Schedule RC-R—Regulatory Capital

This schedule must be completed by all banks as follows: Banks that reported total assets of \$1 billion or more in Schedule RC, item 12, for June 30, 1997, must complete items 2 through 9 and Memoranda items 1 and 2. Banks with assets of less than \$1 billion must complete items 1 through 3 below or Schedule RC-R in its entirety, depending on their response to item 1 below.

For purposes of this test, adjusted total assets equals total assets less cash, U.S. Treasuries, U.S. Government agency obligations, and 80 percent of U.S. Government-sponsored agency obligations plus the allowance for loan and lease losses and selected off-balance sheet items as reported on Schedule RC-L (see instructions).

If the box marked YES has been checked, then the bank only has to complete items 2 and 3 below. If the box marked NO has been checked, the bank must complete the remainder of this schedule.

A NO response to item 1 does not necessarily mean that the bank's actual risk-based capital ratio is less than eight percent or that the bank is not in compliance with the risk-based capital guidelines.

NOTE: All banks are required to complete items 2 and 3 below. See optional worksheet for items 3.a through 3.f.
