggregate.

(vi) Forced place insurance with respect to the Mortgage Loans.

For so long as the Service is the managing member of the Manger, the foregoing insurance coverage of, or obtained by, Servicer shall be deemed to satisfy Manager's obligations to obtain such insurance coverage.

All such policies shall be written with carriers having a minimum insurer rating of A- VIII from A.M. Best and A from Standard & Poor's. All such policies shall have a minimum notice of cancellation of thirty (30) days, except for non-payment of premium whereby a ten (10) day notice of cancellation is acceptable. Certificate shall show each of the Manager, the Purchase Money Note Guarantor and the Company, as the case may be, as certificate holder, or as otherwise designated by the language in clauses (i)-(vi) above.

The Manager shall provide (or shall cause each Servicer and Subservicer to provide) the Purchase Money Note Guarantor and the Initial Member with certificates evidencing all such policies on the Closing Date (and, with respect to each Mortgage Loan, on or before the applicable Servicing Transfer Date with respect thereto) and each anniversary of the Closing Date thereafter, and otherwise upon request of the Purchase Money Note Guarantor until the Purchase Note is no longer outstanding, or the Initial Member. Copies of fidelity bonds and insurance policies required to be maintained pursuant to this Section 12.3(f) shall be made available to the Purchase Money Note Guarantor, and the Initial Member or their respective representative on the Closing Date (and, with respect to each Mortgage Loan, on or before the applicable Servicing Transfer Date with respect thereto), and shall otherwise be made available to any of the Purchase Money Note Guarantor, and the Initial Member and their respective representative upon request.

(g) MERS Requirements. In the event that any of the Mortgage Loans are registered on the MERS® System, and unless and until no Mortgage Loan so remains registered on the MERS® System in accordance herewith, (i) the Manager shall cause the Servicer to be (or become) a member of MERS on or before the initial Servicing Transfer Date, and maintain itself as a MERS member in good standing (including paying all dues and other fees required to maintain its membership and complying with MERS policies and procedures), and (ii) the Servicer shall maintain (or register, as applicable) such Mortgage Loan on the MERS® System and execute and deliver on behalf of the Company (including, as applicable, on behalf of the Manager, in turn on behalf of the Company) any and all instruments of assignment and other comparable instruments with respect to such assignment or re-recording of a mortgage securing a Mortgage Loan in the name of MERS, solely as nominee for the Company and its successors and assigns. With respect to each Mortgage Loan that is registered on the MERS® System, (A) the Servicer shall be designated as the "servicer" and the Company shall be designated as the "investor" with respect to such Mortgage Loan, and, if applicable, the Manager may cause or permit an applicable Subservicer to be designated as the "subservicer" with respect to such

Mortgage Loan (provided, that the Manager may, as determined in accordance with the Servicing Standard and so long as each applicable designee is and remains a MERS member in good standing, (i) designate the Company as the “investor” with respect to any such Mortgage Loan, and (ii) designate the Manager as the “servicer” with respect to any such Mortgage Loan, in which case the Servicer shall be designated as the “subservicer” with respect thereto), and (B) no other Person shall be identified on the MERS® System as having any interest in such Mortgage Loan unless otherwise consented to by the Initial Member (or required pursuant to the Electronic Tracking Agreement). All Mortgage Loans registered on the MERS® System shall remain registered on the MERS® System unless default, foreclosure or similar legal or MERS requirements dictate otherwise; provided, however, that if the Manager determines, in accordance with the Servicing Standard and other applicable provisions herein and in the Ancillary Documents, to remove any or all such Mortgage Loans so registered with MERS from the MERS® System, the Manager shall have the right to cause such removal so long as, with respect to any such Mortgage Loan to be so removed, (x) the applicable mortgage (or other Underlying Collateral Document) and rights to Underlying Collateral for such Mortgage Loan that are so registered in the name of MERS are duly transferred and assigned to the Company (with all applicable recordings or filings with respect thereto being duly made) so as to cause the Company to have the full benefit of its applicable security (or other) interest in all such Underlying Collateral, (y) for any such removal occurring on or before the applicable Servicing Transfer Date, the same is accomplished in accordance with the applicable requirements (and delivery of the applicable notice) in Section 3.1(c) of the Contribution Agreement, and (z) for any such removal prior to the Purchase Money Note Maturity Date, the Company shall have duly delivered to the Collateral Agent such documents and otherwise taken such actions (including execution and recordation of applicable assignments in accordance with the Reimbursement and Security Agreement), in each case so as to cause all such Underlying Collateral to be and remain subject to the first priority security interest granted under the Reimbursement and Security Agreement. The Servicer shall provide the Manager and the Initial Member with such reports from the MERS® System as the Manager or the Initial Member, from time to time, may request, including to allow the Manager and the Initial Member to verify the Persons identified on the MERS® System as having any interest in any of the Mortgage Loans and to confirm that the Mortgage Loans required to be registered on the MERS® System are so registered. For so long as any Mortgage Loans remain registered with MERS, the same shall be subject to an Electronic Tracking Agreement in the form of Exhibit B to the Servicing Agreement, and, to the extent any such Mortgage Loans are so registered with MERS as of the Closing Date, the Servicer, the Manager, the Collateral Agent and the Initial Member shall execute such Electronic Tracking Agreement on the Closing Date and deliver the same to MERS. Without limiting the foregoing, upon the request of the Manager or the Initial Member, the Servicer shall cause MERS to run a query with respect to any and all specified fields on the MERS® System with respect to any or all of the Mortgage Loans registered on the MERS® System and provide the results to the Manager and the Initial Member and, if requested by the Manager or the Initial Member (and subject to any applicable provisions of the Electronic Tracking Agreement), shall cause MERS to change the information in such fields, to the extent MERS will do so in accordance with its policies and procedures, to reflect its instructions.

12.4 Removal of Servicer.

(a) Removal of Servicer. Upon the occurrence of an Event of Default, in addition to any other rights it may have pursuant to this Agreement, any Ancillary Document or applicable Law (including the Uniform Commercial Code), whether at law or in equity and whether pursuant to statute or regulation or otherwise, the Initial Member shall have the right to take, at the Initial Member's option and the Manager's expense, one or more of the following actions: (i) upon notice in writing to the Manager (effective at such time as is specified in such notice), to act on behalf of the Manager (in its individual capacity) to terminate the existing Servicer (and any Subservicers) and to cause the Manager (in its individual capacity) to enter into a new Servicing Agreement with a servicer (a "successor Servicer") selected by the Initial Member (in its sole and absolute discretion), and (ii) upon notice in writing to the Manager (effective at such time as is specified in such notice), to remove the Private Owner as the Manager and appoint a successor Manager (which successor Manager may be the Initial Member) in the sole and absolute discretion of the Initial Member, whereupon (without limitation of Section 13.5, such successor Manager shall immediately succeed to all, or such portion as the Initial Member and successor Manager agree, of the rights and obligations of the Private Owner as the Manager of the Company, and, in such case, the Initial Member shall further have the right (A) to terminate the Servicer (in its sole and absolute discretion), and cause or permit the successor Manager selected by the Initial Member (and/or the Company directly, as determined by the Initial Member in its sole and absolute discretion) to enter into a Servicing Agreement with a successor Servicer, such Servicing Agreement to be between the applicable successor Manager (and/or the Company) and the successor Servicer chosen by the Initial Member, or (B) to retain the existing Servicer and cause or permit the successor Manager (and/or the Company directly, as determined by the Initial Member in its sole and absolute discretion) to enter into a new Servicing Agreement between such successor Manager (and/or the Company) and the Servicer (or to effect an assignment of the existing Servicing Agreement from the existing Manager (in its individual capacity) to such successor Manager (and/or the Company)). None of the Initial Member, any successor Manager or the Company shall have any obligation to assume any obligations or liabilities of the removed Manager (in its individual capacity) under or in connection with any Servicing Agreement. Notwithstanding the foregoing, the Initial Member shall not exercise its right to terminate a Servicer that is not an Affiliate of the Manager or of the Private Owner in the absence of (1) an Event of Default attributable in whole or in part to the failure by the Servicer or any of its Subservicers to perform any material obligation under its applicable Servicing Agreement or Subservicing Agreement, (2) an Event of Default as described in clause (b) or clause (g) of the definition thereof with respect to the Servicer or any Related Party thereof or any of its Subservicers or any Related Party thereof, (3) an Event of Default resulting from the failure of the Servicer or any of its Subservicers at any time to meet the criteria of a Qualified Servicer, (4) an Event of Default as described in clause (e) of the definition thereof, to the extent relating to such Servicer or any of its Subservicers, or (5) any other Event of Default that consists of a breach of a servicing obligation under this Agreement. Subject to the foregoing, the Manager hereby consents to the immediate termination of the Servicer upon the occurrence of any Event of Default. For the avoidance of doubt, the rights of the Initial Member in this Section 12.4 are in addition to, and can be exercised independently of the rights of the Initial Member in Sections 3.2, 3.13, and 3.14; and in any event all rights and remedies of the Initial Member under this Agreement with respect to or following an Event of Default shall be cumulative, and any or all thereof may be exercised instead of or in addition to each other or any other remedies available to the Initial Member, whether under this Agreement,

any Ancillary Document or otherwise. Notwithstanding the foregoing, if any Purchase Money Notes is outstanding, the Purchase Money Note Guarantor shall have the same rights under this Section 12.4(a) as the Initial Member.

(b) Appointment of Successor Servicer. If the Initial Member, or the Purchase Money Note Guarantor exercises its right to act on behalf of the Manager (in its individual capacity) to appoint a successor Servicer, the costs and expenses associated with such successor Servicer (including any servicing fees) shall be borne by the Manager (and not the Company or the Initial Member), and no termination or other fee shall be due to the Manager or the Servicer or any Subservicer in connection with or as a result of any such action; provided, that, if the Initial Member or the Purchase Money Note Guarantor has also exercised its right to remove the Manager (such that such removed Manager no longer has rights to the Management Fee), then, with respect to servicing fees of such successor Servicer (but not costs and expenses in connection with the replacement of the Servicer with such successor Servicer) such removed Manager shall be responsible only for the portion of such fees that, as of any particular Distribution Date, are in excess of the Management Fee payable to the successor Manager on such Distribution Date.

(c) Removal of the Manager; Management Fee. If the Initial Member exercises its right pursuant to this Section 12.4 to remove the Private Owner as the Manager and appoint a successor Manager, (i) the successor Manager selected by the Initial Member shall immediately succeed to all, or such portion as the Initial Member and successor Manager agree, of the rights and obligations of the Private Owner as the Manager of the Company, and all references in this Agreement to the Private Owner, in its capacity as Manager of the Company, shall be deemed to be references to the successor Manager so appointed by the Initial Member, (ii) without limitation of Section 13.5, the Initial Member shall have the right to determine, in its sole and absolute discretion, the extent, terms and conditions of the appointment of any such successor Manager, including as to compensation (whether from the Initial Member or the Company), indemnification by the Company, term of appointment and removal rights, in each case without the necessity for any consent from the Private Owner or any other Person, and (iii) the successor Manager appointed by the Initial Member shall be entitled to be paid the Management Fee (or such portion thereof as the Initial Member and the successor Manager agree) in accordance with the terms of this Agreement and the Custodial and Paying Agency Agreement. The removal of the Private Owner as the Manager shall not relieve the Private Owner of (x) any of the liabilities and/or obligations of the Private Owner as Manager to the extent required under the terms of this Agreement to have been paid and/or performed prior to such removal or (y) any liability the Private Owner may have arising out of any act or omission by the Private Owner as Manager. No successor to the Private Owner as Manager shall have any liability or obligation for any of the matters described in clause (x) or (y) of the preceding sentence, except as may be otherwise specified pursuant to any modification to this Agreement pursuant to Section 0. In connection with any such removal of the Manager, the Initial Member and any successor Manager selected by the Initial Member are each hereby authorized and empowered, as attorney-in-fact or otherwise, to execute and deliver, on behalf of and at the expense of the removed Manager (in its individual capacity), any and all documents and other instruments and to do or take any and all acts necessary or appropriate to effect the termination and replacement of such Manager and the Servicer and, in the event the Initial Member decides

to retain a new Servicer, to enter into a new Servicing Agreement between the successor Manager (and/or the Company) and the Servicer or to effect an assignment of the existing Servicing Agreement from the removed Manager (in its individual capacity) to the successor Manager (and/or the Company). Notwithstanding the foregoing, if the Purchase Money Note is outstanding, the Purchase Money Note Guarantor shall have the same rights under this Section 12.4(c) as the Initial Member.

(d) Cooperation To Facilitate Transfer. In the event any of the Manager, a Servicer or a Subservicer is terminated pursuant to the provisions of this Article XII, the Manager (in its individual capacity) shall, and shall cause any Servicer (and any Subservicer) to, provide the Initial Member and any successor Manager or Servicer in a timely manner with all documents, records and data (including electronic documents, records and data) requested by the Initial Member or any successor Manager or Servicer to enable such Person to assume the responsibilities as Manager under this Agreement and any applicable Servicing Agreement, and to cooperate with the Initial Member in effecting the termination of any Servicer (or Subservicer) or the Manager's rights as "Manager" under this Agreement, including, in each case subject to applicable requirements in the Custodial and Paying Agency Agreement and the Reimbursement and Security Agreement, (x) the transfer within one (1) Business Day to such account as the Initial Member may specify of all cash amounts which, at the time, shall be or should have been credited to the Collection Account or are thereafter received with respect to any Mortgage Loans or Acquired Property, and (y) the transfer of all lockbox accounts with respect to which payments or other amounts with respect to the Mortgage Loans are directed or the redirection of all such payments and other amounts to such account as the Initial Member may specify, and (z) the assignment to the Initial Member (or the applicable successor Manager or Servicer as indicated by the Initial Member) of the right to access all such lockbox accounts, the Collection Account, the Defeasance Account, and any other account into which Mortgage Loan Proceeds or Borrower escrow payments are deposited or held. The Manager (in its individual capacity) shall be liable for all costs and expenses incurred by the Initial Member or the Company (x) associated with the complete transfer of the servicing data, (y) associated with the completion, correction or manipulation of servicing data as may be required to correct errors or insufficiencies in the servicing data to enable the Initial Member and any successor Manager and successor Servicer (and Subservicers) to service the Mortgage Loans and Acquired Property properly and effectively, and (z) to retain and maintain the services of a successor Manager and/or successor Servicer (and any Subservicers), it being understood that, as to the compensation to be paid to the successor Manager (and servicing fees due and payable to any Servicer or Subservicer engaged by or through such successor Manager), the removed Manager shall be responsible only for the portion of such compensation and fees that, as of any particular Distribution Date, are in excess of the Management Fee payable to the successor Manager on such Distribution Date. Within a reasonable time after receipt of a written request of the Manager (in its individual capacity) for the same, the Initial Member shall provide reasonable documentation evidencing such costs and expenses, but the Initial Member's right to reimbursement of such costs and expenses (and to exercise offset rights under Section 4.6(h) on account thereof) shall not be subject to or contingent upon the provision of such documentation.

(e) Power of Attorney. The Company hereby irrevocably constitutes and appoints the Initial Member and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact for the purposes of this Agreement and allowing the Initial

Member to perfect, preserve the validity, perfection and priority of, and enforce any Lien granted by this Agreement and, after the occurrence and during the continuance of any Event of Default, to exercise its rights, remedies and powers and privileges under this Agreement. This appointment as attorney-in-fact is irrevocable and coupled with an interest until this Agreement is terminated and the security interests created hereby are released. Without limiting the generality of the foregoing, but subject at all times to the rights of a secured party under the Reimbursement and Security Agreement, the Initial Member shall be entitled under this Section 12.4(e) to do any of the following if an Event of Default has occurred and is continuing: (i) ask, demand, collect, sue for, recover, receive and give receipt and discharge for amounts due and to become due under and in respect of any or all of the Mortgage Loans; (ii) file any claims or take any action or proceeding in any court of law or equity that the Initial Member may reasonably deem necessary or advisable for the collection or other enforcement of all or any part of the Mortgage Loans, defend any suit, action or proceeding brought against the Company with respect to any Mortgage Loan, and settle, compromise or adjust any such suit, action or proceeding; (iii) execute, in connection with any sale or disposition of the Mortgage Loans, any endorsements, assignments, bills of sale or other instruments of conveyance or transfer with respect to all or any part of the Mortgage Loans; (iv) enforce the rights of the Company under any provision of any Servicing Agreement to the extent permitted thereunder and under the terms of this Agreement; (v) pay or discharge taxes and Liens levied or placed on the Mortgage Loans; (vi) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Mortgage Loans as fully and completely as though the Initial Member were the absolute owner thereof for all purposes; and (vii) do, at the Initial Member's option and the Company's expense, at any time and from time to time, all acts and things that the Initial Member reasonably deems necessary to protect, preserve, or realize upon the Mortgage Loans and the Initial Member's security interests in any Secured Assets and to effect the intent of this Agreement, all as fully and effectively as the Company might do. Anything in this Section 12.4(e) to the contrary notwithstanding, the Initial Member agrees that it shall not exercise any right under the power of attorney provided for in this Section 12.4(e) unless an Event of Default shall have occurred and be continuing.

12.5 Interim Management Fee and Interim Servicing Fee; Management Fee . For each Due Period (a) with respect to any Mortgage Loans for which the Servicing Transfer Date has not occurred as of the first day of such Due Period, the Company shall pay the Interim Management Fee to the Manager and the Interim Servicing Fee to the Initial Member, and (b) for any Mortgage Loans for which the Servicing Transfer Date has occurred as of (or occurs on) the first day of such Due Period, the Company shall pay the Management Fee to the Manager. Each such payment of any Interim Servicing Fee, Interim Management Fee and Management Fee shall be made in the manner described in the Custodial and Paying Agency Agreement (and, as applicable, on the Distribution Date with respect to the applicable Due Period). In the event the Manager is removed and replaced by the Initial Member or the Purchase Money Note Guarantor in accordance with Section 12.4 above, the Management Fee and Interim Management Fee shall thereafter be payable to the Initial Member or successor Manager, as determined by the Initial Member or the Purchase Money Note Guarantor pursuant to such Section 12.4.

12.6 Servicing Expenses. Subject to Section 3.3 of the Contribution Agreement (with respect to the Interim Servicing Period), from and after the Closing Date (and, with respect

to each Mortgage Loan, from and after the Servicing Transfer Date with respect thereto), the Manager shall cause the Company to pay, from available Company funds (in the Collection Account, the Liquidity Account or any other applicable Company account funds of which may be used for such purpose or otherwise through Excess Liquidity Advances funded by the Manager) all amounts due as Servicing Expenses (or, as applicable, Pre-Approved Charges) in a timely manner, and in each case in accordance to applicable requirements set forth in the Custodial and Paying Agency Agreement (and, as applicable, the Contribution Agreement); provided, however, that anything to the contrary herein or in any Ancillary Document notwithstanding, the Manager shall not have an obligation to fund Excess Liquidity Advances for purposes of the payment by the Company of (i) any Pre-Approved Charges, or (ii) any specific Servicing Expense relating to a Mortgage Loan to the extent that the Manager has reasonably determined in accordance with the Servicing Standard that such Servicing Expense, if so paid, when combined with all unreimbursed previous Servicing Expenses and Pre-Approved Charges with respect to such Mortgage Loan (and any remaining amounts owing to the Initial member with respect to its servicing of such Mortgage Loans during the Interim Servicing Period pursuant to Sections 2.3, 2.4 and 3.1 of the Contribution Agreement), would not ultimately be recoverable from the Mortgage Loan Proceeds for such Mortgage Loan. All Servicing Expenses (and Excess Liquidity Advances for the funding of the same) shall be reimbursed in accordance with the Custodial and Paying Agency Agreement.

12.7 Use of Mortgage Loan Proceeds.

(a) Permitted Payments. Subject to Section 12.7(b), each month the Mortgage Loan Proceeds shall be utilized and distributed in the manner set forth in the Custodial and Paying Agency Agreement following receipt by the Paying Agent from the Manager of the Distribution Date Report required to be provided under Section 7.4(b).

(b) Costs That Are Not Reimbursable. Notwithstanding anything else to the contrary contained herein or in any Ancillary Document, without the prior written consent of the Initial Member (which may be withheld in the Initial Member's sole and absolute discretion), in no event may the Manager use Mortgage Loan Proceeds to reimburse itself or any Servicer or Subservicer or pay for, any of the following (all of which shall be borne by the Manager in its individual capacity) (collectively, the "**Excluded Expenses**"):

(i) any expenses or costs that are not incurred in accordance with the Servicing Standard or, to the extent applicable, the Fannie Mae Guidelines;

(ii) any expenses or costs that are paid to any Affiliate of the Manager or the Company, or any Affiliate of any Servicer or any Subservicer; provided, Excluded Expenses under this clause (ii) do not include amounts payable to the Servicer pursuant to the Servicing Agreement or to any Subservicer pursuant to any Subservicing Agreement that would be deemed Excluded Expenses under this clause (ii) solely as a result of such Servicer or Subservicer being an Affiliate of the Manager or the Company, so long as such amounts would otherwise constitute Servicing Expenses but for application of this clause (ii);

(iii) any fees or other compensation to or expenses of financial advisers, except to the extent the same are incurred as brokerage fees or sales commissions incurred (x) to market or sell the Mortgage Loans or any Acquired Property in a Bulk Sale, the terms of which Bulk Sale (including the financial adviser's or broker's fees) are approved in advance by the Initial Member); and (y) in connection with the marketing or sale of any Acquired Property or any portion thereof on an individual basis;

(iv) any fine, tax or other penalty, late fee, service charge, interest or similar charge, costs to release Liens or any other costs or expenses (including legal fees and expenses) incurred by or on behalf of the Company or any Manager (in its capacity as such or in its individual capacity) as a result of the Company's or any Manager's or the Servicer's or any Subservicer's failure to service any Mortgage Loan or Underlying Collateral properly in accordance with the applicable Mortgage Loan Documents, this Agreement, the Servicing Agreement, any Subservicing Agreement or otherwise, or failure to make a payment in a timely manner, or failure otherwise to act in a timely manner;

(v) any interest on any amounts paid by any Person with respect to any Servicing Expenses or Pre-Approved Charges;

(vi) any overhead or administrative costs (whether or not attributable to the servicing, the subservicing or the management of any Mortgage Loan) incurred by the Company, any Manager or any other Person (including any travel expenses and any expenses incurred by any Manager, the Company or any Servicer or Subservicer to comply with Section 4.3, Section 7.2, Section 7.3, Section 7.4 and Section 7.5) in each case other than Reimbursable Company Administrative Expenses;

(vii) any servicing, management or similar fees paid to the Servicer, any Subservicer or any other Person;

(viii) any expenses incurred by the Company, the Manager or any other Person (x) to become a MERS member or to maintain the Company, the Manager or such other Person as a MERS member in good standing, or (y) to remove any Mortgage Loan from the MERS® System in connection with any voluntary removal by or at the direction of the Manager (as permitted in Section 12.3(g) hereof), it being understood that any such removal dictated by default, foreclosure or similar legal or MERS requirements shall not be considered a voluntary removal for purposes of this clause; or

(ix) any amounts subject to the indemnity obligations of the Private Owner under Section 4.6 of this Agreement or of the Servicer under Section 8.2 of the Servicing Agreement.

12.8 Collection Account. On the Closing Date, the Manager shall cause the Company to establish and maintain the Collection Account with the Paying Agent in accordance

with the Custodial and Paying Agency Agreement. The Collection Account (and all funds therein) shall be subject to the security interest granted under the Reimbursement and Security Agreement and to the Accounts Control Agreement under the Custodial and Paying Agency Agreement.

12.9 Distribution Account. On the Closing Date, the Manager shall cause the Company to establish the Distribution Account with the Paying Agent in accordance with the Custodial and Paying Agency Agreement. The Distribution Account (and all funds therein) shall be subject to the security interest granted under the Reimbursement and Security Agreement and to the Accounts Control Agreement under the Custodial and Paying Agency Agreement.

12.10 Defeasance Account.

(a) On the Closing Date, the Manager shall cause the Company to establish the Defeasance Account with the Paying Agent in accordance with the Custodial and Paying Agency Agreement. The Defeasance Account (and all funds therein) shall be subject to the security interest granted under the Reimbursement and Security Agreement.

(b) Notwithstanding any other provision of this Agreement, in the event that on the Purchase Money Maturity Date there are insufficient funds in the Defeasance Account to discharge in full the Purchase Money Note and the Purchase Money Note Guarantor determines it shall not cause a Reissued Purchase Money Note to be issued, the Private Owner and the Manager shall have the option to deposit personal funds (but no funds of the Company) to the Defeasance Account. The amount of such deposit shall be no less than the difference between the outstanding Principal Amount of the Purchase Money Note and the amount in the Defeasance Account available for distribution to the Purchase Money Note Guarantor. The Private Owner and the Manager shall notify the Collateral Agent and the Paying Agent of its intent to deposit such funds into the Defeasance Account. The delivery of available funds for such purpose shall be made at least one (1) Business Day prior to the Purchase Money Note Maturity Date. Such advance of funds shall not be deemed an Excess Liquidity Advance.

12.11 Liquidity Account.

(a) Establishment of Liquidity Account. On the Closing Date, the Manager shall cause the Company to establish the Liquidity Account with the Paying Agent for the exclusive purpose of holding a reserve to cover Operating Expenses in accordance with the terms hereof and the Custodial and Paying Agency Agreement. The Liquidity Account (and all funds therein) shall be subject to the security interest granted under the Reimbursement and Security Agreement and to the Accounts Control Agreement under the Custodial and Paying Agency Agreement.

(b) Funding the Liquidity Account. The Company shall fund the Liquidity Account with Mortgage Loan Proceeds in accordance with the terms of the Custodial and Paying Agency Agreement and the amount in such Account shall not exceed the Liquidity Account Cap established under the Custodial and Paying Agency Agreement.

(c) Use of the Liquidity Account. The Manager or the Initial Member (in relation to its interim servicing obligations) may direct the Company to withdraw funds from the Liquidity Account only to cover Operating Expenses in accordance with Section 3.7 of the Custodial and Paying Agency Agreement or as otherwise agreed to with the Initial Member. The Manager shall not permit withdrawals from the Liquidity Account for any other purpose; provided, that, after the occurrence of the satisfaction of the Purchase Money Note, the Manager may cause the release of funds from the Liquidity Account (including for purposes of distributions to the Members) in accordance with, and subject to, the terms of the Custodial and Paying Agency Agreement. With respect to any Mortgage Loan, on the Servicing Transfer Date, the Initial Member shall be reimbursed from the Liquidity Account or if there are not sufficient funds on deposit in the Liquidity Account, through Excess Liquidity Advances made by the Manager, for an amount equal to all Operating Expenses (and any advance of the Initial Member that is reimbursable pursuant to the Contribution Agreement) paid by it at any time after the Cut-Off Date and on or before such Servicing Transfer Date (to the extent the same have not been otherwise reimbursed pursuant to the Contribution Agreement or Custodial and Paying Agency Agreement).

(d) Permitted Investments. The Liquidity Account shall be invested in Permitted Investments in accordance with the Custodial and Paying Agency Agreement.

12.12 Certain Servicing and Mortgage Loan Administration Decisions. The Manager shall have full power and authority, acting alone or through any Servicer or Subservicer, to cause to be done any and all things in connection with the servicing and administration of the Mortgage Loans that the Manager may deem necessary or desirable, and cause to be made all servicing decisions in its reasonable discretion, subject to its obligation to comply with the Servicing Standard and other applicable provisions herein and in the Ancillary Documents. Upon the occurrence of an event of default under any of the Mortgage Loan Documents, but subject to the other terms and conditions of this Agreement (including the Servicing Standard), the Manager shall cause to be determined the response to such default and course of action with respect to such default, including (i) the selection of attorneys to be used in connection with any action, whether judicial or otherwise, to protect the interests of the Company in the Mortgage Loan and the Underlying Collateral, (ii) the declaration and recording of a notice of such default and the acceleration of the maturity of the Mortgage Loan, (iii) the institution of proceedings to foreclose the Mortgage Loan Documents securing the Mortgage Loan pursuant to the power of sale contained therein or through a judicial action, (iv) the institution of proceedings against any Obligor, (v) the acceptance of a deed in lieu of foreclosure, (vi) the purchase of the real property Underlying Collateral at a foreclosure sale or trustee's sale or the purchase of the personal property Underlying Collateral at a Uniform Commercial Code sale, and (vii) the institution or continuation of proceedings to obtain a deficiency judgment against such Borrower or any Obligor. Notwithstanding any provision to the contrary herein, the Manager shall not, and shall not cause any Servicer or Subservicer to, take any action that is inconsistent with or prohibited by the terms of the Reimbursement and Security Agreement or the Custodial and Paying Agency Agreement without the prior written consent of the Initial Member.

12.13 Management and Disposition of Underlying Collateral. Subject to the other terms and conditions of this Agreement (including the Servicing Standard), and the Reimbursement and Security Agreement, the Manager shall have full power and authority, acting alone or through any Servicer and any Subservicer, to cause to be done any and all things in connection with the Manager's management of any Underlying Collateral or Acquired Property, that the Manager may deem necessary or desirable, and cause to be made all asset management decisions in its reasonable discretion. Notwithstanding the foregoing, prior to the acquisition of any Underlying Collateral that constitutes real property by foreclosure, acceptance of a deed in lieu of foreclosure or through a short sale, the Manager, acting alone or through any Servicer or Subservicer, shall obtain an Appraisal of the Fair Market Value of such Underlying Collateral and, subsequent to the purchase at a foreclosure sale or upon acceptance of such deed in lieu of foreclosure, shall thereafter cause such Underlying Collateral to be held on the books of the Company at the Appraised Value.

12.14 Acquisition of Underlying Collateral.

(a) If title to any Underlying Collateral that constitutes real property is to be acquired by foreclosure, by deed in lieu of foreclosure, by power of sale or by sale pursuant to the Uniform Commercial Code, or otherwise, title to such REO Property shall be taken and held in the name of an Ownership Entity; provided, however, that for any REO Property with respect to which there exists a physical condition, including, by way of example, an Environmental Hazard, which may subject the Company, the Manager or the Initial Member to liability, a separate Ownership Entity will hold title to each such REO Property.

(b) Nothing in this Article XII or anything else in this Agreement shall be deemed to affirmatively require the Manager to cause the Company to acquire all or any portion of any REO Property with respect to which there exists any Environmental Hazard. Except as otherwise directed by the Manager, the Manager shall not permit the Servicer or any Subservicer to acquire or otherwise cause the Company or any subsidiary or other entity in which the Company owns any interest to acquire all or any portion of any Underlying Collateral having any actual or threatened Environmental Hazard known to the Manager by foreclosure, deed in lieu of foreclosure, power of sale or sale pursuant to the Uniform Commercial Code or otherwise.

(c) The Company shall be the sole member of any Ownership Entity. The purposes of each Ownership Entity shall be to hold the REO Property pending sale and to operate the Underlying Collateral as efficiently as possible in order to minimize financial loss to the Company, and the Purchase Money Note Guarantor and to sell the REO Property as promptly as practicable in a way designed to minimize financial loss to the Company and the Purchase Money Note Guarantor.

12.15 Administration of REO Properties. The following terms and conditions shall be binding on the Company and the Ownership Entities (and on the Manager's performance of its obligations hereunder) with respect to any REO Properties, in addition to any other terms and conditions concerning the same subject matter set forth in this Agreement and any of the other Ancillary Documents:

(a) Insurance. With respect to each REO Property, the Manager shall cause the applicable Ownership Entity to maintain, with financially sound and reputable insurers, insurance (including, as applicable, public liability insurance, property insurance, flood insurance, boiler and machinery insurance, business interruption or rent insurance and other insurance), in such amounts, with such deductibles, covering such risks and otherwise on such terms and conditions, in each case as are customarily maintained by property owners for other real property and buildings similar to such REO Property in the area in which such REO Property is located, all as determined by the Manager in accordance with the Servicing Standard and the provisions of this Agreement and the Ancillary Documents. All insurance policies shall name the Collateral Agent, the Manager and the Company as an additional insured, loss payee or mortgagee thereunder, as applicable, as its interest may appear. Each policy shall provide that such policy may not be cancelled or materially changed except upon thirty (30) days' prior written notice to the Company and to the Collateral Agent, and shall further provide that no act or thing done by the applicable Ownership Entity shall invalidate any policy as against the Collateral Agent.

(b) Leasing Covenants. With respect to each REO Property, the Manager shall cause the applicable Ownership Entity to (i) perform the obligations that such Ownership Entity is required to perform under the leases to which it is a party in all material respects and (ii) enforce, in accordance with commercially reasonable practices for properties similar to the applicable REO Property, the material obligations to be performed by the tenants under such leases.

(c) Zoning. The Manager shall not permit any Ownership Entity to initiate or consent to any zoning reclassification of any portion of the REO Property owned by such Ownership Entity, or use or permit the use of any portion of an REO Property in any manner that could result in such use (taking into account any applicable variance obtained in accordance with the Servicing Standard) becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of the Initial Member and the Collateral Agent.

(d) No Joint Assessment. The Manager shall not permit any Ownership Entity to suffer, permit or initiate the joint assessment of REO Property (i) with any other real property constituting a tax lot separate from such REO Property, and (ii) with any portion of an REO Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such REO Property.

(e) Maintenance, Repairs and Alterations. From and after the completion of any buildings or other improvements at an REO Property, the Manager shall cause the applicable Ownership Entity to maintain such REO Property in a good and safe condition and repair (subject to such alterations as the Manager may from time to time determine to be appropriate in accordance with the Servicing Standard and applicable requirements herein and in the Ancillary Documents) and in accordance with applicable Law.

(f) Property Management. All property managers with respect to any REO Property shall, in their respective property management agreements or by separate agreement,

subordinate their rights under such agreements (including their right to receive management fees) to the rights and interest of the Collateral Agent under the applicable REO Property (as defined in the Reimbursement and Security Agreement).

(g) Ground Leases. With respect to any REO Property that is leased under a ground or other lease (in each case, a “ground lease”), the Manager shall cause the applicable Ownership Entity to (i) pay all rents and other sums required to be paid by the tenant under and pursuant to the provisions of the applicable ground lease as and when such rent or other charge is payable, and (ii) diligently and timely perform and observe all of the terms, covenants and conditions binding on the tenant under the ground lease. The Manager shall not permit the applicable Ownership Entity to subordinate or consent to the subordination of any ground lease to any mortgage, lease or other interest on or in the ground lessor’s interest in the applicable REO Property without the prior consent of the Collateral Agent unless such subordination is required under the provisions of such ground lease.

(h) Intentionally Omitted.

(i) REO Property Generally. Notwithstanding any other provision of this Section 12.15 to the contrary, (i) in operating, managing, leasing or disposing of any REO Property, the Manager shall act in the best interests of the Company, and the members and creditors of the Company (including the FDIC in its various capacities) and in accordance with the Servicing Standard, and (ii) without relieving the Manager of any obligation elsewhere in this Agreement or any Ancillary Document, the Manager shall not be required to act in accordance with a specific provision of this Section 12.15 if such action is (A) not in the best interests of Company and the members and creditors of the Company (including the FDIC in its various capacities), as determined by the Manager in the exercise of its reasonable discretion, or (B) not in accordance with the Servicing Standard.

(j) Reports. The Manager shall furnish to the Initial Member and the Collateral Agent such reports regarding the construction, leasing and sales efforts of or relating to the REO Property as the Initial Member or the Collateral Agent shall reasonably request.

12.16 Releases of Underlying Collateral. Manager is authorized to cause the release or assignment of any Lien granted to or held by the Company on any Underlying Collateral upon payment of any Mortgage Loan in full and satisfaction in full of all of the secured obligations with respect to a Mortgage Loan, upon receipt of a discounted payoff as payment in full of a Mortgage Loan, or upon a sale of the Mortgage Loan to any Person, in each case as and to the extent permitted hereunder and under the Reimbursement and Security Agreement.

12.17 Clean-Up Call Rights.

(a) Each of the Initial Member, and the Purchase Money Note Guarantor until any Purchase Money Note is paid in full and all reimbursement and other obligations to the FDIC under the Reimbursement and Security Agreement have been satisfied in full, shall have the right, exercisable in their sole and absolute discretion, to require the liquidation and sale, for cash consideration, of any remaining Mortgage Loans and Acquired Property held by the

Company or any Ownership Entity (the “Clean-Up Call”) at any time after the earlier to occur of (i) the seventh (7th) anniversary of the Closing Date and (ii) the date on which the then Unpaid Principal Balance is ten percent (10%) or less of the Unpaid Principal Balance as of the Cut-Off Date as set forth on the Mortgage Loan Schedule.

(b) In order to exercise its rights under this Section 12.17, the Initial Member or the Purchase Money Note Guarantor, as applicable shall give notice in writing to the Manager, setting forth the date by which the remaining Mortgage Loans and Acquired Property are to be liquidated by the Company, which date shall be no less than 150 calendar days after the date of such notice.

(c) The Manager shall proceed expeditiously to cause to be commenced the liquidation of the remaining Mortgage Loans and Acquired Property by means of sealed bid sales to Persons other than Affiliates of the Company, the Servicer or any Subservicer, or Affiliates of the Servicer or any Subservicer. The selection of any financial adviser or other Person, broker or sales agent retained for the liquidation of the remaining Mortgage Loans and Acquired Property pursuant to this Section 12.17 shall be subject to the prior approval of the Initial Member or the Purchase Money Note Guarantor, as applicable, such approval not to be unreasonably withheld, delayed or conditioned as long as the fees to be charged by such financial adviser or other Person, broker or sales agent are reasonable and such Person is not an Affiliate of the Manager or any Servicer or Subservicer. In the event the remaining Mortgage Loans and Acquired Property are not liquidated by the date specified in the notice provided by the Initial Member or the Purchase Money Note Guarantor, as applicable pursuant to Section 12.17(b), Initial Member or the Purchase Money Note Guarantor, as applicable shall be entitled to liquidate the remaining Mortgage Loans and Acquired Property in its discretion and the Manager shall, and shall cause the Company to, cooperate and assist with such liquidation to the extent reasonably requested by the Initial Member or the Purchase Money Note Guarantor, as applicable. In the event the Manager or any Affiliate thereof desires to bid to acquire the remaining Mortgage Loans and Acquired Property, then the Initial Member or the Purchase Money Note Guarantor, as applicable, shall be entitled to liquidate the remaining Mortgage Loans and Acquired Property in its discretion. In the event Initial Member or the Purchase Money Note Guarantor, as applicable, undertakes to liquidate the remaining Mortgage Loans and Acquired Property pursuant to this Section 12.17(c), all costs and expenses incurred by it shall be deducted from the Mortgage Loan Proceeds and retained by the Initial Member or the Purchase Money Note Guarantor, as applicable, and the remaining Mortgage Loan Proceeds shall be distributed in accordance with Section 9.2.

12.18 Certain Transfer Obligations. Without limitation of other obligations of the Manager with respect to the Contribution Agreement, the Manager agrees to cause the Company to comply with its obligations under the Contribution Agreement with respect to preparing, furnishing, executing and recording transfer documents with respect to the Mortgage Loans (including special warranty deeds to convey the real property subject to any contract for deed and any Acquired Property to the Company). Any title curative work with respect to such real property, if required, shall be at the Company’s sole cost and expense.

Each Member (other than the Initial Member) hereby waives and renounces its rights to seek a court decree of dissolution or to seek the appointment of a court receiver for the Company as now or hereafter permitted under any applicable Law.

13.2 Entire Agreement; Other Agreements.

(a) This Agreement, together with the Annexes and Exhibits hereto and the Ancillary Documents (and any other agreements expressly contemplated hereby or thereby), constitutes the entire agreement and understanding, and supersedes all other prior agreements and understandings, both written and oral, between the Members or their respective Affiliates or any of them and the Company with respect to the subject matter hereof; provided, that any Confidentiality Agreement between the FDIC and the Private Owner or any Affiliates of the Private Owner (including by way of joinder) with respect to the transaction that is the subject of this Agreement and the Ancillary Documents shall remain in full force and effect to the extent provided therein, except that the Company's rights under Article VI of the Contribution Agreement shall not be deemed a repurchase option for purposes of Section 2 of any such Confidentiality Agreement. The Members acknowledge that certain agreements or other instruments are being (or were) executed by the Company, the Members and/or Affiliates of the Members simultaneously or otherwise in connection with the execution of this Agreement and that notwithstanding anything to the contrary contained in the foregoing sentence of this Section 13.2, such agreements shall be effective and binding on the parties thereto in accordance with the terms thereof.

(b) By executing this Agreement, the Manager agrees to be bound by the terms of the Ancillary Documents pursuant to which the Manager is expressly required to take or omit from taking certain actions, as in each case, with the same effect as if the Manager were a party to such Ancillary Document.

13.3 Third Party Beneficiaries. Each of the FDIC and the Purchase Money Note Guarantor, is hereby constituted an express third party beneficiary of this Agreement with respect to those provisions of this Agreement which expressly grant rights to such Person, and, as such, each is entitled to enforce such provisions of this Agreement as if such Person were a party hereto; provided that, upon occurrence of the Purchase Money Note Maturity Date (and subject to any rights of the Purchase Money Note Guarantor that, by their terms or nature, survive such date), the Purchase Money Note Guarantor shall cease to have any of the specified rights set forth herein with respect to consents/approvals, exercise remedies following an Event of Default and receipt of reports and other information with respect to the continued operation of the Business, in each case (i) to the extent relating exclusively to the period following such Purchase Money Note Maturity Date, and (ii) except as to any rights or remedies relating to (or the exercise or non-exercise of which rights or remedies would affect) the Defeasance Account or the repayment of the Purchase Money Note in accordance with the terms hereof and of the

Ancillary Documents, as determined by the Purchase Money Note Guarantor in its sole and absolute discretion. Each Person ceasing to constitute the “Initial Member” under this Agreement (as a result of a Disposition of its LLC Interest) shall remain a third-party beneficiary of this Agreement with respect to Section 4.6 and, as such is entitled to enforce Section 4.6 as if such Person remained a party hereto. For the avoidance of doubt, in furtherance and without limitation of the preceding sentence, each Person comprising the “Initial Member” pursuant to the last sentence of Section 4.6(a) may enforce the provisions of Section 4.6 with respect to itself and/or any other Indemnified Party(ies) in relation to itself (in its own name and/or in the name of and/or otherwise on behalf of such other Indemnified Party(ies)). Subject to Section 11.1 and to the immediately preceding sentence, (i) this Agreement is for the benefit solely of, and shall inure solely to the benefit of, the Members and the Company, and (ii) this Agreement is not enforceable by any Person (including any creditor of the Company or of any Member) other than the Members and the Company.

13.4 Expenses. Except as may otherwise be expressly provided herein or in any Ancillary Document, each Member shall pay its own expenses (including legal, accounting investment banker, broker or finder’s fees) incident to the negotiation and execution of this Agreement and the Ancillary Documents, the consummation of the transactions contemplated by Section 2.3 hereof and the performance of its obligations hereunder.

13.5 Waivers and Amendments; Cooperation with Issuance and Reissuance of Purchase Money Note.

(a) This Agreement may be amended or modified, and the terms hereof may be waived, only by a written instrument signed by all Members, provided, that, following an Event of Default, from time to time this Agreement may be amended or modified and/or the terms hereof may be waived, in each case, by a written instrument signed only by the Initial Member as long as such amendment, modification or waiver would not (i) adversely affect the Private Owner’s or the Company’s limited liability status; (ii) adversely affect the Private Owner’s share of the Company’s distributions, income, gains or losses; (iii) impose on the Private Owner any additional obligations or (iv) amend Section 3.13 or this Section 13.5; provided further, that in no event shall any amendment, modification or waiver limit or otherwise adversely affect the rights expressly granted in this Agreement to (x) any Person comprising the “Initial Member” pursuant to the last sentence of Section 4.6(a) (and/or any other Indemnified Party(ies) in relation to such Person) without the express written consent of such Person so comprising the “Initial Member” or (y) a third party beneficiary of this Agreement (to the extent such third party beneficiary is, and remains, a third party beneficiary pursuant to Section 13.5 above) without the express written consent of such third party beneficiary. Except where a specific period for action or inaction is provided herein, no failure on the part of a Member to exercise, and no delay on the part of a Member in exercising, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any waiver on the part of such Member of any such right, power or privilege, or any single or partial exercise of any such right, power or privilege, preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

(b) The Private Owner and the Company acknowledge, consent and agree that the Initial Member may, subject to compliance with any applicable securities Laws but otherwise without restriction, assign, sell, transfer, participate, pledge, syndicate or otherwise transfer the

Purchase Money Note (or any replacement notes described below) in whole or in part and directly or indirectly (a “Note Disposition”), and that the Company shall at the request of the Initial Member, at its own expense, cooperate with and assist the Initial Member in any such actual or proposed Note Disposition, including by:

(i) providing information and documentation as may be requested by the Initial Member in connection therewith, including, without limitation, such information and documentation as may be required by securities disclosure and registration laws or would be otherwise customarily provided in connection with the issuance or reissuance or sale of the Purchase Money Note;

(ii) effecting such changes, amendments or modifications to this Agreement and the Ancillary Documents as the Initial Member request or require in connection therewith, provided that, without the consent of the Private Owner such changes, amendments and modifications shall not (A) increase the aggregate principal amount of, or the interest rate on, or accelerate the maturity date of the Purchase Money Note (or any replacement promissory note(s)), (B) impose additional prepayment obligations in respect of the Purchase Money Note, (C) otherwise increase in any material respect the financial obligations of the Company under the Purchase Money Note, the Reimbursement and Security Agreement and the Custodial and Paying Agency Agreement or, (D) cause the Company, or any portion of the Company, to become subject to federal income tax as an association taxable as a corporation, as a publicly traded partnership (as such term is defined in Section 7704 of the Code), taxable as a corporation or as a taxable mortgage pool (as such term is defined in Section 7701(i)) of the Code; and

(iii) providing legal or other opinions, certificates and other closing documents in connection with the issuance or reissuance and delivery of the Purchase Money Note in form and substance satisfactory to the Initial Member.

(c) Reasonable attorneys fees actually incurred in connection with the preparation of legal opinions and the review of certificates, closing documents and any amendments to this Agreement or any Ancillary Documents requested or required by the Initial Member or the Purchase Money Note Guarantor in connection with the replacement or reissuance and sale of the Purchase Money Note(s) shall constitute Reimbursable Company Administrative Expenses. For the avoidance of doubt, no legal fees or expenses associated with changes, clarifications or amendments to documents requested by the Private Owner shall constitute Reimbursable Company Administrative Expenses.

13.6 Notices.

(a) All notices, requests, demands and other communications required or permitted to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be given by certified or registered mail, postage prepaid, by delivery by hand or by nationally recognized courier service, or by electronic mail (followed up by a hard copy delivered through an alternate manner permitted under this Section 13.6), in each case mailed or delivered to the applicable address or electronic mail address specified in, or in the manner provided in, this Section 13.6. All such notices, requests, demands and other communications

shall be deemed to be given or made upon the earlier to occur of (i) actual receipt (or refusal thereof) by the relevant party hereto and (ii) (A) if delivered by hand or by nationally recognized courier service, when signed for (or refused) by or on behalf of the relevant party hereto, and (B) if delivered by electronic mail (which form of delivery is subject to the provisions of this paragraph), when delivered and capable of being accessed from the recipient's office computer, provided that any notice, request, demand or other communication that is received other than during regular business hours of the recipient shall be deemed to have been given at the opening of business on the next business day of the recipient. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder. From time to time, any party may designate a new address for purposes of notice to it hereunder by notice to such effect to the other parties hereto in the manner set forth in this Section 13.6.

13.7 Counterparts; Facsimile Signatures.

(a) This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which shall together constitute one and the same instrument. It shall not be necessary for any counterpart to bear the signature of all parties hereto.

(b) This Agreement and any amendments hereto, to the extent signed and delivered by facsimile or other electronic means, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No signatory to this Agreement shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature or agreement was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation or enforceability of a contract and each such Person forever waives any such defense.

13.8 Successors and Assigns. Except as otherwise specifically provided in this Agreement (including in Article VIII), this Agreement shall be binding upon and inure to the benefit of the Members and the Company and their respective Successors and assigns. Without limitation of Section 8.4, this Agreement, as in effect on the date that any particular Person shall

cease to be Member, shall continue to bind such Person in relation to the period during which it was Member.

13.9 Compliance With Law; Severability.

(a) Compliance With Law. Except as otherwise specifically provided herein, each party to this Agreement shall obey and comply with all applicable Laws, as they may pertain to such party's performance of its obligations hereunder.

(b) Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall be ineffective, but such ineffectiveness shall be limited as follows: (i) if such provision is prohibited or unenforceable in such jurisdiction only as to a particular Person or Persons and/or under any particular circumstance or circumstances, such provision shall be ineffective, but only in such jurisdiction and only with respect to such particular Person or Persons and/or under such particular circumstance or circumstances, as the case may be; (ii) without limitation of clause (i), such provision shall in any event be ineffective only as to such jurisdiction and only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction; and (iii) without limitation of clauses (i) or (ii), such ineffectiveness shall not invalidate any of the remaining provisions of this Agreement. Without limitation of the preceding sentence, it is the intent of the parties to this Agreement that in the event that in any court proceeding, such court determines that any provision of this Agreement is prohibited or unenforceable in any jurisdiction (because of the duration or scope (geographic or otherwise) of such provision, or for any other reason) such court shall have the power to, and shall, (x) modify such provision (including without limitation, to the extent applicable, by limiting the duration or scope of such provision and/or the Persons against whom, and/or the circumstances under which, such provision shall be effective in such jurisdiction) for purposes of such proceeding to the minimum extent necessary so that such provision, as so modified, may then be enforced in such proceeding and (y) enforce such provision, as so modified pursuant to clause (x), in such proceeding. Nothing in this Section 13.9(b) is intended to, or shall, limit (1) the ability of any party to this Agreement to appeal any court ruling or the effect of any favorable ruling on appeal or (2) the intended effect of Section 13.11.

13.10 Power of Attorney.

(a) The Private Owner does hereby constitute and appoint the Manager as its true and lawful representative and attorney-in-fact, in its name, place and stead to make, execute, sign, acknowledge, deliver or file any certificate, document or other instrument that the Private Owner is required to execute and deliver pursuant to clause (a), (b), (c) or (d) of Section 4.3 hereof. The foregoing notwithstanding, the Manager shall not have any right, power or authority to amend or modify this Agreement. The power of attorney granted hereby is coupled with an interest and shall (i) survive and not be affected by the subsequent death, incapacity, disability, dissolution, termination or bankruptcy of the Private Owner granting the same or the transfer of all or any portion of the Private Owner's LLC Interest and (ii) extend to the Private Owner's Successors, assigns and legal representatives.

(b) The Company hereby grants to the Manager a limited power of attorney to execute all documents on its behalf in accordance with the Servicing Standard set forth above and as may be necessary to effectuate the Manager's obligations under Article XII until such time as the Company revokes said limited power of attorney. Revocation of the limited power of attorney shall take effect upon (i) the receipt by the Manager of written notice thereof from the Initial Member, or (ii) removal of the Manager in accordance with the terms of this Agreement; provided, however, in the event of such removal, the power of attorney granted hereunder shall thereafter automatically be vested in the successor or replacement Manager appointed in accordance with this Agreement.

13.11 Governing Law. THIS AGREEMENT IS GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION. In the event of a direct conflict between the provisions of this Agreement and any mandatory, non-waivable provision of the Act, such provision of the Act shall control to the extent necessary to eliminate such direct conflict. Nothing in this Agreement shall require any unlawful action or inaction by any Person.

13.12 Jurisdiction; Venue and Service.

(a) Each of the Private Owner (for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) and the Company, in each case on behalf of itself and its Affiliates, hereby irrevocably and unconditionally:

(i) consents to the jurisdiction of the United States District Court for the Southern District of New York and to the jurisdiction of the United States District Court for the District of Columbia for any suit, action or proceeding against it (in the case of the Private Owner and for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) or any of its Affiliates commenced by the Initial Member arising out of, relating to, or in connection with this Agreement or any Ancillary Document, and waives any right to:

(A) remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum (other than the Court in which the Initial Member files the action, suit or proceeding) without the consent of the Initial Member;

(B) assert that venue is improper in either the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia; or

(C) assert that the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia is an inconvenient forum.

(ii) consents to the jurisdiction of the Chancery Court of the State of Delaware for any suit, action or proceeding against it (in the case of the Private Owner and for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) or any of its Affiliates commenced by the Initial Member arising out of, relating to, or in connection with this Agreement or any Ancillary Document, and waives any right to:

(A) remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Initial Member);

(B) assert that venue is improper in the Chancery Court of the State of Delaware; or

(C) assert that the Chancery Court of the State of Delaware is an inconvenient forum.

(iii) agrees to bring any suit, action or proceeding by it (in the case of the Private Owner and for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) or any of its Affiliates against the Initial Member arising out of, relating to, or in connection with this Agreement or any Ancillary Document in only the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia, and waives any right to remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Initial Member, and agrees to consent thereafter to transfer of the suit, action or proceeding to either the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia at the option of the Initial Member; and

(iv) agrees, if the United States District Court for the Southern District of New York and the United States District Court for the District of Columbia both lack jurisdiction to hear a suit, action or proceeding falling within Section 13.12(a)(iii), to bring that suit, action or proceeding in only the Chancery Court of the State of Delaware, and waives any right to remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Initial Member.

(b) Each of the Private Owner (in any capacity, including as a Member and/or as the Manager) and the Company, in each case on behalf of itself and its Affiliates, hereby irrevocably and unconditionally agrees that any final judgment entered against it in any suit, action or proceeding falling within Section 13.12(a) may be enforced in any court of competent jurisdiction;

(c) Subject to the provisions of Section 13.12(d), each of the Private Owner (in any capacity, including as a Member and/or as the Manager) and the Company, in each case on behalf of itself and its Affiliates, and the Initial Member, hereby irrevocably and

unconditionally agrees that service of all writs, process and summonses in any suit, action or proceeding pursuant to Section 13.12(a) or Section 13.12(b) may be effected by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address for notices pursuant to Section 13.6 (with copies to such other Persons as specified therein); provided, however, that nothing contained in this Section 13.12(c) shall affect the right of any party to serve process in any other manner permitted by Law;

(d) Nothing in this Section 13.12 shall constitute consent to jurisdiction in any court by the FDIC (in any capacity, including as the Initial Member), other than as expressly provided in Section 13.12(a)(iii) and Section 13.12(a)(iv), or in any way limit the FDIC's (in any capacity, including as the Initial Member) right to remove, transfer, seek to dismiss, or otherwise respond to any suit, action, or proceeding against it (in any capacity, including as the Initial Member) in any forum.

13.13 Waiver of Jury Trial. EACH OF THE PRIVATE OWNER AND THE COMPANY, FOR ITSELF AND ITS AFFILIATES, AND THE INITIAL MEMBER, HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ANCILLARY DOCUMENTS AND AGREES THAT ANY SUCH DISPUTE SHALL BE TRIED BEFORE A JUDGE SITTING WITHOUT A JURY.
