

**International Breast Cancer Screening Network (IBSN)  
Council Meeting**

**May 27-28, 2004  
Oslo, Norway**

***Wednesday, May 26, 2004***

- 12:45 p.m. Lunch for early arrivals  
Working Group pre-meetings
- 6:30 p.m. Performance Evaluation Working Group  
Communications Working Group
- 8:30 p.m. Adjourn – Dinner

***Thursday, May 27, 2004***

- 8:30 a.m. Welcome coffee
- 8:50 a.m. Welcome — Froydis Langmark, Director, Cancer Registry of Norway
- 9:00 a.m. Open with introductions
- 9:10 a.m. Welcome to new members; Objectives of meeting — Steinar Thoresen, Rachel Ballard-Barbash

**EVALUATION OF PERFORMANCE MEASURES**

- 9:30 a.m. Performance Evaluation Group report — Jacques Fracheboud, Carrie Klabunde
- 10:30 a.m. Presentation of abstracts: 20 minutes each  
Topics:
- Comparison of early performance indicators for screening projects within the European Breast Cancer Network: 1989–2000 — Mireille Broeders
  - Present or current use of hormone treatment and the risk of screening detected versus interval cancer — Solveig Hofvind
  - Breast cancer incidence and therapy related to breast cancer screening — Jacques Fracheboud
  - Mammography screening targeted women aged 40–49 in Japan — Noriaki Ohuchi
  - Standardised detection ratios for prevalence screening in the New Zealand Breast Cancer Screening Programme — Brian Cox

- 12:10 p.m. Summary discussion of performance evaluation
- 1:00 p.m. Lunch

**CASE-CONTROL EVALUATION OF OUTCOMES**

- 2:30 p.m. Update on Working Group activities — Eugenio Paci

- 3:00 p.m. Presentation of abstracts: 15 minutes each  
Topics:
- Case-control studies of the efficacy of cancer screening — Noel Weiss
  - Evaluation of service screening in Italy: methodological implications and design of a case-control study — Eugenio Paci
  - Efficacy of breast cancer screening according to age and risk level — William Barlow
  - Evaluation of the Swedish service-screening programme with mammography — Lennarth Nystrom

4:00 p.m. Summary discussion of case-control evaluation of outcomes and performance measures

4:30 p.m. Break

### **COMMUNICATIONS**

5:00 p.m. Update on Communications Working Group activities — Berta Geller

5:20 p.m. Update on the European Guidelines on Quality Assurance for Breast Cancer Screening on Communication and Information — Livia Giordano

5:40 p.m. Literature review of best practices in communicating cancer screening information to women to inform decision making — Jane Zapka

6:00 p.m. Summary discussion of communications

- 6:30 p.m. Adjourn for poster session describing programs
- Therapeutic behavior in hereditary non-polyposis colorectal cancer (HNPCC) — Gonzalo Pou
  - BreastScreen Australia – improving quality — Andriana Koukari
  - Breast cancer screening in Iceland — Baldur Sigfusson
  - U.S. Breast Cancer Surveillance Consortium: ten years of progress — Rachel Ballard-Barbash
  - Portuguese National Breast Cancer Screening Programme update — Vitor Rodrigues
  - Recent outcome data from the U.S. National Breast and Cervical Screening Program — Christie Ehemann

7:45 p.m. Entertainment

8:15 p.m. Group dinner

***Friday, May 28, 2004***

### **IMPROVING THE INTERPRETATION OF RADIOLOGISTS: MEANS, METHODS, AND ENDS**

8:30 a.m. Feedback to radiologists on performance — Stephen Taplin

8:40 a.m. Influencing radiologists and screening programmes to change behaviour: experience from the UK — Louise Johns

- 9:00 a.m. Presentation of abstracts: 15 minutes each  
Topics:
- Development of an evaluation tool to measure mammography screening performances of radiologists — Jean-Luc Bulliard
  - The effect of computer-assisted detection upon interpretive performance in a test setting — Stephen Taplin

- The proportions of missed and true interval cancers by review designs in a population-based breast cancer screening program — Solveig Hofvind

9:45 a.m. Discussion

10:10 a.m. Break

### **COLORECTAL CANCER SCREENING**

10:40 a.m. Overview and report on initiation of programs in ISSN countries — Carrie Klabunde

10:55 a.m. Brief overview of evidence and OMED/WHO/IDCA activities — Ann Zauber

11 10 a.m. Presentation of abstracts: 20 minutes each

- Exploring Downunder – Australia's bowel cancer screening pilot — Andriana Koukari
- Organization of population-based CRC screening pilot programs in France: the example of Hérault — Helene Sancho-Garnier
- Moving from trials to screening programmes: arguments for a large-scale randomised trial on colonoscopy screening — Geir Hoff

12:10 p.m. Summary discussion of colorectal cancer screening

12:45 p.m. Lunch

### **INTERNATIONAL ACTIVITIES**

2:00 p.m. Update on related international activities — Steinar Thoresen, Rachel Ballard-Barbash

- Global Alliance for Breast Cancer
- UICC
- Europe Against Cancer – European Breast Cancer Screening Network
- Report on status of upcoming publications
  - 0 IARC handbooks on screening — Matti Hakama
  - 0 Monograph on Lessons Learned from Interventions to Promote Screening — Stephen Taplin
- Other items from other countries?
- Upcoming meetings

2:15 p.m. Identification of topics for working groups for 2004–2005

2:30 p.m. 3-4 small group breakouts to further develop specifics of projects

3:30 p.m. Report out to large group and selection of 2 projects for 2004–2005

4:30 p.m. Preliminary plans and location for next large group IBSN meeting in 2006

5:00 p.m. Adjourn

7:00 p.m. Dinner available

### ***Saturday, May 29, 2004***

9:00 a.m. Discussion with co-chairs and working group chairs for future plans, priorities, and action items

11:00 a.m. Adjourn
