### **ARTICLE III**

#### **Security Interest**

Section 3.1 Granting of Security Interest. To secure the Debtor's payment and performance of the Secured Obligations and each Subsidiary Grantor's guaranty of payment of the Secured Obligations, each Grantor hereby transfers, assigns, sets over, conveys, mortgages and grants to the Secured Parties, subject to the terms of this Agreement and the Purchase Money Note (and any substitute Purchase Money Note that may be issued), a continuing security interest in, Lien on and right of setoff against all of its right, title and interest in and to all accounts,

- (a) the Assets, including all future advances made with respect thereto;
- (b) the Asset Documents;
- (c) all amounts payable to such Grantor pursuant to the Asset Documents and all obligations owed to such Grantor in connection with the Assets and the Asset Documents;
- (d) all Collateral, including all Acquired Property;
- (e) all claims, suits, causes of action and any other right of such Grantor, whether known or unknown, against any Borrower, any Obligor or other obligor or any of their respective Affiliates, agents, representatives, contractors, advisors or any other Person arising under or in connection with the Assets or the Asset Documents or that is in any way based on or related to any of the foregoing, including contract claims, tort claims, malpractice claims, statutory claims and all other claims at Law or in equity arising under or in connection with the Asset Documents or the transactions related thereto or contemplated thereby;
- (f) all cash, securities and other property received or applied by or for the account of such Grantor under the Assets, including all distributions received through any redemption, consummation of a plan of reorganization, restructuring, liquidation or otherwise of any Borrower, Obligor or other obligor under or with respect to the Assets, and any securities, interest, dividends or other property that may be distributed or collected with respect to any of the foregoing;
- (g) the Debtor Accounts and any other accounts established by the Debtor pursuant to the Custodial and Paying Agency Agreement, and all amounts on deposit therein (provided, however, that the security interest in, Lien on and right of setoff against the Defeasance Account and all amounts on deposit therein shall secure only the payment and performance of the Guaranteed Obligations);
- (h) the equity interests in all Ownership Entities;
- (i) all of such Grantor's right, title and interest in and to all insurance policies; and
- (j) any and all distributions on, or proceeds or products of or with respect to, any of the foregoing, and the rights to receive such proceeds and products (all of the foregoing property described in this Section 3.1, the "**Secured Parties Collateral**").

This grant of a security interest in the Secured Parties Collateral is expressly intended to remain in full force and effect from the Closing Date until the Secured Obligations, as such may be

modified in connection with the amendment of this Agreement, the Guaranty Agreement or any Transaction Document, have been satisfied in full.

All of the Notes and other Custodial Documents shall be held by the Custodian/Paying Agent as set forth in Section 8.4 (except and to the extent the same are permitted to be removed from the Custodian/Paying Agent's possession as provided in the Custodial and Paying Agency Agreement). The Collateral Agent shall retain possession of the Notes and other Custodial Documents with respect to the Assets until such time as the Debtor retains the Custodian/Paying Agent pursuant to the provisions of Section 8.4 and, at such time, shall cause the Custodian/Paying Agent to take possession of the Notes and other Custodial Documents with respect to the Assets on behalf of Collateral Agent. The Debtor shall deliver to the Collateral Agent within sixty (60) days after the Closing Date, (x) for each Asset, an allonge, endorsed in blank, and executed by the Debtor (an "Allonge"), and (y) for each Asset, a Mortgage Assignment, in blank, and executed by the Debtor. Such Allonges and Mortgage Assignments shall be held by the Custodian/Paying Agent with the Notes and other Custodial Documents. Reasonable and customary expenses paid to third parties actually incurred by the Debtor in preparing and delivering such Allonges and Mortgage Assignments shall constitute Pre-Approved Charges for purposes of the Custodial and Paying Agency Agreement. The Collateral Agent may use the Allonge to effect the endorsement of a Note or the Mortgage Assignment to effect the assignment of a mortgage to the Collateral Agent at any time if an Event of Default occurs and is continuing. Notwithstanding anything in this Agreement to the contrary, if the Debtor (acting by and through the Manager in accordance with the applicable provisions of the LLC Operating Agreement) elects to remove any MERS Registered Mortgage from the MERS System in accordance with the LLC Operating Agreement and the Contribution Agreement, then the Debtor must execute and deliver to the Collateral Agent or the Custodian/Paying Agent, as the case may be, the Allonge and Mortgage Assignment described above in this Section 3.1 promptly after the removal of such MERS Registered Mortgage from the MERS System and take such other action so as to cause such MERS Registered Mortgage and all Collateral relating to such MERS Registered Mortgage to be and remain subject to the first priority security interest granted pursuant to this Agreement.

### Section 3.2 Asset Defaults; Acquisition of Collateral.

(a) Discretion of Debtor in Responding to Defaults of a Borrower. Upon the occurrence of an event of default pursuant to any of the Asset Documents, but subject to the other terms and conditions of this Agreement applicable thereto, the Debtor shall cause to be determined the response to such default and course of action with respect to such default, including (i) the selection of attorneys to be used in connection with any action, whether judicial or otherwise, to protect the respective interests of the Debtor and the Collateral Agent in the applicable Asset and the Collateral, (ii) the declaration and recording of a notice of such default and the acceleration of the maturity of the Asset, (iii) the institution of proceedings to foreclose the Asset Documents securing the Asset pursuant to the power of sale contained therein or through a judicial action, (iv) the institution of proceedings against any Obligor, (v) the acceptance of a deed in lieu of foreclosure, (vi) the purchase of the real property Collateral at a foreclosure sale or trustee's sale or the purchase of the personal property Collateral at a Uniform Commercial Code sale, (vii) the institution or continuation of proceedings to obtain a deficiency

judgment against such Borrower or any Obligor and (viii) the institution of any other remedy provided for in the respective Asset Documents or at Law.

(b) Acquisition of Collateral. Nothing in this Section 3.2 or anything else in this Agreement shall be deemed to affirmatively require any Grantor to cause to be acquired all or any portion of any Collateral with respect to which there exists any Environmental Hazard. Except as otherwise directed by the Debtor, the Debtor shall not permit the Servicer or any Subservicer to acquire or otherwise cause the Debtor or any Subsidiary or other entity in which the Debtor owns any interest to acquire all or any portion of any Collateral having any actual or threatened Environmental Hazard known to the Debtor by foreclosure, deed in lieu of foreclosure, power of sale or sale pursuant to the UCC or otherwise. Prior to acquisition of title to any Collateral (whether by foreclosure, deed in lieu of foreclosure, by power of sale or by sale pursuant to the UCC, or otherwise), the Debtor shall cause to be commissioned with respect to such Collateral either (i) a transaction screen process consistent with ASTM Standard E 1528-06 by an environmental professional or (ii) such other site inspections and assessments by a Person who regularly conducts environmental audits using customary industry standards as would customarily be undertaken or obtained by a prudent lender in order to ascertain whether there are any actual or threatened Environmental Hazards (a "Site Assessment"), and the cost of such Site Assessment shall be reimbursable as if it were a Servicing Expense as long as the costs for such Site Assessment were not paid to any Affiliate of the Debtor, or any Affiliate of any Servicer or Subservicer. If title to any Collateral with respect to which there exists any Environmental Hazard is to be acquired by foreclosure, by deed in lieu of foreclosure, by power of sale or by sale pursuant to the UCC, or otherwise, title to such Collateral shall be taken and held in the name of an Ownership Entity, whether already in existence or formed by the Debtor for such purpose, provided that each Ownership Entity may only hold title to a single property constituting Collateral with respect to which there exists any Environmental Hazard. The purposes of the Ownership Entity shall be to hold the Acquired Property pending sale, to complete construction of such Acquired Property and to operate the Acquired Property as efficiently as possible in order to minimize financial loss to the Debtor and the Collateral Agent and to sell the Acquired Property as promptly as practicable in a way designed to minimize financial loss to the Debtor and the Collateral Agent, in each case, in conformity with any applicable Business Plan.

(c) Acquired REO Property. It is the intent of each Grantor and the Collateral Agent to create a continuing, perfected first priority security interest in the Secured Parties Collateral for the benefit of the Secured Parties. The release of the security interest in any or all of the Secured Parties Collateral, the taking or acceptance of additional security, or the resort by the Collateral Agent to any security it may have in any order it may deem appropriate, shall not affect the liability of any Person on the Secured Obligations secured hereby or the security interest and Lien granted hereby (other than in respect of the released Secured Parties Collateral).

Section 3.4 Destruction of Secured Parties Collateral. No injury to, or loss or destruction of, the Secured Parties Collateral or any part thereof shall relieve any Grantor of any of its obligations hereunder or any of the Secured Obligations.

Section 3.6 Financing Statements. Each Grantor hereby irrevocably authorizes, and ratifies and retroactively authorizes any filing made on or prior to the Closing Date, the filing, at any time and from time to time, of any financing statements or continuation statements, and amendments to such financing statements or any similar document in such jurisdictions and with such filing offices as the Collateral Agent may determine are necessary or advisable to perfect the security interest granted to it hereunder. amounts in respect of, each Purchase Money Note shall automatically become immediately due and payable;

(ii) The Purchase Money Note Guarantor may institute Proceedings for the collection of all amounts then payable by Debtor pursuant to Section 2.1 of this Agreement and the Collateral Agent may institute Proceedings for the collection of all other amounts then payable by Debtor pursuant to this Agreement, whether by declaration or otherwise, enforce any judgment obtained, and collect from Debtor moneys adjudged due;

(iii) The Collateral Agent may institute Proceedings from time to time for the complete or partial foreclosure of the Secured Parties Collateral or Collateral pursuant to any other Secured Parties Collateral Document;

(v) The Collateral Agent may sell the Secured Parties Collateral or any portion thereof or rights or interest therein;

(vi) If an "Event of Default" pursuant to and as defined in the LLC Operating Agreement has occurred, the Controlling Party may direct the Initial Member to exercise its right, and the Initial Member shall exercise such right, pursuant to the LLC Operating Agreement to terminate the Servicer (and any Subservicers) and cause the Manager to enter into a new Servicing Agreement with a servicer (a "**Successor Servicer**") selected by the Initial Member (in its sole and absolute discretion);

(vii) If an "Event of Default" pursuant to and as defined in the LLC Operating Agreement has occurred, the Controlling Party may direct the Initial Member to exercise its right, and the Initial Member shall exercise its right, pursuant to the LLC Operating Agreement to terminate the existing Manager and appoint a new Manager selected by the Initial Member (in its sole and absolute discretion);

(x) The Collateral Agent may institute Proceedings for the collection of all amounts then payable by any Subsidiary Grantor pursuant to Article VI of this Agreement for the enforcement of any judgment and for the collection from such Subsidiary Grantor of any monies adjudged due;

(b) Appointment of Successor Servicer. If the Initial Member exercises its right to appoint a Successor Servicer pursuant to Section 5.1(a)(vi), the costs and expenses associated with such Successor Servicer (including any servicing fees) shall be borne by the Manager (and not the Initial Member or Debtor), and no termination or other fee shall be due to the Manager or the Servicer or any Subservicer in connection with or as a result of any such action. (c) Cooperation to Facilitate Transfer. In any event, if a Servicer or Subservicer is terminated pursuant to the provisions of this Article V, the Manager shall, and shall cause any Servicer (and any Subservicer) to, provide the Initial Member, the Purchase

Money Note Guarantor and any Successor Servicer in a timely manner with all documents, records and data (including electronic documents, records and data) requested by the Initial Member, the Purchase Money Note Guarantor, or any Successor Servicer to enable it and any Successor Servicer to assume the responsibilities as servicer, and to cooperate with the Initial Member and the Purchase Money Note Guarantor in effecting the termination of any Servicer (or Subservicer), including (i) the transfer within one (1) Business Day of all cash amounts that, at the time, shall be or should have been credited to the Collection Account or are thereafter received with respect to any Asset, (ii) the transfer of all lockbox accounts with respect to which payments or other amounts with respect to the Assets are directed or the redirection of all such payments and other amounts to such account as the Initial Member, or the Purchase Money Note Guarantor may specify and (iii) the assignment to Collateral Agent of the right to access all such lockbox accounts, the Debtor Accounts and any other account into which Asset Proceeds or Borrower escrow or other payments are deposited or held; provided, however, that the documents, records and data delivered by the Servicer (and any Subservicer) to the Initial Member, the Purchase Money Note Guarantor and any Successor Servicer pursuant to this Section 5.1(c) shall be limited to those documents in such Servicer's possession at the time of such transfer or which the Servicer acquires thereafter and shall not include or be deemed to include any documents, records or data in the possession of the Custodian/Paying Agent. The Manager shall be liable for all costs and expenses incurred by the Initial Member, the Purchase Money Note Guarantor and the Collateral Agent (I) associated with the complete transfer of the servicing data, (II) associated with the completion, correction or manipulation of servicing data as may be required to correct errors or insufficiencies in the servicing data to enable the Collateral Agent and any Successor Servicer (and any Subservicers) to service the Assets properly and effectively, and (III) to retain and maintain the services of a Successor Servicer (and any Subservicers). Within a reasonable time after receipt of a written request of the Manager for the same, the Initial Member, the Purchase Money Note Guarantor and the Collateral Agent shall provide reasonable documentation evidencing such costs and expenses.

Section 5.2 Application of Proceeds. If the Collateral Agent collects any money or property pursuant to Section 5.1 of this Agreement, it shall pay out the money in the order set forth in Section 5.1 of the Custodial and Paying Agency Agreement, notwithstanding anything in any Purchase Money Note, the Guaranty Agreement, the Servicing Agreement or the Contribution Agreement to the contrary; provided, however, that if the Collateral Agent collects any money or property pursuant to Section 5.1 of this Agreement in respect of the Defeasance Account, it shall pay out the money pursuant to directions received from the Purchase Money Note Guarantor.

(a) The power to effect any sale or other disposition (a "**Sale**") of any portion of the Secured Parties Collateral shall not be exhausted by any one or more Sales as to any portion of the Secured Parties Collateral remaining unsold, but shall continue unimpaired until the entire Secured Parties Collateral shall have been sold or all Secured Obligations shall have been paid. The Collateral Agent from time to time may postpone any public Sale by public announcement made at the time and place of such Sale. The Collateral Agent hereby expressly waives its right to any amount fixed by Law as compensation for any Sale.

(b) In connection with a Sale of all or any portion of the Secured Parties Collateral:

(i) The Collateral Agent may bid for and purchase the property offered for Sale, and upon compliance with the terms of Sale may hold, retain and possess and dispose of such property, without further accountability;

(ii) The Collateral Agent may bid for and acquire the property offered for Sale in connection with any Sale thereof, and, subject to any requirements of, and to the extent permitted by, applicable Law in connection therewith, may purchase all or any portion of the Secured Parties Collateral in a private Sale, and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting the gross Sale price against the sum of (A) the amount which would be distributable to the Collateral Agent as a result of such Sale in accordance with Section 5.2 on the Distribution Date next succeeding the date of such Sale and (B) the expenses of the Sale and of any Proceedings in connection therewith which are reimbursable to it;

(iii) The Collateral Agent shall execute and deliver an appropriate instrument of conveyance prepared by the Servicer transferring its interest in any portion of the Secured Parties Collateral in connection with a Sale thereof;

(iv) The Collateral Agent is, pursuant to Section 13.1 of this Agreement, appointed the agent and attorney-in-fact of each Grantor to transfer and convey its interest in any portion of the Secured Parties Collateral in connection with a Sale thereof, and to take all action necessary to effect such Sale; and

(v) No purchaser or transferee at such a Sale shall be bound to ascertain the Collateral Agent's authority, inquire into the satisfaction of any conditions precedent or see to the application of any monies.

Section 5.4 No Impairment of Action. The Collateral Agent's right to seek and recover judgment pursuant to this Agreement shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Agreement. Neither the Lien of this Agreement nor any rights or remedies of the Collateral Agent shall be impaired by the recovery of any judgment by the Collateral Agent against any Grantor or by the levy of any execution under such judgment upon any portion of the Secured Parties Collateral or upon any of the assets of such Grantor. Any money or property collected by the Collateral Agent shall be applied in accordance with Section 5.2.

Section 5.5 Remedies Cumulative; Waiver. The rights of each of the Collateral Agent, the Purchase Money Note Guarantor and the Initial Member pursuant to this Agreement shall be in addition to, and not in limitation or exclusion of, any other rights and remedies that it may have (whether by operation of Law, in equity, under contract or otherwise) and without prejudice and in addition to any right of setoff, recoupment, combination of accounts, Lien or other right to which it is at any time entitled. No delay or failure on the part of

the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member to exercise any right or remedy to which it may become entitled hereunder upon an Event of Default shall constitute abandonment or waiver of any such right and the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member shall be entitled to exercise such right or remedy at any time during the continuance of a Event of Default.

Section 5.6 Waiver of Certain Rights and Remedies. To the extent permitted pursuant to applicable Law, each Grantor hereby waives all rights and remedies of a debtor or grantor under the NY UCC or other applicable Law, and all formalities prescribed by Law relative to the Sale or disposition of the Secured Parties Collateral (other than notice of Sale and any other formalities expressly provided in this Agreement), after the occurrence and during the continuation of an Event of Default and, except as otherwise set forth in this Agreement, all other rights and remedies of such Grantor with respect thereto.

## **ARTICLE VI** **Guaranty**

### Section 6.1 Guaranty.

(a) Each Grantor hereby, jointly and severally, unconditionally and irrevocably, guaranties to the Collateral Agent, for the benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Debtor when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations.

(b) Anything in this Agreement or in any other Transaction Document to the contrary notwithstanding, the maximum liability of each Grantor pursuant to this Agreement and the Transaction Documents shall in no event exceed the amount that validly can be guarantied by such Grantor, if any, pursuant to applicable federal and state Laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 6.2 of this Agreement).

(c) Each Grantor agrees that the Secured Obligations at any time and from time to time may exceed the amount of the liability of such Grantor pursuant to this Agreement without impairing the guaranty contained in this Section 6.1 or affecting the rights and remedies of the Secured Parties pursuant to this Agreement.

(d) The guaranty contained in this Section 6.1 shall remain in full force and effect until the termination of this Agreement, notwithstanding that from time to time prior thereto the Debtor may be free from any Secured Obligations.

(e) No payment made by the Debtor, any Grantor, any other guarantor or any other Person or received or collected by the Secured Parties from the Debtor, any Grantor, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Secured Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Grantor pursuant to this Agreement, which shall remain, notwithstanding any such

payment (other than any payment made by such Grantor in respect of the Secured Obligations or any payment received or collected from such Grantor in respect of the Secured Obligations), liable for the Secured Obligations up to the maximum liability of such Grantor pursuant to this Agreement until the termination of this Agreement.

Section 6.2 Right of Contribution. Each Grantor hereby agrees that to the extent that a Grantor shall have paid more than its proportionate share of any payment made pursuant to this Agreement, such Grantor shall be entitled to seek and receive contribution from and against any other Grantor pursuant to this Agreement that has not paid its proportionate share of such payment. Each Grantor's right of contribution shall be subject to the terms and conditions of Section 6.3. The provisions of this Section 6.2 in no respect shall limit the obligations and liabilities of any Grantor to the Secured Parties, and each Grantor shall remain liable to the Secured Parties for the full amount guaranteed by such Grantor pursuant to this Agreement.

Section 6.3 No Subrogation. Notwithstanding any payment made by any Grantor pursuant to this Agreement or any set-off or application of funds of any Grantor by the Secured Parties, no Grantor shall be entitled to be subrogated to any of the rights of the Secured Parties against the Debtor or any other Grantor or any collateral security or guaranty or right of offset held by any Secured Party for the payment of the Secured Obligations, nor shall any Grantor seek or be entitled to seek any contribution or reimbursement from the Debtor or any other Grantor in respect of payments made by such Grantor hereunder, until the termination of this Agreement and the indefeasible satisfaction in full in cash of the Secured Obligations. If any amount shall be paid to any Grantor on account of such subrogation, contribution or reimbursement rights at any time when all of the Secured Obligations shall not have been paid in full, such amount shall constitute Asset Proceeds and shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor, and, immediately upon receipt by such Grantor, shall be deposited into the Collection Account, to be applied in accordance with the Priority of Payments.

Section 6.4 Amendments, etc. with Respect to the Secured Obligations. Each Grantor shall remain obligated pursuant to this Agreement notwithstanding that, without any reservation of rights against any Grantor and without notice to or further assent by any Grantor, any demand for payment of any of the Secured Obligations made by the Collateral Agent, the Purchase Money Note Guarantor may be rescinded by such Person and any of the Secured Obligations continued, and the Secured Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guaranty therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or the Purchase Money Note Guarantor, as the case may be, and the Guaranty Agreement, the Purchase Money Note and the other Transaction Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Collateral Agent or the Purchase Money Note Guarantor may deem reasonably advisable from time to time, and any collateral security, guaranty or right of offset at any time held by the Collateral Agent for the payment of the Secured Obligations may be sold (in the case of any such collateral security), exchanged, waived, surrendered or released. The Collateral Agent shall not have any obligation to protect, secure, perfect or insure any Lien at

any time held by it as security for the Secured Obligations or for the guaranty contained in this Article VI or any property subject thereto.

Section 6.5 Guaranty Absolute and Unconditional. Each Grantor waives any and all notice of the creation, renewal, extension, amendment, Modification, waiver or accrual of any of the Secured Obligations and notice of or proof of reliance by the Collateral Agent upon the guaranty contained in this Article VI or acceptance of the guaranty contained in this Article VI; the Secured Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, modified or waived, in reliance upon the guaranty contained in this Article VI and the grant of the security interests pursuant to Section 3.1; and all dealings between the Debtor and any of the Grantors, on the one hand, and the Collateral Agent, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guaranty contained in this Article VI and the grant of the security interests pursuant to Section 3.1. Each Grantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Debtor or any of the Grantors with respect to the Secured Obligations. Each Grantor understands and agrees that the guaranty contained in this Article VI and the grant of the security interests pursuant to Section 3.1 shall be, and shall be construed to be, a continuing, absolute and unconditional guaranty of payment and performance without regard to (a) the validity or enforceability of the Guaranty Agreement, the Purchase Money Note or any other Transaction Document, any of the Secured Obligations or any other collateral security therefor or guaranty or right of offset with respect thereto at any time or from time to time held by the Collateral Agent, for the benefit of the Secured Parties, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Debtor or any other Person against the Collateral Agent, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Debtor or such Grantor) which constitutes, or may be construed to constitute, an equitable or legal discharge of the Debtor for the Secured Obligations, or of such Grantor pursuant to the guaranty contained in this Article VI and the grant of the security interests pursuant to Section 3.1, in bankruptcy or in any other instance. When making any demand pursuant to this Agreement or otherwise pursuing its rights and remedies hereunder against any Grantor, the Collateral Agent may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Debtor, any Grantor or any other Person or against any collateral security or guaranty for the Secured Obligations or any right of offset with respect thereto, and any failure by the Collateral Agent to make any such demand, to pursue such other rights or remedies or to collect any payments from the Debtor, any Grantor or any other Person or to realize upon any such collateral security or guaranty or to exercise any such right of offset, or any release the Debtor, any Grantor or any other Person or any such collateral security, guaranty or right of offset, shall not relieve any Grantor of any obligation or liability pursuant to this Agreement, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of Law, of the Collateral Agent against any Grantor. For the purposes of this Agreement, “demand” shall include the commencement and continuance of any legal proceedings.

Section 6.6 Reinstatement. The guaranty contained in this Article VI shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by the

Collateral Agent upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Debtor or any Grantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Debtor or any Grantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Section 6.7 Payments. Each Grantor hereby guaranties that payments pursuant to this Article VI will constitute Asset Proceeds and will be deposited into the Collection Account, to be applied in accordance with the Priority of Payments.

Section 6.8 Information. Each Grantor assumes all responsibility for being and keeping itself reasonably informed of the Debtor's and each other Grantor's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Secured Obligations and the nature, scope and extent of the risks that such Grantor assumes and incurs hereunder, and agrees that neither the Collateral Agent nor any other Secured Party will have any duty to advise such Grantor of information known to it or any of them regarding such circumstances or risks.

(a) This Agreement has been duly executed by such Grantor and constitutes a legal, valid and binding obligation of such Grantor, enforceable against such Grantor in accordance with its terms, except as such enforceability may be limited by the Debtor Relief Laws and by general principles of equity;

(b) There are no actions, suits, Proceedings, claims or disputes pending or, to the knowledge of the Manager or such Grantor, threatened in writing, at Law, in equity, in arbitration or before any Governmental Authority affecting such Grantor or any of its properties or revenues that may adversely affect the grant by such Grantor, or the perfection, of the security interest purported to be created hereby in the Secured Parties Collateral, or the exercise by the Collateral Agent or the Purchase Money Note Guarantor of any of its rights or remedies pursuant to this Agreement;

(c) The Grantors are and will be at all times the sole and exclusive owners of, or otherwise have and will have rights in, the Secured Parties Collateral free and clear of any Lien other than Liens in favor of the Collateral Agent and other Liens expressly permitted pursuant to the Transaction Documents, and no effective financing statement or other instrument similar in effect covering all or any part of the Secured Parties Collateral (except in favor of the Collateral Agent) is on file in any recording or filing office;

(d) The transactions provided for in this Agreement (i) have been duly authorized by all requisite limited liability company action, and (ii) do not and will not (A) violate (1) any applicable provision of any Law or of the certificate of formation or operating

(a) In consideration of the Purchase Money Note Guarantor agreeing to act as the agent of the Holder of the Purchase Money Note and to guaranty certain obligations of Debtor pursuant to the Purchase Money Note in accordance with the Guaranty Agreement, the

Receiver, for and on behalf of Debtor, shall pay to the Purchase Money Note Guarantor on the Closing Date a fee equal to 4.0% of the aggregate original principal amount of the Purchase Money Note (the “**Purchase Money Note Issuance/Guaranty Fee**”). To effect reimbursement and repayment of the Purchase Money Note Issuance/Guaranty Fee to the Receiver, the Purchase Money Note Issuance/Guaranty Fee will be added to the aggregate principal amount of the Purchase Money Note.

(b) Notwithstanding any provision of this Agreement or in the other Transactions Documents, no additional Purchase Money Note Issuance/Guaranty Fee shall be due upon the implementation of the guaranty pursuant to the Guaranty Agreement.

## **ARTICLE IX**

### **Required Consent; Limits Liability**

Section 9.1 Required Consents; Limits Liability. Notwithstanding the foregoing, the Debtor may permit to be taken any action enumerated in Section 6.1(g) of the Servicing Agreement without the consent of the Required Consenting Parties.

#### Section 9.2 Limitation of Liability.

(a) Liability Generally. Neither the Collateral Agent, the Purchase Money Note Guarantor nor any other Secured Party nor any of their respective Affiliates, nor any of their respective officers, directors, employees, partners, principals or agents, including the Servicer and any Subservicer when acting as an agent of any of the foregoing, shall be liable for any action taken or omitted to be taken by them or any one of them under this Agreement or in connection with any Secured Parties Collateral or any portion thereof, except that this sentence shall not apply to any act or omission constituting gross negligence, bad faith or willful misconduct (including any act or omission constituting theft, embezzlement, breach of trust or violation of any Law). In the event the Collateral Agent, the Purchase Money Note Guarantor, or any Secured Party exercises its rights pursuant to Article V of this Agreement, none of the Collateral Agent, the Purchase Money Note Guarantor, or any Secured Party, nor any of their respective Affiliates, nor any of their respective officers, directors, employees, partners, principals or agents, including the Servicer and any Subservicer when acting as an agent of any of the foregoing, shall be liable for any action taken or omitted to be taken by them or any one of them pursuant to this Agreement or in connection with any Secured Parties Collateral or any portion thereof, except that this sentence shall not apply to any act or omission constituting willful misconduct.

(b) Reliance on Notices, etc. None of the Debtor, the Collateral Agent or the Purchase Money Note Guarantor shall incur any liability to the other by acting in good faith upon any notice, consent, certificate or other instrument or writing (including telegram, cable, telex or telecopy) that is reasonably believed by the Debtor, the Collateral Agent or the Purchase

Money Note Guarantor, as applicable, to be genuine and to have been signed or sent by the proper party and that on its face is properly executed.

(c) No Consequential Damages. Regardless of the legal theory upon which any claim by or against the Debtor or the Collateral Agent or the Purchase Money Note Guarantor is based, including any claim based on contract, tort, strict liability or fraud, none of the Collateral Agent, the Purchase Money Note Guarantor or the Debtor shall be liable for, or may recover from the other, any amounts other than actual losses, costs and expenses (including reasonable attorneys' fees and litigation and similar costs to pursue such recovery) incurred by the party asserting the claim. Without limiting the foregoing, neither party shall be liable for, or entitled to recover from the other party, any consequential, special, indirect, punitive, treble, nominal or exemplary damages, business interruption costs or expenses, or damages for lost profits, operating losses or lost investment opportunity (regardless of whether any such damages are characterized as direct or indirect), each of which is and all of which are hereby excluded by agreement of the Collateral Agent, the Purchase Money Note Guarantor and the Debtor, regardless of whether the party against whom such damages may be claimed has been advised of the possibility of any such damages, unless (in each case) such losses are incurred by the party asserting the claim as a direct result of a claim asserted against such party by a third party. For purposes of this Section 9.2, the following claims shall not constitute claims asserted by a third party: (i) with respect to the Debtor, any claims asserted by (A) the Servicer or any Subservicer, (B) any Affiliate of the Debtor, the Servicer or any Subservicer and (C) any officer, director, employee, partner, principal or agent of the Debtor or the Servicer or any Subservicer, or any Affiliate of the Debtor, the Servicer or any Subservicer; and (ii) with respect to Collateral Agent, any claims asserted by any Affiliate or officer, director, employee, partner, principal or agent of the Collateral Agent, the Purchase Money Note Guarantor or any Affiliate of any of them.

## ARTICLE X

### Release of Secured Parties Collateral

The Purchase Money Note Guarantor hereby authorizes the Collateral Agent to, and Collateral Agent agrees that it shall, release its Lien on any Secured Parties Collateral, solely to the extent necessary, (a) upon a final, nonappealable order of a court of competent jurisdiction permitting or directing disposition thereof, (b) upon payment of any Asset in full and satisfaction in full of all of the secured obligations with respect to an Asset or upon receipt of a discounted payoff as payment in full of an Asset, (c) as is necessary in connection with the foreclosure on a Mortgaged Property, acceptance of a deed in lieu thereof or Modification or restructuring of the terms thereof or (d) in connection with the Debtor's sale of an Asset or any Collateral to the extent permitted under the Transaction Documents, provided, that the proceeds of such sale or disposition are applied in accordance with the priority of payments set forth in Section 5.1 of the Custodial and Paying Agency Agreement and the other terms thereof.

## ARTICLE XI

### Liquidation of Assets

Section 11.1 Rights to Liquidate Assets and Secured Parties Collateral. Each of the Initial Member and, so long as any Purchase Money Note is outstanding and not fully discharged, the Purchase Money Note Guarantor shall have the right, exercisable in its sole and

absolute discretion, to require the liquidation and sale, for cash consideration, of any remaining Assets or other Secured Parties Collateral held by Debtor or any Ownership Entity at any time after the earlier to occur of (a) the seventh anniversary of the Closing Date or (b) the date on which the then Unpaid Principal Balance is ten percent (10%) or less of the Unpaid Principal Balance as of the Cut-Off Date as set forth on the Asset Schedule.

Section 11.2 Exercise of Rights to Liquidate Assets and Secured Parties Collateral. In order to exercise its rights under Section 11.1, the Initial Member or, (a) if the Guaranty Notice is provided as set forth in the Guaranty Agreement, then until the repayment in full of and the discharge of the Purchase Money Note (and the satisfaction of the reimbursement obligation to the Purchase Money Note Guarantor on account of any Guaranty Payment), the Receiver or (b) if the Guaranty Notice is not provided as set forth in the Guaranty Agreement or after the repayment in full of and the discharge of the Purchase Money Note (and the satisfaction of the reimbursement obligations to the Purchase Money Note Guarantor), the Purchase Money Note Guarantor acting on behalf of the Noteholders shall give notice in writing to the Collateral Agent, the Custodian/Paying Agent and the Debtor (with copies thereof to the Initial Member or the Purchase Money Note Guarantor, as applicable), setting forth the date by which the remaining Assets or other Secured Parties Collateral are to be liquidated by the Collateral Agent. Debtor shall, and shall cause the Custodian/Paying Agent to, cooperate and assist the Collateral Agent with any and all aspects of the liquidation of the remaining Assets and other Secured Parties Collateral to the extent reasonably requested by the Collateral Agent. In the event the Debtor or any Affiliate thereof desires to bid to acquire the remaining Assets or other Secured Parties Collateral, then the Collateral Agent shall be entitled to liquidate the remaining Assets and other Secured Parties Collateral in its discretion. In the event the Collateral Agent undertakes to liquidate the remaining Assets and other Secured Parties Collateral pursuant to this Section 11.2, the proceeds thereof shall be applied on the Distribution Date following any such liquidation in accordance with the priority of payments set forth in Section 5.1 of the Custodial and Paying Agency Agreement and the other terms thereof; provided, however, that, notwithstanding such priority of payments, no portion of such proceeds shall be paid pursuant to Section 5.1(b)(vii) of the Custodial and Paying Agency Agreement until the Secured Obligations have been repaid in full.

## **ARTICLE XII** **Collateral Agent**

Section 12.1 Appointment and Authorization of Collateral Agent. The Purchase Money Note Guarantor hereby irrevocably appoints, designates and authorizes the Receiver to act as the Collateral Agent pursuant to this Agreement to act as the agent of (and to hold any security interest created by the Secured Parties Collateral Documents for and on behalf of or in trust for) the Purchase Money Note Guarantor and each other Secured Party for purposes of acquiring, holding and enforcing any and all Liens on the Secured Parties Collateral granted by any Grantor to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this capacity, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent for purposes of holding or enforcing any Lien on the Secured Parties Collateral (or any portion thereof) granted pursuant to the Secured Parties Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits of all provisions of this

Article XII as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent pursuant to this Agreement. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Transaction Document, the Collateral Agent shall have no duties or responsibilities, except those expressly set forth in this Agreement, nor shall the Collateral Agent have or be deemed to have any fiduciary relationship with any Secured Party or participant of a Secured Party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Transaction Document or otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Agreement and in the other Transaction Documents with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 12.2 Delegation of Duties. The Collateral Agent may execute any of its duties pursuant to this Agreement or any other Secured Parties Collateral Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted pursuant to the Secured Parties Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, sub-agents, employees or attorneys-in-fact as shall be deemed necessary by the Collateral Agent and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Collateral Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

Section 12.3 Liability of Collateral Agent. Neither the Collateral Agent, nor any of its Affiliates or officers, directors, employees, agents, sub-agents or attorneys-in-fact of any of them shall (a) be liable for any action taken or omitted to be taken by any of them pursuant to or in connection with this Agreement or any other Transaction Document or the transactions contemplated hereby (except that this sentence shall not apply to the Collateral Agent’s own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth in this Agreement), or (b) be responsible in any manner to any Secured Party for any recital, statement, representation or warranty made by any Grantor or any officer thereof, contained herein or in any other Transaction Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Agreement or any other Transaction Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Transaction Document, or the perfection or priority of any Lien or security interest created or purported to be created pursuant to the Secured Parties Collateral Documents, or for any failure of any Grantor or any other party to any Transaction Document to perform its obligations pursuant to this Agreement or any other Transaction Document.

Section 12.4 Reliance by Collateral Agent.

(a) The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice,

consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to the Debtor), independent accountants and other experts selected by the Collateral Agent. The Collateral Agent shall be fully justified in failing or refusing to take any action pursuant to any Secured Parties Collateral Document unless it shall first receive such advice or concurrence of the Controlling Party as it deems appropriate. The Collateral Agent in all cases shall be fully protected in acting, or in refraining from acting, pursuant to this Agreement or any other Secured Parties Collateral Document in accordance with a request or consent of the Controlling Party and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Secured Parties.

(b) Each of the Purchase Money Note Guarantor and the Receiver, by its execution of this Agreement, shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required to be consented to or approved by or acceptable or satisfactory to the Collateral Agent unless the Collateral Agent shall have received notice from the Purchase Money Note Guarantor prior to the proposed Closing Date specifying its objection thereto.

Section 12.5 Liability of Collateral Agent. The Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the Collateral Agent shall have received written notice from a Grantor or any Secured Party referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." The Collateral Agent will notify the Purchase Money Note Guarantor of its receipt of any such notice. The Collateral Agent shall take such action with respect to any Event of Default as may be directed by the Controlling Party in accordance with Article V; provided, however, that unless and until the Collateral Agent has received any such direction, the Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Secured Parties.

Section 12.6 Successor Collateral Agent.

The Collateral Agent may resign as the Collateral Agent upon thirty (30) days' notice to the Purchase Money Note Guarantor and Debtor; provided, however, that the prior written consent of the Purchase Money Note Guarantor and the Debtor will be required prior to the effectiveness of any such resignation. If the Collateral Agent resigns pursuant to this Agreement, the Controlling Party, with the written consent of the Debtor, shall appoint a successor collateral agent for the Secured Parties. If no successor collateral agent is appointed prior to the effective date of the resignation of the Collateral Agent, the retiring Collateral Agent may appoint, after consulting with the Purchase Money Note Guarantor and the Debtor, a successor collateral agent. Upon the acceptance of its appointment as successor collateral agent pursuant to this Agreement, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Collateral Agent and the term "Collateral Agent" shall mean such successor collateral agent, and the retiring Collateral Agent's appointment, powers and duties as the Collateral Agent shall be terminated.

**ARTICLE XIII**  
**Miscellaneous**

Section 13.1 Attorney-in-Fact. Each Grantor hereby constitutes and appoints the Collateral Agent the true and Lawful attorney-in-fact of such Grantor, with full power and authority in the place and stead of such Grantor and in the name of such Grantor, Collateral Agent or otherwise, subject to the terms of this Agreement and applicable Law, to enforce all rights, interests and remedies of such Grantor with respect to the Secured Parties Collateral; provided, however, that the Collateral Agent shall not exercise any of the aforementioned rights unless an Event of Default has occurred and is continuing. This power of attorney is a power coupled with an interest and shall be irrevocable until the termination of this Agreement in accordance with the terms hereof; provided, however, that nothing in this Agreement shall prevent such Grantor from, prior to the exercise by the Collateral Agent of any of the aforementioned rights, utilizing the Secured Parties Collateral to transact Grantor ordinary course business operations.

Section 13.2 No Petition. Each of the Collateral Agent and the Purchase Money Note Guarantor hereby covenants and agrees that it will not at any time institute against the Debtor, or join in any institution against the Debtor of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding, or other proceedings under any United States federal or state bankruptcy or similar Law in connection with any obligation relating to the Purchase Money Note, the Guaranty Agreement, or this Agreement.

Section 13.3 Reimbursement of Expenses. Except as prohibited by Law, if at any time the Collateral Agent or the Purchase Money Note Guarantor incurs any fees, expenses, costs, or charges (including attorneys' fees and expenses, costs or charges relating thereto) in connection with the creation, perfection, preservation, or release of the security interest of the Collateral Agent in the Secured Parties Collateral or the enforcement of any of the rights or remedies of the Collateral Agent or the Purchase Money Note Guarantor pursuant to this Agreement, all of such fees, expenses, costs or charges incurred by the Collateral Agent or the Purchase Money Note Guarantor shall become part of the Secured Obligations secured hereby and be paid by the Debtor on demand.

Section 13.4 Termination of Security Interest. Upon the indefeasible satisfaction and discharge in full of the Secured Obligations, the security interest and all other rights granted hereby shall terminate and all rights to the Secured Parties Collateral shall revert to the Debtor. Upon any such indefeasible satisfaction, and discharge of the Secured Obligations, the Collateral Agent (a) upon the written request of the Debtor promptly shall execute and deliver all such documentation, UCC termination statements and instruments as are necessary to release the Liens created pursuant to this Agreement and to terminate this Agreement, and (b) agrees, at the reasonable request of the Debtor, to furnish, execute and deliver such documents, instruments, certificates, notices or further assurances as the Debtor reasonably may request as necessary or desirable to effect such termination and release, all at the Debtor's sole cost and expense.

### Section 13.5 Indemnification.

(a) Each Grantor shall indemnify, defend and hold harmless the Collateral Agent, the Purchase Money Note Guarantor, the FDIC and each of their respective Affiliates, and their respective officers, directors, employees, partners, principals, agents and contractors (the “**Indemnified Parties**”), from and against any losses, damages, liabilities, costs and expenses (including reasonable attorneys’ fees and litigation and similar costs, and other out-of-pocket expenses incurred in investigating, defending, asserting or preparing the defense or assertion of any of the foregoing), deficiencies, claims, interest, awards, judgments, penalties and fines (collectively, “**Indemnified Losses**”) arising out of or resulting from (i) any breach by any Grantor or any of its Affiliates or any of their respective officers, directors, employees, partners, principals, agents or contractors (including the Servicer and any Subservicer) (collectively, “**Related Entities**”) of any of their respective obligations pursuant to or covenants or agreements contained in this Agreement, the Secured Parties Collateral Documents or the Servicing Agreement (including any claim asserted by the Collateral Agent or the Purchase Money Note Guarantor against the Debtor to enforce its rights pursuant to Article V), or any third-party allegation or claim based upon facts alleged that, if true, would constitute such a breach, or (ii) any gross negligence, bad faith or willful misconduct of any of the Related Entities (including any act or omission constituting theft, embezzlement, breach of trust or violation of any Law). Such indemnity shall survive the termination of this Agreement. In order for an Indemnified Party to be entitled to any indemnification provided for pursuant to this Agreement in respect of, arising out of or involving an Indemnified Loss or a claim or demand made by any Person against the Indemnified Party (a “**Third Party Claim**”), such Indemnified Party shall deliver notice thereof to the Debtor promptly after receipt by such Indemnified Party of written notice of the Third Party Claim, describing in reasonable detail the facts giving rise to any claim for indemnification pursuant to this Agreement, the amount of such claim (if known) and such other information with respect thereto as is available to the Indemnified Party and as the Debtor may reasonably request. The failure or delay to provide such notice, however, shall not release any Grantor from any of its obligations pursuant to this Section 13.5 except to the extent that it is materially prejudiced by such failure or delay.

(b) If for any reason the indemnification provided for pursuant to this Section 13.5 is unavailable or insufficient to hold harmless the Indemnified Parties, the Debtor shall contribute to the amount paid or payable by the Indemnified Parties as a result of the Indemnified Losses of the Indemnified Parties in such proportion as is appropriate to reflect the relative fault of the Indemnified Parties, on the one hand, and the Debtor or any Subsidiary Grantor (including the Servicer and any Subservicer), on the other hand in connection with a breach of the Debtor’s or any Subsidiary Grantor’s obligations pursuant to this Agreement.

(c) If the Debtor confirms in writing to the Indemnified Party within fifteen days after receipt of a Third Party Claim the Debtor’s responsibility to indemnify and hold harmless the Indemnified Party therefor, the Debtor may elect to assume control over the compromise or defense of such Third Party Claim at the Debtor’s own expense and by the Debtor’s own counsel, which counsel must be reasonably satisfactory to the Indemnified Party; provided, however, that (i) if such Indemnified Party so desires, the Indemnified Party may employ counsel at such Indemnified Party’s own expense to assist in the handling (but not control the defense) of any Third Party Claim; (ii) the Debtor shall keep the Indemnified Party

advised of all material events with respect to any Third Party Claim; (iii) the Debtor shall obtain the prior written approval of the Indemnified Party before ceasing to defend against any Third Party Claim or entering into any settlement, adjustment or compromise of such Third Party Claim involving injunctive or similar equitable relief being imposed upon any Indemnified Party or any of its or his Affiliates; and (iv) no Grantor, without the prior written consent of each Indemnified Party, will settle or compromise or consent to the entry of any judgment in any pending or threatened action in respect of which indemnification may be sought hereunder (whether or not any such Indemnified Party is a party to such action), unless such settlement, compromise or consent by its terms obligates such Grantor to satisfy the full amount of the liability in connection with such Third Party Claim and includes an unconditional release of the Indemnified Party from all liability arising out of such Third Party Claim.

(d) Notwithstanding anything contained in this Agreement to the contrary, the Debtor shall not be entitled to control (and if the Indemnified Party so desires, it shall have sole control over) the defense, settlement, adjustment or compromise of (but the Debtor shall nevertheless be required to pay all Indemnified Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise): (i) any Third Party Claim that seeks an order, injunction or other equitable relief against the Indemnified Party or any of its Affiliates; (ii) any action in which both the Debtor or any Subsidiary Grantor (or any Affiliate) and the Indemnified Party are named as parties and either the Debtor or such Subsidiary Grantor (or such Affiliate) or the Indemnified Party determines with advice of counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the other party or that a conflict of interest between such parties may exist in respect of such action; and (iii) any matter that raises or implicates any issue relating to any power, right or obligation of the FDIC under any Law. If the Debtor elects not to assume the compromise or defense against the asserted liability, fails to timely and properly notify the Indemnified Party of its election as herein provided, or, at any time after assuming such defense, fails to diligently defend against such Third Party Claim in good faith, the Indemnified Party may pay, compromise or defend against such asserted liability (but the Debtor shall nevertheless be required to pay all Indemnified Losses incurred by the Indemnified Party in connection with such defense, settlement or compromise). In connection with any defense of a Third Party Claim (whether by the Debtor, a Subsidiary Grantor or the Indemnified Party), all of the parties to this Agreement shall, and shall cause their respective Affiliates to, cooperate in the defense or prosecution thereof and to in good faith retain and furnish such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials and appeals, as may reasonably be requested by a party to this Agreement in connection therewith.

Section 13.6 Governing Law. EACH PARTY TO THIS AGREEMENT AGREES AND ELECTS THAT, IN ACCORDANCE WITH SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, EXCLUDING ANY CONFLICT OF LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION, AND EACH PARTY TO THIS AGREEMENT UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY CLAIM TO ASSERT THAT THE LAWS OF ANY OTHER JURISDICTION GOVERN THIS

AGREEMENT. NOTWITHSTANDING THE FOREGOING PROVISIONS OF THIS SECTION 13.6, HOWEVER, (a) THE UNIFORM COMMERCIAL CODE AS IN EFFECT FROM TIME TO TIME IN THE JURISDICTION WHERE EACH GRANTOR IS LOCATED IS TO GOVERN THE PERFECTION OR NON-PERFECTION AND THE PRIORITY OF ANY SECURITY INTERESTS GRANTED BY SUCH GRANTOR TO THE SECURED PARTIES PURSUANT TO THIS AGREEMENT AND (b) THE APPLICABLE LAWS IN EFFECT FROM TIME TO TIME IN THE JURISDICTION WHERE ANY ACQUIRED REAL PROPERTY IS LOCATED ARE TO GOVERN THE CREATION, PERFECTION OR NON-PERFECTION, PRIORITY AND ENFORCEMENT OF ANY SECURITY INTERESTS GRANTED BY THE APPLICABLE GRANTOR TO THE SECURED PARTIES PURSUANT TO THIS AGREEMENT IN AND TO SUCH ACQUIRED REAL PROPERTY. NOTHING IN THIS AGREEMENT SHALL REQUIRE ANY UNLAWFUL ACTION OR INACTION BY ANY PARTY TO THIS AGREEMENT.

Section 13.7 Jurisdiction, Venue and Service.

(a) Each Grantor, for itself and its Affiliates, hereby irrevocably and unconditionally:

(i) consents to the jurisdiction of the United States District Court for the Southern District of New York and to the jurisdiction of the United States District Court for the District of Columbia for any suit, action or proceeding against it or any of its Affiliates commenced by the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member arising out of, relating to, or in connection with this Agreement or any other Transaction Document, and waives any right to:

(A) remove or transfer such suit, action or proceeding to any court or dispute-resolution forum other than the court in which the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member, as applicable, files the suit, action or proceeding without the consent of the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member, as applicable;

(B) assert that venue is improper in the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia; or

(C) assert that the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia is an inconvenient forum.

(ii) consents to the jurisdiction of the Supreme Court of the State of New York for any suit, action or proceeding against it or any of its Affiliates commenced by the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member arising out of, relating to, or in connection with this Agreement or any other Transaction Document (other than the LLC Operating Agreement), and waives any right to:

(A) remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member, as applicable;

(B) assert that venue is improper in the Supreme Court of the State of New York; or

(C) assert that the Supreme Court of the State of New York is an inconvenient forum.

(iii) agrees to bring any suit, action or proceeding by any Grantor or its Affiliates against the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member arising out of, relating to or in connection with this Agreement or any Transaction Document in only either the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia, and waives any right to remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member, as applicable, and agrees to consent thereafter to transfer of the suit, action or proceeding to either the United States District Court for the Southern District of New York or the United States District Court for the District of Columbia at the option of the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member, as applicable; and

(iv) agrees, if the United States District Court for the Southern District of New York and the United States District Court for the District of Columbia both lack jurisdiction to hear a suit, action or proceeding falling within Section 13.7(a)(iii), to bring that suit, action or proceeding in only the Supreme Court of the State of New York, and waives any right to remove or transfer such suit, action or proceeding to any other court or dispute-resolution forum without the consent of the Collateral Agent, the Purchase Money Note Guarantor or the Initial Member, as applicable.

(b) Each Grantor, on behalf of itself and its Affiliates, hereby irrevocably and unconditionally agrees that any final judgment entered against it in any suit, action or proceeding falling within Section 13.7(a) may be enforced in any court of competent jurisdiction.

(c) Subject to the provisions of Section 13.7(d), each Grantor, on behalf of itself and its Affiliates, the Collateral Agent, the Purchase Money Note Guarantor and the Initial Member hereby irrevocably and unconditionally agree that service of all writs, process and summonses in any suit, action or proceeding pursuant to Section 13.7(a) or Section 13.7(b) may be effected by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address for notices pursuant to Section 13.9 (with copies to such other Persons as specified therein); provided, however, that nothing contained in this Section 13.7(c) shall affect the right of any party to serve process in any other manner permitted by Law.

(d) Nothing in this Section 13.7 shall constitute consent to jurisdiction in any court by the FDIC, other than as expressly provided in Section 13.7(a)(iii) and Section 13.7(a)(iv), or in any way limit the FDIC's right to remove, transfer, seek to dismiss or otherwise respond to any suit, action or proceeding against it in any forum.

Section 13.8 Waiver of Jury. EACH GRANTOR (ON BEHALF OF ITSELF AND ITS AFFILIATES), THE COLLATERAL AGENT, THE PURCHASE MONEY NOTE GUARANTOR AND THE INITIAL MEMBER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT AND AGREES THAT ANY SUCH DISPUTE SHALL BE TRIED BEFORE A JUDGE SITTING WITHOUT A JURY.

Section 13.9 Notices. All notices, requests, demands, and other communications required or permitted to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be mailed or delivered to the applicable address or electronic mail address of the parties specified below for such Person or to such other address or electronic mail address as shall be designated by such party in a notice to the other parties. All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt (or refusal thereof) by the relevant party hereto and (ii) (A) if delivered by hand or by nationally recognized courier service, when signed for (or refused) by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; and (C) if delivered by electronic mail, when delivered. Section 13.10 Assignment. This Agreement shall inure to the benefit of and be binding on and enforceable against each Grantor, the Collateral Agent, the Purchase Money Note Guarantor and the Initial Member and their respective successors and assigns; provided, however, that no Grantor shall assign its rights pursuant to this Agreement in whole or in part without the prior written consent of the Collateral Agent and the Purchase Money Note Guarantor.

Section 13.11 Entire Agreement. This Agreement contains the entire agreement among the Grantors, the Collateral Agent, the Purchase Money Note Guarantor and the Initial Member with respect to the subject matter of this Agreement and supersedes any and all other prior agreements, whether oral or written, provided that any Confidentiality Agreement between the FDIC and the Private Owner or any Affiliates of the Private Owner (including by way of joinder) with respect to the transaction that is the subject of this Agreement and the other Transaction Documents shall remain in full force and effect to the extent provided therein.

Section 13.12 Amendments and Waivers. No provision of this Agreement may be amended or waived except in writing executed by all of the parties to this Agreement, except for Article II, any provision of which may be amended and waived in writing executed by the Debtor and the Purchase Money Note Guarantor.

Section 13.13 Confidentiality. Each Grantor shall keep confidential and shall not divulge to any Person, without the prior written consent of the Collateral Agent, the Purchase Money Note Guarantor and the Initial Member, any information pertaining to this Agreement, the other Transaction Documents, the Assets or any Borrower or the Collateral thereunder, except as reasonably necessary to carry out the intent of this Agreement and the other Transaction Documents and except to the extent that it is necessary and appropriate for such Grantor to do so in working with legal counsel, auditors, Taxing authorities, regulatory authorities or any other Governmental Authority; provided, however, that, to the extent that disclosure should be required by Law, rule, regulation (including any securities listing

requirements or the requirements of any self-regulatory organization) or subpoena or in connection with any legal or regulatory proceeding (including in connection with or pursuant to any action, suit, subpoena, arbitration or other dispute resolution process or other legal proceedings, whether civil or criminal, and including before any court or administrative or legislative body), such Grantor will use all reasonable efforts to maintain confidentiality and (unless otherwise prohibited by Law) will notify the Collateral Agent, the Purchase Money Note Guarantor and the Initial Member within one Business Day after its knowledge of such legally required disclosure so that the Collateral Agent, the Purchase Money Note Guarantor and/or the Initial Member may seek an appropriate protective order. Notice shall be by telephone, by email and in writing. In the absence of a protective order or waiver, such Grantor may make such required disclosure if, in the written opinion of its outside counsel (which opinion shall be provided to the Collateral Agent, the Purchase Money Note Guarantor and the Initial Member prior to disclosure pursuant to this Section 13.13), failure to make such disclosure would subject such Grantor to liability for contempt, censure or other legal penalty or liability.

Section 13.14 Reinstatement. This Agreement shall continue to be effective or be automatically reinstated, as the case may be, if at any time payment pursuant to this Agreement is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, reorganization, liquidation of any Grantor or upon the dissolution of, or appointment of any intervenor or conservator or, or trustee or similar official for, any Grantor or any substantial part of any Grantor's assets, or otherwise, all as though such payments had not been made, and the Debtor shall pay the Collateral Agent, or the Purchase Money Note Guarantor on demand all reasonable costs and expenses (including reasonable fees of counsel) incurred by the Collateral Agent or the Purchase Money Note Guarantor in connection with such rescission or restoration.

Section 13.15 Interpretation; No Presumption. Headings are intended solely for convenience of reference and shall not affect the meaning or interpretation of the provisions of this Agreement. This Agreement shall be construed fairly as to each party to this Agreement and if at any time any such term or condition is desired or required to be interpreted or construed, no consideration shall be given to the issue of who actually prepared, drafted or requested any term or condition of this Agreement or any agreement or instrument subject to this Agreement.

Section 13.16 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall be ineffective, but such ineffectiveness shall be limited as follows: (a) if such provision is prohibited or unenforceable in such jurisdiction only as to a particular Person or Persons and/or under any particular circumstance or circumstances, such provision shall be ineffective, but only in such jurisdiction and only with respect to such particular Person or Persons and/or under such particular circumstance or circumstances, as the case may be; (b) without limitation of clause (a), such provision in any event shall be ineffective only as to such jurisdiction and only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability in such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction; and (c) without limitation of clauses (a) or (b), such ineffectiveness shall not invalidate any of the remaining provisions of this Agreement. Without limitation of the preceding sentence, it is the intent of the parties to this Agreement that, if in any court proceeding such court determines that any provision of this Agreement is prohibited or unenforceable in any jurisdiction (because of the duration or scope (geographic or otherwise) of such provision, or for any other reason), such court shall have the

power to, and shall, (p) modify such provision (including without limitation, to the extent applicable, by limiting the duration or scope of such provision and/or the Persons against whom, and/or the circumstances under which, such provision shall be effective in such jurisdiction) for purposes of such proceeding to the minimum extent necessary so that such provision, as so modified, then may be enforced in such proceeding and (q) enforce such provision, as so modified pursuant to clause (p), in such proceeding. Nothing in this Section 13.16 is intended to, or shall, limit (x) the ability of any party to this Agreement to appeal any court ruling or the effect of any favorable ruling on appeal or (y) the intended effect of Section 13.6.

Section 13.17 Survival. All obligations made in this Agreement shall survive the execution and delivery of this Agreement. Except as otherwise provided in this Agreement or implied by applicable Law, the obligations of each Grantor set forth in this Agreement shall terminate only upon the satisfaction and discharge in full of the Secured Obligations.

Section 13.18 No Third Party Beneficiaries. This Agreement is made for the sole benefit of the Collateral Agent, the Purchase Money Note Guarantor, the Secured Parties and the Grantors and their respective successors and permitted assigns, and no other Person or Persons (including Borrowers or any co-lender or other Person with any interest in or liability under any of the Assets) shall have any rights or remedies pursuant to or by reason of this Agreement.

Section 13.19 Counterparts; Facsimile Signatures. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute but one and the same agreement. This Agreement and any amendments to this Agreement, to the extent signed and delivered by facsimile or other electronic means, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in Person. No signatory to this Agreement shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature or agreement was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation or enforceability of a contract and each such Person forever waives any such defense.

**EXHIBIT B**  
**REO CHECKLIST**

**West RADC 2010-2 Structured Transaction  
Checklist for Acquired Properties**

**Date: December 7, 2010**

This checklist and the attached materials ("Checklist") describe matters to be addressed by, a CVB, Branch 49, LLC, a Utah limited liability company (the "Manager") in connection with the acquisition of title to any real property acquired directly or indirectly by West RADC 2010-2 Venture, LLC ("Company"), whether by transfer of equity interests in a separate entity formed as a Single Purpose Entity to hold such real property ("Ownership Entity") on the Closing Date, or after the Closing Date by foreclosure or deed in lieu of foreclosure ("Deed-in-Lieu"), power of sale or otherwise, of title to a property (identified as an "Acquired Property"). The procedures set forth herein are dictated by the Transaction Documents among the Federal Deposit Insurance Company in several capacities (including without limitation as Receiver for various failed financial institutions (the "Failed Banks") and as Collateral Agent for the benefit of the Secured Parties (the "Collateral Agent") (in any or all such capacities unless otherwise indicated, the "FDIC"), the Manager and Company and affiliates thereof, including, without limitation, the Reimbursement, Security and Guaranty Agreement dated as of December 7, 2010 (the "Reimbursement, Security and Guaranty Agreement"), the Amended and Restated Limited Liability Company Operating Agreement of Company dated as of December 7, 2010 (the "LLC Operating Agreement"), and the Custodial and Paying Agency Agreement dated as of December 7, 2010. Capitalized terms used and not otherwise defined herein shall have the meaning attributed to such terms in the Reimbursement, Security and Guaranty Agreement and LLC Operating Agreement (including by reference therein).

**The FDIC expressly reserves the right, in its sole discretion, at any time and from time to time, by written notice to the Company or its counsel (including delivered via email or other electronic means to the Company or such counsel and including any such notice in the form of a revised version of this Checklist), to unilaterally modify all or any part of this Checklist (and requirements herein).**

**I. Environmental Site Assessment**

Prior to the acquisition of title, an environmental site assessment ("ESA") prepared by an environmental professional who regularly performs environmental audits must be prepared (Reimbursement, Security and Guaranty Agreement § 3.2(b); LLC Operating Agreement § 12.14(b)). The ESA should be in the form of a Transaction Screen Process consistent with ASTM Standard E-1528-06 or another customary format for such audits.

**II. Ownership Entity**

A. Each Acquired Property acquired after the Closing Date must be acquired by an Ownership Entity (which is a wholly owned subsidiary of Company), the sole purpose of which is to own Acquired Property; provided, however, that for any Acquired Property with respect to which there exists any Environmental Hazard, the Ownership Entity that holds such Acquired

Property may hold title only to the relevant Acquired Property with respect to which the Environmental Hazard exists. However, the Manager is not required to cause the Company to acquire all or any portion of any Acquired Property with respect to which there exists any Environmental Hazard. (Reimbursement, Security and Guaranty Agreement § 3.2(c); LLC Operating Agreement § 12.14(a),(b)).

B. Upon formation of any Ownership Entity, the same must execute and deliver to the FDIC a Joinder to the Reimbursement, Security and Guaranty Agreement in the form attached as Exhibit A to the Reimbursement Agreement (Reimbursement, Security and Guaranty Agreement § 8.12).

C. Upon formation of any Ownership Entity (and at the time of execution and delivery of the Joinder by such Ownership Entity), the Company or the Ownership Entity, at the Company's cost, shall prepare and file (and the FDIC shall separately have the right to so prepare and file) with the Secretary of State of the jurisdiction of formation of the Ownership Entity (or other applicable filing office) a UCC-1 Financing Statement, securing all of the assets of such Ownership Entity (and in appropriate form, and with appropriate additional description of assets, if relevant, for filing in the applicable jurisdiction), listing the FDIC, as Receiver, as Secured Party, and the applicable Ownership Entity, as Debtor. (Reimbursement, Security and Guaranty Agreement § 3.6 and § 8.10).

### III. REO Collateral Documents

The following documents and other items ("REO Collateral Documents") must be delivered to the Custodian (as designee of the FDIC as Collateral Agent) by the Company or the Ownership Entity, at the Company's cost. (Reimbursement, Security and Guaranty Agreement § 8.11.)

#### A. REO Mortgages (Mortgage/Deed of Trust and related deliveries)

1. Each Ownership Entity must prepare, execute and then record on behalf of the FDIC a mortgage or deed of trust (as applicable) in favor of the FDIC as Receiver as Collateral Agent (an "REO Mortgage") in accordance with the below terms pursuant to the following time frames: (i) within 30 days after the Closing Date for each Acquired Property acquired on the Closing Date and (ii) within 15 Business Days following the acquisition of each Acquired Property acquired after the Closing Date. (Reimbursement, Security and Guaranty Agreement § 8.11.)

- The REO Mortgage should be in the form of Tab 1 (for a mortgage) or Tab 2 (for a deed of trust), with such modifications necessary to address the intended use of the property and as recommended by the applicable local counsel in order to make the mortgage recordable and enforceable in the applicable jurisdiction.
- To the extent any jurisdiction requires material modifications to the form of REO Mortgage, such modifications shall be approved by the FDIC.
- Each REO Mortgage must (a) secure the full amount of the Secured Obligations under the Reimbursement, Security and Guaranty Agreement, unless there is a mortgage recording tax or similar tax or fee that is based upon the stated principal

balance of the obligations secured by the REO Mortgage, in which case the FDIC as Collateral Agent via this Checklist specifies that the reasonable amount of the mortgage shall be capped at 105% of the Value (as defined in Section III B below) of the Acquired Property to which such REO Mortgage relates and (b) must provide for a release price (or, in the case of Acquired Property consisting of condominiums or cooperative units or separate land parcels, release prices for individual units or parcels) based on the applicable Business Plan or otherwise satisfactory to the FDIC. (Reimbursement, Security and Guaranty Agreement §8.11(a), (b).)

- If the REO Mortgage secures less than the full amount of the Secured Obligations, prior to any advance or use of any Company funds that enhances the value of the applicable Acquired Property (for any development, construction or improvement thereof), a modification to the REO Mortgage must be filed such that the REO Mortgage, as modified, secures an amount not less than the sum of (i) the amount secured prior to such advance or use of funds, plus (ii) 105% of the amount of additional Company funds to be so advanced or used with respect to such Acquired Property (other than any such additional funds that are funded exclusively through permissible unreimbursed advances by the Private Owner to the Company). (Designated via this Checklist to be a provision that the FDIC as Collateral Agent requires (x) in light of the particular nature or characteristics of the Acquired Property as provided in the Reimbursement, Security and Guaranty Agreement §8.11(c), and (y) as further actions pursuant to Reimbursement, Security and Guaranty Agreement §8.10.)
- Subsequent to recordation the original recorded REO Mortgage should be delivered to the Custodian as Collateral Agent's designee.

2. Local counsel retained by the Company should be asked whether a separate fixture filing is required under applicable law or if the REO Mortgage may also serve as a fixture filing. If a fixture filing is required, the Company or the Ownership Entity, at the Company's cost, shall file a fixture filing UCC-1 Financing Statement, securing all of the assets situated on or about the Acquired Property, listing the FDIC, as Receiver, as Secured Party, and the applicable Ownership Entity, as Debtor, with the applicable filing office within the jurisdiction of the Acquired Property's location. (Designated by the FDIC via this Checklist to be part of the REO Collateral Documents.)

3. Local counsel retained by the Company should be asked whether a separate assignment of leases and rents is required under applicable law or if it can be incorporated into the REO Mortgage. If an assignment of leases and rents is required, it should be in the form attached hereto as Tab 3, and provided to the title company to record with the applicable mortgage or deed of trust. (Designated by the Collateral Agent via this Checklist to be part of the REO Collateral Documents.)

B. Appraisals and Other Measurements of Value of Acquired Property.

1. For Acquired Property, the Company (or the applicable Ownership Entity)

must determine, and deliver to the FDIC as Collateral Agent applicable evidence as to, the price for which such Acquired Property may be sold in an orderly transaction between market participants (the “Value”), which Value shall be determined (i) by an appraisal (the “Appraisal”) or (ii) to the extent permitted below, a (x) broker’s price opinion (the “BPO”), in each case dated no more than six (6) months prior to the date the Company acquires title to the Acquired REO Property or (y) to the extent the Manager reasonably determines (consistent with the Servicing Standard and any applicable value as set forth in the most recent Business Plan) that the Value (including as would be rendered by an Appraisal or a BPO) is less than a stated amount approved by the FDIC (including any such amount designated as the “Value Below Which Manager Valuation is Permissible” in Schedule A hereto), the Value shall be as so determined by the Manager (“Manager’s Valuation”). (Designated by the FDIC via this Checklist to be part of the REO Collateral Documents.)

2. Any Appraisal must be prepared by an appraiser who regularly performs appraisals in the jurisdiction where the Acquired Property is located consistent with the customary standards for an appraisal of property of similar type and location.

3. A BPO may be used in lieu of an Appraisal only if (i) BPOs are customarily used for the assets of such type and at such location as the Acquired Property, (ii) the value of such Acquired Property as determined by the BPO is less than an amount determined by the FDIC (including any such amount designated as the “Value Below Which BPO is Permissible” in Schedule A hereto) and (iii) such BPO is prepared by a real estate broker licensed in the jurisdiction where the Acquired Property is located and be consistent with the customary standards for BPOs for property of similar type and location. For purposes of clarification, (a) a BPO may be used in lieu of an Appraisal to determine the Value of an Acquired Property only if such method is specifically approved by the FDIC (including by designating an applicable “Value Below Which BPO is Permissible” in Schedule A hereto), and (b) a Manager’s Valuation may be used in lieu of an Appraisal or a BPO to determine the Value of an Acquired Property only if such method is specifically approved by the FDIC (including by designating an applicable “Value Below Which Manager’s Valuation is Permissible” in Schedule A hereto).

C. Title Insurance. A Lender’s title insurance policy, on the 2006 ALTA form, naming Federal Deposit Insurance Company, as Receiver, as Collateral Agent as insured, should be obtained for each new Acquired Property, at the Company’s cost. (Designated by the FDIC via this Checklist to be part of the REO Collateral Documents.)

1. The title insurance policy shall be for an insured amount equal to not less than 125% of the Value of the Acquired Property. To the extent any Company funds are to be advanced or used for the applicable Acquired Property, such title insurance policy shall, prior to or concurrently with such advance or use, be endorsed to (i) amend the date of the title policy to the date such funds are advanced or used, (ii) increase the insured amount to be not less than the sum of (x) the insured amount prior to such advance or use plus (y) 125% of the amount so being advanced or used for such Acquired Property (other than any such amounts funded exclusively through permissible advances from the Private Owner to the Company which are not reimbursed by the Company), and (iii) confirm the first priority status of the REO Mortgage.

2. No other mortgages should encumber the applicable Acquired Property, other than any mortgages that will be subordinated via a subordination agreement (see Section

III(D) below). Further if the Acquired Property was acquired by the applicable Ownership Entity pursuant to a foreclosure action, the Acquired Property should not be subject to any matters that should have been wiped out by the foreclosure action.

3. Endorsements. The following endorsements (including endorsements with respect to future advances), and such other endorsements as shall be reasonable and customary, should be attached to each policy, to the extent issuable in the applicable jurisdiction:<sup>1</sup> (Designated by the FDIC via this Checklist to be part of the REO Collateral Documents.)

- First Loss (ALTA 20)<sup>2</sup>
- Future Advance-Letter of Credit (ALTA 14.2-06 without mechanics lien exception)<sup>3</sup>
- Tie-in (ALTA 12)<sup>4</sup>

D. Special Provisions Related to Deeds-in-Lieu.

1. Subordination Agreement. If an Acquired Property is being acquired by Deed-in-Lieu (which shall include the “non-merger” language attached hereto as Tab 4) and the Underlying Loan is not being wiped-out, then the Company (as lender under the Underlying Loan) and the FDIC will need to enter into a subordination agreement to subordinate the lien of the remaining Underlying Loan to that of the REO Mortgage. (Designated by the FDIC via this Checklist to be part of the REO Collateral Documents.)

- The subordination agreement should be substantially in the form of Tab 5 hereto, with such modifications as recommended by the applicable local counsel.
- To the extent any state requires material modifications to the form of subordination agreement, such modifications shall be approved by the FDIC.

E. Legal Opinion. The FDIC reserves the right to require the Company or an Ownership Entity to provide the FDIC as Collateral Agent with a legal opinion under the following circumstances: (Designated by the FDIC via this Checklist to be part of the REO

---

<sup>1</sup>. Local counsel in all states to confirm whether endorsements are not available, or are otherwise restricted, in their respective states.

<sup>2</sup>. The endorsement allows a lender to recover where there is a substantial impairment of a title against one of the parcels without requiring foreclosure against any of the other parcels securing the loan.

<sup>3</sup>. This endorsement insures against (1) invalidity or unenforceability of the insured mortgage as security for advances; (2) lack of priority of the lien of the insured mortgage as security for advances; and (3) invalidity or unenforceability of the mortgage because of re-advances and repayments, lack of outstanding debt before an advance, and failure to comply with legal requirements for advances.

<sup>4</sup>. The endorsement allows the coverage for the individual policies to be aggregated in case there is a loss as to one of the parcels and a gain on another.

Collateral Documents.)

1. If the Value of an Acquired Property exceeds a stated amount approved by the FDIC (including any such amount designated as the “Value Above Which REO Mortgage Legal Opinion is Required” in Schedule A hereto) or upon the request of the FDIC as Collateral Agent, the Company will provide the FDIC as Collateral Agent with a legal opinion, acceptable to the FDIC in its sole discretion, addressed to the FDIC as Collateral Agent (and its successors and assigns) from the applicable local counsel with respect to the execution, due authorization for and enforceability of the REO Mortgage in the applicable state and covering such other opinions as reasonably requested by the FDIC as Collateral Agent. The FDIC reserves the right to provide a form opinion in which case to the extent any legal opinion omits or qualifies in any material way the opinions in such form or local counsel makes any material modifications to such form, such omissions, qualifications and modifications must first be approved by the FDIC as Collateral Agent.

2. If the Value of an Acquired Property acquired by means of a Deed-in-Lieu exceeds a stated amount approved by the FDIC (including any such amount designated as the “Value Above Which Deed-in Lieu Legal Opinion is Required” in Schedule A hereto) or upon the request of the Collateral Agent, the Company will provide the FDIC as Collateral Agent with a legal opinion, acceptable to the FDIC in its sole discretion, addressed to the FDIC from the applicable local counsel regarding the execution, due authorization for and enforceability of the Deed-in-Lieu, the subordination agreement and any other applicable documents in the applicable state and covering such other opinions as reasonably requested by the Collateral Agent. The FDIC reserves the right to provide a form opinion in which case to the extent any legal opinion omits or qualifies in any material way the opinions in such form or local counsel makes any material modifications to such form, such omissions, qualifications and modifications must first be approved by the FDIC as Collateral Agent.

F. Property and Casualty Insurance Each Ownership Entity should obtain liability and property insurance covering the Acquired Property and deliver evidence to the FDIC of such insurance in accordance with the notice provisions of Section 13.6 of the LLC Operating Agreement. (LLC Operating Agreement §12.15)

1. Such insurance should be from financially sound and reputable insurers, in such amounts, with such deductibles and covering such risks and otherwise on such terms and conditions as are customarily maintained by property owners for other real property similar to the Acquired Property in the area in which it is located, as determined by the Manager in accordance with the Servicing Standard and the provisions of the Transaction Documents. Such insurance should also satisfy the requirements for liability and property insurance set forth in the loan documents encumbering such Acquired Property immediately prior to the acquisition of the Acquired Property by the Ownership Entity. The FDIC as Collateral Agent and Advance Lender, the Company and the Manager should be listed as additional insured, loss payee, or mortgagee thereunder, as applicable.

2. The FDIC should be added as an additional insured to each of the liability insurance policies maintained by the Ownership Entities as follows:

- Federal Deposit Insurance Corporation, in its corporate capacity, as Purchase

Money Note Guarantor, ISAOA,<sup>5</sup> under that certain Guaranty Agreement dated as of July 21, 2010 between Federal Deposit Insurance Corporation and Federal Deposit Insurance Corporation, as Receiver.

- The FDIC as Collateral Agent, ISAOA, under that certain Reimbursement, Security and Guaranty Agreement dated as of December 7, 2010 among the Company, the other Grantors party thereto from time to time, including the FDIC in various capacities.
- The named insured language that names the applicable Ownership Entity as named insured should be broad enough to cover the FDIC as a 60%<sup>6</sup> member of the Company (which is the 100% owner of each Ownership Entity).

3. The FDIC should be listed as the loss payee to each of the property insurance policies maintained by the Ownership Entities as follows:

- Federal Deposit Insurance Corporation, as Receiver as Collateral Agent, ISAOA, under that certain Reimbursement, Security and Guaranty Agreement dated as of December 7, 2010 among the Company, the other Grantors party thereto from time to time, including the FDIC in various capacities.

4. Each policy must provide that the policy may not be cancelled or materially changed except upon 30 days prior notice to the FDIC as Collateral Agent and the Company and shall further provide that no act or thing done by the applicable Ownership Entity shall invalidate any policy as against the FDIC as Collateral Agent.

#### G. Releases/Limited Power of Attorney

1. The FDIC reserves the right to provide one or more limited powers of attorney (each an “LPOA”) to the Manager (giving certain designated representatives of the Manager the power to act on behalf of the FDIC ), each for a limited period and exercisable only so long as there shall not have occurred any Event of Default, for the sole purpose of executing on behalf of the FDIC as Collateral Agent all routine releases with respect to the lien of the REO Mortgages related to Dispositions of Acquired Property or portions thereof permitted under the Transaction Documents subject to such additional conditions as may be set forth on the LPOA or otherwise imposed by the FDIC. (A) to pay all Taxes and assessments that may be Liens upon the Property, as they become due;

\_\_\_\_\_

<sup>1</sup> To be determined if necessary and adequate on a case by case basis.

## 2. LICENSE TO COLLECT RENTS

Grantee and Grantor hereby confirm that for so long as no Event of Default shall have occurred and is continuing, Grantee has granted to Grantor a revocable license to collect and use the Rents as they become due and payable in accordance with the provisions of the Reimbursement, Security and Guaranty Agreement; provided that the existence of such right shall not be subordinate to any subsequent assignment, in whole or in part, by Grantor, and any such subsequent assignment shall be subject and subordinate to Grantee’s rights under this Security Instrument. Grantor further agrees to execute and deliver such assignments of leases and rents as Grantee may from time to time reasonably request in order to better assure, transfer and confirm to Grantee the rights intended to be granted to Grantee with respect thereto. Upon the occurrence and during the continuance of an Event of Default (1) Grantor agrees that Grantee may, but shall not be obligated to, assume the management of the Property, and collect the Rents, applying the same upon the Obligations, and (2) Grantor hereby authorizes and directs all tenants, purchasers or other Persons occupying, utilizing or acquiring any interest in any part of the Property to pay all Rents to Grantee upon Grantee’s request. By exercising such right and privilege or taking any of the other actions authorized under this Section 2, Grantor shall not become a mortgagee-in-possession or otherwise assume any obligations or liabilities thereby.

3. SECURITY AGREEMENT

This Security Instrument constitutes a security agreement under applicable Law.

4. LEASE SUBORDINATION AND ATTORNMENT

(A) Leases To Be Subordinate. All new Leases and Lease modifications entered into by Grantor after the date hereof shall by their express terms be subject and subordinate to this Security Instrument, the Reimbursement, Security and Guaranty Agreement and each of the other Secured Parties Collateral Documents (through a subordination provision contained in such Lease or otherwise) and shall provide that the Person holding any rights thereunder shall attorn to Grantee or any other Person succeeding to the interests of Grantee upon the exercise of its remedies hereunder or any transfer in lieu thereof on the terms set forth in this Security Instrument.

(B) Attornment. Each new Lease and Lease modification entered into from and after the date hereof shall provide that in the event of the enforcement by Grantee of any remedy under this Security Instrument or the Reimbursement, Security and Guaranty Agreement, the tenant under such Lease shall, at the option of Grantee or of any other Person succeeding to the interest of Grantee as a result of such enforcement, attorn to Grantee or to such Person and shall recognize Grantee or such successor in the interest as lessor under such lease without change in the provisions thereof; provided, however, Grantee or such successor in interest shall not be liable for or bound by (i) any payment of an installment of rent or additional rent which may have been made more than 30 days before the due date of such installment, (ii) any act or omission of or default by Grantor under any such Lease (but the Grantee, or such successor, shall be subject to the continuing obligations of the landlord to the extent arising from and after such succession to the extent of Grantee's, or such successor's, interest in the Property), (iii) any credits, claims, setoffs or defenses which any tenant may have against Grantor, (iv) any obligation on Grantor's part, pursuant to such Lease, to perform any tenant improvement work or (v) any obligation on Grantor's part, pursuant to such Lease, to pay any sum of money to any tenant. Each such new Lease shall also provide that, upon the reasonable request by Grantee or such successor in interest, such tenant shall execute and deliver an instrument or instruments confirming such attornment.

5. WARRANTY OF TITLE

Grantor warrants that it has good and marketable title to the Property and has the right to mortgage, grant, bargain, sell, pledge, assign, warrant, transfer and convey the same, that Grantor possesses an unencumbered fee simple absolute estate in the Land and the Improvements and that it owns the Property free and clear of all Liens, encumbrances and charges whatsoever except for those shown as exceptions in [the title insurance policy insuring the Lien of this Security Instrument or Exhibit B hereto]. Grantor shall forever warrant, defend and preserve the title and the validity and the priority of the Lien of this Security Instrument and shall forever warrant and defend the same to Grantee against the claims of all persons whomsoever.

## 6. EVENT OF DEFAULT

The Grantor Secured Obligations shall be immediately due and payable, without further notice or demand, upon the occurrence of any of the following (each an “**Event of Default**”): (a) Grantor sells, assigns, conveys, transfers or otherwise disposes of any legal, beneficial or equitable interest in all or any part of the Land without Grantee’s consent or in violation of this Security Instrument or any of the Transaction Documents or Secured Parties Collateral Documents; or (b) the occurrence of an “Event of Default” as defined in Section 4.1 of the Reimbursement, Security and Guaranty Agreement, continuing beyond any applicable cure period; or (c) any other failure (other than those specified in subparts (a) or (b) above) on the part of Grantor duly to observe or perform in any material respect any other covenants or agreements on the part of Grantor contained in this Security Instrument which continues unremedied for a period of 30 days or more after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to Grantor (in accordance with Section 13.9 of the Reimbursement, Security and Guaranty Agreement); provided, however, that in the case of a failure that cannot be cured within 30 days, the cure period shall be extended for an additional 30 days if Grantor can demonstrate to the reasonable satisfaction of Grantee that Grantor has commenced and is diligently pursuing remedial action.

## 7. REMEDIES

Upon the occurrence and during the continuation of an Event of Default hereunder, Grantee may take such actions against Grantor and/or against the Property or any portion thereof as Grantee determines is necessary to protect and enforce its rights hereunder, without notice or demand except as set forth below or as required under applicable Law. Any such actions taken by Grantee shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Grantee may determine in its sole discretion, to the fullest extent permitted by Law, without impairing or otherwise affecting the other rights and remedies of Grantee permitted by Law, equity or contract or as set forth herein or in the other Secured Parties Collateral Documents. Grantee’s determination of appropriate action may be based on an appropriate real estate or other consultant and/or counsel, and Grantee may rely conclusively on such advice. Grantor shall pay such consultants’ and reasonable attorneys’ fees and expenses incurred by Grantee pursuant to this Section 7. Such actions may include, without limitation, the following:

(A) Entry. Subject to the provisions and restrictions of applicable Law, Grantee, personally, or by its agents or attorneys, at Grantee’s election, may enter into and upon all or any part of the Property (including, but not limited to, the Land and the Improvements and any part thereof), and may exclude Grantor, its agents and servants therefrom (but such entry shall be subject to any non-disturbance agreements then in effect); and Grantee, having and holding the same, may use, operate, manage and control the Property or any part thereof and conduct the business thereof, either personally or by its superintendents, managers, agents, servants, attorneys or receiver. Upon every such entry, Grantee may, at the reasonable expense of the Property and/or Grantor, from time to time, either by purchase, repair or construction, maintain and restore the Property or any part thereof, and may insure and reinsure the same in such amount and in such manner as may seem to them to be advisable. Similarly, from time to time, Grantee may, at the expense of Grantor (which amounts may be disbursed by Grantee from the

Property on behalf of Grantor), make all necessary or proper repairs, renewals, replacements, alterations, additions, betterments and improvements to and on the Property or any part thereof as it may deem advisable. Grantee or its designee shall also have the right to manage and operate the Property or any part thereof and to carry on the business thereof and exercise all rights and powers of Grantor with respect thereto, either in the name of Grantor or otherwise, as may seem to them to be advisable. In confirmation of the grant made in Granting Clause (F) hereof, in the case of the occurrence and continuation of an Event of Default, Grantee shall be entitled to collect and receive all rents to be applied in the order of priorities and amounts as shall be provided for in this Section 7. Grantee shall be liable to account only for rents and other proceeds actually received by Grantee.

(B) Foreclosure.

(i) Grantee, with or without entry, personally or by its agents or attorneys, insofar as applicable, and in addition to any and every other remedy, may (a) sell to the extent permitted by Law and pursuant to the power of sale granted herein, all and singular, the Property, and all estate, right, title and interest, claim and demand therein, and right of redemption thereof, at one or more sales, as an entirety or in parcels, and at such times and places as required or permitted by Law and as are customary in the county in which the Property is located and upon such terms as Grantee may fix and specify in the notice of sale to be given to Grantor (and in such other notice published or otherwise given as provided by Law), or as may be required by Law; (b) institute proceedings for the complete or partial foreclosure of this Security Instrument under the provisions of the Laws of the jurisdiction or jurisdictions in which the Property or any part thereof is located, or under any other applicable provision of Law; or (c) take all steps to protect and enforce the rights of Grantee, whether by action, suit or proceeding in equity or at Law (for the specific performance of any covenant, condition or agreement contained in this Security Instrument, or in aid of the execution of any power herein granted, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy), or otherwise, as Grantee, being advised by counsel and its financial advisor, shall deem advisable to protect and enforce any of their rights or duties hereunder.

(ii) Grantee may conduct any number of sales from time to time. The power of sale shall not be exhausted by any one or more such sales as to any part of the Property remaining unsold, but shall continue unimpaired until the entire Property shall have been sold.

(iii) Upon taking title to the Property (whether by foreclosure, deed in lieu or otherwise) by Grantee or any other purchaser or assignee of the Property after an Event of Default, Grantor shall assign and transfer all of its right, title and interest in and to the Property to Grantee or such other purchaser or assignee, as appropriate. Grantor hereby irrevocably appoints Grantee as its attorney-in-fact to execute all documents and take all actions necessary to effectuate such assignment and transfer, provided that such power may only be exercised by Grantee while an Event of Default exists and is continuing.

(C) Specific Performance. Grantee, in its sole and absolute discretion, may institute an action, suit or proceeding at Law or in equity for the specific performance of any covenant, condition or agreement contained herein or in aid of the execution of any power granted hereunder or for the enforcement of any other appropriate legal or equitable remedy.

(D) Sale of Property.

(i) Grantee may postpone any sale of all or any part of the Property to be made under or by virtue of this Section 7 by public announcement at the time and place of such sale, or by publication, if required by Law, and, from time to time, thereafter, may further postpone such sale by public announcement made at the time of sale fixed by the preceding postponement.

(ii) Upon the completion of any sale made by Grantee under or by virtue of this Section 7, Grantee shall execute and deliver to the accepted purchaser or purchasers a good and sufficient deed or deeds or other appropriate instruments, conveying, assigning and transferring all its estate, right, title and interest in and to the property and rights so sold. Grantee is hereby appointed the true and lawful irrevocable attorney-in-fact of Grantor in its name and stead or in the name of Grantee to make all necessary conveyances, assignments, transfers and deliveries of the property and rights so sold, and, for that purpose, Grantee may execute all necessary deeds and other instruments of assignment and transfer, and may substitute one or more persons with like power, Grantor hereby ratifying and confirming all that such attorney or attorneys or such substitute or substitutes shall lawfully do by virtue hereof; provided, however, that such power of attorney shall be effective only for so long as an Event of Default shall exist and be continuing. Grantor shall, nevertheless, if so requested in writing by Grantee, ratify and confirm any such sale or sales by executing and delivering to Grantee or to such purchaser or purchasers all such instruments as may be advisable, in the judgment of Grantee, for such purposes and as may be designated in such request. Any such sale or sales made under or by virtue of this Section 7 shall operate to divest all the estate, right, title, interest, claim and demand, whether at Law or in equity, of Grantor in and to the property and rights so sold, and shall be a perpetual bar, at Law and in equity, against Grantor, its successors and assigns and any Person claiming through or under Grantor and its successors and assigns.

(iii) The receipt of Grantee for the purchase money paid as a result of any such sale shall be a sufficient discharge therefor to any purchaser of the property or rights, or any part thereof, so sold. No such purchaser, after paying such purchase money and receiving such receipt, shall be bound to see to the application of such purchase money upon or for any trust or purpose of this Security Instrument, or shall be answerable, in any manner, for any loss, misapplication or non-application of any such purchase money or any part thereof, nor shall any such purchaser be bound to inquire as to the authorization, necessity, expediency or regularity of such sale.

(iv) Upon any sale made under or by virtue of this Section 7, Grantee may bid for and acquire the Property or any part thereof and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting upon the Grantor Secured Obligations secured by this Security Instrument the net proceeds of sale, after deducting therefrom the expense of the sale and the costs of the action and any other sums which Grantee is authorized to deduct under this Security Instrument. The person making such sale shall accept such settlement without requiring the production of this Security Instrument, and there shall be deemed credited to the indebtedness and Grantor Secured Obligations under this Security Instrument the net proceeds of such sale. Grantee, upon acquiring the Property or any part thereof, shall be entitled

to own, hold, lease, rent, operate, manage or sell the same in any manner permitted by applicable Laws.

(E) Voluntary Appearance; Receivers. Upon the occurrence and during the continuance of any Event of Default hereunder, and immediately upon commencement of (i) any action, suit or other legal proceeding by Grantee to obtain judgment for the principal and interest on the Grantor Secured Obligations and any other sums required to be paid pursuant to the Reimbursement, Security and Guaranty Agreement, or (ii) any action, suit or other legal proceeding by Grantee of any other nature in aid of the enforcement of the Secured Parties Collateral Documents or any of them, Grantor will (a) enter its voluntary appearance in such action, suit or proceeding, and (b) if required by Grantee, consent to the appointment of one or more receivers of the Property and all of the Rents. After the occurrence of any Event of Default, or upon the filing of a bill in equity to foreclose this Security Instrument or to enforce the specific performance hereof or in aid thereof, or upon the commencement of any other judicial proceeding to enforce any right of Grantee, Grantee shall be entitled, subject to applicable state Law, as a matter of right, if it shall so elect, without notice to any other party and without regard to the adequacy of the security of the Property, forthwith, either before or after declaring the principal and interest on the Grantor Secured Obligations to be due and payable, to the appointment of such a receiver or receivers. Any receiver or receivers so appointed shall have such powers as a court or courts shall confer, which may include, without limitation, any or all of the powers which Grantee is authorized to exercise by the provisions of this Section 7, and shall have the right to incur such obligations and to issue such certificates therefor as the court shall authorize. Notwithstanding the foregoing, Grantee as a matter of right may appoint or secure the appointment of a receiver, trustee, liquidator or similar official of the Property or any portion thereof, and Grantor hereby irrevocably consents and agrees to such appointment, without notice to Grantor and without regard to the value of the Property or adequacy of the security for the indebtedness secured hereby and without regard to the solvency of the Grantor or any other Person liable for the payment of such indebtedness, and such receiver or other official shall have all rights and powers permitted by applicable Law and such other rights and powers as the court making such appointment may confer, but the appointment of such receiver or other official shall not impair or in any manner prejudice the rights of Grantee to receive the rents pursuant to the Reimbursement, Security and Guaranty Agreement.

(F) UCC Remedies. Grantee may exercise any or all of the remedies granted to a secured party under the UCC, specifically including, without limitation, the right to recover its reasonable attorneys' fees and disbursements and other expenses incurred by Grantee in the enforcement of this Security Instrument or in connection with Grantor's redemption of its interest in the Improvements or Building Equipment or Intangibles. Grantee may exercise its rights under this Security Instrument independently of any other collateral or guaranty that Grantor may have granted or provided to Grantee in order to secure payment and performance of the Grantor Secured Obligations, and Grantee shall be under no obligation or duty to foreclose or levy upon any other collateral given by Grantor to secure any Grantor Secured Obligation or to proceed against any guarantor before enforcing its rights under this Security Instrument.

(G) Other Rights. Grantee may pursue against Grantor any other rights and remedies of Grantee permitted by Law, equity or contract or as set forth herein or in the other Secured Parties Collateral Documents.

(H) Retention of Possession. Notwithstanding the appointment of any receiver, liquidator or trustee of Grantor, or any of its property, or of the Property or any part thereof, Grantee, to the extent permitted by Law, shall be entitled to retain possession and control of all Property now or hereafter granted to or held by Grantee under this Security Instrument.

(I) Suits by Grantee. All rights of action under this Security Instrument, subject to applicable state Law, may be enforced by Grantee without the possession of any Purchase Money Note or the Guaranty Agreement and without the production thereof or this Security Instrument at any trial or other proceeding relative thereto; provided, however, Grantee shall in any event certify that it is the current holder of any Purchase Money Note. Any such suit or proceeding instituted by Grantee shall be brought in the name of Grantee and any recovery of judgment shall be subject to the rights of Grantee.

(J) Remedies Cumulative. No remedy herein (or pursuant to the Reimbursement, Security and Guaranty Agreement or any Secured Parties Collateral Document) conferred upon or reserved to Grantee shall exclude any other remedy, and each such remedy shall be cumulative and in addition to every other remedy given hereunder or now or hereafter existing at Law or in equity. No delay or omission of Grantee to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given to Grantee by this Security Instrument or any other Secured Parties Collateral Document may be exercised from time to time and as often as Grantee may deem expedient. Nothing in this Security Instrument shall affect Grantor's obligations to pay the principal of, and interest on, the Grantor Secured Obligations in the manner and at the time and place expressed in the Reimbursement, Security and Guaranty Agreement.

(K) Waiver of Rights. Grantor agrees that, to the fullest extent permitted by Law, it will not at any time, (1) insist upon, plead or claim or take any benefit or advantage of any stay, extension or moratorium Law, wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Security Instrument or any Secured Parties Collateral Document, (2) claim, take or insist upon any benefit or advantage of any Law, now or at any time hereafter in force, providing for valuation or appraisal of the Property, or any part thereof, prior to any sale or sales thereof which may be made pursuant to any provision herein contained, or pursuant to the decree, judgment or order of any court of competent jurisdiction, or (3) after any such sale or sales, claim or exercise any right under any statute heretofore or hereafter enacted by the United States or any jurisdiction or otherwise to redeem the Property and rights sold pursuant to such sale or sales or any part thereof. Grantor hereby expressly waives all benefits and advantages of such Laws, and covenants, to the fullest extent permitted by Law, not to hinder, delay or impede the execution of any power herein granted or delegated to Grantee, but will suffer and permit the execution of every power as though no such Laws had been made or enacted. Grantor for itself and all who may claim through or under it, waives, to the extent it lawfully may do so, any and all homestead rights, any and all rights to reinstatement, and any and all right to have the property comprising the Property marshaled upon any foreclosure of the Lien hereof.

Grantee or its designee shall also have the right to manage and operate the Property or any part thereof and to carry on the business thereof and exercise all rights and powers of Grantor with respect thereto, either in the name of Grantor or otherwise, as may seem to them to be advisable. (B) Foreclosure.

(i) Grantee (or Trustee, if required by Law), with or without entry, personally or by its agents or attorneys, insofar as applicable, and in addition to any and every other remedy, may (a) sell to the extent permitted by Law and pursuant to the power of sale granted herein, all and singular, the Property, and all estate, right, title and interest, claim and demand therein, and right of redemption thereof, at one or more sales, as an entirety or in parcels, and at such times and places as required or permitted by Law and as are customary in the county in which the Property is located and upon such terms as Grantee (or Trustee, if required by Law) may fix and specify in the notice of sale to be given to Grantor (and in such other notice published or otherwise given as provided by Law), or as may be required by Law; (b) institute proceedings for the complete or partial foreclosure of this Security Instrument under the provisions of the Laws of the jurisdiction or jurisdictions in which the Property or any part thereof is located, or under any other applicable provision of Law; or (c) take all steps to protect and enforce the rights of Grantee, whether by action, suit or proceeding in equity or at Law (for the specific performance of any covenant, condition or agreement contained in this Security Instrument, or in aid of the execution of any power herein granted, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy), or otherwise, as Grantee (or Trustee, if required by Law), being advised by counsel and its financial advisor, shall deem advisable to protect and enforce any of their rights or duties hereunder.

(ii) Grantee (or Trustee, if required by Law) may conduct any number of sales from time to time. The power of sale shall not be exhausted by any one or more such sales as to any part of the Property remaining unsold, but shall continue unimpaired until the entire Property shall have been sold.

(iii) Upon taking title to the Property (whether by foreclosure, deed in lieu or otherwise) by Grantee or any other purchaser or assignee of the Property after an Event of Default, Grantor shall assign and transfer all of its right, title and interest in and to the Property to Grantee or such other purchaser or assignee, as appropriate. Grantor hereby irrevocably appoints Grantee (or Trustee, if required by Law) as its attorney-in-fact to execute all documents and take all actions necessary to effectuate such assignment

and transfer, provided that such power may only be exercised by Grantee (or Trustee, if required by Law) while an Event of Default exists and is continuing.

(C) Specific Performance. Grantee, in its sole and absolute discretion, may institute an action, suit or proceeding at Law or in equity for the specific performance of any covenant, condition or agreement contained herein or in aid of the execution of any power granted hereunder or for the enforcement of any other appropriate legal or equitable remedy.

(D) Sale of Property.

(i) Grantee (or Trustee, if required by Law) may postpone any sale of all or any part of the Property to be made under or by virtue of this Section 7 by public announcement at the time and place of such sale, or by publication, if required by Law, and, from time to time, thereafter, may further postpone such sale by public announcement made at the time of sale fixed by the preceding postponement.

(ii) Upon the completion of any sale made by Grantee (or Trustee, if required by Law) under or by virtue of this Section 7, Grantee shall execute and deliver to the accepted purchaser or purchasers a good and sufficient deed or deeds or other appropriate instruments, conveying, assigning and transferring all its estate, right, title and interest in and to the property and rights so sold. Grantee (or Trustee, if required by Law) is hereby appointed the true and lawful irrevocable attorney-in-fact of Grantor in its name and stead or in the name of Grantee (or Trustee, if required by Law) to make all necessary conveyances, assignments, transfers and deliveries of the property and rights so sold, and, for that purpose, Grantee may execute all necessary deeds and other instruments of assignment and transfer, and may substitute one or more persons with like power, Grantor hereby ratifying and confirming all that such attorney or attorneys or such substitute or substitutes shall lawfully do by virtue hereof; provided, however, that such power of attorney shall be effective only for so long as an Event of Default shall exist and be continuing. Grantor shall, nevertheless, if so requested in writing by Grantee (or Trustee, if required by Law), ratify and confirm any such sale or sales by executing and delivering to Grantee or to such purchaser or purchasers all such instruments as may be advisable, in the judgment of Grantee, for such purposes and as may be designated in such request. Any such sale or sales made under or by virtue of this Section 7 shall operate to divest all the estate, right, title, interest, claim and demand, whether at Law or in equity, of Grantor in and to the property and rights so sold, and shall be a perpetual bar, at Law and in equity, against Grantor, its successors and assigns and any Person claiming through or under Grantor and its successors and assigns.

(iii) The receipt of Grantee (or Trustee, if required by Law) for the purchase money paid as a result of any such sale shall be a sufficient discharge therefor to any purchaser of the property or rights, or any part thereof, so sold. No such purchaser, after paying such purchase money and receiving such receipt, shall be bound to see to the application of such purchase money upon or for any trust or purpose of this Security Instrument, or shall be answerable, in any manner, for any loss, misapplication or non-application of any such purchase money or any part thereof, nor shall any such purchaser

be bound to inquire as to the authorization, necessity, expediency or regularity of such sale.

(iv) Upon any sale made under or by virtue of this Section 7, Grantee (or Trustee, if required by Law) may bid for and acquire the Property or any part thereof and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting upon the Grantor Secured Obligations secured by this Security Instrument the net proceeds of sale, after deducting therefrom the expense of the sale and the costs of the action and any other sums which Grantee (or Trustee, if required by Law) is authorized to deduct under this Security Instrument. The person making such sale shall accept such settlement without requiring the production of this Security Instrument, and there shall be deemed credited to the indebtedness and Grantor Secured Obligations under this Security Instrument the net proceeds of such sale. Grantee (or Trustee, if required by Law), upon acquiring the Property or any part thereof, shall be entitled to own, hold, lease, rent, operate, manage or sell the same in any manner permitted by applicable Laws.

(E) Voluntary Appearance; Receivers. Upon the occurrence and during the continuance of any Event of Default hereunder, and immediately upon commencement of (i) any action, suit or other legal proceeding by Grantee (or Trustee, if required by Law) to obtain judgment for the principal and interest on the Grantor Secured Obligations and any other sums required to be paid pursuant to the Reimbursement, Security and Guaranty Agreement, or (ii) any action, suit or other legal proceeding by Grantee or Trustee of any other nature in aid of the enforcement of the Secured Parties Collateral Documents or any of them, Grantor will (a) enter its voluntary appearance in such action, suit or proceeding, and (b) if required by Grantee, consent to the appointment, of one or more receivers of the Property and all of the Rents. After the occurrence of any Event of Default, or upon the filing of a bill in equity to foreclose this Security Instrument or to enforce the specific performance hereof or in aid thereof, or upon the commencement of any other judicial proceeding to enforce any right of Grantee or Trustee, Grantee (or Trustee, if required by Law) shall be entitled, subject to applicable state Law, as a matter of right, if it shall so elect, without notice to any other party and without regard to the adequacy of the security of the Property, forthwith, either before or after declaring the principal and interest on the Grantor Secured Obligations to be due and payable, to the appointment of such a receiver or receivers. Any receiver or receivers so appointed shall have such powers as a court or courts shall confer, which may include, without limitation, any or all of the powers which Grantee or Trustee is authorized to exercise by the provisions of this Section 7, and shall have the right to incur such obligations and to issue such certificates therefor as the court shall authorize. Notwithstanding the foregoing, Grantee (or Trustee, if required by Law) as a matter of right may appoint or secure the appointment of a receiver, trustee, liquidator or similar official of the Property or any portion thereof, and Grantor hereby irrevocably consents and agrees to such appointment, without notice to Grantor and without regard to the value of the Property or adequacy of the security for the indebtedness secured hereby and without regard to the solvency of the Grantor or any other Person liable for the payment of such indebtedness, and such receiver or other official shall have all rights and powers permitted by applicable Law and such other rights and powers as the court making such appointment may confer, but the appointment of such receiver or other official shall not impair or in any manner prejudice the rights of Grantee (or Trustee, if required by Law) to receive the rents pursuant to the Reimbursement, Security and Guaranty Agreement.

(F) UCC Remedies. Grantee (or Trustee, if required by Law) may exercise any or all of the remedies granted to a secured party under the UCC, specifically including, without limitation, the right to recover its reasonable attorneys' fees and disbursements and other expenses incurred by Grantee in the enforcement of this Security Instrument or in connection with Grantor's redemption of its interest in the Improvements or Building Equipment or Intangibles. Grantee (or Trustee, if required by Law) may exercise its rights under this Security Instrument independently of any other collateral or guaranty that Grantor may have granted or provided to Grantee in order to secure payment and performance of the Grantor Secured Obligations, and Grantee shall be under no obligation or duty to foreclose or levy upon any other collateral given by Grantor to secure any Grantor Secured Obligation or to proceed against any guarantor before enforcing its rights under this Security Instrument.

(G) Other Rights. Grantee (or Trustee, if required by Law) may pursue against Grantor any other rights and remedies of Grantee permitted by Law, equity or contract or as set forth herein or in the other Secured Parties Collateral Documents.

(H) Retention of Possession. Notwithstanding the appointment of any receiver, liquidator or trustee of Grantor, or any of its property, or of the Property or any part thereof, Grantee or Trustee, to the extent permitted by Law, shall be entitled to retain possession and control of all Property now or hereafter granted to or held by Grantee under this Security Instrument.

(I) Suits by Grantee. All rights of action under this Security Instrument, subject to applicable state Law, may be enforced by Grantee without the possession of any Purchase Money Note or the Guaranty Agreement and without the production thereof or this Security Instrument at any trial or other proceeding relative thereto; provided, however, Grantee shall in any event certify that it is the current holder of any Purchase Money Note. Any such suit or proceeding instituted by Grantee shall be brought in the name of Grantee and any recovery of judgment shall be subject to the rights of Grantee.

(J) Remedies Cumulative. No remedy herein (or pursuant to the Reimbursement, Security and Guaranty Agreement or any Secured Parties Collateral Document) conferred upon or reserved to Grantee or Trustee shall exclude any other remedy, and each such remedy shall be cumulative and in addition to every other remedy given hereunder or now or hereafter existing at Law or in equity. No delay or omission of Grantee or Trustee to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given to Grantee or Trustee by this Security Instrument or any other Secured Parties Collateral Document may be exercised from time to time and as often as Grantee or Trustee may deem expedient. Nothing in this Security Instrument shall affect Grantor's obligations to pay the principal of, and interest on, the Grantor Secured Obligations in the manner and at the time and place expressed in the Reimbursement, Security and Guaranty Agreement.

(K) Waiver of Rights. Grantor agrees that, to the fullest extent permitted by Law, it will not at any time, (1) insist upon, plead or claim or take any benefit or advantage of any stay, extension or moratorium Law, wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Security Instrument or any Secured

Parties Collateral Document, (2) claim, take or insist upon any benefit or advantage of any Law, now or at any time hereafter in force, providing for valuation or appraisal of the Property, or any part thereof, prior to any sale or sales thereof which may be made pursuant to any provision herein contained, or pursuant to the decree, judgment or order of any court of competent jurisdiction, or (3) after any such sale or sales, claim or exercise any right under any statute heretofore or hereafter enacted by the United States or any jurisdiction or otherwise to redeem the Property and rights sold pursuant to such sale or sales or any part thereof. Grantor hereby expressly waives all benefits and advantages of such Laws, and covenants, to the fullest extent permitted by Law, not to hinder, delay or impede the execution of any power herein granted or delegated to Grantee, but will suffer and permit the execution of every power as though no such Laws had been made or enacted. Grantor for itself and all who may claim through or under it, waives, to the extent it lawfully may do so, any and all homestead rights, any and all rights to reinstatement, and any and all right to have the property comprising the Property marshaled upon any foreclosure of the Lien hereof.

8. MISCELLANEOUS

(A) The title, interest, rights and powers granted herein by Grantor to Grantee, particularly the power of sale granted herein, shall inure to the benefit of anyone to whom Grantee shall assign the indebtedness herein secured, or convey the property herein described, as well as to the successors and legal representatives of Grantee.

(B) Grantor, at its own cost and expense, shall promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary, or that Grantee may reasonably request in order to perfect, to ensure the continued perfection of and to protect the security interest now granted onto the Grantee hereafter intended to be granted to Grantee under this Security Instrument or the other Secured Parties Collateral Documents. Grantor shall notify Grantee in writing no less than 30 days prior to a change of address.

(C) The parties hereto shall in no event be deemed to have contracted for a greater rate of interest than the maximum rate permitted by Law. Should a greater amount be collected, it shall be construed as a mutual mistake of the parties and the excess shall be returned to the party paying same.

(D) EACH PARTY TO THIS SECURITY INSTRUMENT AGREES AND ELECTS THAT, IN ACCORDANCE WITH SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, THIS SECURITY INSTRUMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, EXCLUDING ANY CONFLICT OF LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION, AND EACH PARTY TO THIS AGREEMENT UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY CLAIM TO ASSERT THAT THE LAWS OF ANY OTHER JURISDICTION GOVERN THIS AGREEMENT, **EXCEPT THAT AT ALL TIMES THE PROVISIONS FOR THE CREATION, PERFECTION, AND ENFORCEMENT OF THE LIENS, SECURITY TITLE AND SECURITY INTERESTS WITH RESPECT TO THE PROPERTY CONSTITUTING REAL PROPERTY CREATED PURSUANT HERETO**

**SHALL BE GOVERNED BY AND CONSTRUED ACCORDING TO THE LAW OF THE JURISDICTION IN WHICH THE PROPERTY IS LOCATED. NOTHING IN THIS AGREEMENT SHALL REQUIRE ANY UNLAWFUL ACTION OR INACTION BY ANY PARTY TO THIS AGREEMENT.**

(E) In consideration and by accepting the benefits of the Lien and security interest granted on and in the Property by this Security Instrument, Grantee agrees it will fully release its Lien and security interest granted herein upon payment of a Release Price as such term is described on Exhibit C.

(F) In the event of any conflict between the provisions of this Security Instrument and any of the Secured Parties Collateral Documents, the provisions of the Secured Parties Collateral Documents shall control.

(G) Whenever the terms “**Grantor**” or “**Grantee**” are used in this Security Instrument, such terms shall be deemed to include the heirs, administrators, executors, successors and assigns of said parties. All rights and powers herein granted to Grantee shall inure to and include Grantee’s heirs, administrators, executors, successors and assigns, and all obligations herein imposed on Grantor shall extend to and include Grantor’s heirs, administrators, executors, successors and assigns.

9. TRUSTEE.

(A) Substitute or Successor Trustee. Trustee may resign by an instrument in writing addressed to Grantee, or Trustee may be removed at any time with or without cause by Grantee. In case of death, resignation, removal or disqualification of Trustee or if for any reason Grantee shall deem it desirable to appoint a substitute or successor Trustee to act instead of the herein named Trustee or any substitute or successor Trustee, then Grantee shall have the right and is hereby authorized and empowered to appoint a successor Trustee, or a substitute Trustee, without other formality than appointment and designation in writing executed and acknowledged by Grantee and, if required by applicable Law to provide constructive notice, recorded in the county or counties where the Property is located, and the authority hereby conferred shall extend to the appointment of other successor and substitute Trustees successively until the indebtedness secured hereby has been paid in full or until the Property is sold hereunder. In the event the indebtedness secured hereby is owned by more than one person or entity, the holder or holders of not less than a majority in the amount of such indebtedness shall have the right and authority to make the appointment of a successor or substitute Trustee provided for in the preceding sentence. Such appointment and designation by Grantee or by the holder or holders of not less than a majority of the indebtedness secured hereby shall be full evidence of the right and authority to make the same and of all facts therein recited. If Grantee is a corporation or a nationally chartered bank and such appointment is executed in its behalf by an officer of such corporation or nationally chartered bank, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of the corporation. Upon the making of any such appointment and designation, all of the estate and title of Trustee in the Property shall vest in the named successor or substitute Trustee and such successor or substitute shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties

herein conferred upon Trustee; but nevertheless, upon the written request of Grantee or of the successor or substitute Trustee, Trustee ceasing to act shall execute and deliver an instrument transferring to such successor or substitute Trustee all of the estate and title in the Property of Trustee so ceasing to act, together with all rights, powers, privileges, immunities and duties herein conferred upon Trustee, and shall duly assign, transfer and deliver any of the property and monies held by said Trustee hereunder to said successor or substitute Trustee. All references herein to Trustee shall be deemed to refer to Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder. Grantor hereby ratifies and confirms any and all acts which the herein named Trustee or his successor or successors, substitute or substitutes, in this trust, shall do lawfully by virtue hereof.

(B) Liability of Trustee. Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or be otherwise responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence or willful misconduct. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by him hereunder, believed by him in good faith to be genuine. All monies received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, and shall be segregated from all other monies, and Trustee shall be under no liability for interest on any monies received by him hereunder. Grantor will reimburse Trustee for, and indemnify and save Trustee harmless against, any and all liability and expenses which may be incurred by him in the performance of his duties hereunder.

(C) Grantee and Trustee. Trustee accepts the trusts hereby created and agrees to perform the duties herein required of him upon the terms and conditions hereof. The duties and obligations of the Trustee in respect of this Security Instrument shall be as set forth in this Section 9 including and subject to the following:

(i) Except upon the occurrence and during the continuance of an Event of Default that is actually known to Grantee:

(1) Trustee shall undertake to perform such duties and obligations and only such duties and obligations as are specifically set forth in this Security Instrument or as otherwise directed by a letter of direction from Grantee, and no implied covenants or obligations shall be read into this Security Instrument or the other Secured Parties Collateral Documents against Trustee; and

(2) in the absence of bad faith, Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to Trustee and conforming to the requirements of this Security Instrument and the other Secured Parties Collateral Documents; but in the case of any such certificates or opinions which by any provision hereof or thereof are specifically required to be furnished to Grantee,

Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Security Instrument and the other Secured Parties Collateral Documents.

(ii) Trustee shall exercise the rights and powers vested in Trustee by this Security Instrument with reasonable care.

(iii) No provision of this Security Instrument shall be construed to relieve the Trustee from liability for its own gross negligence or willful misconduct, including that of its directors, officers, agents and employees, except that:

(1) Trustee shall not be liable for any error of judgment made in good faith by Trustee, unless it shall be proved that Trustee was negligent in ascertaining the pertinent facts; and

(2) Trustee shall not be liable with respect to any action taken or omitted to be taken in good faith in accordance with the direction of Grantee relating to the time, method and place of conducting any proceeding for any remedy available to Trustee, or exercising any trust or power conferred upon Trustee under this Security Instrument.

(iv) Whether or not therein expressly so provided, every provision of this Security Instrument relating to the conduct or affecting the liability of or affording protection to Trustee shall be subject to the provisions of this Section 9.

(v) No provision of this Security Instrument shall require Trustee to expend or risk his own funds or otherwise incur any personal financial liability in the performance of any of his duties hereunder, or in the exercise of any of his rights or powers, if Trustee shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to him.

(D) Covenants of Grantor. Grantor hereby covenants and agrees with Trustee and Grantee:

(i) to pay to Trustee from time to time reasonable compensation for all services rendered by Trustee hereunder;

(ii) to reimburse each of Grantee and Trustee upon request for all reasonable expenses, disbursements and advances incurred or made by it or them in accordance with any provision of this Security Instrument (including reasonable compensation, expenses and disbursements of agents and counsel), except any such expense, disbursement or advance (i) specifically stated in the Reimbursement, Security and Guaranty Agreement to be payable by Grantee or to be without cost to Grantor, or

(ii) attributable to the gross negligence or willful misconduct of Grantee or Trustee, respectively; and

(iii) to indemnify Trustee for, and to hold him harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder or the enforcement of remedies hereunder including the costs and expenses of defending against any claim or liability in connection with the exercise or performance of any of the powers or duties hereunder or thereunder (except any liability incurred by Trustee which is attributable to its gross negligence or willful misconduct).

(E) Survival of Grantor Obligations. The obligations of Grantor under this Section 8 to compensate or indemnify Grantee and/or Trustee and to pay or reimburse the same for expenses, disbursements and advances shall constitute additional indebtedness hereunder and shall survive the satisfaction and discharge of this Security Instrument. When Trustee or Grantee incur expenses or render services after an occurrence of an Event of Default, such expenses and compensation shall constitute expenses of administration under any applicable bankruptcy Law.

(F) Co-Trustees and Additional Trustees. At any time or times, (i) for the purpose of meeting the Legal Requirements of any jurisdiction in which any part of a Property may at the time be located, or (ii) if Grantee deems it to be necessary or desirable for the protection of its interests, Grantee shall have the power to appoint, and upon written request of Grantee, Grantor shall for such purpose join with Grantee in the execution, delivery and performance of all instruments and agreements reasonably necessary or proper to appoint, one or more Persons approved by Grantee either to act as co-Trustee, jointly with Trustee and/or Grantee, of all or any part of the Property, or to act as separate Trustee of any such property, in either case with such powers as may be provided in the instrument of appointment which shall expressly designate the property affected and the capacity of the appointee as either a co-Trustee or separate Trustee, and to vest in such person or persons in the capacity aforesaid, any property, title, right or power deemed necessary or desirable, subject to the other provisions of this Section 9. If Grantor does not join in such appointment within fifteen (15) days after the receipt by it of a request so to do, or if an Event of Default shall have occurred and be continuing, Grantee alone shall be entitled to make such appointment without further reference to Grantor. Should any written instrument from Grantor be required by any co-Trustee or separate Trustee so appointed for more fully confirming to such co-Trustee or separate Trustee such property, title, right or power, any and all such instruments shall be executed, acknowledged and delivered by Grantor upon request by Grantee. If Grantor does not execute and deliver such instrument within five (5) Business Days after the receipt by it of a request so to do, or if an Event of Default shall have occurred and be continuing, Grantee is hereby appointed Grantor 's attorney-in-fact and shall be entitled to execute and deliver such instrument for and on behalf of Grantor and in the name of Grantor. Every co-Trustee or separate Trustee shall, to the extent permitted by Law, but to such extent only, be appointed subject to the same terms as hereinabove set forth for the Trustee.

IN WITNESS WHEREOF, Grantor and Trustee have executed this instrument [under seal,] the day and year first above written.

NOW, THEREFORE, in consideration of the Loan, foregoing premises, Ten Dollars (\$10.00) paid in hand, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor agrees as follows:

1. Definitions. Capitalized terms used in this Assignment and which are undefined shall have the meanings ascribed to such terms in the Reimbursement, Security and Guaranty Agreement (including by reference therein) or the Security Instrument, as applicable.

2. Assignment.

(a) Grantor hereby assigns, transfers and sets over unto Grantee, subject to the terms hereof, all of the right, title and interest of Grantor in and to all Leases, Rents, and security deposits.

(b) This Assignment is an absolute, present and irrevocable assignment made for the purpose of securing (i) the payment and performance by Grantor of all Secured Obligations; (ii) the payment of all sums with interest thereon becoming due and payable to Grantee under the Reimbursement, Security and Guaranty Agreement; and (iii) the performance and discharge of each and every obligation, covenant, representation, warranty, indemnity and agreement of Grantor under this Assignment and the Reimbursement, Security and Guaranty Agreement.

3. License to Collect Rent.

The foregoing license granted to Grantor shall terminate upon the occurrence of an Event of Default.

(b) Any time after the occurrence of an Event of Default, Grantee, without in any way waiving such Event of Default, at its option and without regard to the adequacy of the security for Secured Obligations and the other obligations secured hereby and by any Transaction Document, either in person or by agent or by a receiver appointed by a court, may enter upon and take possession of the Property and have, hold, manage, lease and operate the same on such terms and for such period of time as Grantee may deem proper. At any time after the occurrence of an Event of Default, Grantee, with or without taking possession of the Property, may, to the extent not prohibited by applicable law, demand, sue for or otherwise collect and receive all Rents, and security deposits, including any Rent past due and unpaid, and to apply such Rents to the payment of: (i) all reasonable expenses of managing the Property, including, without limitation, the reasonable salaries, fees and wages of any manager or managing agent and such other employees as Grantee may deem necessary in Grantee's sole and absolute discretion and all expenses of operating and maintaining the Property, including, without limitation, all rents, taxes, charges, claims, assessments, water rents, sewer rents and any other liens, and premiums for all insurance which are due and payable and the cost of all alterations, renovations, repairs or replacements for the Property, provided such fees and expenses shall be subject and subordinate to the Loan, and all expenses incident to taking and retaining possession and managing the Property, including, without limitation, attorneys' fees and disbursements; and (ii) the Secured Obligations.

(c) The exercise by Grantee of the right to collect the Rents and the application thereof as herein provided shall not be considered a waiver of any Event of Default under this Assignment or any other Transaction Document. Grantor agrees that the exercise by Grantee of one or more of its rights and remedies hereunder shall in no way be deemed or construed to make Grantee a mortgagee-in-possession unless and until such time as Grantee takes actual possession of the Property.

4. No Other Assignment.

(a) Grantor represents and warrants that (i) there is no outstanding assignment of the Leases, Rents or security deposits, except for this Assignment and the Security Instrument; (ii) Grantor has not performed any act or executed any instrument, assignment or agreement, and

there is no existing instrument, assignment or agreement, which might prevent Grantee from exercising its rights under any of the terms and conditions of this Assignment or which would limit Grantee in such exercise.

(b) Grantor shall not (i) execute any assignment of the Leases, Rents or security deposits to any person other than Grantee; or (ii) perform any act or execute any instrument, assignment or agreement which might prevent Grantee from exercising its rights under any of the terms and conditions of this Assignment or which would limit Grantee in such exercise. Any of the foregoing acts done without the prior written consent of Grantee shall be null and void.

5. No Liability. Grantee shall not be liable for any loss sustained by Grantor resulting from Grantee's failure to let the Property or any portion thereof or any other act or omission of Grantee either in collecting the Rents or, if Grantee shall have taken possession of the premises described in the Leases and/or the Security Instrument, in managing such premises after any such Event of Default, unless such loss is caused by the gross negligence or willful misconduct of Grantee, its employees, officers, agents or representatives.
