Enclosure 7: NEI Handouts Meeting Summary of July 28, 2010 Public Meeting with NEI Dated August 4, 2010

NEI HANDOUT AT 28 JUL 2010 PUBLIC MEETING

ACTION TABLE

DRAFT

Improvement Opportunity	Recommended
	Action
Trends noted in monitoring panel and SLT that do not constitute a	Directed training,
significant concern but need to be addressed	communication, etc.
A significant immediate indication of declining safety culture	ACE or CCE required
performance in a department (e.g., issue with supervisors in the	
department)	
A significant immediate indication of declining safety culture	ACE, CCE, RCE, or
performance at the station (e.g., issue with a department manager	NSCA required
or senior manager)	
An indication of a decline in safety culture over the last two quarters	ACE, CCE or RCE
in a functional area (e.g., multiple ECP issues, emotional CRs, etc.)	required
An indication of a declining trend over the last four quarters at the	RCE or NSCA required
station (e.g., increase in allegations over historic averages, multiple	
Office of Investigation visits in an area)	
A noticeable difference in a functional area from the remainder of	ACE or RCE required
the station culture (e.g., increase in CRs that are emotional, survey	
results indicate a measureable difference from the station norm,	
etc.)	
A continuing decline in the culture of a functional area or the station	ACE or RCE required
indicating corrective actions are ineffective (e.g., repetitive issues	
after corrective actions have been completed)	
Indications of a return of a previously addressed issue indicating	RCE or NSCA required
corrective actions were not durable (e.g., return of similar issues to	
issues addressed two or more years ago and believed corrected)	
Request from NRC due to their lack of confidence in site's ability to	Independent NSCA
identify and/or correct longstanding cultural issue.	required
Recommendation from external safety board to conduct	Independent or third
independent or third party assessment.	party NSCA required
Request from NRC to conduct assessment due to station being	Third party NSCA
placed in column four of the action matrix.	required

Note: ACE= Apparent Cause Evaluation; CCE= Common Cause Evaluation, RCE=Root Cause Evaluation; NSCA= Nuclear Safety Culture Assessment
