

Early Childhood Comprehensive System

Early Childhood Comprehensive System is like a flower ..

The elements: Partnerships work in collaboration with each other to address ...

The environment:

- Governance
- Financing
- Standards, Monitoring and Accountability
- Communications, Family Leadership and Development
- Provider and Practitioner Support

And to expand and enhance The Petals:

- Early Care and Education
- Medical Homes and Health Care
- Social-Emotional Development and Mental Health
- Parenting Education
- Family Support Services

With the ultimate goal of, the center of the flower, Children Healthy and Ready to Learn
