4. **Representations and Warranties of Private Owner**. The Private Owner hereby represents and warrants separately to each of the Initial Member and the Company as follows:

(a) The Private Owner is a "Qualified Transferee," as such term is defined in the LLC Operating Agreement, and as such, represents and warrants that each item included in such definition is true and correct in all respects as of the date hereof as if set forth herein.

(b) All information and documents provided to the Initial Member or its agents by or on behalf of the Private Owner or any Affiliate thereof (including the Sponsor) in connection with this Agreement and the transactions contemplated hereby, including, but not limited to, the Purchaser Eligibility Certification, the Bid Certification, the Structured Transaction Qualification Request, the Bidder Qualification Request and the Confidentiality Agreement, are true and correct in all respects as of the date hereof and do not fail to state any fact necessary to make the information contained therein not misleading.

The Private Owner and the Initial Member agree that the failure or refusal of the Initial Member to alter or modify, in any way, the terms or conditions of this Agreement, the LLC Operating Agreement or any Ancillary Document shall not constitute fault on the part of the Initial Member. The Private Owner shall not be liable for any of the foregoing damages if the Private Owner is forced to withdraw its Bid after award as the result of a supervisory directive given by the FDIC or any other federal or state financial regulatory agency, provided that the Initial Member shall be satisfied that such supervisory directive is legally effective. In such event, the Initial Member shall refund the Earnest Money Deposit.

10. **Governing Law**. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH FEDERAL LAW, BUT IF FEDERAL LAW DOES NOT PROVIDE A RULE OF DECISION, IT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION. The Manager shall cause the Company to retain and enter into and, at all times, be a party to written custodial agreement with a document custodian (the "**Custodian**") that is a Qualified Custodian and approved by the Initial Member, and such Custodian shall at all times have custody and possession of the Notes and other Custodial Documents. The Manager shall also cause the Company to retain and enter into and, at all times, be a party to written paying agency agreement with a paying agent selected by the Company (the "**Paying Agent**"), which Paying Agent shall receive and distribute Loan Proceeds in accordance with the applicable Custodial and Paying Agency Agreement. Except as may be determined by the Initial Member in connection with an exercise of its rights under Section 13.5 below, the Custodian and the Paying Agent shall be the same; and the custodial and paying agency functions shall be performed on the terms set forth in a Custodial and Paying Agency Agreement that is acceptable to the Initial Member. At no time shall the Company have more than one Custodian or one Paying Agent. The fees and expenses paid to the Custodian and Paying Agent shall be no more than market rates and the Custodian and Paying Agent shall be terminable by the Company upon no more than thirty (30) days notice provided by either, without cause under the Custodial and Paying Agency Agreement. For purposes of clarification, the parties acknowledge that, as of the Closing Date, the Custodial and Paying Agency

Agreement delivered on the Closing Date is acceptable to Initial Member, including as to the fees and expenses expressly set forth therein. In the event that the Manager removes, or causes the Company (or any Servicer) to remove, any Notes or other Custodial Documents from the possession of the Custodian (which shall be done only in accordance with the relevant Custodial and Paying Agency Agreement), (i) any loss or destruction of or damage to such Notes or Custodial Documents shall be the personal liability of the Manager (who, along with the relevant Servicer(s), shall be responsible for safeguarding such Notes and Custodial Documents), and (ii) such Notes shall be returned to the Custodian within the time provided under the applicable Uniform Commercial Code to maintain the perfection of the secured party's security interest therein by possession. If any Notes or other Custodial Documents are removed in connection with the modification or restructuring of a Loan, the modified or restructured Notes and other Custodial Documents removed in connection therewith shall be returned to the Custodian as soon as possible following the completion of the restructuring or modification (and, in any event, in accordance with clause (ii) of the immediately preceding sentence). The Manager shall ensure that the Initial Member receives a copy of each demand, notice or other communication given under the Custodial and Paying Agency Agreement at the time that such notice or other communication is given thereunder.

3.8 Relationships with Borrowers, etc. Except as otherwise consented to by the Initial Member, neither the Private Owner nor the Manager shall, at any time, (a) be an Affiliate of or a partner or joint venturer with any Borrower, (b) be an agent of any Borrower, or allow any Borrower to be an agent of the Manager or the Company, or (c) except as is otherwise contemplated by the Company's ownership of the Loans and its right to hold Acquired Property, have any interest whatsoever in any Borrower, Obligor or other obligor with respect to any Loan or any of the Underlying Collateral.

3.9 No Conflicting Obligations. The Manager shall cause the Company to comply with the Ancillary Documents in accordance with their terms, and shall not, at any time, enter into or become a party to any agreement that would conflict with the terms of this Agreement.

3.10 Compliance with Law. The Manager shall, and shall cause the Company to, at all times, comply with applicable Law in connection with the performance or exercise of its rights, powers, duties or obligations under this Agreement.

3.11 No Bankruptcy Filing. Neither the Manager nor the Private Owner may cause or permit the Company to: (a) file a voluntary petition for bankruptcy, (b) file a petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any Law, (c) make an assignment for the benefit of creditors, (d) seek, consent or acquiesce in the appointment of a trustee, receiver or liquidator or of all or any substantial part of its properties, (e) file an answer or other pleading admitting or failing to contest the material allegations of (i) a petition filed against it in any proceeding described in clause (a) through (d), or (ii) any order adjudging it a bankrupt or insolvent or for relief against it in any bankruptcy or Insolvency Proceeding, or (f) allow itself to become unable to pay its obligations as they become due.

3.12 No Liens. The Manager shall not cause the Company to place, or voluntarily permit to be placed, any Lien on any of the Loans, the Underlying Collateral, the Loan

Documents, or the Loan Proceeds, except, in the case of Underlying Collateral, such Liens caused or permitted by the Manager (i) as permitted under the Loan Documents where the applicable Borrower is not in default thereunder and (ii) as permitted by the terms of the Reimbursement, Security and Guaranty Agreement; and the Manager shall not take any action to interfere with the Collateral Agent's rights as a secured party with respect to Loans, the Underlying Collateral and the Loan Proceeds.

3.13 Remedies Upon an Event of Default; Security Interest. Upon the occurrence of an Event of Default, in addition to all other remedies available hereunder or under the Ancillary Documents upon such an Event of Default, the Initial Member shall be entitled to (i) remove the Private Owner as the Manager pursuant to Sections 3.2 and 12.4, (ii) remove the Private Owner as a Member, (iii) foreclose on the LLC Interest held by the Private Owner and transfer such LLC Interest to a third party, (iv) purchase (or cause a designee to purchase) the LLC Interest of the Private Owner pursuant to Section 3.14, and/or (v) designate itself or the transferee Member as the Manager hereunder. The removal of the Private Owner as Member shall be subject to Section 8.4. This Agreement shall constitute a security agreement under applicable Law for the benefit of the Initial Member and, in furtherance thereof, the Private Owner and the Company shall be deemed to have granted, and each does hereby grant, to the Initial Member a valid and continuing first priority lien on and security interest in all of the Private Owner's and the Company's right, title and interest in, to and under, the Secured Assets, whether now owned or existing, or hereafter acquired and arising in, to and under the Secured Assets and all of the proceeds of the foregoing for the benefit of Initial Member and its assignees as security for the payment and performance (when due) by Private Owner (including in its roles as Manager and Tax Matters Member) of its duties, liabilities and obligations under this Agreement and the compliance by the Private Owner (including as Manager and Tax Matters Member) with the terms and conditions of this Agreement. For purposes of this Agreement, the term "**Secured Assets**" shall mean (x) the LLC Interest held by Private Owner, and (y) all proceeds thereof at any time (including distributions thereon or other income in respect thereof). For the avoidance of doubt, in the event that the Initial Member determines to foreclose on the LLC Interest held by the Private Owner as contemplated by clause (iii) above, it shall deduct from the proceeds of such foreclosure sale any Losses arising out of or resulting from such Event of Default incurred by the Indemnified Parties, together with all costs and expenses of such foreclosure sale, and shall, only after all remaining obligations secured by the Secured Assets have been paid in full, remit the remaining proceeds, if any, to the Private Owner, except to the extent required otherwise by applicable Law; provided, that none of the Private Owner, the Manager or any of their Affiliates shall participate in any sale of the Private Owner's LLC Interest without the written consent of the Initial Member.

The Private Owner hereby authorizes the filing by Initial Member and its assignees of such financing or continuation statements in such jurisdictions as Initial Member or its assignees deem appropriate (in their sole and absolute discretion) to perfect and continue their first priority lien and security interest with respect to the Secured Assets. The Private Owner shall deliver to Initial Member an assignment and assumption agreement with respect to the LLC Interest held by it, in the form attached hereto as Exhibit C, endorsed in blank, and executed by the Private Owner. Initial Member may use the assignment and assumption agreement to effect the assignment of the LLC Interest held by the Private Owner at any time if an Event of Default

occurs and is continuing. Initial Member's election to exercise any remedy under this Section 3.13 shall in no way limit Initial Member's rights under any Ancillary Document.

3.14 Purchase Right of Initial Member. Without prejudice to the rights of the Initial Member to foreclose on the LLC Interest of the Private Owner in accordance with Section 3.13:

(a) Upon the occurrence and during the continuance of an Event of Default, the Initial Member may at any time, by notice (a "**Buy-Out Notice**") to the Private Owner, elect to purchase (or cause one or more designees to purchase) the Private Owner's LLC Interest for an amount, payable in cash, equal to (x) the fair market value of such LLC Interest (determined, if necessary, in accordance with Section 3.14(b)(iv)) as of a date (the "**Buy-Out Valuation Date**") selected by the Initial Member in its discretion between the date of the Buy-Out Notice and the closing of such purchase (the "**Buy-Out Closing**"), less (y) any amounts owed by the Private Owner pursuant Section 3.14(b)(v), and less (z) any distributions paid by the Company to or for the account of the Private Owner between the date of the Buy-Out Valuation Date and the Buy-Out Closing.

(b) If the Private Owner receives a Buy-Out Notice, the Buy-Out Closing shall be consummated as follows:

(i) The Buy-Out Closing shall be held at the principal offices of the Company on a day selected by the Initial Member, which day shall, subject to Section 3.14(b)(iv), be no later than six months after the Buy-Out Notice was delivered to the Private Owner or at such other place or on such other date as the parties may agree (the "**Buy-Out Closing Date**").

(ii) The Initial Member shall purchase (and/or cause one or more designees to purchase in the aggregate) all but not less than all of the of the Private Owner's LLC Interest for the consideration set forth in Section 3.14(a), and against delivery of such consideration, the Private Owner shall deliver all such documents and instruments as are necessary to transfer to the Initial Member (and/or its designee(s)), and in any event shall be deemed to have transferred, and to have represented and warranted to the Initial Member (and/or its designee(s)) that it has transferred, to the Initial Member (and/or its designee(s)), good title to (and, in any event, all right, title and interest of the Private Owner in and to) the entire LLC Interest of the Private Owner, free and clear of all Liens other than those created by this Agreement.

(iii) The Private Owner shall obtain all material consents, approvals or waivers (including expiration or termination of a specified waiting period) of any Governmental Authority or Person that may be required in connection with the purchase and sale of the Private Owner's LLC Interest (other than any such consent, approval or waiver which has, if permitted by law, been waived by the Initial Member).

(iv) In the event of the delivery of a Buy-Out Notice, the Members shall attempt to agree on the fair market value of the Private Owner's LLC

Interest as of the Buy-Out Valuation Date. If the Members are unable to agree on such value within 15 days after the date of delivery of the Buy-Out Notice (or, if sooner, by the Buy-Out Closing Date), then such value shall be determined immediately thereafter in accordance with the Dispute Resolution Procedure, and, if applicable, the Buy-Out Closing Date shall be delayed until such date (after completion of the applicable valuation) as may be selected by the Initial Member. For the avoidance of doubt, in no event shall the right under this Section 3.14 or any valuation resulting from a Dispute Resolution Procedure create any obligation with respect to, or otherwise limit the rights of the Initial Member in connection with, any concurrent or subsequent foreclosure (or sale) of the Private Owner's LLC Interest pursuant to Section 3.13 and/or exercise of relevant rights under the Uniform Commercial Code or otherwise, and the Private Owner acknowledges and agrees that any foreclosure and sale pursuant to Section 3.13 and relevant rights under the Uniform Commercial Code or otherwise may result in a sale price for the LLC Interest that is significantly lower than a Buy-Out Purchase Price potentially (or having actually been) determined pursuant to this Section.

(v) All out-of-pocket costs and expenses incurred by the Initial Member in connection with the exercise of its rights under this Section 3.14 and the sale of the LLC Interest of the Private Owner (including fees of any investment banking firm retained in connection with the Dispute Resolution Procedure and legal fees and expenses incurred in connection with obtaining any necessary consents, approvals or waivers (including expiration or termination of a specified waiting period) of Governmental Authorities) shall be borne by the Private Owner and may be deducted from the purchase price otherwise payable by the Initial Member (or its designee(s)) for the Private Owner's LLC Interest.

(c) The failure of the Initial Member to exercise its rights under this Section 3.14 in connection with any Event of Default shall in no way affect or limit the exercise of such rights in connection with any other Event of Default by the Private Owner.

(d) At any time prior to the Buy-Out Closing, the Initial Member may elect not to proceed with the Buy-Out Closing (without any liability or further obligation with respect thereto), and the Private Owner shall remain responsible for amounts owed under Section 3.14(b)(v) notwithstanding any such election by the Initial Member.

(e) Any distributions payable by the Company to the Private Owner after the Buy-Out Valuation Date shall, at the option of the Initial Member, be paid to and held by the Initial Member (or, if permitted by the Paying Agent, held by the Paying Agent in the Distribution Account) and, at the Buy-Out Closing or a reasonable time thereafter, be released by to the Private Owner less, without duplication, any amounts owed by the Private Owner pursuant to this Agreement (including costs and expenses pursuant to Section 3.14(b)(v)). For the avoidance of doubt, neither the Initial Member nor the Paying Agent shall have any obligation to segregate, or pay interest or other income in respect of, any sums held pursuant to this Section 3.14(e).

3.15 No ERISA Plan Assets. The Manager shall use its reasonable best efforts to ensure that the Company's assets are not deemed to be "plan assets" within the meaning of Section 3(42) of ERISA and the Plan Asset Regulation.

## ARTICLE IV
## **Membership Interests; Rights and Duties of, and Restrictions on, Members**

4.1 General. The membership of the Company shall consist of the Members listed from time to time in the Annex I (the Member Schedule), and such substituted Members as may be admitted to the Company pursuant to Article VIII. The Manager shall cause Annex I (the Member Schedule) to be amended from time to time to reflect the admission of any additional Members, Capital Contributions of the Members, the issuance of additional limited liability company interests, transfers of LLC Interests, repurchases, redemptions or cancellations of LLC Interests, the cessation or withdrawal of a Member for any reason or the receipt by the Company of notice of any change of name or address of a Member.

4.2 LLC Interests.

(a) Creation and Issuance. The Company is only authorized to issue the LLC Interests that exist as of the date hereof, and the Company may not hereafter create or issue any limited liability company interest, provided that nothing in this sentence restricts the Disposition of any outstanding LLC Interest by any Member (which matter is governed by Article VIII). The Company's LLC Interests shall be uncertificated. The LLC Interests shall have the relative rights, powers, duties and obligations specified in this Section 4.2. As of the Closing Date, LLC Interests are owned by the Initial Member and the Private Owner, as set forth in the Annex I (Member Schedule). Other than as set forth in this Agreement, each LLC Interest shall be identical in all respects to each other outstanding LLC Interest.

(b) Distributions. Subject to Sections 6.6, distributions to the holders of LLC Interests shall be made as provided in Section 6.6(b) and Section 9.2.

(c) No Retirement Fund or Conversion. The LLC Interests shall not be subject to the operation of a retirement or sinking fund to be applied to the purchase or redemption thereof for retirement and shall not be convertible into any other class of limited liability company interests.

(d) Voting Rights. Except to the extent otherwise required by the Act or expressly provided in this Agreement, the holders of LLC Interests shall be entitled to vote on all matters upon which Members have the right to vote as set forth in this Agreement or provided in the Act. Except as expressly set forth elsewhere in this Agreement (including Section 3.1 and Section 3.4), the voting rights of each holder of LLC Interests shall be based on such holder's Percentage Interest.

4.3 Filings; Duty of Members to Cooperate. The Manager shall promptly cause to be executed, delivered, filed, recorded or published, as appropriate, and the Private Owner will, as requested by the Manager from time to time, execute and deliver, (a) all certificates, documents and other instruments that the Manager deems necessary or appropriate to form, qualify or

continue the existence or qualification of the Company as a limited liability company in the State of Delaware or as a foreign limited liability company in all other jurisdictions in which the Company may, or may desire to, conduct business or own Company Property, (b) any amendment to the Certificate or any instrument described in clause (a) required because of, or in order to effectuate, an amendment to this Agreement, or any change in the membership of the Company, in accordance with the terms hereof, (c) all certificates, documents and other instruments (including conveyances and a certificate of cancellation) that the Manager deems necessary or appropriate to reflect the dissolution and liquidation of the Company pursuant to the terms of this Agreement, and (d) such other certificates, documents and other instruments as are required by Law or by any Governmental Authority to be executed by them in connection with the Business as conducted or proposed to be conducted by the Company from time to time. As soon as reasonably practical after the date hereof, the Manager shall cause the Company to apply for, and thereafter use its reasonable best efforts to obtain, as quickly as possible, and maintain, all such licenses as are required to conduct the Business, including qualifications to conduct business in jurisdictions other than Delaware and licenses to purchase, own or manage the Loans, if the failure to so obtain such licenses would reasonably be expected to result in the imposition of fines, penalties or other liabilities on the Company, claims and defenses being asserted against the Company (including counterclaims and defenses asserted by borrowers under the Loans), or materially adversely affect the Company or the Company's ability to foreclose on the Underlying Collateral securing or otherwise realize the full value of any Loan or Acquired Property.

4.4 Certain Restrictions and Requirements.

(a) No Member may use or possess Company Property other than for a Company purpose, except as provided under license or other contractual arrangements. No Member shall have authority to bind, or otherwise to act on behalf of, the Company except pursuant to authority expressly granted herein or pursuant to authority granted by the Manager in accordance with the terms hereof.

(b) From and after the Closing Date, no Person may or shall be admitted as a member of the Company except pursuant to and in accordance with Article VIII hereof.

(c) Each Member, other than the Initial Member, shall at all times meet the qualifications of a Qualified Transferee.

4.5 Liability of Initial Member. Neither the Initial Member nor any of its Affiliates, nor any officer, director, stockholder, member, manager, employee, agent or assign of the Initial Member or any of its Affiliates (all of the foregoing, collectively, the "**Related Persons**"), shall be liable, responsible or accountable, whether directly or indirectly, in contract or tort or otherwise, to the Company, any other Person in which the Company has a direct or indirect interest or any Member (or any Affiliate of any of the foregoing), for any Damages asserted against, suffered or incurred by the Company, any Person in which the Company has a direct or indirect interest or any Member (or any Affiliate of any of the foregoing) arising out of, relating to or in connection with any act or failure to act pursuant to this Agreement or otherwise with respect to:

(a) the management or conduct of the business and affairs of the Company or any Person in which the Company has a direct or indirect interest or any of their respective Affiliates (including, without limitation, actions taken or not taken by any Related Person as an officer or director of any Person in which the Company has a direct or indirect interest or any Affiliates of such Person);

(b) the offer and sale of limited liability company interests in the Company (including the LLC Interests) or the issuance of Purchase Money Notes; and

(c) the management or conduct of the business and affairs of any Related Person insofar as such business or affairs relate to the Company or any Person in which the Company has a direct or indirect interest or to any Member in its capacity as such, including, all:

(i) activities in the conduct of the Business, and

(ii) activities in the conduct of other business engaged in by any Related Person which might involve a conflict of interest vis-à-vis the Company or any Person in which the Company has a direct or indirect interest or any Member (or any of their respective Affiliates) or in which any Related Person realizes a profit or has an interest;

except, in each case, Damages resulting from acts or omissions of such Related Person which were taken or omitted which constituted fraud, gross negligence, willful misconduct, or an intentional material breach of this Agreement or any Ancillary Document.

4.6 Indemnification.

(a) The Private Owner shall indemnify and hold harmless the Initial Member and the Initial Member's Affiliates, and their respective officers, directors, employees, partners, principals, agents and contractors (all of the foregoing, collectively, the "**Indemnified Parties**"), from and against any losses, Damages, liabilities, costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or preparing the defense or assertion of any of the foregoing), deficiencies, claims, interest, awards, judgments, penalties and fines (collectively, "**Losses**"), arising out of or resulting from (i) any breach after the Closing Date, by (x) the Company (during any period when the Private Owner is the Manager, and subject to the clarification set forth below in this Section 4.6(a)), the Private Owner (in any capacity, including as Manager) or any of their respective Affiliates or (y) any of the respective officers, directors, employees, partners, principals, agents or contractors of any Person described in sub-clause (x), of the obligations of the Company or the Private Owner (in any capacity, including as the Manager) under, or any other covenants, agreements or other terms and conditions contained in, this Agreement or any Ancillary Document (including Losses relating to (1) the Company's obligations with respect to litigation referred to in Section 4.5 of the Contribution Agreement to the extent provided therein, (2) the Company's obligations under Section 3.1 and 3.2 of the Contribution Agreement (including all costs and expenses of the Initial Member in completing any applicable transfers pursuant to exercise of rights under such section), and (3) any claim asserted by the Initial Member against the Company or the Private Owner (in any capacity, including as the Manager) to

enforce its rights hereunder or by any third party), or any third-party allegation or claim based upon facts alleged that, if true, would constitute such a breach; (ii) any gross negligence, bad faith or willful misconduct (including any act or omission constituting theft, embezzlement, breach of trust or violation of any Law) on the part of any Person described in sub-clause (i)(x) or (i)(y); or (iii) any Losses with respect to which Initial Member was released, or with respect to which the Company should have obtained a release from the applicable Borrowers or other Obligors, in accordance with Section 4.17(b) of the Contribution Agreement. Such indemnity shall survive the termination of this Agreement. In order for an Indemnified Party to be entitled to any indemnification provided for under this Agreement in respect of, arising out of or involving a Loss or a claim or demand made by any Person against the Indemnified Party (a "**Third Party Claim**"), such Indemnified Party shall deliver notice thereof to the Private Owner promptly after receipt by such Indemnified Party of written notice of the Third Party Claim, describing in reasonable detail the facts giving rise to any claim for indemnification hereunder, the amount of such claim (if known) and such other information with respect thereto as is available to the Indemnified Party and as the Private Owner may reasonably request. The failure or delay to provide such notice, however, shall not release the Private Owner from any of its obligations under this Section 4.6 except to the extent that it is materially prejudiced by such failure or delay. The Private Owner acknowledges and agrees that it shall have no recourse against the Company for any amounts the Private Owner is required to pay pursuant to this Section 4.6. For the purposes of this Section 4.6, the term "Initial Member" shall be deemed to include any Person at any time constituting the "Initial Member" hereunder (other than for purposes of this Section 4.6) and (without limitation of the foregoing) any Person at any time holding all or any portion of the LLC Interest initially held by the Initial Member immediately after the Closing, in each case even if such Person has since ceased to be a member of the Company or to hold any limited liability company interest in the Company. For purposes of clarification, with respect solely to the obligations of the Private Owner under this Section 4.6(a) in connection with a breach by the Company (during any period when the Private Owner is the Manager), the Private Owner shall not be responsible for any Losses arising out of or resulting from any failure by the Company to pay its separate payment obligations (including such payment obligations under the Purchase Money Notes), to the extent that all of the following are satisfied: (1) such failure is the result of the Company having insufficient available funds notwithstanding the servicing of the Loans and management of the Company by the Manager (and, as applicable, the Servicer and any Subservicers) in accordance with this Agreement and the Ancillary Documents (including through exercise of any discretionary authority with respect to incurrence of payment obligations and maintenance and application of applicable reserves in a manner so as to reasonably avoid any such breach), (2) such failure and resulting Losses are not attributable in whole or in part to any breach (or other action or omission in violation of this Agreement or any Ancillary Document) by the Private Owner (in any capacity, including as Manager) or any of its Affiliates (other than the Company), or by any of the respective officers, directors, employees, partners, principals, agents or contractors of any of the foregoing, and (3) the Private Owner (in any capacity) is not required to pay (or advance applicable funds to the Company for payment of) or otherwise bear such payment obligations pursuant to the terms of this Agreement or any Ancillary Document.

(b) If for any reason the indemnification provided for herein is unavailable or insufficient to hold harmless the Indemnified Parties, the Private Owner shall contribute to the amount paid or payable by the Indemnified Parties as a result of the Losses of the Indemnified

Parties in such proportion as is appropriate to reflect the relative fault of the Indemnified Parties, on the one hand, and the Private Owner (in any capacity, including as the Manager) (including any Servicer or Subservicer), on the other hand, in connection with the matters that are the subject of such Losses.

(c) If the Private Owner confirms in writing to the Indemnified Party within fifteen (15) days after receipt of a Third Party Claim the Private Owner's responsibility to indemnify and hold harmless the Indemnified Party therefor, the Private Owner may elect to assume control over the compromise or defense of such Third Party Claim at the Private Owner's own expense and by the Private Owner's own counsel, which counsel must be reasonably satisfactory to the Indemnified Party, provided that (i) the Indemnified Party may, if such Indemnified Party so desires, employ counsel at such Indemnified Party's own expense to assist in the handling (but not control the defense) of any Third Party Claim; (ii) the Private Owner shall keep the Indemnified Party advised of all material events with respect to any Third Party Claim; (iii) the Private Owner shall obtain the prior written approval of the Indemnified Party before ceasing to defend against any Third Party Claim or entering into any settlement, adjustment or compromise of such Third Party Claim involving injunctive or similar equitable relief being imposed upon the Indemnified Party or any of its Affiliates; and (iv) the Private Owner will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened action in respect of which indemnification may be sought hereunder (whether or not any such Indemnified Party is a party to such action), unless such settlement, compromise or consent by its terms obligates the Private Owner to satisfy the full amount of the liability in connection with such Third Party Claim and includes an unconditional release of such Indemnified Party from all liability arising out of such Third Party Claim.

(d) Notwithstanding anything contained herein to the contrary, the Private Owner shall not be entitled to control (and if the Indemnified Party so desires, it shall have sole control over) the defense, settlement, adjustment or compromise of (but the Private Owner shall nevertheless be required to pay all Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise): (i) any Third Party Claim that seeks an order, injunction or other equitable relief against the Indemnified Party or any of its Affiliates; (ii) any action in which both the Private Owner (in any capacity, including as the Manager) or any Affiliate of the Private Owner, on one hand, and the Indemnified Party, on the other hand, are named as parties and either the Private Owner (or such Affiliate) or the Indemnified Party determines with advice of counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the other party or that a conflict of interest between such parties may exist in respect of such action; and (iii) any matter that raises or implicates any issue relating to any power, right or obligation of the FDIC under any Law. If the Private Owner elects not to assume the compromise or defense against the asserted liability, fails to timely and properly notify the Indemnified Party of its election as herein provided, or, at any time after assuming such defense, fails to diligently defend against such Third Party Claim in good faith, the Indemnified Party may pay, compromise or defend against such asserted liability (but the Private Owner shall nevertheless be required to pay all Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise). In connection with any defense of a Third Party Claim (whether by the Private Owner or the Indemnified Party), all of the parties hereto shall, and shall

cause their respective Affiliates to, cooperate in the defense or prosecution thereof and to in good faith retain and furnish such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials and appeals, as may be reasonably requested by a party hereto in connection therewith.

(e) In the event the Company is reimbursed for or uses the Working Capital Reserve or Excess Working Capital Advances to pay costs or expenses of the type referred to in clause (v) or (vi) of the definition of Servicing Expenses and it is subsequently determined that the Company was not entitled to reimbursement for (or to use the Working Capital Reserve or Excess Working Capital Advances to pay) all or any portion of such costs and expenses because the Company did not satisfy the requirements of Section 4.6(c) or clause (v) of the definition of Servicing Expenses (such costs and expenses, the "**Unreimbursable Expenses**"), the Manager shall, in addition to any other Losses for which the Manager may be liable with respect to the claim to which such costs and expenses relate, reimburse the cost of such Unreimbursable Expenses to each Member based on such Member's Percentage Interest as set forth below, except to the extent such Unreimbursable Expenses were funded through Excess Working Capital Advances that remain outstanding (in which case the portion of any such outstanding Excess Working Capital Advance that was so used for Unreimbursable Expenses shall itself become unreimbursable and be deemed forgiven with no further right of Manager to collect or receive the same). Any such reimbursement by the Manager pursuant to the foregoing shall be as follows: within ten (10) Business Days after written demand therefor from either Member, the Manager shall pay each Member by wire transfer of immediately available funds to an account specified by each Member an amount equal to such Member's Percentage Interest (as of the later of (x) the date of such demand or (y) the date of such payment) multiplied by the amount of all such Unreimbursable Expenses.

(f) The Company shall indemnify and hold harmless each Member and each Member's respective officers, directors, employees and members (all of the foregoing collectively, the "**Covered Persons**") for any Losses incurred by such Covered Person by reason of a Third Party Claim relating to any act or omission by or of such Covered Person in connection with the exercise or performance of the rights, powers, responsibilities and obligations of such Covered Person (or, if such Covered Person is other than a Member, of the Member in respect of which such Covered Person so constitutes a Covered Person) regarding the Company except for (i) any Third Party Claim or Loss resulting from fraud, gross negligence, willful misconduct or an intentional breach of this Agreement or any Ancillary Document by such Covered Person (or if such Covered Person is other than a Member, by the Member in respect of which such Covered Person so constitutes a Covered Person), and (ii) in the case of the Private Owner (in any capacity, including as the Manager), (x) any claim or demand by any Servicer or Subservicer (or, for the avoidance of doubt, any Loss arising out of or related to such claim or demand) and (y) any Third Party Claim or Loss that is in whole or in part covered by or subject to an indemnification obligation of the Private Owner (in any capacity, including as the Manager) under any provision of this Agreement or any Ancillary Document, including the foregoing provisions of Section 4.6(a).

(g) Tax Liability of Ownership Entity. Notwithstanding anything to the contrary contained herein, if any Ownership Entity is not a pass-through entity with no entity-

level income tax obligations, distributions to the Initial Member pursuant to Section 6.6 (including for the purposes of Section 9.2(c)) shall be allocated before accrual or payment of any income tax payable by such Ownership Entity, and the Private Owner (or its successors or assigns) shall indemnify and hold harmless the Initial Member from and against any liability for any income taxes payable by the Ownership Entity; provided, however, that the foregoing special allocation and indemnity shall not apply if (i) the Private Owner (and each of its successors and assigns) has taken all steps necessary to secure pass-through treatment of the Ownership Entity and (ii) the liability for income taxes payable by the Ownership Entity arises solely as a result of a change in law applicable to pass-through entities occurring after the date hereof and not as a result of action (or inaction) by the Private Owner (or its successors or assigns).

(h) Offsets. Without limiting any other rights of the Initial Member hereunder, in the event the Initial Member exercises any rights or remedies as a result of or in connection with a breach hereunder or the occurrence of an Event of Default (including relating to a breach of Section 4.6), all costs and expenses (including reasonable attorneys' fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or preparing the defense or assertion of any claim) incurred by the Initial Member with respect thereto may be offset by the Initial Member against any payment or distribution otherwise payable to the Private Owner (including any Interim Management Fee or Management Fee), whether in its capacity as a Member or as the Manager (in each case except to the extent such breach or Event of Default is attributable exclusively to a Manager having been appointed by the Initial Member following removal of the Private Owner in such capacity, or to any applicable Servicer (and its Subservicers) having been engaged by the Initial Member, the Company or the applicable replacement Manager following such removal of the Private Owner as Manager, in each case that is not an Affiliate of the Private Owner). For the avoidance of doubt, the effects of any of this Section 4.6(h) and Section 4.6(g) above shall be disregarded for purposes of calculations with respect to the First Incentive Threshold Event and the Second Incentive Threshold Event.

## ARTICLE V
## Capital Contributions; Discretionary Funding Advance; Excess Working Capital Advance

5.1 Capital Contributions.

(a) Members' Contribution. Pursuant to the Contribution Agreement, the Initial Member made a Capital Contribution to the Company in an amount equal to the Initial Member Capital Contribution. In connection with the Transferred LLC Interest Sale Agreement, Private Owner acquired from the Initial Member the Transferred LLC Interest representing a forty percent (40)% equity interest in the Company in exchange for the Transferred LLC Interest Sale Price. After giving effect to the foregoing transactions (and to the Capital Contributions referenced in Section 5.2 below), the respective Capital Accounts of the Initial Member and the Private Owner as of the Closing Date are as set forth in the Annex I (the Member Schedule).

(b) From and after the Closing Date (and except as provided in Section 5.2 below), the Members shall have no obligation to make any additional Capital Contributions to the Company.

5.2 Working Capital Reserve. On the Closing Date, the Initial Member and the Private Owner shall fund, as Capital Contributions to the Company, the Working Capital Reserve Account in accordance with the provisions of Section 12.11 hereof and Section 1 of the Transferred LLC Interest Sale Agreement, which funds shall be used for payment of Working Capital Expenses in accordance with the provisions in such Section 12.11 and as otherwise permitted pursuant to the Custodial and Paying Agency Agreement.

5.3 Discretionary Funding Advance.

(a) In the event there are insufficient funds in the Collection Account and also insufficient funds in the Working Capital Reserve Account to make Funding Draws with respect to specific Loans (and related Acquired Property), the Manager may, in its discretion, make an advance to the Company (the "**Discretionary Funding Advance**"), which Discretionary Funding Advance shall be reimbursable (and shall accrue interest as set forth herein) only to the extent used exclusively for the applicable Funding Draws for specified Loans (or related Acquired Property). In no event may Discretionary Funding Advances be used for payment of any Working Capital Expenses other than Funding Draws. The proceeds of Discretionary Funding Advances shall be deposited into the Collection Account for disbursement therefrom for the making of the applicable Funding Draws. All Discretionary Funding Advances, together with a detailed statement of the sources and uses thereof (which shall be broken out by the reimbursable and unreimbursable portions thereof) and description of the allocation to the Loans for which such Discretionary Funding Advance was made, shall be reflected in the Monthly Report with respect to the calendar month during which the relevant Discretionary Funding Advance was made.

(b) Discretionary Funding Advances shall bear interest on the outstanding principal amount thereof at a rate per annum equal to the LIBOR Rate in effect from time to time, plus 3.0%. Interest shall be calculated on the basis of a 360 day year and actual days elapsed. Interest shall accrue on each Discretionary Funding Advance for the day on which the Discretionary Funding Advance is made, and shall not accrue on a Discretionary Funding Advance, or any portion thereof, for the day on which the Discretionary Funding Advance or such portion is paid. Each Discretionary Funding Advance, including interest accrued with respect thereto, shall be repaid in accordance with Sections 3.1 and 5.1 of the Custodial and Paying Agency Agreement, it being agreed that, as to any specific amounts to be so applied to the repayment of one or more Discretionary Funding Advances relating to the same Loan, such amounts shall be applied first to outstanding interest on such Discretionary Funding Advances (on a pro rata basis as among such Discretionary Funding Advances, if applicable) and then to the principal amount (on a pro rata basis as among such Discretionary Funding Advances, if applicable). The Manager may not assign, sell, transfer, participate, pledge, or hypothecate, in whole or in part, its interest in any Discretionary Funding Advances without the consent of the Initial Member, and until the Purchase Money Notes Defeasance Date, the Purchase Money Notes Guarantor.

5.4 Excess Working Capital Advances. In the event there are insufficient funds in the Collection Account and also insufficient available funds in the Working Capital Reserve Account (including, as applicable, by a permitted release of such funds to the Collection Account or as otherwise permitted in the Custodial and Paying Agency Agreement) to (a) pay any

Working Capital Expenses other than (i) Funding Draws or (ii) the Management Fee, Interim Management Fee or Interim Servicing Fee, or (b) fund the Defeasance Account by such amount as may be required to cure a Purchase Money Notes Trigger Event (as defined in the Reimbursement, Security and Guaranty Agreement), then the Manager (x) shall, except as otherwise provided in Section 12.6, make an advance of its own funds to the Company to be used by the Company for payment of such permitted (or required, as applicable) Working Capital Expenses and (y) may (but shall not have an obligation to) make an advance of its own funds to the Company to be used by the Company for such funding of the Defeasance Account (any such advance to the Company pursuant to the foregoing, an "**Excess Working Capital Advance**"). In no event may Excess Working Capital Advances be used for the making of any Funding Draws. No Excess Working Capital Advance shall accrue any interest thereon. Excess Working Capital Advances shall be repaid in accordance with Section 5.1 of the Custodial and Paying Agency Agreement. The proceeds of Excess Working Capital Advances for payment of Working Capital Expenses shall be deposited into the Collection Account for disbursement therefrom for the payment of such permitted Working Capital Expenses. The proceeds of any Excess Working Capital Advance for an applicable funding of the Defeasance Account shall be deposited into (and the Manager shall remit such proceeds to the Paying Agent for such deposit into) the Defeasance Account. To the extent multiple Working Capital Expenses (payment of which is permitted to be made using such Excess Working Capital Advance) are outstanding, any funding or use by the Manager of Excess Working Capital Advances for payment of all or any of the same shall follow the relevant priorities as set forth in the Priority of Payments and in Section 3.1 of the Custodial and Paying Agency Agreement, as applicable. All Excess Working Capital Advances, together with a detailed statement of the sources and uses thereof (which shall be broken out by the reimbursable and unreimbursable portions thereof), shall be reflected in the Monthly Report with respect to the calendar month during which the relevant Excess Working Capital Advance was made. The Manager may not assign, sell, transfer, participate, pledge, or hypothecate, in whole or in part, its interest in any Excess Working Capital Advances without the consent of the Initial Member.

## ARTICLE VI
## Capital Accounts; Allocations; Priority of Payments; Distributions

6.1 Capital Accounts. A Capital Account shall be established and maintained for each Member to which shall be credited the Capital Contributions made by such Member and such Member's allocable share of Net Income (and items thereof), and from which shall be deducted distributions to such Member of cash or other Property and such Member's allocable share of Net Loss (and items thereof). As to the Private Owner, the initial Capital Account shall correspond to that portion of the Capital Account of the Initial Member that is attributable to the Transferred LLC Interest (as defined in the Transferred LLC Interest Sale Agreement) acquired by the Private Owner pursuant to the Transferred LLC Interest Sale Agreement. A Member's Capital Account also shall be adjusted for items specially allocated to such Member under this Article VI. The Capital Accounts of the Members generally shall be adjusted and maintained in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv); provided, however, that such adjustments to, and maintenance of, the Capital Accounts shall not adversely affect the manner in which distributions are to be made to the Members under Section 6.6.

6.2 Allocations to Capital Accounts. Allocation of Net Income and Net Loss shall be made as provided in this Article VI.

(a) Except as otherwise provided in this Agreement, Net Income and Net Loss (and, to the extent necessary, individual items of income, gain, loss, deduction or credit) of the Company shall be allocated among the Members in a manner such that, after giving effect to the special allocations set forth in Section 6.2(b), the Capital Account balance of each Member, immediately after making such allocation, is, as nearly as possible, equal to (i) the distributions that would be made to such Member pursuant to Section 6.6 if the Company were dissolved, its affairs wound up and its assets sold for cash equal to their Book Value, all Company liabilities were satisfied (limited with respect to each nonrecourse liability to the tax bases of the assets securing such liability), and the net assets of the Company were distributed, in accordance with Section 9.2(c), to the Members immediately after making such allocation, minus (ii) such Member's share of "partnership minimum gain" and "partner nonrecourse debt minimum gain" (as such terms are used in Treasury Regulations Section 1.704-2), computed immediately prior to the hypothetical sale of assets.

(b) Allocations in Special Circumstances. The following special allocations shall be made in the following order:

(i) *Minimum Gain Chargeback*. Notwithstanding any other provision of this Article VI, if there is a net decrease in minimum gain (as it corresponds to the definition of "partnership minimum gain" in Treasury Regulations Section 1.704-2(b)(2) and (d)) during any Fiscal Year, the Members shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Member's share of the net decrease in minimum gain, determined in accordance with Treasury Regulations Section 1.704-2(f) and (g). This Section 6.2(b)(i) is intended to comply with the "minimum gain chargeback" requirement in such section of the Treasury Regulations and shall be interpreted consistently therewith.

(ii) *Member Minimum Gain Chargeback*. Notwithstanding any other provision of this Article VI other than 6.2(b)(i), if there is a net decrease in minimum gain attributable to a Member nonrecourse debt (as it corresponds to the definition of "partnership nonrecourse debt minimum gain" in Treasury Regulations Section 1.704-2(i)) during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Member's share of the net decrease in such minimum gain attributable to such Member's nonrecourse debt, determined in accordance with Treasury Regulations Section 1.704-2(i). This Section 6.2(b)(ii) is intended to comply with the "partner minimum gain chargeback" requirement in such section of the Treasury Regulations and shall be interpreted consistently therewith.

(iii) *Qualified Income Offset*. In the event any Member, for any reason, whether expected or not, has an Adjusted Capital Account Deficit, items of

Company income and gain shall be specially allocated to each such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, such Adjusted Capital Account Deficit as quickly as possible, provided that an allocation pursuant to this Section 6.2(b)(iii) shall be made only if and to the extent that such Member would have such Adjusted Capital Account Deficit after all other allocations provided for in Section6.2 have been tentatively made as if this Section 6.2(b)(iii) were not in this Agreement. This Section 6.2(b)(iii) is intended to comply with the "qualified income offset" provisions in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(iv) *Nonrecourse Deductions*. Any nonrecourse deductions attributable to a Member nonrecourse debt (as described in Treasury Regulations Section 1.704-2(i)) shall be allocated to the Member who bears the economic risk of loss with respect to such nonrecourse debt. Otherwise, nonrecourse deductions shall be allocable in accordance with the Members' respective Percentage Interests.

(v) *Loss Allocation Limitation*. No allocation of Net Loss (or any item thereof) shall be made to any Member to the extent that such allocation would create or increase a Member's Adjusted Capital Account Deficit. If, in the allocation of Net Loss (or any item thereof), less than all Members would have an Adjusted Capital Account Deficit as a result of such allocation, then any Net Loss (or item thereof) not allocable to any such Member(s) as a result of such limitation shall be allocated (subject to such limitation) to the other Member so as to allocate the maximum permissible Net Loss to each Member under Treasury Regulation Section 1.704-1(b)(2)(ii)(d).

(vi) *Curative Allocations.* The allocation provisions of this Section 6.2(b) are intended to comply with certain requirements of the Treasury Regulations. Notwithstanding any other provisions of this Article VI, any allocation effected pursuant to this Section 6.2(b) shall be taken into account in allocating Net Income and Net Loss among the Members such that the cumulative effect of all such allocations achieves the fundamental purpose of Sections 6.2(a), so that the Capital Account balances correspond to the amounts distributable to the Members.

(c) Transfer of or Change in LLC Interests. The Tax Matters Member is authorized to adopt any convention or combination of conventions likely to be upheld for federal income tax purposes regarding the allocation of items of Company income, gain, loss, deduction and expense with respect to a transferred LLC Interest. A transferee of an LLC Interest in the Company shall succeed to the Capital Account of the transferor Member to the extent it relates to the transferred LLC Interest.

6.3 Tax Allocations.

(a) General Rules. Except as otherwise provided in Section 6.3(b), for each Fiscal Year, items of Company income, gain, loss, deduction and expense shall be allocated, for federal, state and local income tax purposes among the Members in the same manner as the Net Income (and items thereof) or Net Loss (and items thereof) of which such items are components were allocated pursuant to Section 6.2.

(b) Section 704(c) of the Code. Income, gains, losses and deductions with respect to any property (other than cash) contributed or deemed contributed to the capital of the Company shall, solely for income tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Fair Market Value at the time of the contribution or deemed contribution in accordance with Section 704(c) of the Code and the Treasury Regulations promulgated thereunder. Such allocations shall be made in such manner and utilizing such permissible tax elections as determined in good faith by the Tax Matters Member, following consultation with the Initial Member. In the event of a revaluation of Property pursuant to the definition of Book Value, subsequent allocations of income, gains, losses or deductions with respect to such Property shall take account of any variation between the Book Value and Fair Market Value of such Property, as so determined from time to time, in accordance with Section 704(c) of the Code and the Treasury Regulations promulgated thereunder. Such allocations shall be made in such manner and utilizing such permissible tax elections as determined in good faith by the Tax Matters Member, following consultation with the Initial Member. For the avoidance of doubt, any losses recognized by the Company that are attributable to property acquired by the Company pursuant to the Contribution Agreement and that are deferred pursuant to Section 707(b)(1) or Section 267(a) of the Code shall, solely for income tax purposes, be allocated to the Initial Member.

(c) Capital Accounts Not Affected. Allocations pursuant to this Section 6.3 are solely for federal, state and local tax purposes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or allocable share of Net Income (or items thereof) or Net Loss (or items thereof).

(d) Tax Allocations Binding. The Members acknowledge that they are aware of the tax consequences of the allocations made by this Section 6.3 and hereby agree to be bound by the provisions of this Section 6.3 in reporting their respective shares of items of Company income, gain, loss, deduction and expense.

6.4 Determinations by Tax Matters Member. All matters concerning the computation of Capital Accounts, the allocation of items of Company income, gain, loss, deduction and expense and the adoption of any accounting procedures not expressly provided for by the terms of this Agreement shall be determined by the Tax Matters Member in good faith, following consultation with the Initial Member. Following such consultation, such determinations shall be final and conclusive as to all the Members. Without in any way limiting the scope of the foregoing, if and to the extent that, for income tax purposes, any contribution to or distribution by the Company or any payment by any Member or by the Company is recharacterized, the Tax Matters Member may, in good faith following consultation with the Initial Member, specially allocate items of Company income, gain, loss, deduction or expense and/or make correlative

adjustments to the Capital Accounts of the Members in a manner so that the net amount of income, gain, loss, deduction and expense realized by each relevant party (after taking into account such special allocations) and the net Capital Account balances of the Members (after taking into account such special allocations and adjustments) shall, as nearly as possible, achieve the fundamental purpose of Sections 6.2(a), such that the Capital Account balances correspond to the amounts distributable to the Members, as if such recharacterization had not occurred.

6.5 Priority of Payments. Each calendar month the amounts deposited in the Distribution Account under the Custodial and Paying Agency Agreement shall be distributed by the Paying Agent in the order of the Priority of Payments; provided, however, that for the avoidance of doubt, to the extent amounts are available for distribution to the Members with respect to their respective LLC Interests (such available amounts, the **"Distributable Cash"**), such Distributable Cash shall be distributed to the Members in accordance with Section 6.6 below.

6.6 Distributions.

(a) No Right to Withdraw. No Member shall have the right to withdraw capital or demand or receive distributions or other returns of any amount in its Capital Account, except as expressly provided in this Agreement.

(b) Ordinary Distributions.

(i) *Timing*. Distributable Cash, if any, shall be distributed to the Members on a monthly basis by the Paying Agent out of the Distribution Account in the manner set forth in the Custodial and Paying Agency Agreement; provided, however, that the Manager shall instruct the Paying Agent as to how such distributions are to be allocated as between the Initial Member and the Private Owner based on Section 6.6(b)(ii) below (which instructions shall be included in one or more reports to be provided to Paying Agent in accordance with Section 7.4(b)).

(ii) *Distributions of Distributable Cash*. Each distribution of Distributable Cash shall be made to the Members as follows:

(A) first, sixty percent to the Initial Member and forty percent to the Private Owner, until the time at which the First Incentive Threshold Event occurs; and

(B) thereafter, sixty-five percent to the Initial Member and thirty-five percent to the Private Owner, until the time at which the Second Incentive Threshold Event occurs; and

(C) thereafter, seventy percent to the Initial Member and thirty percent to the Private Owner.

For the avoidance of doubt, distributions to the Members occurring on the Distribution Date on which any of the First Incentive Threshold Event or the Second Incentive Threshold Event occurs shall, (x) with respect to all distributions up to the amount required for reaching such First Incentive Threshold Event or Second Incentive Threshold Event, as applicable, be allocated without regard to the occurrence of such First Incentive Threshold Event or Second Incentive Threshold Event, as applicable, and (y) with respect to all remaining distributions on such Distribution Date, be allocated taking into account the occurrence of such First Incentive Threshold Event or Second Incentive Threshold Event, as applicable.

(iii) *Incentive Threshold Events*. The "**First Incentive Threshold Event**" shall occur as of a Distribution Date if (A) the aggregate distributions made to the Private Owner pursuant to Section 6.6(b)(ii) as of such Distribution Date is equal to or greater than the product of two (2.0) and the Incentive Threshold Base Amount, and (B) the Incentive Threshold as of such Distribution Date (determined based on the Threshold Increase Amount for the First Incentive Threshold Event) is equal to zero. The "**Second Incentive Threshold Event**" shall occur as of a Distribution Date if (A) the aggregate distributions made to the Private Owner pursuant to Section 6.6(b)(ii) as of such Distribution Date is equal to or greater than the product of two and one-half (2.5) and the Incentive Threshold Base Amount, and (B) the Incentive Threshold as of such Distribution Date (determined based on the Threshold Increase Amount for the Second Incentive Threshold Event) is equal to zero.

(iv) *Incentive Threshold*. The "**Incentive Threshold**" shall be determined as follows:

(A) as of the Closing Date, the Incentive Threshold shall be equal to the sum of (x) Transferred LLC Interest Sale Price and (y) the amount funded by the Private Owner into the Working Capital Reserve Account pursuant to Section 12.11(b) (the "**Incentive Threshold Base Amount**"); and

(B) as of any Distribution Date, the Incentive Threshold (as determined separately with respect to each of the First Incentive Threshold Event and the Second Incentive Threshold Event) shall be an amount equal to (1) the sum of (i) the applicable Incentive Threshold as of the preceding Distribution Date (or, in the case of the first Distribution Date, the Closing Date), and (ii) the applicable Threshold Increase Amount, minus (2) the aggregate distributions made to the Private Owner pursuant to Section 6.6(b)(ii) as of such Distribution Date; provided, that, if, as of any Distribution Date, the amount referred to in clause (B)(2) of Section 6.6(b)(iv) is greater than the amount referred to in clause (B)(1) of Section 6.6(b)(iv), then the applicable Incentive Threshold shall be deemed to be zero for such Distribution Date and all subsequent Distribution Dates.

(c) Restrictions on Distributions. The foregoing provisions of this Article VI to the contrary notwithstanding, no distribution shall be made if such distribution would violate any contract or agreement to which the Company is then a party or any Law or directive of any Governmental Authority then applicable to the Company.

(d) Withholding. Notwithstanding any other provision of this Agreement, the Manager is authorized to take any action that it determines to be necessary or appropriate to cause the Company to comply with any foreign or United States federal, state or local withholding requirement with respect to any allocation, payment or distribution by the Company to any Member or other Person. All amounts so withheld shall be treated as distributions to the applicable Members under the applicable provisions of this Agreement. If any such withholding requirement with respect to any Member exceeds the amount distributable to such Member under the applicable provisions of this Agreement, or if any such withholding requirement was not satisfied with respect to any amount previously allocated or distributed to such Member, such Member and any successor or assignee with respect to such Member's LLC Interest hereby agrees to indemnify and hold harmless the Manager and the Company for such excess amount or such withholding requirement, as the case may be.

(e) Record Holders. Any distribution of Property, whether pursuant to this Article VI or otherwise, shall be made only to Persons that, according to the books and records of the Company, were the holders of record of LLC Interests on the date determined by the Manager as of which the Members are entitled to any such distribution.

(f) Final Distribution. The final distribution following dissolution of the Company (the "**Final Distribution**") shall be made in accordance with the provisions of Section 9.2.

## ARTICLE VII
## Accounting, Reporting and Taxation

7.1 Fiscal Year. The books and records of the Company shall be kept on an accrual basis and the fiscal year of the Company shall commence on January 1 and end on December 31 (the "**Fiscal Year**").

7.2 Maintenance of Books and Records.

(a) Maintenance of Books and Records. At all times during the continuance of the Company, the Manager shall cause to be kept and maintained (including by the Servicer and any Ownership Entity and including records transferred by Receiver to the Company in connection with its conveyance of the Loans to the Company under the Contribution Agreement), at all times, at the Company's chief executive office referred to in Section 2.4, a complete and accurate set of files, books and records regarding the Loans and the Underlying Collateral, and the Company's and the relevant secured parties' interests in the Loans and the Underlying Collateral, including records relating to the Collection Account, the Escrow Accounts, the Working Capital Reserve Account, any liquidity reserve account (if permitted), the Defeasance Account, and the disbursement of all Loan Proceeds. This obligation to maintain a complete and accurate set of records shall encompass all files in the Manager's or Company's custody, possession or control

pertaining to the Loans and the Underlying Collateral, including (except as required to be held by the Custodian pursuant to the Custodial and Paying Agency Agreement) all original and other documentation pertaining to the Loans and the Underlying Collateral, all documentation relating to items of income and expense pertaining to the Loans and the Underlying Collateral, and all of the Manager's (and each Servicer's and Subservicer's) internal memoranda pertaining to the Loans and the Underlying Collateral. The books of account shall be maintained in a manner that provides sufficient assurance that: (a) transactions of the Company are executed in accordance with the general or specific authorization of the Manager consistent with the provisions of this Agreement; and (b) transactions of the Company are recorded in such form and manner as will: (i) permit preparation of federal, state and local income and franchise tax returns and information returns in accordance with this Agreement and as required by Law; (ii) permit preparation of the Company's financial statements in accordance with GAAP and as otherwise set forth herein and the provisions of the reports required to be provided hereunder; and (iii) maintain accountability for the Company's assets.

(b) Retention of Books and Records. The Manager shall cause all such books and records to be maintained and retained until the date that is the later of ten (10) years after the Closing Date and three (3) years after the date on which the Final Distribution is made. All such books and records shall be available during such period for inspection by the Initial Member, the FDIC or any of their respective representatives (including any Governmental Authority) and agents at the Company's chief executive office referred to in Section 2.4 at all reasonable times during business hours on any Business Day (or, in the case of any such inspection after the term hereof, at such other location as is provided by notice to the Initial Member and the FDIC), in each instance upon two (2) Business Days' prior notice to the Manager. Upon request by Initial Member or the FDIC, the Manager shall promptly send copies (the number of copies of which shall be reasonable) of such books and records to such requesting Person or its designee. The Manager shall provide the Initial Member and the FDIC with reasonable advance notice of the Manager's intention to destroy or dispose of any documents or files relating to the Loans and, upon the request of the Initial Member or the FDIC, shall allow such requesting Person to recover the same (or copies thereof) from the Company and in the case both the Initial Member and the FDIC so request the same, the FDIC shall have the right to recover such documents or files, but the Initial Member shall have the right to make copies of such applicable documents or files so long as such copies are made while such documents files remain with the Manager or the Company (and prior to recovery of the same by the FDIC). The Manager shall also maintain complete and accurate records reflecting the status of taxes, ground leases or other recurring charges which could become a Lien on any Underlying Collateral. Any expense incurred by Initial Member or the FDIC and any reasonable out-of-pocket expense incurred by the Company in connection with the exercise by Initial Member or the FDIC of its respective rights in this Section 7.2(b) to recover or make (or otherwise receive) copies of books, records, documents or files shall be borne by such Person so exercising such rights; provided, however, that any expense incident to the exercise of such rights pursuant to this Section 7.2(b) as a result of or during the continuance of an Event of Default shall in all cases be borne by the Private Owner (except to the extent such Event of Default is attributable exclusively to a Manager having been appointed by the Initial Member following removal of the Private Owner in such applicable capacity, or to any applicable Servicer (and its Subservicers) having been engaged by the Initial Member, the

Company or the applicable replacement Manager following such removal of the Private Owner as Manager, in each case that is not an Affiliate of the Private Owner).

7.3 Financial Statements.

(a) Annual Financial Statements. As soon as practicable following, but no later than ninety (90) days immediately after, the end of each Fiscal Year (commencing with respect to the 2010 Fiscal Year), the Manager shall prepare and deliver to Initial Member an audited consolidated balance sheet of the Company and the Ownership Entities as at the end of such Fiscal Year, and audited consolidated statements of operations and cash flow of the Company and the Ownership Entities for such Fiscal Year, each prepared in accordance with GAAP and accompanied by the Accountants' report thereon, which shall be certified in the customary manner by the Accountants.

(b) Quarterly Financial Information. As soon as practicable following, but no later than thirty (30) days immediately after, the end of each quarter of each Fiscal Year (other than the last quarter of such Fiscal Year, and commencing with the calendar quarter ending on or about June 30, 2010), the Manager shall prepare and deliver to Initial Member unaudited consolidated balance sheet of the Company and the Ownership Entities as at the end of such calendar quarter, and unaudited consolidated statements of operations and cash flow of the Company and the Ownership Entities for such calendar quarter (and, for the first such report, also covering the period from the Closing Date through the end of such calendar quarter), each prepared in accordance with GAAP.

7.4 Additional Reporting and Notice Requirements.

(a) Manager's Duty to Initial Member and Secured Parties; Delivery of Certain Notices. In addition to such other reports and access to books, records and reports as are required to be provided under this Agreement, the Manager shall cause to be delivered to the Initial Member and the Purchase Money Notes Guarantor such information as is specified in Exhibit B (in addition to the Monthly Report) and such other information relating to the Loans, the Underlying Collateral, the Company, the Servicers and any Subservicers as Initial Member or the Purchase Money Notes Guarantor may reasonably request from time to time and, in any case, shall ensure that Initial Member and the Purchase Money Notes Guarantor are promptly advised, in writing, of any matter of which the Manager, any Servicer or any Subservicer becomes aware relating to the Loans, the Underlying Collateral, the Collection Account, the Escrow Accounts, the Working Capital Reserve Account, the Defeasance Account, or any Borrower or Obligor that materially and adversely affects the interests of Initial Member hereunder or of any secured party under the Reimbursement, Security and Guaranty Agreement. Without limiting the generality of the foregoing, the Manager shall cause to be delivered to Initial Member information indicating any possible Environmental Hazards with respect to any Underlying Collateral. To the extent that the Initial Member requests information which is dependent upon obtaining such information from a Borrower, Obligor or other third party, the Manager shall cause to be made commercially reasonable efforts to obtain such information but it shall not be a breach by the Manager of this Agreement if the Manager fails to cause such information to be provided to Initial Member because a Borrower, Obligor or other Person has failed to provide such information after such efforts have been made. In addition to such other reports and access to books, records and reports

as are required to be provided under this Agreement (including this Section 7.4(a) above), the Private Owner (x) shall cause to be delivered to the Initial Member and the Purchase Money Notes Guarantor such information and evidence relating to compliance by the Private Owner and the Private Owner Guarantor with the requirements of clause (v) of Section 10.1(a) and clause (v) of Section 10.2(a), as Initial Member or the Purchase Money Notes Guarantor may reasonably request from time to time and, (y) in any case, shall in good faith immediately advise, in writing, the Initial Member and the Purchase Money Notes Guarantor of (i) any capital contribution to the Private Owner or the Private Owner Guarantor under a Satisfactory Equity Commitment Letter or (ii) any failure or cessation of the Private Owner or the Private Owner Guarantor to satisfy the requirements of clause (v) of Section 10.1(a) or clause (v) of Section 10.2(a), provided that any failure of the Private Owner to so provide such immediate notice under this clause (y) shall not be deemed a breach of this Agreement so long as the relevant information with respect thereto is included in the applicable Monthly Report for the period including the date on which such capital contribution or failure occurred (so long as such Monthly Report is timely delivered in accordance herewith).

(b) Monthly Reports. On or prior to the Distribution Date for each month, commencing on the Distribution Date following the calendar month in which the Closing Date occurs, the Company shall deliver or cause the Manager to deliver to the Paying Agent, the Initial Member and the Purchase Money Notes Guarantor the Monthly Report with respect to the relevant Due Period, which Monthly Report shall include the Distribution Date Report specifying the amounts and recipients of all funds to be distributed by the Paying Agent on such Distribution Date; provided however, that (unless the Company and the Initial Member agree otherwise) the Initial Member will prepare and deliver to the Paying Agent, and the Purchase Money Notes Guarantor the Monthly Report (including the Distribution Date Report) on behalf of the Company for all Due Periods ending on or before March 31, 2010. Following receipt by the Paying Agent of the Monthly Report (including the Distribution Date Report) with respect to a given Due Period, the Paying Agent shall prepare and deliver the Custodian and Paying Agent Report with respect to such Due Period in accordance with the terms of the Custodial and Paying Agency Agreement. Each Monthly Report (including the Distribution Date Report) prepared and delivered by the Manager shall be certified by the chief financial officer (or an equivalent officer) of the Manager. Each Monthly Report prepared and delivered by the Manager shall also include a certification of the Manager that all withdrawals by the Manager from the Collection Account during such Due Period were made in accordance with the terms of this Agreement and the Custodial and Paying Agency Agreement.

(c) Annual Compliance Certificates. The Manager shall, and shall cause each Servicer and Subservicer to, deliver to Initial Member and the Purchase Money Notes Guarantor, on or before March 15 of each year, commencing in the year 2011, an officer's certificate stating, as to the signer thereof, that (i) a review of such party's (in the case of the Manager, for the avoidance of doubt, in any capacity under this Agreement) activities during the preceding calendar year (or other applicable period as set forth below in this Section 7.4(c) and of its performance under this Agreement (or, as applicable, the Servicing Agreement or any Subservicing Agreement) has been made under such officer's supervision, and (ii) to the best of such officer's knowledge and belief, based on such review, such party (in the case of the Manager, for the avoidance of doubt, in any capacity under this Agreement) has fulfilled all of its obligations under

this Agreement (or, as applicable, the Servicing Agreement or Subservicing Agreement) in all material respects throughout such year (or other applicable period as set forth below in this Section 7.4(c)) or, if there has been a failure to fulfill any such obligation in any material respect, specifying each such failure and the nature and status thereof. The first such officer's certificate shall, with respect to any Loan, shall cover the period commencing on the Closing Date (and with respect to each Loan, including relevant information with respect thereto for the period commencing on the Servicing Transfer Date for such Loan) and continuing through the end of the 2010 calendar year. In the event a Servicer or any Subservicer was terminated, resigned or otherwise performed in such capacity for only part of a year (or other applicable period, as the case may be, with respect to the period commencing, with respect to any Loan, on the applicable Servicing Transfer Date through the end of the 2010 calendar year), such party shall provide an officer's certificate pursuant to this Section 7.4(c) with respect to such portion of the year (or other applicable period).

(d) Annual Compliance Report. On or before March 15 of each year, commencing in the year 2011, the Manager shall cause each Servicer and Subservicer to provide to each of the Paying Agent, the Initial Member and the Purchase Money Notes Guarantor the annual reports (including the independent accountant report) for the prior Fiscal Year (or other applicable period as set forth below) required under Section 1122 of Regulation AB (regardless of whether any such requirements apply, by their terms, only to companies registered or required to file reports with the Securities and Exchange Commission) with respect to the relevant servicing criteria provisions of Section 1122(d)(1) of Regulation AB that are applicable to the servicing being conducted under this Agreement (and the Servicing Agreement) pursuant to Section 12.3(d) below. The first such reports shall cover the period commencing on the Closing Date (and for each Loan, covering the period from the applicable Servicing Transfer Date) and continuing through the end of the 2010 Fiscal Year.

(e) Audits. Until the later of the date that is ten (10) years after the Closing Date and the date that is three (3) years after the Final Distribution, the Manager shall, and shall cause each Servicer and Subservicer to, (i) provide any representative of Initial Member (including any Governmental Authority), during normal business hours and on reasonable notice, with access to all of the books of account, reports and records relating to the Loans or any Underlying Collateral, the Servicing Obligations, the Collection Account, the Escrow Accounts, the Working Capital Reserve Account, any account created under the Servicing Agreement, the Defeasance Account, disbursements under the Custodial and Paying Agency Agreement, distributions hereunder or any other matters relating to this Agreement or the rights or obligations hereunder or under the Ancillary Documents; (ii) permit such representatives to make copies of and extracts from the same, (iii) allow Initial Member to cause such books to be audited by accountants selected by Initial Member, and (iv) allow Initial Member's representatives to discuss the Company's, Manager's and any Servicer's and any Subservicer's affairs, finances and accounts, as they relate to the Loans, the Underlying Collateral, the Servicing Obligations, the Collection Account, the Escrow Accounts, the Working Capital Reserve Account, the Defeasance Account, or any other matters relating to this Agreement, the Ancillary Documents, or the rights or obligations hereunder and thereunder, with its officers, directors, employees, accountants (and by this provision the Company and Manager hereby authorizes such accountants to discuss such affairs, finances and accounts with such representatives), Servicers and Subservicers, and

attorneys. Any expense incurred by Initial Member and any reasonable out-of-pocket expense incurred by the Company in connection with the exercise by Initial Member of its rights in this Section 7.4(e) shall be borne by the Initial Member; provided, however, that any expense incident to the exercise by Initial Member of its rights pursuant to this Section 7.4(e) as a result of or during the continuance of an Event of Default shall in all cases be borne by the Private Owner (except to the extent such Event of Default is attributable exclusively to a Manager having been appointed by the Initial Member following removal of the Private Owner in such capacity, or to any applicable Servicer (and its Subservicers) having been engaged by the Initial Member, the Company or the applicable replacement Manager following such removal of the Private Owner as Manager, in each case that is not an Affiliate of the Private Owner).

(f) In addition to the foregoing, the Manager shall provide or cause to be provided to the Initial Member, all reports, information (financial or otherwise), certificates and other documents required to be provided by the Company pursuant to the Reimbursement, Security and Guaranty Agreement, and by the Servicer under the Servicing Agreement.

(g) The rights afforded to the Members under this Section 7.4 are in addition to, and not in limitation of, the rights of the Members under Section 18-305(a) of the Act. Section 18-305(c) of the Act shall not apply in relation to the Initial Member.

7.5 Designation of Tax Matters Member. The Private Owner is hereby designated as the "**Tax Matters Member**" under Section 6231(a)(7) of the Code and under other similar Laws of other relevant jurisdictions, to manage, in consultation with the Initial Member, administrative tax proceedings conducted at the Company level by the Internal Revenue Service or other tax authorities with respect to Company matters. Each Member expressly consents to such designation and agrees that, upon the request of the Tax Matters Member, it will execute, acknowledge, deliver, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such consent. The Tax Matters Member is specifically directed and authorized to take whatever steps the Tax Matters Member in its sole and absolute discretion deems necessary or desirable to perfect such designation, including, without limitation, filing any forms or documents with the Internal Revenue Service (or other tax authorities) and taking such other action as may from time to time be required under the Code, Treasury Regulations or other Laws. The Tax Matters Member shall keep the other Members fully informed as to any tax audits of the Company, including promptly providing the other Members with copies of any correspondence from any taxing authority and permitting the other Member to participate in any conferences or meetings with any taxing authority and in any subsequent administrative or judicial proceedings. The Tax Matters Member shall have the authority, following consultation with the Initial Member, to make any tax elections on behalf of the Company permitted to be made, including the election pursuant to Section 754, under any section of the Code or the Treasury Regulations promulgated thereunder or under other Laws. In the event the Company may be deemed to be a "small partnership" as described in Section 6231(a)(1)(B), each Member consents to the Company's electing to be treated as a partnership to which the provisions of Code Section 6221 et. seq. apply (thereby electing to have Code Section 6231(a)(1)(B)(i) not apply). The Initial Member may, at any time following the occurrence and during the continuation of an Event of Default, remove the Private Owner as the Tax Matters Member, appoint itself (or any other willing Member at the time) as the Tax Matters

Member, and serve (or cause such other Member to so serve) in such capacity; provided that such removal shall not relieve the Private Owner as Tax Matters Member of any obligations or liabilities under this Agreement or any Ancillary Document arising, relating to, occurring, or required to have been paid or performed by, the Private Owner as Tax Matters Member in its capacity as such.

7.6 Tax Information. Within ninety (90) days after the end of each Fiscal Year, the Tax Matters Member shall send, or cause to be sent to, each Person who was a Member at any time during the Fiscal Year then ended a Schedule K-1 and such Company tax information as the Tax Matters Member reasonably believes shall be necessary for the preparation by such Person of its United States federal, state and local tax returns in accordance with any Law. Such information shall include a statement showing such Person's share of distributions, income, gain, loss, deductions and expenses and other relevant items of the Company for such Fiscal Year. Promptly upon the request of any Member (or any former Member, for tax years during which such Person was a Member), the Tax Matters Member will furnish to such Member (or former Member):

(a) United States federal, state and local income tax returns or information returns, if any, filed by the Company; and

(b) at the sole cost and expense of the requesting Member, such other information as such Member may reasonably request for the purpose of applying for refunds of withholding taxes.

7.7 Business Plans. As promptly as possible, but in no event later than July 15, 2010 (and, as applicable, with current information as of June 30, 2010) the Manager shall deliver to the Initial Member written plans (each, a "**Business Plan**") detailing the strategy to be used by it in managing and disposing of the assets of the Company in respect of all of the Loans for achieving the Company's purposes with respect thereto, in conformance with the Servicing Standard, based, to the extent appropriate, on information gathered by the Company with respect to the Loans, which shall include (i) individual Business Plans for each of the ten (10) largest Loans based on their Unpaid Principal Balance as of the Cut-Off Date (as set forth on the Loan Schedule), and (ii) a consolidated Business Plan covering all Loans (a "**Consolidated Business Plan**"). With respect to the first such Business Plans and Consolidated Business Plan, the Manager shall meet with the Initial Member as reasonably requested by the Initial Member from time to time during the thirty (30) Business Days following the Initial Member's receipt of the same, to review and discuss such Business Plans and Consolidated Business Plan, including changes thereto suggested by the Initial Member. Within thirty (30) Business Days following expiration of such review period, the Manager will deliver to the Initial member a final version of such Business Plans and Consolidated Business Plan reflecting such changes as the Manager considers to be appropriate in light of its discussions with the Initial Member during such review period. The Manager shall thereafter review and revise each Business Plan and Consolidated Business Plan as the circumstances may require, and in any event provide periodic updates to such Business Plans (and for each such update, the same shall cover the ten (10) largest Loans based on their Unpaid Principal Balance as of the time of such update) and Consolidated Business Plan to the Initial Member, in January (current as of December 31 of the immediately

preceding year) and July (current of June 30 of such year) of each year, commencing in January 2011, with each such periodic update to de delivered as part of the Monthly Reports due at such time pursuant to Section 7.4(b), Upon reasonable notice by the Initial Member, the Company shall make its personnel who are familiar with such Business Plans and Consolidated Business Plans available during normal business hours for the purposes of discussing such Business Plans and Consolidated Business Plans with representatives of the Initial Member and responding to questions therefrom.

(a) Each Business Plan and Consolidated Business Plan will set forth a strategy for the disposition of the Loans addressed thereby which strategy may consist of one or more of the following: (i) the pay-off of Loans at a discount; (ii) modifications of the related note and/or mortgage, including reductions in the mortgage loan interest rate, reductions in the principal balance and rescheduling principal payments; (iii) foreclosure upon the related Underlying Collateral (or acquisition thereof by deed in lieu of foreclosure) and subsequent sale thereof; (iv) assumptions of Loans by new borrowers; (v) repairs to and, if applicable, completion of construction of the related Underlying Collateral, with a view towards selling such Underlying Collateral or the Loan secured thereby; (vi) sale of a Loan, either singly or in pools, before or after restructuring; and (vii) any other method of work-out, rehabilitation and disposition consistent with the Servicing Standard and other general duties of the Company specified in this Agreement.

(b) Each Business Plan and Consolidated Business Plan will set forth a strategy for the disposition of each related Acquired Property which strategy may consist of one or more of the following: (i) the sale or leasing of the Acquired Property in whole or in parts, or in pools; (ii) making repairs to and, if applicable, completion of construction the Acquired Property or making changes to the Acquired Property so that it may be used for uses other than its current use, with a view toward selling the Acquired Property; (iii) rehabilitation or improvement and, if applicable, completion of construction of the Acquired Property, with a view toward selling the Acquired Property; (iv) continued leasing or sales activity with respect to the Acquired Property available for leasing or sale (in whole or in part) at the time it is transferred to a Ownership Entity; and (v) maintenance, landscaping and general upkeep of the Acquired Property.

(c) Each Business Plan or Consolidated Business Plan shall contain the Company's estimate of the present value of the net amount that is recoverable with respect to each related Loan and projected Working Capital Expenses with respect thereto, and, in reasonable detail, the manner of calculation of such estimates. The Consolidated Business Plan shall include projected financials including statements of income, assets, and cash flows for the Company. Such cash flow projections shall, for the Consolidated Business Plan and each update thereto, include an Excel model of projected cash flows by month, as of June 30 and December 31 of each year (or, in the case of the initial Consolidated Business Plan, as of the date of preparation and delivery thereof) and covering a period not less than the upcoming 6 months, including projected monthly cash inflows on the Loans and REO, projected Excess Working Capital Advances and/or Discretionary Funding Advances, projected outflows of Servicing Expenses, projected Funding Draws, projected Working Capital Reserve levels, projected net monthly cash available for deposit into the Defeasance Account, and the amount and allocation of any projected distributions to Initial Member and Private Owner.

## ARTICLE VIII
## **Restrictions on Disposition of LLC Interests**

8.1 Limitations on Disposition of LLC Interests. Except as otherwise provided in this Article VIII, the Private Owner shall not, directly or indirectly, Dispose of or permit to be Disposed of, all or any part of its LLC Interest or any of its rights or interests under this Agreement, except only that the Private Owner may make a direct, outright transfer of its entire (but not less than its entire) LLC Interest if, and only if, (a) (i) the transferee is a single Person that is a Qualified Transferee, (ii) such transferee delivers to the Initial Member a Purchaser Eligibility Certification and the representations and warranties made by such transferee therein shall be true and correct both before and after giving effect to such transfer of the LLC Interest, and (iii) the Private Owner first obtains the prior written consent of the Initial Member and, until the Purchase Money Notes Defeasance Date, the Purchase Money Notes Guarantor to such transfer, or (b) such Disposition is done by or at the direction of the Initial Member pursuant to Sections 3.13 or 3.14. The Private Owner may not under any circumstances Dispose of less than all of its LLC Interest. Transfers by the Private Member satisfying the foregoing criteria are hereinafter referred to as "**Permitted Dispositions**."

8.2 Change of Control. The Private Owner will not permit any Change of Control to occur with respect to the Private Owner unless (i) it first obtains the prior written consent of the Initial Member, and (ii) following such Change of Control, the Private Owner would be a Qualified Transferee. Without limitation of the preceding sentence, the Private Owner will provide the Initial Member with immediate notice at the address specified in Section 13.6 of the occurrence of any Change of Control with respect to the Private Owner.

8.3 Additional Provisions Relating to Permitted Dispositions. Except as otherwise expressly provided in this Section 8.3, the following provisions shall apply to each Permitted Disposition under this Article VIII:

(a) In the event the Private Owner proposes to make a Permitted Disposition, the Private Owner shall be required to pay any and all filing and recording fees, fees of counsel and accountants and other out-of-pocket costs and expenses reasonably incurred by the Initial Member and/or the Company in connection with such Permitted Disposition.

(b) The transferee in a Permitted Disposition shall deliver to the Company, with a copy to the Initial Member, an agreement, in form and substance reasonably satisfactory to the Initial Member, by which such transferee shall (i) agree to become a party to and be bound by this Agreement as the "Private Owner," agree (if the transferor Member, prior to such transfer, also was the Manager) to be appointed as the "Manager", and without limitation of the generality of the foregoing, agree to be bound by the other terms of Section 8.4 hereof, (ii) assume and agree to perform when due all of the obligations of the Private Owner and the Manager (if the transferor Member, prior to such transfer, also was the Manager) under this Agreement, and (iii) represent and warrant that it complies with the requirements set forth in Article X

(c) In connection with each Permitted Disposition, the Private Owner and the transferee shall deliver to the Company and the Initial Member such other documents and

instruments as the Initial Member reasonably may request and which are required to effect the Permitted Disposition and substitute the transferee as a Member.

8.4 Effect of Permitted Dispositions.

(a) Upon consummation of any Permitted Disposition:

(i) the transferee shall be admitted as a member of the Company and be deemed to be a party to this Agreement as the "Private Owner" and, if the transferor Member, prior to such transfer, also was the Manager, such transferee shall be appointed as the Manager (in the place of the transferor Member);

(ii) the transferred LLC Interest shall continue to be subject to all the provisions of this Agreement, and the transferee Member shall have the same status as the Private Owner had at the time of consummation of such Permitted Disposition and, without limiting the generality of the foregoing, any outstanding breach, misrepresentation, violation or default (with respect to this Agreement or any Ancillary Document) by any direct or indirect predecessor to the transferee as the Member, or by any Affiliate of any such predecessor Member, shall be deemed to constitute an outstanding breach, misrepresentation, violation or default as the case may be, by the transferee Member;

(iii) subject to Section 8.4(b) and the last sentence of Section 13.8, the transferor Member shall cease to be a member of the Company (and accordingly, except as expressly otherwise provided in Section 8.4(b) or the last sentence of Section 13.8, shall cease to be responsible for the payment or performance of any of the obligations or liabilities under this Agreement of the Private Owner, in any capacity hereunder).

(b) No Permitted Disposition (and no resulting withdrawal or resignation of the transferor Member from the Company) shall:

(i) relieve the transferor Member of any of the obligations or liabilities of the transferor Member, in any capacity, under this Agreement or any Ancillary Document required to have been paid or performed prior to the consummation of such Permitted Disposition (or of any liability it may have arising out of any breach, misrepresentation, violation or default by the transferor Member prior to such consummation);

(ii) result in the termination of, relieve the transferor Member (or any of its Affiliates) of, or otherwise affect, any of the obligations or liabilities of the transferor Member, in any capacity, or its Affiliates under, any Related Party Agreement (such Related Party Agreements to continue in effect in accordance with their respective terms), except to the extent expressly provided in such Related Party Agreement; or

(iii) dissolve the Company.

8.5 Effect of Prohibited Dispositions. Any attempted or purported Disposition of the LLC Interest of the Private Owner (or any portion thereof) not strictly in accordance with the terms of this Agreement shall be void ab initio and of no force or effect whatsoever. The Private Owner shall not be entitled, and hereby specifically waives any right, to receive Company distributions during (i) the period between any attempted or purported Disposition of the LLC Interest of the Private Owner (or any portion thereof) not strictly in accordance with the terms of this Agreement and the express rescission of such attempted or purported Disposition by the Private Owner and (ii) during any period when a Member is in violation of Section 8.2, *provided* that all such omitted Company distributions shall (subject to Section 8.6) be made to the Private Owner (without interest) forthwith after the end of the relevant suspension period.

8.6 Distributions After Disposition. Distributions with respect to an LLC Interest made on or after the effective date of the Permitted Disposition of such LLC Interest shall be made to the transferee Member with respect to such LLC Interest, regardless of when such distributions accrued on the books of the Company.

8.7 Transfers By Initial Member. Notwithstanding anything to the contrary contained in this Agreement, except as provided by applicable Law, there shall be no restriction on the Initial Member's ability to Dispose of the LLC Interest held by it, directly or indirectly, to any Person and the Private Owner shall have no right to purchase or right-of-first-refusal in connection with any such sale; provided, that, the Initial Member may not assign the consent and voting rights associated with its LLC Interest in the Company to more than one Person (for the avoidance of doubt, except as expressly provided above, the foregoing restriction shall not otherwise limit the Initial Member's right to Dispose of any interest associated with its LLC Interest in the Company) and provided, further, that in the event the Initial Member determines to sell the LLC Interest held by it through an auction process, the Private Owner shall be entitled to participate in such auction on the same terms that apply generally to other participants in the auction. At the election of the Person then constituting the "Initial Member" under this Agreement, the transferee in any direct Disposition of any portion of the LLC Interest of the Initial Member shall, upon delivery to the Company, with a copy to the Private Owner, of an agreement by which such transferee shall agree to become a party to and be bound by this Agreement as the "Initial Member," be admitted as a member of the Company and be deemed to be a party to this Agreement as the "Initial Member", and thereupon, subject to last sentence of Section 13.8, the transferor Member shall cease to be a member of the Company (and accordingly, except as expressly otherwise provided in last sentence of Section 13.8, shall cease to be responsible for the payment or performance of any of the obligations or liabilities under this Agreement of the Initial Member).

8.8 Resignation; Dissolution.

(a) Private Owner may not withdraw or resign from the Company, except (i) in connection with a Permitted Disposition made in accordance with the applicable provisions of this Article VIII or (ii) with the prior written consent of the Initial Member.

(b) The Private Owner covenants that it shall not allow a Dissolution Event to occur with respect to itself.

(c) Section 18-304 of the Act shall not apply to the Company. Nothing in this Section 8.8(c) shall limit the terms of Section 9.1 hereof.

(d) Except as is otherwise expressly provided in this Agreement, no Member shall be entitled to receive any payment pursuant to Section 18-604 of the Act.

8.9 Applicable Law Withdrawal. If, as a result of applicable Law, the ownership of an LLC Interest by a Member becomes illegal or is likely to become illegal or the applicable Law more likely than not requires divestiture of such Member's LLC Interest, or the applicable Law would require the Company to register as an investment company under the Investment Company Act, then the Manager and the Member shall use their respective commercially reasonable efforts to avoid a violation of any such applicable Law by a Member or the need for the Company to register as an investment company. These steps may include, depending on the provisions of such applicable Law, (i) arranging for the sale of the Member's LLC Interest to a third party upon terms reasonably satisfactory to the Member in a transaction that complies with Articles VIII and X; (ii) making any appropriate applications to the relevant Governmental Authority, (iii) prohibiting such Member from making further Capital Contributions, and converting its LLC Interest into a special interest with no voting or similar rights but with only an economic right (identical to its prior rights as a Member), or (iv) permitting the Member to withdraw from the Company for a "payment" to such Member equal to the value of its LLC Interest at the time of withdrawal, such value to be determined by a third party appraiser mutually agreeable to the Manager and all Members. The aforesaid "payment" shall be made in cash unless the Manager determines that the payment in cash would be economically detrimental to the Company, in which case such payment may be made in kind, subject to the applicable Law. The timing of any such withdrawal must be mutually agreeable to the Member and the Manager taking proper account of the effective date of the applicable Law or registration requirement that is the basis for the withdrawal or other remedy provided herein and the need of the Manager for a reasonable period of time to find a solution to the illegality or requirement for divestiture. Such illegality or registration requirement must be established by (x) an opinion of counsel (which counsel shall be reasonably satisfactory to the Manager and the Initial Member) substantially to the effect that the ownership of the LLC Interest more likely than not will result in such illegality or requirement for registration or divestiture or (y) upon a ruling or order from a Governmental Authority.

## ARTICLE IX
## **Dissolution and Winding-Up of the Company**

9.1 Dissolution. A dissolution of the Company shall take place upon the first to occur of the following:

(a) the agreement by all Members to dissolve the Company (it being understood and agreed that neither Member, acting along, shall have the right unilaterally to dissolve the Company);

(b) the sale of all or substantially all of the Company Property (other than cash and cash equivalent instruments), including as an entirety or substantially as an entirety; or

(c) notice to such effect to the Private Owner from the Initial Member at any time after the occurrence of a Dissolution Event or an Insolvency Event with respect to the Private Owner or any Person that Controls the Private Owner; or

(d) exercise of the Clean-Up Call and liquidation of all remaining Loans and Acquired Property of the Company in accordance with Section 12.17.

9.2 Winding-Up Procedures. If a dissolution of the Company pursuant to Section 9.1 occurs, subject to the Company's compliance with its obligation under the other agreements to which it is a party, the other terms and conditions of this Agreement or the Ancillary Documents, the Manager shall proceed as promptly as practicable to wind up the affairs of the Company in an orderly and businesslike manner. A final accounting shall be made by Manager. As part of the winding up of the affairs of the Company, the following steps will be taken:

(a) The assets of the Company shall be sold except to the extent that some or all of the assets of the Company are retained by the Company for distribution to the Members as hereinafter provided.

(b) The Company shall comply with Section 18-804(b) of the Act.

(c) Distributions of the assets of the Company after a dissolution of the Company shall be conducted as follows:

(i) first, to creditors, but excluding Members who are creditors (other than the Initial Member (to the extent it continues to hold the Purchase Money Notes)), to the extent otherwise permitted by Law (and, to the extent permitted, in accordance with the Priority of Payments), in satisfaction of liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof);

(ii) second, to Members or former Members who are creditors, to the extent otherwise permitted by Law, in satisfaction of liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof) other than liabilities for which reasonable provision for payment has been made and liabilities for distributions to Members and former Members under Section 18-601 of the Act;

(iii) third, to Members and former Members in satisfaction of liabilities (if any) for distributions under Section 18-601 of the Act; and

(iv) finally, to the Members in the manner set forth in Section 6.6(b).

(d) Upon dissolution, the Manager, may, with the consent of all Members, (i) liquidate all or a portion of the Company assets and apply the proceeds of such liquidation in the manner set forth in Section 9.2(c) and/or (ii) hire independent appraisers to appraise the value of Company assets not sold or otherwise disposed of or determine the Fair Market Value of such assets, and allocate any unrealized gain or loss determined by such appraisal to the Members'

respective Capital Accounts as though the properties in question had been sold on the date of distribution and, after giving effect to any such adjustment, distribute said assets in the manner set forth in Section 9.2(c), provided that the Manager shall in good faith attempt to liquidate sufficient Company assets to satisfy in cash the debts and liabilities described in Section 9.2. If a Member shall, upon the advice of counsel, determine that there is a reasonable likelihood that any distribution in kind of an asset would cause such Member to be in violation of any Law, such Member and the Manager shall each use its best efforts to make alternative arrangements for the sale or transfer into an escrow account of any such distribution on mutually agreeable terms.

9.3 Termination of the Company.

Upon the dissolution of the Company and the completion of the winding up process set forth in Section 9.2, the Manager (or such other Person or Persons as the Act may require or permit) shall cause the cancellation of the Certificate and any filings made as provided in clause (c) of Section 4.3 and shall take (or cause to be taken) such other actions as may be necessary to terminate the Company.

None of the Initial Member, any successor Manager or the Company shall have any obligation to assume any obligations or liabilities of the removed Manager (in its individual capacity) under or in connection with any Servicing Agreement. Subject to the foregoing, the Manager hereby consents to the immediate termination of the Servicer upon the occurrence of any Event of Default. For the avoidance of doubt, the rights of the Initial Member in this Section 12.4 are in addition to, and can be exercised independently of the rights of the Initial Member in Sections 3.2, 3.13, and 3.14; and in any event all rights and remedies of the Initial Member under this Agreement with respect to or following an Event of Default shall be cumulative, and any or all thereof may be exercised instead of or in addition to each other or any other remedies available to the Initial Member, whether under this Agreement, any Ancillary Document or otherwise.

(b) Appointment of Successor Servicer. If Initial Member exercises its right to act on behalf of the Manager (in its individual capacity) to appoint a successor Servicer, the costs and expenses associated with such successor Servicer (including any servicing fees) shall be borne by the Manager (and not the Company or the Initial Member), and no termination or other fee shall be due to the Manager or the Servicer or any Subservicer in connection with or as a result of any such action; provided, that, if the Initial Member has also exercised its right to remove the Manager (such that such removed Manager no longer has rights to the Management Fee), then, with respect to servicing fees of such successor Servicer (but not costs and expenses in connection with the replacement of the Servicer with such successor Servicer) such removed Manager shall be responsible only for the portion of such fees that, as of any particular Distribution Date, are in excess of the Management Fee payable to the successor Manager on such Distribution Date.

(c) Removal of Manager; Management Fee. The removal of the Private Owner as the Manager shall not relieve the Private Owner of (x) any of

the liabilities and/or obligations of the Private Owner as Manager to the extent required under the terms of this Agreement to have been paid and/or performed prior to such removal or (y) any liability the Private Owner may have arising out of any act or omission by the Private Owner as Manager. No successor to the Private Owner as Manager shall have any liability or obligation for any of the matters described in clause (x) or (y) of the preceding sentence, except as may be otherwise specified pursuant to any modification to this Agreement pursuant to Section 13.5. In connection with any such removal of the Manager, the Initial Member and any successor Manager selected by the Initial Member are each hereby authorized and empowered, as attorney-in-fact or otherwise, to execute and deliver, on behalf of and at the expense of the removed Manager (in its individual capacity), any and all documents and other instruments and to do or take any and all acts necessary or appropriate to effect the termination and replacement of such Manager and the Servicer and, in the event the Initial Member decides to retain a new Servicer, to enter into a new Servicing Agreement between the successor Manager (and/or the Company) and the Servicer or to effect an assignment of the existing Servicing Agreement from the removed Manager (in its individual capacity) to the successor Manager (and/or the Company).

(d) Cooperation To Facilitate Transfer. In the event any of the Manager, a Servicer or a Subservicer is terminated pursuant to the provisions of this Article XII, the Manager (in its individual capacity) shall, and shall cause any Servicer (and any Subservicer) to, provide the Initial Member and any successor Manager or Servicer in a timely manner with all documents, records and data (including electronic documents, records and data) requested by the Initial Member or any successor Manager or Servicer to enable such Person to assume the responsibilities as Manager under this Agreement and any applicable Servicing Agreement, and to cooperate with the Initial Member in effecting the termination of any Servicer (or Subservicer) or the Manager's rights as "Manager" under this Agreement, including, in each case subject to applicable requirements in the Custodial and Paying Agency Agreement and the Reimbursement, Security and Guaranty Agreement, (x) the transfer within one (1) Business Day to such account as the Initial Member may specify of all cash amounts which, at the time, shall be or should have been credited to the Collection Account or are thereafter received with respect to any Loans or Acquired Property, and (y) the transfer of all lockbox accounts with respect to which payments or other amounts with respect to the Loans are directed or the redirection of all such payments and other amounts to such account as the Initial Member may specify, and (z) the assignment to the Initial Member (or the applicable successor Manager or Servicer as indicated by the Initial Member) of the right to access all such lockbox accounts, the Collection Account, any Defeasance Account, and any other account into which Loan Proceeds or Borrower escrow payments are deposited or held. The Manager (in its individual capacity) shall be liable for all costs and expenses incurred by the Initial Member or the Company (x) associated with the complete transfer of the servicing data, (y) associated with the completion, correction or manipulation of servicing data as may be required to correct errors or insufficiencies in the servicing data to enable the Initial Member and any successor Manager and successor Servicer (and Subservicers) to service the Loans and Acquired Property properly and effectively, and (z) to retain and maintain the services of a successor Manager and/or successor Servicer (and any Subservicers), it being understood that, as to the compensation to be paid to the successor Manager (and servicing fees due and payable to any Servicer or Subservicer engaged by or through such successor Manager), the removed Manager shall be responsible only for the portion of such compensation and fees that, as of any particular Distribution Date, are in excess of the Management Fee payable to the

successor Manager on such Distribution Date. Within a reasonable time after receipt of a written request of the Manager (in its individual capacity) for the same, the Initial Member shall provide reasonable documentation evidencing such costs and expenses, but the Initial Member's right to reimbursement of such costs and expenses (and to exercise offset rights under Section 4.6(h) on account thereof) shall not be subject to or contingent upon the provision of such documentation.

(e) Power of Attorney. The Company hereby irrevocably constitutes and appoints the Initial Member and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact for the purposes of this Agreement and allowing the Initial Member to perfect, preserve the validity, perfection and priority of, and enforce any Lien granted by this Agreement and, after the occurrence and during the continuance of any Event of Default, to exercise its rights, remedies and powers and privileges under this Agreement. This appointment as attorney-in-fact is irrevocable and coupled with an interest until this Agreement is terminated and the security interests created hereby are released. Without limiting the generality of the foregoing, but subject at all times to the rights of a secured party under the Reimbursement, Security and Guaranty Agreement, the Initial Member shall be entitled under this Section 12.4(e) to do any of the following if an Event of Default has occurred and is continuing: (i) ask, demand, collect, sue for, recover, receive and give receipt and discharge for amounts due and to become due under and in respect of any or all of the Loans; (ii) file any claims or take any action or proceeding in any court of law or equity that the Initial Member may reasonably deem necessary or advisable for the collection or other enforcement of all or any part of the Loans, defend any suit, action or proceeding brought against the Company with respect to any Loan, and settle, compromise or adjust any such suit, action or proceeding; (iii) execute, in connection with any sale or disposition of the Loans, any endorsements, assignments, bills of sale or other instruments of conveyance or transfer with respect to all or any part of the Loans; (iv) enforce the rights of the Company under any provision of any Servicing Agreement to the extent permitted thereunder and under the terms of this Agreement; (v) pay or discharge taxes and Liens levied or placed on the Loans; (vi) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Loans as fully and completely as though the Initial Member were the absolute owner thereof for all purposes; and (vii) do, at the Initial Member's option and the Company's expense, at any time and from time to time, all acts and things that the Initial Member reasonably deems necessary to protect, preserve, or realize upon the Loans and the Initial Member's security interests in any Secured Assets and to effect the intent of this Agreement, all as fully and effectively as the Company might do. Anything in this Section 12.4(e) to the contrary notwithstanding, the Initial Member agrees that it shall not exercise any right under the power of attorney provided for in this Section 12.4(e) unless an Event of Default shall have occurred and be continuing.

12.5 Interim Management Fee and Interim Servicing Fee; Management Fee. (iii) any fees or other compensation to or expenses of financial advisers, except to the extent the same are incurred as brokerage fees or sales commissions incurred (x) to market or sell the Loans or any Acquired Property in a Bulk Sale, the terms of which Bulk Sale (including the financial adviser's or broker's fees) are approved in advance by the Initial Member); and (y) in connection with the marketing or sale of any Acquired Property (including any REO Property) or any portion thereof on an individual basis;

The following terms and conditions shall be binding on the Company and the Ownership Entities (and on the Manager's performance of its obligations hereunder) with respect to any REO Properties, in addition to any other terms and conditions concerning the same subject matter set forth in this Agreement and any of the other Ancillary Documents:

(a) Insurance. With respect to each REO Property, the Manager shall cause the applicable Ownership Entity to maintain, with financially sound and reputable insurers, insurance (including, as applicable, public liability insurance, property insurance, flood insurance, boiler and machinery insurance, business interruption or rent insurance and other insurance), in such amounts, with such deductibles, covering such risks and otherwise on such

terms and conditions, in each case as are customarily maintained by property owners for other real property and buildings similar to such REO Property in the area in which such REO Property is located, all as determined by the Manager in accordance with the Servicing Standard and the provisions of this Agreement and the Ancillary Documents. All insurance policies shall name the Collateral Agent, the Manager and the Company as an additional insured, loss payee or mortgagee thereunder, as applicable, as its interest may appear. Each policy shall provide that such policy may not be cancelled or materially changed except upon thirty (30) days' prior written notice to the Company and to the Collateral Agent, and shall further provide that no act or thing done by the applicable Ownership Entity shall invalidate any policy as against the Collateral Agent.

(b) Leasing Covenants. With respect to each REO Property, the Manager shall cause the applicable Ownership Entity to (i) perform the obligations that such Ownership Entity is required to perform under the leases to which it is a party in all material respects and (ii) enforce, in accordance with commercially reasonable practices for properties similar to the applicable REO Property, the material obligations to be performed by the tenants under such leases.

(c) Zoning. The Manager shall not permit any Ownership Entity to initiate or consent to any zoning reclassification of any portion of the REO Property owned by such Ownership Entity, or use or permit the use of any portion of an REO Property in any manner that could result in such use (taking into account any applicable variance obtained in accordance with the Servicing Standard) becoming a non-conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior consent of the Initial Member and the Collateral Agent.

(d) No Joint Assessment. The Manager shall not permit any Ownership Entity to suffer, permit or initiate the joint assessment of REO Property (i) with any other real property constituting a tax lot separate from such REO Property, and (ii) with any portion of an REO Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such REO Property.

(e) Maintenance, Repairs and Alterations. From and after the completion of any buildings or other improvements at an REO Property, the Manager shall cause the applicable Ownership Entity to maintain such REO Property in a good and safe condition and repair (subject to such alterations as the Manager may from time to time determine to be appropriate in accordance with the Servicing Standard and applicable requirements herein and in the Ancillary Documents) and in accordance with applicable Law.

(f) Property Management. All property managers with respect to any REO Property shall, in their respective property management agreements or by separate agreement, subordinate their rights under such agreements (including their right to receive management fees) to the rights and interest of the Collateral Agent under the applicable REO Mortgage (as defined in the Reimbursement, Security and Guaranty Agreement).

(g) Ground Leases. With respect to any REO Property that is leased under a ground or other lease (in each case, a "**ground lease**"), the Manager shall cause the applicable Ownership Entity to (i) pay all rents and other sums required to be paid by the tenant under and pursuant to the provisions of the applicable ground lease as and when such rent or other charge is payable, and (ii) diligently and timely perform and observe all of the terms, covenants and conditions binding on the tenant under the ground lease. The Manager shall not permit the applicable Ownership Entity to subordinate or consent to the subordination of any ground lease to any mortgage, lease or other interest on or in the ground lessor's interest in the applicable REO Property without the prior consent of the Collateral Agent unless such subordination is required under the provisions of such ground lease.

(h) Additional Construction Covenants. In the event the Manager elects to fund the construction of the REO Property (pursuant to Funding Draws for such purpose), then the Manager shall cause each Ownership Entity to pursue with diligence the construction of the REO Property owned by such Ownership Entity (i) in accordance with the construction, construction management (if any) and all other material contracts relating to such construction, and all requirements of Law, all restrictions, covenants and easements affecting such REO Property, and all applicable governmental approvals, (ii) in substantial compliance with the plans and specifications therefor as in existence on the Closing Date and as thereafter modified by the Manager in its business judgment exercised in accordance with the Servicing Standard and applicable provisions in this Agreement and the Ancillary Documents, (iii) in a good and workmanlike manner and free of defects, (iv) in a manner such that such REO Property remains free from any Liens, claims or assessments (actual or contingent) for any material, labor or other item furnished in connection therewith and (v) in conformance with the requirements for Funding Draws.

(i) REO Property Generally. Notwithstanding any other provision of this Section 12.15 to the contrary, (i) in operating, managing, leasing or disposing of any REO Property, the Manager shall act in the best interests of the Company, and the members and creditors of the Company (including the FDIC in its various capacities) and in accordance with the Servicing Standard, and (ii) without relieving the Manager of any obligation elsewhere in this Agreement or any Ancillary Document, the Manager shall not be required to act in accordance with a specific provision of this Section 12.15 if such action is (A) not in the best interests of Company and the members and creditors of the Company (including the FDIC in its various capacities), as determined by the Manager in the exercise of its reasonable discretion, or (B) not in accordance with the Servicing Standard.

(j) Reports. The Manager shall furnish to the Initial Member and the Collateral Agent such reports regarding the construction, leasing and sales efforts of or relating to the REO Property as the Initial Member or the Collateral Agent shall reasonably request.

12.16 Releases of Underlying Collateral. Manager is authorized to cause the release or assignment of any Lien granted to or held by the Company on any Underlying Collateral upon payment of any Loan in full and satisfaction in full of all of the secured obligations with respect to a Loan, upon receipt of a discounted payoff as payment in full of a Loan, or upon a sale of the Loan to any Person, in each case as and to the extent permitted hereunder and under the Reimbursement, Security and Guaranty Agreement

12.17 Clean-Up Call Rights.

(a) If, and only if, all amounts owing under the Purchase Money Notes have paid in full, and all reimbursement and other obligations to the FDIC under the Reimbursement, Security and Guaranty Agreement have been satisfied in full, the Initial Member shall have the right, exercisable in its sole and absolute discretion, to require the liquidation and sale, for cash consideration, of any remaining Loans and Acquired Property held by the Company or any Ownership Entity (the "**Clean-Up Call**") at any time after the earlier to occur of (i) the seventh (7th) anniversary of the Closing Date and (ii) the date on which the then Unpaid Principal Balance is ten percent (10%) or less of the Unpaid Principal Balance as of the Cut-Off Date as set forth on the Loan Schedule.

(b) In order to exercise its rights under this Section 12.17, Initial Member shall give notice in writing to the Manager, setting forth the date by which the remaining Loans and Acquired Property are to be liquidated by the Company, which date shall be no less than 150 calendar days after the date of such notice.

(c) The Manager shall proceed expeditiously to cause to be commenced the liquidation of the remaining Loans and Acquired Property by means of sealed bid sales to Persons other than Affiliates of the Company, the Servicer or any Subservicer, or Affiliates of the Servicer or any Subservicer. The selection of any financial adviser or other Person, broker or sales agent retained for the liquidation of the remaining Loans and Acquired Property pursuant to this Section 12.17 shall be subject to the prior approval of Initial Member, such approval not to be unreasonably withheld, delayed or conditioned as long as the fees to be charged by such financial adviser or other Person, broker or sales agent are reasonable and such Person is not an Affiliate of the Manager or any Servicer or Subservicer. In the event the remaining Loans and Acquired Property are not liquidated by the date specified in the notice provided by Initial Member pursuant to Section 12.17(b), Initial Member shall be entitled to liquidate the remaining Loans and Acquired Property in its discretion and Manager shall, and shall cause the Company to, cooperate and assist with such liquidation to the extent reasonably requested by Initial Member. In the event the Manager or any Affiliate thereof desires to bid to acquire the remaining Loans and Acquired Property, then Initial Member shall be entitled to liquidate the remaining Loans and Acquired Property in its discretion. In the event Initial Member undertakes to liquidate the remaining Loans and Acquired Property pursuant to this Section 12.17(c), all costs and expenses incurred by it shall be deducted from the Loan Proceeds and retained by Initial Member and the remaining Loan Proceeds shall be distributed in accordance with Section 9.2.

12.18 Certain Transfer Obligations. Without limitation of other obligations of Manager with respect to the Contribution Agreement, Manager agrees to cause the Company to comply with its obligations under the Contribution Agreement with respect to preparing, furnishing, executing and recording transfer documents with respect to the Loans (including special warranty deeds to convey the real property subject to any contract for deed and any Acquired Property to the Company). Any title curative work with respect to such real property, if required, shall be at the Manager's sole cost and expense.

ARTICLE XIII
**Miscellaneous**

13.1 Waiver of Rights of Partition and Dissolution. Each Member (other than the Initial Member) hereby irrevocably waives all rights it may have at any time to maintain any action for division or sale of the Company Property as now or hereafter permitted under any applicable Law. Each Member (other than the Initial Member) hereby waives and renounces its rights to seek a court decree of dissolution or to seek the appointment of a court receiver for the Company as now or hereafter permitted under any applicable Law.

13.2 Entire Agreement; Other Agreements.

(a) This Agreement, together with the Annexes and Exhibits hereto and the Ancillary Documents (and any other agreements expressly contemplated hereby or thereby), constitutes the entire agreement and understanding, and supersedes all other prior agreements and understandings, both written and oral, between the Members or their respective Affiliates or any of them and the Company with respect to the subject matter hereof; provided, that any Confidentiality Agreement between the FDIC and the Private Owner or any Affiliates of the Private Owner (including by way of joinder) with respect to the transaction that is the subject of this Agreement and the Ancillary Agreements shall remain in full force and effect to the extent provided therein, except that the Company's rights under Article VI of the Contribution Agreement shall not be deemed a repurchase option for purposes of Section 2 of any such Confidentiality Agreement. The Members acknowledge that certain agreements or other instruments are being (or were) executed by the Company, the Members and/or Affiliates of the Members simultaneously or otherwise in connection with the execution of this Agreement and that notwithstanding anything to the contrary contained in the foregoing sentence of this Section 13.2, such agreements shall be effective and binding on the parties thereto in accordance with the terms thereof.

(b) By executing this Agreement, the Manager agrees to be bound by the terms of the Ancillary Documents pursuant to which the Manager is expressly required to take or omit from taking certain actions, as in each case, with the same effect as if the Manager were a party to such Ancillary Document.

13.3 Third Party Beneficiaries. Each of the FDIC and the Purchase Money Notes Guarantor, is hereby constituted an express third party beneficiary of this Agreement with respect to those provisions of this Agreement which expressly grant rights to such Person, and, as such, each is entitled to enforce such provisions of this Agreement as if such Person were a party hereto; provided that, upon occurrence of the Purchase Money Notes Defeasance Date (and subject to any rights of the Purchase Money Notes Guarantor that, by their terms or nature, survive such date), the Purchase Money Notes Guarantor shall cease to have any of the specified rights set forth herein with respect to consents/approvals, exercise remedies following an Event of Default and receipt of reports and other information with respect to the continued operation of the Business, in each case (i) to the extent relating exclusively to the period following such Purchase Money Notes Defeasance Date, and (ii) except as to any rights or remedies relating to (or the exercise or non-exercise of which rights or remedies would affect) the Defeasance Account or the repayment of the Purchase Money Notes in accordance with the terms hereof and

of the Ancillary Documents, as determined by the Purchase Money Notes Guarantor in its sole discretion. Each Person ceasing to constitute the "Initial Member" under this Agreement (as a result of a Disposition of its LLC Interest) shall remain a third-party beneficiary of this Agreement with respect to Section 4.6 and, as such is entitled to enforce Section 4.6 as if such Person remained a party hereto. For the avoidance of doubt, in furtherance and without limitation of the preceding sentence, each Person comprising the "Initial Member" pursuant to the last sentence of Section 4.6(a) may enforce the provisions of Section 4.6 with respect to itself and/or any other Indemnified Party(ies) in relation to itself (in its own name and/or in the name of and/or otherwise on behalf of such other Indemnified Party(ies)). Subject to Section 11.1 and to the immediately preceding sentence, (i) this Agreement is for the benefit solely of, and shall inure solely to the benefit of, the Members and the Company, and (ii) this Agreement is not enforceable by any Person (including any creditor of the Company or of any Member) other than the Members and the Company.

13.4 Expenses. Except as may otherwise be expressly provided herein or in any Ancillary Document, each Member shall pay its own expenses (including legal, accounting investment banker, broker or finder's fees) incident to the negotiation and execution of this Agreement and the Ancillary Documents, the consummation of the transactions contemplated by Section 2.3 hereof and the performance of its obligations hereunder.

13.5 Waivers and Amendments.

(a) This Agreement may be amended or modified, and the terms hereof may be waived, only by a written instrument signed by all Members, provided, that, following an Event of Default, from time to time this Agreement may be amended or modified and/or the terms hereof may be waived, in each case, by a written instrument signed only by the Initial Member as long as such amendment, modification or waiver would not (i) adversely affect the Private Owner's or the Company's limited liability status; (ii) adversely affect the Private Owner's share of the Company's distributions, income, gains or losses; (iii) impose on the Private Owner any additional obligations or (iv) amend Section 3.13 or this Section13.5; provided further, that in no event shall any amendment, modification or waiver limit or otherwise adversely affect the rights expressly granted in this Agreement to (x) any Person comprising the "Initial Member" pursuant to the last sentence of Section 4.6(a) (and/or any other Indemnified Party(ies) in relation to such Person) without the express written consent of such Person so comprising the "Initial Member" or (y) a third party beneficiary of this Agreement (to the extent such third party beneficiary is, and remains, a third party beneficiary pursuant to Section 13.3 above) without the express written consent of such third party beneficiary. Except where a specific period for action or inaction is provided herein, no failure on the part of a Member to exercise, and no delay on the part of a Member in exercising, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any waiver on the part of such Member of any such right, power or privilege, or any single or partial exercise of any such right, power or privilege, preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

(b) Notwithstanding anything to contrary contained elsewhere in this Agreement (including without limitation the foregoing Section 13.5(a)) or in any Ancillary Document, but subject to the restrictions in Section 8.4 of the Contribution Agreement and

Section 2.8 of the Custodial and Paying Agency Agreement, as applicable), in order to facilitate any restructuring or sale of the Purchase Money Notes (or any reissuance, restructuring or sale of any such Purchase Money Notes to be issued pursuant to Section 2.8 of the Custodial and Paying Agency Agreement), the FDIC, without the consent of the Private Owner or the Company, may at any time that the FDIC is the holder of 100 percent of any Purchase Money Note or beneficial interest therein cause the Company to replace or reissue such Purchase Money Note (or any promissory note reissued in respect thereof) and make related changes, modifications or amendments to this Agreement and the Ancillary Documents, in each case subject to the applicable limitations set forth in Section 8.4 of the Contribution Agreement and Section 2.8 of the Custodial and Paying Agency Agreement, as the case may be; provided, however, no such change, amendment or modification shall adversely affect in any material respect (i) the amount or timing of any payments or distributions to the Private Owner or any permitted successor or assign pursuant to the Priority of Payments (or its share of the Company's distributions, income, gains or losses in accordance herewith), or (ii) any other rights or obligations of, or the need for any advances, contributions or payments from, the Private Owner or its Affiliates or any permitted successor or assign pursuant to this Agreement or any Ancillary Document or otherwise. Prior to effecting any such changes, amendments or modifications, the FDIC shall notify each of the Private Owner and the Company of any such contemplated changes, amendments or modifications, and each of the Private Owner and the Company agrees that it will cooperate in good faith with the FDIC in effecting all such changes, amendments or modifications.

(c) Notwithstanding anything to contrary contained elsewhere in this Agreement (including without limitation the foregoing Section 13.5(a)) or in any Ancillary Document), this Agreement may be amended or modified by a written instrument signed only by the Initial Member to the extent determined by the Initial Member in good faith to be necessary or desirable in order to facilitate any Disposition by the Initial Member of only a portion of its Interest, or a Disposition by the Initial Member of its entire Interest to more than one Person, including to provide for more than two Persons being members of the Company, provided that no such amendment or modification shall (i) adversely affect the Private Owner's or the Company's limited liability status; (ii) adversely affect the Private Owner's share of the Company's distributions, income, gains or losses; (iii) impose on the Private Owner any additional obligations or (iv) amend Section 3.13 (other than to the extent that such amendment or modification amends or modifies which member or members of the Company shall constitute the "Initial Member" hereunder) or this Section 13.5.

13.6 Notices. All notices, requests, demands and other communications required or permitted to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be given by certified or registered mail, postage prepaid, by delivery by hand or by nationally recognized courier service, or by electronic mail (followed up by a hard copy delivered through an alternate manner permitted under this Section 13.6), in each case mailed or delivered to the applicable address or electronic mail address specified in, or in the manner provided in, this Section 13.6. All such notices, requests, demands and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt (or refusal thereof) by the relevant party hereto and (ii) (A) if delivered by hand or by nationally recognized courier service, when signed for (or refused) by or on behalf of the relevant party hereto, and (B) if delivered by electronic mail (which form of delivery is subject to

the provisions of this paragraph), when delivered and capable of being accessed from the recipient's office computer, provided that any notice, request, demand or other communication that is received other than during regular business hours of the recipient shall be deemed to have been given at the opening of business on the next business day of the recipient. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder. From time to time, any party may designate a new address for purposes of notice to it hereunder by notice to such effect to the other parties hereto in the manner set forth in this Section 13.6.

13.7 Counterparts; Facsimile Signatures.

(a) This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which shall together constitute one and the same instrument. It shall not be necessary for any counterpart to bear the signature of all parties hereto.

(b) This Agreement and any amendments hereto, to the extent signed and delivered by facsimile or other electronic means, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No signatory to this Agreement shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature or agreement was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation or enforceability of a contract and each such Person forever waives any such defense.

13.8 Successors and Assigns. Except as otherwise specifically provided in this Agreement (including in Article VIII), this Agreement shall be binding upon and inure to the benefit of the Members and the Company and their respective Successors and assigns. Without limitation of Section 8.4, this Agreement, as in effect on the date that any particular Person shall cease to be Member, shall continue to bind such Person in relation to the period during which it was Member.

13.9 Compliance With Law; Severability.

(a) Compliance With Law. Except as otherwise specifically provided herein, each party to this Agreement shall obey and comply with all applicable Laws, as they may pertain to such party's performance of its obligations hereunder.

(b) Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall be ineffective, but such ineffectiveness shall be limited as

follows: (i) if such provision is prohibited or unenforceable in such jurisdiction only as to a particular Person or Persons and/or under any particular circumstance or circumstances, such provision shall be ineffective, but only in such jurisdiction and only with respect to such particular Person or Persons and/or under such particular circumstance or circumstances, as the case may be; (ii) without limitation of clause (i), such provision shall in any event be ineffective only as to such jurisdiction and only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction; and (iii) without limitation of clauses (i) or (ii), such ineffectiveness shall not invalidate any of the remaining provisions of this Agreement. Without limitation of the preceding sentence, it is the intent of the parties to this Agreement that in the event that in any court proceeding, such court determines that any provision of this Agreement is prohibited or unenforceable in any jurisdiction (because of the duration or scope (geographic or otherwise) of such provision, or for any other reason) such court shall have the power to, and shall, (x) modify such provision (including without limitation, to the extent applicable, by limiting the duration or scope of such provision and/or the Persons against whom, and/or the circumstances under which, such provision shall be effective in such jurisdiction) for purposes of such proceeding to the minimum extent necessary so that such provision, as so modified, may then be enforced in such proceeding and (y) enforce such provision, as so modified pursuant to clause (x), in such proceeding. Nothing in this Section 13.9(b) is intended to, or shall, limit (1) the ability of any party to this Agreement to appeal any court ruling or the effect of any favorable ruling on appeal or (2) the intended effect of Section 13.11.

13.10 Power of Attorney.

(a) The Private Owner does hereby constitute and appoint the Manager as its true and lawful representative and attorney-in-fact, in its name, place and stead to make, execute, sign, acknowledge, deliver or file any certificate, document or other instrument that the Private Owner is required to execute and deliver pursuant to clause (a), (b), (c) or (d) of Section 4.3 hereof. The foregoing notwithstanding, the Manager shall not have any right, power or authority to amend or modify this Agreement. The power of attorney granted hereby is coupled with an interest and shall (i) survive and not be affected by the subsequent death, incapacity, disability, dissolution, termination or bankruptcy of the Private Owner granting the same or the transfer of all or any portion of the Private Owner's LLC Interest and (ii) extend to the Private Owner's Successors, assigns and legal representatives.

(b) The Company hereby grants to the Manager a limited power of attorney to execute all documents on its behalf in accordance with the Servicing Standard set forth above and as may be necessary to effectuate the Manager's obligations under Article XII until such time as the Company revokes said limited power of attorney. Revocation of the limited power of attorney shall take effect upon (i) the receipt by the Manager of written notice thereof from the Initial Member, or (ii) removal of the Manager in accordance with the terms of this Agreement; provided, however, in the event of such removal, the power of attorney granted hereunder shall thereafter automatically be vested in the successor or replacement Manager appointed in accordance with this Agreement.

13.11 Governing Law. THIS AGREEMENT IS GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION. In the event of a direct conflict between the provisions of this Agreement and any mandatory, non-waivable provision of the Act, such provision of the Act shall control to the extent necessary to eliminate such direct conflict. Nothing in this Agreement shall require any unlawful action or inaction by any Person.

13.12 Jurisdiction; Venue and Service.

(a) Each of the Private Owner (for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) and the Company, in each case on behalf of itself and its Affiliates, hereby irrevocably and unconditionally:

(i) consents to the jurisdiction of the United States District Court for the Southern District of New York and to the jurisdiction of the United States District Court for the District of Columbia for any suit, action or proceeding against it (in the case of the Private Owner and for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) or any of its Affiliates commenced by the Initial Member arising out of, relating to, or in connection with this Agreement or any Ancillary Document, and waives any right to:

(A) remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum (other than the Court in which the Initial Member files the action, suit or proceeding) without the consent of the Initial Member;

(B) assert that venue is improper in either the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia; or

(C) assert that the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia is an inconvenient forum.

(ii) consents to the jurisdiction of the Chancery Court of the State of Delaware for any suit, action or proceeding against it (in the case of the Private Owner and for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) or any of its Affiliates commenced by the Initial Member arising out of, relating to, or in connection with this Agreement or any Ancillary Document, and waives any right to:

(A) remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Initial Member);

(B) assert that venue is improper in the Chancery Court of the State of Delaware; or

(C) assert that the Chancery Court of the State of Delaware is an inconvenient forum.

(iii) agrees to bring any suit, action or proceeding by it (in the case of the Private Owner and for the avoidance of doubt, in any capacity, including as a Member and/or as the Manager) or any of its Affiliates against the Initial Member arising out of, relating to, or in connection with this Agreement or any Ancillary Document in only the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia, and waives any right to remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Initial Member, and agrees to consent thereafter to transfer of the suit, action or proceeding to either the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia at the option of the Initial Member; and

(iv) agrees, if the United States District Court for the Southern District of New York and the United States District Court for the District of Columbia both lack jurisdiction to hear a suit, action or proceeding falling within Section 13.12(a)(iii), to bring that suit, action or proceeding in only the Chancery Court of the State of Delaware, and waives any right to remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Initial Member.

(b) Each of the Private Owner (in any capacity, including as a Member and/or as the Manager) and the Company, in each case on behalf of itself and its Affiliates, hereby irrevocably and unconditionally agrees that any final judgment entered against it in any suit, action or proceeding falling within Section 13.12(a) may be enforced in any court of competent jurisdiction;

(c) Subject to the provisions of Section 13.12(d), each of the Private Owner (in any capacity, including as a Member and/or as the Manager) and the Company, in each case on behalf of itself and its Affiliates, and the Initial Member, hereby irrevocably and unconditionally agrees that service of all writs, process and summonses in any suit, action or proceeding pursuant to Section 13.12(a) or Section 13.12(b) may be effected by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address for notices pursuant to Section 13.6 (with copies to such other Persons as specified therein); provided, however, that nothing contained in this Section 13.12(c) shall affect the right of any party to serve process in any other manner permitted by Law;

(d) Nothing in this Section 13.12 shall constitute consent to jurisdiction in any court by the FDIC (in any capacity, including as the Initial Member), other than as expressly provided in Section 13.12(a)(iii) and Section 13.12(a)(iv), or in any way limit the FDIC's (in any capacity, including as the Initial Member) right to remove, transfer, seek to dismiss, or otherwise

respond to any suit, action, or proceeding against it (in any capacity, including as the Initial Member) in any forum.

13.13 Waiver of Jury Trial. EACH OF THE PRIVATE OWNER AND THE COMPANY, FOR ITSELF AND ITS AFFILIATES, AND THE INITIAL MEMBER, HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ANCILLARY DOCUMENTS AND AGREES THAT ANY SUCH DISPUTE SHALL BE TRIED BEFORE A JUDGE SITTING WITHOUT A JURY.

Exhibit E

**FORM OF GUARANTY**

**GUARANTY**

THIS GUARANTY dated as of January 7, 2010 (this "**Guaranty**") is made by ColFin DB Guarantor, LLC (the "**Guarantor**"). Capitalized terms used but not defined herein have the meanings assigned to them in the Amended and Restated Limited Liability Company Operating Agreement dated as of January 7, 2010 (the "**LLC Operating Agreement**") by and among Multibank 2009-1 CRE Venture, LLC, a Delaware limited liability company (the "**Company**"), ColFin DB Funding, LLC, a Delaware limited liability company (including its successors and assigns, the "**Private Owner**") and the Federal Deposit Insurance Corporation (in any capacity, the "**FDIC**") in its separate capacities as receiver with respect to the separate receiverships for each of the various failed financial institutions listed on Schedule I to the LLC Operating Agreement (including its successor and assigns hereto) (collectively, the "**Initial Member**").

WHEREAS, the Private Owner, in its capacity as Manager, and SitusServ LP have entered into a Servicing Agreement (the "**Servicing Agreement**") dated as of January 7, 2010; and

WHEREAS, the Company and the Initial Member have entered into a Loan Contribution and Sale Agreement (the "**Contribution Agreement**") dated as of January 7, 2010; and

WHEREAS, the Guarantor owns (directly or indirectly) all of the outstanding equity interests of ColFin DB Funding, LLC ("**Private Owner**"); and

WHEREAS, Initial Member and Private Owner are concurrently herewith entering into the Limited Liability Company Interest Sale and Assignment Agreement (the "**Transferred LLC Interest Sale Agreement**"), pursuant to which, among other things, the Initial Member is selling, transferring and assigning to Private Owner, and Private Owner is acquiring, an equity interest in the Company as described therein for a purchase price in the amount of the Transferred LLC Interest Sale Price defined therein (as so defined therein, the "**Transferred LLC Interest Sale Price**"), and the Private Owner and the Initial Member are funding (as capital contributions to the Company) the Working Capital Reserve, of which the Private Owner is funding an amount equal to the Private Owner WCR Account Deposit defined therein (as so defined therein, the "**Private Owner WCR Account Deposit**"); and

WHEREAS, the Guarantor will directly or indirectly receive significant financial benefit from the consummation of the transactions contemplated by the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement, and the Custodial and Paying Agency Agreement, in each case, once executed and delivered, and any and all other agreements and instruments executed and delivered contemporaneously in connection with the Closing (the "**Ancillary Documents**"); and

WHEREAS, as a condition and inducement to the Initial Member's willingness to enter into the Transferred LLC Interest Sale Agreement, the Guarantor has agreed to guarantee (the following are referred to as the "**Guaranteed Obligations**"): (a) the due and punctual payment when due of all amounts now or hereafter payable by the Private Owner (in any capacity, including, without limitation, in its capacity as Manager or Tax Matters Manager, and all references herein to the Private Owner shall include the Private Owner in each and any such capacity) under the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement and each of the other Ancillary Documents to which the Private Owner is or, contemporaneously with the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, will be a party, including without limitation its obligation to cause the Company to make payments thereunder; and (b) the full and complete performance by the Private Owner of all of the terms, covenants and conditions contained in the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement and each of the other Ancillary Documents to which the Private Owner is or, contemporaneously with the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, will be a party when and as the same shall become due thereunder including without limitation its obligation to cause the Company to perform thereunder (it being understood that this Guaranty is not intended as a guaranty of payment by the Guarantor of the separate obligations of the Company (except to the extent that, pursuant to the LLC Operating Agreement or the other Ancillary Documents, the Private Owner, in any capacity, is required to guaranty, pay or otherwise bear the obligations of the Company with its own funds), such that the Guaranteed Obligations do not include the Company's obligations to pay off or to set aside monies to pay off the principal amount owed by the Company under the Purchase Money Notes).

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Guarantor agrees as follows:

1. **Guaranty.** The Guarantor hereby unconditionally and irrevocably provides a guaranty of payment to the Beneficiaries (as defined below) of the Guaranteed Obligations, **provided however**, the aggregate amount for which the Guarantor shall be liable under this Guaranty (such amount, the "**Guaranty Limit**") shall be limited to the greater of (a) $5,000,000 and (b) an amount equal to, as of any date of calculation, (i) the Unpaid Principal Balance of all the Loans determined as of such date of calculation, *divided by* the Unpaid Principal Balance of all of the Loans as of the Cut-Off Date (as the same may be adjusted pursuant to the Contribution Agreement), expressed as a percentage, *multiplied by* (ii) an amount equal to 50% of the sum of (x) the Transferred LLC Interest Sale Price and (y) the Private Owner WCR Account Deposit. The Guaranty Limit for any claim under this Guaranty shall be the Guaranty Limit on the date on which the earliest act or omission that is a basis of the claim occurred. Any Beneficiary (as defined below) may at any time deliver notice to and proceed against the Guarantor in the event of any failure of payment or performance of any of the Guaranteed Obligations.

2. **Waiver, Etc.**

(a) The Guarantor waives:

(i) all notices of the creation, renewal, extension or accrual of any of the Guaranteed Obligations and notice or proof of reliance by Initial Member (including its successors and assigns, the "**Beneficiaries**") on this Guaranty or acceptance of this Guaranty;

(ii) diligence, presentment, demand for payment, protest and notice of nonpayment or dishonor and all other notices and demands whatsoever relating to the Guaranteed Obligations or the requirement that a Beneficiary proceed first against the Company or Private Owner or any other guarantor of the Guaranteed Obligations or otherwise exhaust any right, power or remedy under the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement or any of the other Ancillary Documents to which the Private Owner is or, contemporaneously with the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, will be a party giving rise to such Guaranteed Obligations before proceeding hereunder; and

(iii) all suretyship defenses including, without limitation, all defenses based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal.

(b) The Guaranteed Obligations shall conclusively be deemed to have been created, contracted or incurred in reliance on this Guaranty, and all dealings between the Beneficiaries and their Affiliates, on the one hand, and the Guarantor and/or the Guarantor's Affiliates, on the other hand, in connection with the Transferred LLC Interest Sale Agreement, the Servicing Agreement, the Contribution Agreement, the LLC Operating Agreement, and the other Ancillary Documents to which the Private Owner is or, contemporaneously with the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, will be a party and the transactions contemplated hereby and thereby shall likewise conclusively be presumed to have been had or consummated in reliance on this Guaranty.

(c) The Guarantor covenants that this Guaranty shall not be discharged except by complete payment and performance of the Guaranteed Obligations.

(d) The obligations of the Guarantor hereunder shall constitute a present and continuing guarantee of payment and not of collectibility only, shall be absolute and unconditional, shall not be subject to any counterclaim, setoff, deduction or defense the Guarantor may have against any Beneficiary or any other Person, and shall remain in full force and effect until all Guaranteed Obligations have been satisfied and performed in full, without regard to any event whatsoever (whether or not the Guarantor shall have any knowledge or notice thereof or shall have consented thereto), including, without limitation:

(i) any amendment or modification of, or supplement to, the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement or any of the other Ancillary Documents

to which the Private Owner is or, contemporaneously with the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, will be a party, any assignment or transfer of any of the rights, obligations, duties or covenants of any party to the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement or any of the other Ancillary Documents to which the Private Owner is or, contemporaneously with the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, will be a party, any renewal or extension of time for the performance of any of the Guaranteed Obligations, or any furnishing or acceptance of security so furnished or accepted for any of the Guaranteed Obligations;

(ii) any waiver, consent, extension, forbearance, release or substitution of security or other action or inaction under or in respect of the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement or any of the other Ancillary Documents to which the Private Owner is or, contemporaneously with the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, will be a party or this Guaranty, or any exercise of, or failure to exercise, any right, remedy or power in respect hereof or thereof;

(iii) any bankruptcy, insolvency, marshaling of assets and liabilities, arrangements, readjustment, composition, receivership, assignment for the benefit of creditors, liquidation or similar proceedings with respect to the Company or Private Owner or any of their Affiliates or the Guarantor;

(iv) the dissolution, sale or other disposition of all or substantially all of the assets of any of the Company or Private Owner or any of their Affiliates or the Guarantor;

(v) any default by the Company or Private Owner or any of their Affiliates or the Guarantor under, or any invalidity or any unenforceability of, or any misrepresentation by the Company or Private Owner or any of their Affiliates or the Guarantor in, or any irregularity or other defect in, the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement or any of the other Ancillary Documents to which the Company or Private Owner is or, contemporaneously with the consummation of the transactions under the Transferred LLC Interest Sale Agreement, will be a party or this Guaranty or any other instrument or agreement; or

(vi) any other event, action or circumstance that would, in the absence of this Section 2(d)(vi), result in the release or discharge of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guaranty or otherwise constitute a defense to this Guaranty.

Any term of this Guaranty to the contrary notwithstanding, if at any time any amount (constituting a Guaranteed Obligation) paid or payable by Private Owner or the Company is rescinded or must otherwise be restored or returned, whether upon or as a result of the

appointment of a custodian, receiver or trustee or similar officer for Private Owner or the Company or any substantial part of any of their assets, or the insolvency, bankruptcy or reorganization of Private Owner or the Company or otherwise, the Guarantor's obligations hereunder with respect to such payment shall be reinstated as though such payment had been due but not made at such time.

3. **Obligations Independent**. The obligations of the Guarantor hereunder are independent of the obligations of any other guarantor, the Company or Private Owner. Separate action or actions may be brought and prosecuted against the Guarantor, whether or not action is brought against the Company or the Private Owner and whether or not the Company or Private Owner be joined in any such action or actions.

4. **Representations and Warranties of the Guarantor**. The Guarantor represents and warrants as follows:

4.1 **Capacity, Enforceability and Consents**.

(a) The Guarantor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization and has all requisite power and authority (corporate or other) to own, lease and operate its assets and properties and to carry on its business as presently conducted.

(b) The Guarantor has all requisite power and authority (corporate or other) to execute, deliver and perform its obligations under this Guaranty and to consummate the transactions contemplated hereby. The execution and delivery by the Guarantor of, and the performance by the Guarantor of its obligations under, this Guaranty have been duly and validly authorized by all requisite action on the part of the Guarantor, and this Guaranty constitutes a valid and binding obligation of the Guarantor enforceable against it in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights and remedies of creditors generally and to general principles of equity (regardless of whether in equity or at law).

(c) The execution and delivery by the Guarantor of this Guaranty, the performance by the Guarantor of its obligations hereunder and the consummation by the Guarantor of the transactions contemplated hereby do not and will not: (i) violate any provision of the certificate of formation or limited liability company agreement (or comparable organizational documents with different names) of the Guarantor; (ii) require on the part of the Guarantor any notice or filing with, or any permits, licenses, authorizations, registrations, franchises, approvals, consents, certificates, variances and similar rights obtained, or required to be obtained, from Governmental Authorities, or other authorization of, or any exemption by, any Governmental Authority; (iii) in any material respect, result in a violation or breach of, constitute a default under, result in the acceleration of, give rise to any right to accelerate, terminate, modify or cancel, or require any notice, consent, authorization, approval or waiver under, or result in any other adverse consequence under, any contract to which the Guarantor is a party or by which the Guarantor or any of its assets or properties is bound; (iv) violate or breach the terms

of or cause any default under any law applicable to the Guarantor or any of its properties or assets; or (v) with the passage of time, the giving of notice or both, have any of the effects described in clauses (i) through (iv) of this Section 4.1(c).

4.2 **Legal Matters**. There is no claim pending against, or, to the knowledge of the Guarantor, threatened against or affecting, the Guarantor or any of the Guarantor's properties or rights, at law or in equity, before or by any court, arbitrator, panel or other Governmental Authority that could adversely affect the ability of such Guarantor to consummate the transactions contemplated by this Guaranty or any of the other Ancillary Documents to which the Guarantor is a party.

5. **Survival**. All representations, warranties, covenants and agreements contained in this Guaranty shall survive (and not be affected in any respect by) the consummation of the transactions contemplated in the Transferred LLC Interest Sale Agreement, any investigation conducted by or on behalf of any party hereto and any information which any Beneficiary may receive or have.

6. **Miscellaneous**.

6.1 **Notices**. All notices, requests, demands and other communications required or permitted to be given or delivered under or by reason of the provisions of this Guaranty shall be in writing and shall be given by certified or registered mail, postage prepaid, by delivery by hand or by nationally recognized courier service, or by electronic mail (followed up by a hard copy delivered through an alternate manner permitted under this Section 6.1), in each case mailed or delivered to the applicable address or electronic mail address specified in, or in the manner provided in, this Section 6.1. All such notices, requests, demands and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt (or refusal thereof) by the relevant party hereto and (ii) (A) if delivered by hand or by nationally recognized courier service, when signed for (or refused) by or on behalf of the relevant party hereto, and (B) if delivered by electronic mail (which form of delivery is subject to the provisions of this paragraph), when delivered and capable of being accessed from the recipient's office computer, provided that any notice, request, demand or other communication that is received other than during regular business hours of the recipient shall be deemed to have been given at the opening of business on the next business day of the recipient. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder. 6.3 **Entire Agreement**. This Guaranty, the Contribution Agreement, the Transferred LLC Interest Sale Agreement, the LLC Operating Agreement, the Servicing Agreement and the other Ancillary Documents (including the Schedules and Exhibits hereto and thereto) embody the entire agreement and understanding of the parties and their respective Affiliates with respect to the transactions contemplated hereby and merge in, supersede and cancel all prior written or oral commitments, arrangements or understandings with respect thereto; provided that any Confidentiality Agreement between the FDIC and the Private Owner or any Affiliates of the Private Owner (including by way of joinder) with respect to the transaction that is the subject of this Guaranty and the Ancillary Agreements shall remain in full force and effect to the extent provided therein, except that the Company's rights under Article VI of the Contribution Agreement shall not be deemed a repurchase option for purposes of Section 2 of any such Confidentiality Agreement. There are no restrictions, agreements, promises, warranties, covenants or undertakings with respect to the transactions contemplated hereby other than those expressly set forth in this Guaranty, the Transferred LLC Interest Sale Agreement, the Contribution Agreement, the LLC Operating Agreement, the Servicing Agreement and the other Ancillary Documents.

6.4 **Modifications, Amendments and Waivers**. This Guaranty may not be modified or amended except by an instrument or instruments in writing signed by the Beneficiaries and the Guarantor. Any party hereto may, only by an instrument in writing, waive compliance by any

other party or parties hereto with any term or provision hereof on the part of such other party or parties hereto to be performed or complied with. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor will any single or partial exercise of any right or power, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The waiver by any party hereto of a breach of any term or provision hereof shall not be construed as a waiver of any subsequent breach. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have hereunder.

6.5 **Counterparts; Facsimile Signatures**. This Guaranty will become effective when the signature page has been signed by the Guarantor and delivered to the Beneficiaries. A copy of the executed signature transmitted by telecopy, telecopy or other electronic transmission service shall be considered an original for purposes of this Section 6.5, provided that receipt of copies of such counterpart is confirmed.

6.6 **Governing Law**. THIS GUARANTY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH FEDERAL LAW, BUT IF FEDERAL LAW DOES NOT PROVIDE A RULE OF DECISION, IT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK EXCLUDING ANY CONFLICT OF LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS GUARANTY TO THE LAW OF ANOTHER JURISDICTION. Nothing in this Guaranty shall require any unlawful action or inaction by any party hereto.

6.7 **Submission to Jurisdiction; Waiver of Jury Trial**. The Guarantor, for itself and its Affiliates, hereby irrevocably and unconditionally:

(a) (i) agrees that any suit, action or proceeding instituted against it by any other party with respect to this Guaranty may be instituted, and that any suit, action or proceeding by him, her or it against any other party with respect to this Guaranty shall be instituted, only in the Supreme Court of the State of New York, County of New York, or the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia (and appellate courts from any of the foregoing) as the party instituting such suit, action or proceeding may in his, her or its sole discretion elect, (ii) consents and submits, for himself, herself or itself and its property, to the jurisdiction of such courts for the purpose of any such suit, action or proceeding instituted against him, her or it by any other party and (iii) agrees that a final judgment in any such suit, action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law;

(b) agrees that service of all writs, process and summonses in any suit, action or proceeding pursuant to Section 6.7(a) may be effected by the mailing of copies thereof by registered or certified mail, postage prepaid, to the Guarantor at its address for notices pursuant to Section 6.1 (with copies to such other Persons as specified therein); provided, however, that

nothing contained in this Section 6.7 shall affect the ability of the Guarantor to be served process in any other manner permitted by law;

6.8 **Severability**. To the fullest extent that they may effectively do so under applicable law, the Guarantor hereto hereby waives any provision of law that renders any provision of this Guaranty invalid, illegal or unenforceable in any respect. The Guarantor further agrees that any provision of this Guaranty which, notwithstanding the preceding sentence, is rendered or held invalid, illegal or unenforceable in any respect in any jurisdiction shall be ineffective, but such ineffectiveness shall be limited as follows: (a) if such provision is rendered or held invalid, illegal or unenforceable in such jurisdiction only as to a particular Person or Persons or under any particular circumstance or circumstances, such provision shall be ineffective, but only in such jurisdiction and only with respect to such particular Person or Persons or under such particular circumstance or circumstances, as the case may be; (b) without limitation of clause (a), such provision shall in any event be ineffective only as to such jurisdiction and only to the extent of such invalidity, illegality or unenforceability, and such invalidity, illegality or unenforceability in such jurisdiction shall not render invalid, illegal or unenforceable such provision in any other jurisdiction; and (c) without limitation of clause (a) or (b), such ineffectiveness shall not render invalid, illegal or unenforceable this Guaranty or any of the remaining provisions hereof.

6.9 **No Presumption**. With regard to each and every term and condition of this Guaranty, the Guarantor understands and agrees that the same have or has been mutually negotiated, prepared and drafted (by the Guarantor, on the one hand, and on behalf of the Beneficiaries, on the other hand), and if at any time any such term or condition is desired or required to be interpreted or construed, no consideration shall be given to the issue of who actually prepared, drafted or requested any term or condition of this Guaranty or any agreement or instrument subject hereto.

6.10 **Third Party Beneficiaries**. This Guaranty is for the benefit of each of the Beneficiaries and their respective successors and assigns, all of whom shall be express third party beneficiaries under this Guaranty and shall be entitled to enforce their rights hereunder.
